The answers to these questions were transmitted by TEACHERS from the SPHERES of LIGHT. Paranormal voices appearing within the protocol were captured on tape and are marked with T.B: (Tonband). Any words that are underlined are authentic with the original transmission. This working circle grew out of a meditation group and commenced its psychic activities on October 25th 1995.

Introduction:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I'll be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Words from WHITE EAGLE:

You could save yourself a lot of fear and anxiety if you would ask the SPHERES of LIGHT to HELP you. Do *not* look for advice and guidance from *mundane* sources. Rather look for spiritual CONTACT. Seek out a place of tranquillity and peace and reinforce your certainty that the POWER of GOD is active within you.

Greetings to all those present and the start of questions.

EUPHENIUS: GREETINGS IN THE NAME OF GOD and PEACE ACROSS ALL FRONTIERS!

May the LORD be with you. This is EUPHENIUS speaking. This evening tonight is something special for me, a premiere, as I'm allowed to lead and guide this circle. It isn't always easy to find souls on this Earth that will carry out this work in the NAME of GOD, without fear. A new chapter begins tonight and I hope in the name of everybody, that the WORD of GOD and the INDOCTRINATIONS accomplish their aim and have an appropriate effect.

Participant : We also hope for the same effect. This theme is all about publishing important INFORMATION from you, which will make *safe* CONTACT with the SPHERES of LIGHT possible.

EUPHENIUS: It would be desirable if many souls would become more mindful through your work of the fact that there is *more* than only what your sensory organs experience here on Earth. We would like to clarify something that concerns *us* as spiritual ENTITIES. It is very important to make it very clear to you of just how *we*, as spiritual ENTITIES can co-operate with you as beings from planet Earth.

We don't possess a physical body any more, but consist of LIGHT ENERGIES, which amplify and heighten by degrees. This LIGHT and these FIELDS of VIBRATIONS heighten in line with one's upward progress through the SPHERES of LIGHT.

We, as LIGHT BEINGS are connected with the ORIGINAL SOURCE. Imagine it as a light source that is connected with a power station. We are connected to HIGHER PLACED ENTITIES, which communicate INFORMATION and also REFERENCES. The connection runs on various LEVELS; it would be difficult to explain it to you differently.

HIGHER PLACED ENTITIES and HIGHER PLACED ANGELS (Archangels) are *not able* to make direct contact with you here on Earth. The RATE of VIBRATION that emanates from these ENTITIES would burn you. You wouldn't be able to physically stand this high FREQUENCY OSCILLATION.

During our time spend here co-operating with you, we are also protected by ENTITIES that establish a PROTECTIVE CIRCLE. This PROTECTIVE CIRCLE is *not only* important *for you*, but *also for us*, it helps us to adjust and equalise our FREQUENCIES during our evening sessions. Every evening session demands a very high number of EQUALISATION LEVELS, giving us the opportunity to make contact with you here. It takes quite some time to secure earthly regions for us and to equalise

them **ENERGETICALLY** to a degree that makes it possible to make contact through you.

It was important to mention this and to take it for what it is, namely a clue that we need your **LIGHT ENERGY** and your thought-vibrations to be able to convert our work and to reach you. But this is only possible if these prerequisites are present:

- *Trust and faith in DIVINITY*
- *and the belief that nothing will happen that you don't want to happen.*

You have the opportunity to suspend and even break off contact with us at any time. We will *never* undertake an assignment you're *not ready for*, without the consent of your **HEART** and your **INNER LIGHT**.

This should be enough for now to shed some light into this darkness. We would like to add that you should utilise these sessions to ask some *complementary* questions, additional questions and repeat elucidations, so you're able to communicate this theme completely and concretely.

Question : Where does the great interest in the occult by more and more people in our “enlightened” times, that is to say, for the mysterious and the hidden come from, something inscrutable to our five senses, even though one places so much importance in common sense and the sciences these days?

EUPHENIUS: One of the reasons for this is that mankind is *satiated* by impulses that act upon it *from external sources*. To perceive and experience the extraordinary, something not anchored within your social norm, has always had its attraction. It is a little **DOOR** that allows *oneself* an understanding that there *is more* to experience than what your senses can convey to you.

- *You should be mindful of not being able to differentiate between GOOD and evil!*

Question : CHRIST talked about a “SPIRIT of TRUTH” he was going to send. Who or what did CHRIST mean by that?

John 16: 12-13: I have much more to tell you, but now it would be too much for you to bear. When, however, the spirit comes, who reveals the truth about God, he will lead you into all the truth. He will not speak on his own authority, but he will speak of what he hears and will tell you of things to come.”

EUPHENIUS: The “SPIRITS of TRUTH” are those **ENTITIES** here on Earth, which try to bring **GOD’S TRUTH** via mediums to this planet. In those days, JESUS wasn’t able to convey it to his disciples. But the time has come to spread **GOD’S TRUTH** on planet Earth. Mediums will proliferate on this planet and will convey the **WORD** of **GOD** to the world’s population, to announce the **WORD** of **GOD** - the *true* **WORD** of **GOD**. Not the dogmatic utterances of the Churches sometimes misunderstood and often not correctly rendered. It isn’t *one particular* **ANGEL** that sends these **MESSAGES** here, what we achieve here is also *a part* of what is written in that **REVELATION**.

- *We are all a PART of GOD and belong to the “Holy Spirit”, which in turn belongs to GOD.*

On the other hand, the SANTINER are also a MOUTHPIECE of GOD and pass on their PREDICTIONS and PROPHECIES. They are also GOD’S SERVANTS trying to transform the WORD on behalf of GOD here on Earth.

Question : You maintain that the time is *now* to spread GOD’S TRUTH. Why particularly now? - Has CONTACT with the spiritual realm only recently been established?

EUPHENIUS: There existed a few isolated seers and prophets in those days. They were recognised by their community and treated reverently and thoughtfully.

- *We are now at a point in time where the TRANSFORMATION into a NEW AGE has begun and it is important that this step can transpire within the LIGHT of GOD.*

Question : The actual act of redemption by CHRIST is supposed to take CHRIST to the realm of Lucifer to take away his suggestive POWER over human souls. Ever since that time, all the souls living in darkness are supposed to have the opportunity to undertake their way back into the LIGHT voluntarily. The defector may now only try to sway the souls *he can contact* through promises and cunning. Is this correct?

EUPHENIUS: This is correct. It is typified by the divine *free will* every soul has been given, so it can decide whether to go into the darkness or into the LIGHT.

Question : Let’s assume that CHRIST had lost HIS spiritual BATTLE, would psychic contact and work within a circle still be possible?

EUPHENIUS: It would still be possible, but the development of mankind *would be blocked* and you wouldn’t *be prepared* to return to the REALM of GOD.

Participant : From you point of view, is there an increase of negative thought-energies emanating from us to record?

EUPHENIUS: It would be difficult to give you a percentage figure to make this quite clear. Take into consideration that people are subject to very strong VIBRATIONAL VARIATIONS and that their thoughts don’t express themselves on a conscious level only, but also by all the things that stream into people on a daily basis. It is therefore very hard for us to answer this. To make it more plausible to you I will put the POWER struggle between GOOD and evil into words:

- *The struggle between GOOD and evil has existed from time immemorial. You live on a planet where duality is the LAW. This LAW cannot be redressed by the CREATOR or by ANGELIC BEINGS.*
- *Be therefore mindful of your thoughts and of everything you do!*

You are only responsible for *yourself* and *not* for the actions of others! Be assured that Earth has ENTITIES that GUARD it, “doctors” if you like, that will heal this planet.

Question : Could one talk about an increase in negative human thoughts here on Earth, if you look back over the last 20 to 30 years and take this period of time as a measuring stick?

EUPHENIUS: If you apply this timeframe in your equation, we can tell you quite succinctly that an increase of negativity *hasn't* happened to a *higher* degree.

Question : Experience tells us that the “impossibilities” from yesterday become a matter of course today and today’s utopia will become the reality of tomorrow. This factual experience doesn’t just apply to the technical irrelevances of our life, but even more so for the spiritual REGIONS, which include the fallow lying psychic abilities of people. What must take place before these existing abilities can be splendidly experienced?

EUPHENIUS: *The willingness of people to believe that this actually exists. That ANGELS, WORLDS and SPHERES, which are mostly rejected or regarded as non-existent places or even as lunacy, do exist, reinforced by the dogmatic behaviour of the world’s Churches.*

- *Only those that can feel, perceive and give trust, TRUST in GOD and the LOVE of GOD within themselves can do psychic work.*

Question : Must a conscious identity of the “ego“ with “self”, therefore the exterior man with the INNER man, be realised?

EUPHENIUS: It is written: “As within so without.” - A god-fearing person will express his humility, his charity to the world, all those things that were called divine LAWS, and he will also act accordingly rendering what GOD planted within him, revealing HIS INNER LIGHT and HIS LOVE, something HE gave to us and to you as human beings.

Question : Does this superimposition of “INSIDE” and “OUTSIDE” create those POWERS one calls “metaphysical”, “ESP” or “psychic” or are these POWERS already there?

EUPHENIUS: These POWERS are available and will attract elements like VIBRATIONS, apparitions and especially phenomenon.

Interjection : But especially with apparitions and phenomenon the craving for sensations is immediately rearing its head.

EUPHENIUS: This is what GOD gave you your mind for and where *control* over this situation ought to take place. You have to assess where the ego predominates or where GOD’S WILL is *actually* present.

Participant : But especially the mind is often regarded as a hindrance in regards to all sorts of things within esoteric circles. But according to what you tell us, the mind has an important role to play, namely a controlling function.

EUPHENIUS: Otherwise it wouldn’t be there. Everything has its positive value and ought to be *used positively* in a divine sense. If you *didn't* have a mind, all human beings dealing with spiritual matters wouldn’t recognise the true I AM, the true SELF and the DIVINITY

within and would end up in spheres where they *couldn't* attend to GOD'S PLAN for themselves as an entity, and couldn't figure out why they were here on Earth.

Comment : A lot of times our mind is regarded as a resistor.

EUPHENIUS: It is *the balance*, teaching you to review what is predominant: the HEART, the inner WORTH or whatever is perceived from external sources.

Question : Is the following passage from the First Letter to the Corinthians, Chapter 14, to be regarded as an invitation to apply one's own psychic abilities?

“Set your hearts on spiritual gifts, especially the gift of proclaiming God's message. The one who speaks in strange tongues does not speak to others but to God, because no one understands him. He is speaking secret truths by the power of the spirit. But the one who speaks to people and gives them help, encouragement and comfort. The one who speaks in strange tongues helps only himself, but the one who proclaims God's message helps the whole Church...

EUPHENIUS: These are *very important maxims*, indicating once again what you should learn and what is important to you.

- “*Prophecies*” are MESSAGES from other SPHERES that don't always proclaim consoling words but also WORDS of warning. They are not subjected to the same legalities you are subjected to here on Earth, but are free from any coercion and dogmatic characteristics. The WORD of GOD is an open WORD, accessible and attainable to everybody. The WORD of GOD has the POWER to lead you, as souls, to a hitherto secret WORLD.
- What you hear spoken in Church, “in strange tongues” as it were, the misinterpreted doctrine, does not meet with GOD'S approval. The fact that we are disowned and that your soul is declared dead, even though your designation is completely different, represents a disregard.

Participant : This answer gives Chapter 14 of the First Letter to the Corinthians a completely different aspect. Many esoteric circles equated the “speaking in strange tongues” with speaking in a psychic trance and not as the monologues of the priests.

EUPHENIUS: When talking about “speaking in strange tongues” one actually means the *human* tongue that speaks “in the NAME of GOD” here on Earth, *but doesn't* possess GOD'S WISDOM.

Question : Chapter 14 of the First Letter to the Corinthians goes on saying:

“So when I come to you, my brothers, what use will I be to you if I **speak in strange tongues**? Not a bit, unless I bring you some revelation from God or some knowledge or some inspired message or some teachings. Take such **lifeless** musical instruments as the flute or the harp - how will anyone know the **tune** that is being played unless the notes are sounded distinctly? And if the man who plays the bugle doesn't sound a clear call, who will prepare for battle? In the same way, how will anyone understand what you are talking about if your message given in strange tongues is not clear? **Your words will vanish in the air.**”

For if I **pray in this way, my spirit** prays indeed, but my mind has no part in it. What should I do then? I will pray with my spirit, but I will also pray with my mind; I will sing with my spirit, but I will also sing with my mind. When you give thanks to God in spirit only, how can an ordinary person taking part in the meeting say “Amen” to your prayer of thanksgiving? He has **no way of knowing** what you are saying. Even if your prayer of thanks to God is quite good, the other person is **not helped at all**. I thank God that I speak in strange tongues much more than any of you. But in Church worship, I would rather speak five words **that can be understood**, in order to **teach** others, than speak thousands of words in strange tongues.

So then the gift of speaking in strange tongues is proof for unbelievers, **not** for believers, while the gift of proclaiming God’s message is proof **for believers**, not for unbelievers.”

This is what I mean my brothers. When you meet for worship, one person has a hymn, another a teaching, another a revelation from God, another a message in strange tongues, and still another the explanation of what is being said. Everything **must be of help** to the Church. If someone is going to speak in strange tongues, two or three at the most should speak, one after the other, and someone else must explain what is being said.

Two or three who are giving God’s message should speak, while the others **are to judge what they say**.

So then, my brothers, set your heart on proclaiming God’s message, but do not forbid the speaking in strange tongues. Everything must be done in a **proper and orderly** way.

EUPHENIUS: There is *no* need for us to add anything to this, because this is GOD’S TRUTH.

Question : What has to be paid attention to, to be able to make positive CONTACT with the spiritual realm?

(TB: That is important!)

LUKAS : An important question. Well, everything always comes back to the same old TRUTHS and RULES, which have always had their validity right from the beginning. Not just here on Earth, where people find it so very hard to deal with these contacts, but these RULES have validity *on all* the inhabited planets throughout the universe. The *most important* RULE when making protected CONTACT is an inner BOND with GOD. Meaning:

- *Faith in GOD and HIS REALM must be present.*

But a little doubt might certainly creep in here and there, that is to say, doubt about the contact, respectively, what the content is concerned.

- *Doubting the EXISTENCE of GOD can quickly turn a contact negative and the transmissions are then not intermingled with the great TRUTHS.*

What is also of great importance is that a *great relationship of trust* to the individual SPIRIT GUIDES exist, otherwise there is the danger here that illicit CONTACTS are established. Therefore:

- *Faith and a growing trust are essential prerequisites for a positive connection!*

The more you can practice and fortify this, *the easier it is for us*, to transmit those things we *want* to transmit. Everything else would signify a disturbance and the transmission would be worthless to you.

Question : What would you consider to be the *lowest* number of people necessary within a circle, so that a protected meeting can take place?

EUPHENIUS: This all depends on how the group is configured, that is to say, just how willing it is to *use their hearts* to do this work. On a scale from one to ten, it takes some insight to see just how *strong* their inner willingness is to undertake this ASSIGNMENT with the help of the SPIRITUAL REALM. The number of GUARDIAN SPIRITS adapts itself to the *intensity of the work done* by the circle. To lay a solid foundation, about 10,000 GUARDIAN SPIRITS are necessary to start with.

- *The prerequisite to start spiritual work by making CONTACT with SPIRITUAL ENTITIES is at least three to four people.*

There have to be made distinctions when talking about psychic work, because there are areas where a medium can work on its own. To work with us on a regular basis and to undertake an ASSIGNMENT in a divine SENSE, it is necessary to have at least that number of people present.

Question : Does this mean that if somebody tells us at the last moment that they can't attend, that we can still continue with our meeting?

EUPHENIUS: Only to a certain degree, because you have to take into consideration that from an ENERGETIC point of view, you *don't always* fulfil the requirements. We have to chop and change the VIBRATIONS very often. There are meetings that can certainly be arranged with three people. But the fourth person is necessary to *always* guarantee the POWER and ENERGY POTENTIAL.

Question : Is there also a *maximum* of participants that shouldn't be exceeded?

EUPHENIUS: Working with circles on Earth has shown that because of the differences within the human characteristics and peculiarities, a number between eight to ten should be considered the *highest* number of people within a circle. Here also energetic IMPULSES are often causing *disturbance* and make work more difficult from a divine VIEW-POINT.

Question : And what effect do visitors have?

EUPHENIUS: If the foundation, as we have discussed it at the beginning, is *stable, secure* and *solid*, it is certainly possible, *having discussed it beforehand*, to welcome guests into the circle.

Question : Assuming that a person can't manage to assemble the minimal numbers for a circle, but absolutely wants to establish a practical and protected contact with the *positive SPIRITUAL REALM*. What type of CONTACT would you suggest to such a person?

EUPHENIUS: It depends on the stability of the soul of this person. There are mediums - mind you they are *automatic writing mediums* - that by all means work on their own, which have created PROTECTION around themselves and such a DIVINITY within themselves that it is certainly possible to send messages there. One ought to test oneself very carefully to see whether this stability and this LIGHT are present within! Otherwise the DOORS to the dark WORLD could open.

Question : Would you categorically warn against psychic loners?

EUPHENIUS: Once again this is a very difficult question to answer.

- *For added safety we would always advice to work within a group, making sure that a positive CONTACT can be established.*

Question : Is there a *non-divine* psychic ability?

EUPHENIUS: Everything comes from GOD. GOD is the GENESIS of *everything and* everything emerges from the divine SOURCE. Everything that takes place on Earth happens in the NAME of GOD, through the free will imparted to you by GOD to help you decide, is *a part* of GOD in that SENSE, even that, which comes from the dark POWER.

Objection : Accordingly, wars are also within GOD'S PLAN?

EUPHENIUS: You are the ones that must decide through your actions about what will take place. GOD will *not* interfere to stop you from such actions. This is a GIFT from GOD you have to retain and guard it like a treasure. Only the negative didn't receive free will from GOD, but is a product of the antagonist of GOD.

Question : Do the negative force their will upon us?

EUPHENIUS: Whether you want to accept this or not is up to you. It is your decision and it's your responsibility to either accept it or reject it. Human beings are entities that can also emanate negative conditions. Consider: You live within a duality!

- *Duality is only rescinded once you pass over into the spiritual realm.*

Question : Are the psychic, respectively, the spiritual ACCESSES the same for everybody?

LUKAS : No. Everybody has to be approached *differently*. Most people are not aware of this. But *we* can recognise it and tell you what to concentrate on so this LITTLE DOOR can be opened. For many people, this can grow into a huge PORTAL.

Question : Do you apply various strategies when working with a medium?

LUKAS : From the positive side, it is *prearranged* by the CREATOR. In the negative world, everyone tries to approach a human being *in their own way*.

Question : What is of importance when carrying out psychic work, to protect oneself from negative entities?

(TB: HELP!)

LUKAS : Once the two points I mentioned are fulfilled, the next step then is to learn how to *deal* with the LIGHT that comes from the CREATOR.

- *You have to learn to work with LIGHT!*

We should deal with this under a special subject matter to make this clear to you. This is a suggestion from us; it will help to complete your long list of subject matters.

Question : Just how does spiritual PROTECTION work in regards to spiritual healing? How should a spiritual healer protect himself?

LUKAS : Let's clear this up right away: There are *no special* PROTECTIVE MEASURES here that are different from other psychic activities. Whenever someone deals with the spiritual realm, respectively, is looking for contact, he should be asking himself the question of why he's seeking this connection. Therefore:

- *In regards to healing, the healer ought to test his motivation for healing very thoroughly, otherwise he might end up a patient himself!*

The motivation should always be LOVE for one's fellow man and thereby also for GOD. To *only LOVE GOD* and *not HIS CREATION* cannot be considered as something positive and is to be seen as inappropriate in regards to a positive connection.

It is also of importance that a short, inner prayer, without verbal expressions, is to be performed. In a similar fashion to the way you ask for PROTECTION for the day and the night, every morning respectively every evening.

Once this has taken place one can begin to work with the LIGHT in HIS NAME. Meaning: asking right away whether the person concerned may be helped at all. - This is an intuitive feeling and cannot be explained by me in greater detail. If this question has been answered to one's satisfaction by one's inner feelings, the LIGHT of GOD can be attracted, respectively, called upon and with this LIGHT can now be worked in HIS NAME, to the benefit of man. This alone would be worth a further subject matter!

Question : Does the VIBRATIONAL FREQUENCY of a medium change when it makes contact with the spiritual realm?

LUKAS : The VIBRATIONAL FREQUENCY of the medium ought to have been assimilated beforehand, that is to say, *before* attempting contact with *our* FREQUENCY. This is accomplished through meditation. Let's say that we kind of meet you half way. The better or the closer you come to us, the simpler it will be for us and the *purser* will be the transmission, therefore free of any mental human deliberation.

(TB: This is good to know -, need tranquillity!)

Question : Does the aura of the medium undergo changes when making contact?

LUKAS : The aura *continuously changes* and a deep meditation will make it turn into a white-bluish, penetrating FLOOD of LIGHT. The interplay of colours of your aura gives us an indication of your inner interest, that is to say, your mental state. To establish an uncontaminated contact, it is to be advisable to maintain a high level, that is to say, maintain these colours.

Question : Does the brainwaves pattern of the medium change during psychic contact?

LUKAS : Yes, but these also change whilst the medium is in a completely different state.

Question : People tend to realise more and more that they can't cope with the problems progress and prosperity bring with them. Prosperity *didn't* bring the longed for contentment. The heart of people remained *empty*, in spite of consumerism and gratification. One now expects transcendental EXPERIENCES to still one's zest for life, something prosperity couldn't fulfil. Are these expectations justified?

EUPHENIUS: We have to say *no* to this, because it deviates from the reality. What is of importance is that - every one here on this planet - *starts* to look within and begins to perceive themselves *as a person* - and the most important thing is that *they accept themselves* as *divine* entities, carrying a part of GOD within. Only under these circumstances will it be possible for them to look after their well-being and create a quality of life; so that these people can *rest easy within themselves* and achieve a quality of life that allows them to proceed into a new life without care.

Question : Is spiritualism, as it is practiced today, more of a spare time occupation or has it become a life support system?

EUPHENIUS: This once again has to be regarded from *two* different angles: There are people that regard it as a spare time thing, a game, as something whereby one satisfies *one's* own requirements. These people are engaged in finding their own inner satisfaction. This is the *wrong* way and often ends with the negative ENERGIES take control of these ideas.

The second angle is something that has taken place for over thousands of years, be it with native tribes or people, which have a close affinity with other ENTITIES, ANGELS and NATURE SPIRITS, people who *understand* that everything is related and intertwined. It can only be regarded as one single UNIT. It is important to recognise this, that you don't represent the Crème de la Crème, but *only a part* of a giant divine puzzle.

Question : The research results indicate that every entity and every building block contains its own consciousness, whose levels of experience are ranged within the OVERALL VIBRATIONAL PATTERN of the cosmos. If someone pursues a *protected* or even an *unprotected* psychic activity, how does this transfer to the TOTALITY, to the WHOLE?

EUPHENIUS: Just like using a micro-chip, all of this INFORMATION and everything you do here is shared, through the divine SOURCE of LIGHT, with other ENTITIES and is connected with everything that is taking place in this regard. You are a small fraction of many little FREQUENCES, which are gathered together to form one great BEAM of LIGHT, which sails around this world.

Question : All the nations of the world are connected with each other through the internet. Could this situation be used as a comparison to omni-connectedness -, if it applies to something small it equally applies to something large?

EUPHENIUS: This is a good example, it makes it easier for mankind to understand the NETWORK that is actually hidden behind the Earth and the WORD of GOD.

Question : This mutual connectedness we find ourselves in, this so-called GREAT UNITY, is therefore an enormous NETWORK. If this NET is touched on any one of its ends, that is to say, when disharmonies are created somewhere, do all the THREADS of the spiritual NETWORK also move?

EUPHENIUS: These THREADS also receive the VIBRATIONS, whereby a great STREAM of ENERGY comes into being, akin to the effect a stone has when thrown into water. There also energetic fields of vibration are released. They radiate across many meters to the outside.

Question : Is this *the reason* why the Earth has to be pacified first, so that the GREAT UNITY doesn't suffer too much unrest?

EUPHENIUS: You are a part of this PLAN of EXISTENCE and this PLAN of EXISTENCE can only come to a conclusion, once the people here on Earth have been guided into the LIGHT of GOD.

Question : What actually happens to this enormous NET, when somewhere in some physical world disharmonies are created?

EUPHENIUS: HOLES develop, wherein LOSSES of ENERGY are recorded. Similar to a run in a stocking, where one hole follows another. These HOLES must be refilled with positive ENERGY.

Question : How great is the influence of this positive ENERGY on the individual person?

EUPHENIUS: The actual influence is by the ASSIGNMENTS the GUARDIAN ANGELS, ENTITIES and ANGELS that surround you, take on. They repeatedly try to guide you towards this FIELD of VIBRATION and to connect you with this STREAM of LIFE. It doesn't always succeed or *only partially* and a *constant* QUALITY of LIGHT *isn't* possible.

Question : Couldn't the GUARDIAN ANGEL shield its charge from personal disharmonies, so that this enormous NETWORK doesn't unnecessarily stress it?

EUPHENIUS: This would be too simple, because your way of life and your *own* decision making would be *interrupted*. The GUARDIAN ANGEL can only try to influence you and send you IMPULSES through your thoughts. You are the ones that should develop in- to a DISPLAY of LIGHTS.

Objection : But this is of far reaching importance, if one takes the existence of other inhabited planets into account. If something disharmonious happens here on earth, be it something trivial or be it something as crucial as a war, these VIBRATIONS would transfer through the NET ALLIANCE to inhabited planets, which might be very peace loving. Do I see this correctly?

EUPHENIUS: This *isn't possible*, because this Earth has a *very special* PROTECTIVE SHIELD, which your negativity can't penetrate.

Question : According to Professor Heisenberg, the observer and the observed object can't be separated from each other, in the same way an elementary particle cannot be studied outside its natural context. This means that every observation *influences* the observed object and changes it. If we turn our attention to something do, do we direct Energy towards it and thereby influence it?

EUPHENIUS: This is quite correct. But there is a *whole lot* more. But it is very hard to make this *comprehensible* for you. Every one of your actions has an equal action somewhere else. Everything has a cause and an effect. You are always connected through an invisible BAND. You are connected with your thoughts, your feelings, your LOVE, your LIGHT and with everything that distinguishes you as a person of quality and with what GOD gave you as a GIFT. All of this, whether positive or negative, is akin to a merry-go-round: *Somewhere along the line it will always come back to you.*

Question : If we take this knowledge in regards to the medium into account, when it concentrates on the automatic writing, it must therefore *influence* the transmission. How can one be sure that the transmission from the spiritual realm doesn't actually originate from the subconscious of the medium?

EUPHENIUS: You have to look at it like this: When a medium or for that matter any human being opens up to the spiritual world, *trust*, divine *reverence* and *humility in regards* to the transmitted is initially called for. - To add to this is the fact that during the mediums meditations, it has already co-operated so that it can carry out its psychic assignment. The VIBRATIONS between the SPIRITUAL TEACHER and the medium *have to be tuned* like the frequencies of a radio through its antenna.

- *The SENDER and the RECEIVER must be on a certain LEVEL to be able to work together.*

The medium offers its services as a tool and the muscle reflexes that move the hand that does the writing are directed through IMPULSES. That a transmission is sometimes intermingled by subconscious thoughts cannot be denied. This is why the high-

est LAW of psychic work applies here, namely *review* and *safeguard*. The things we already talked about are important here: namely to ensure PROTECTION and to make sure that one is actually dealing with a positive connection.

But one can't rule out that fact that the medium might add some information out of its subconscious. This *doesn't* necessarily mean that this additional INFORMATION must be wrong or negative, because these are thoughts that surfaced through inspiration and impulses from what's within you. Consider the fact that *you also bring with you your own SOURCE of INFORMATION, which acts as a point of contact for us SPIRITUAL ENTITIES!*

Question : There are people who constantly think about possible difficulties confronting their life and also think about failing as a medium and thereby continuously supply their inner disharmony with new ENERGY. How can one change this situation?

EUPHENIUS: What happened here is that the *first* initial stage *wasn't* present: Where is the TRUST in GOD that *has* to be there in order to carry out this work? -

- *No unencumbered psychic work is possible, if the medium doubts everything right from the start and always questions itself. This situation doesn't give us any opportunity to break through this VIBRATIONAL REFLEX, because the medium build its OWN PROTECTIVE SHIELD around itself, something we have to respect.*

It is not within our character to estrange mediums, if they are *not ready* within themselves to do this kind o work.

Question : One has observed that disharmonies between the cells of an organism indicate a lack of communication amongst themselves and within the immediate and also extended environment of the cells. The results are illnesses. Can one apply these observations analogically to psychic activities and are we treading on dangerous ground here?

EUPHENIUS: Disharmonies *always* represent AREAS of DISTURBANCES, wherein psychic work *cannot* function *very well*. A medium should be in an even tempered emotional state, one that makes it possible to utilise the medium as a medium. Disharmony and disturbances make it difficult to intertwine the different LEVELS of VIBRATION and this can result in false statements, misinterpretations and faulty transmissions.

Question : The circumstance here on Earth resemble more and more a total obsession by the POWERS of violence and destruction. Does this make contact with the spiritual realm *more dangerous* and is a *protected* CONTACT more difficult to achieve?

EUPHENIUS: *This is why* it is so important that the SPIRITUAL REALM erects a PROTECTIVE SHIELD around the medium. Otherwise it wouldn't be necessary for us to make such a great effort to arrange a meeting with you. It requires a *very intensive* and a *very lengthy* preparation to have such a protected meeting take place. It *wouldn't be all that easy* to furnish *positive* psychic work here on Earth without the help of all the souls that erect a PROTECTIVE WALL here. - In other SPHERES, this PROTECTIVE WALL *isn't* necessary when making CONTACT with ENTITIES and ANGELS.

What makes it so difficult is the fact that the negative naturally seek out *those* points where LIGHT emanates from the Earth.

Question : Was it stupidity or arrogance that directed mankind into its present disharmony or was it their inescapable fate?

EUPHENIUS: We would like to add that most of mankind is often *distracted* by what you here on Earth consider to be “good”, “comfortable” and also evil. When I say evil I mean to have the power *over others* and to strive for that, which GOD has send you as something *positive*, one way or another. This means: to have power over others is in your opinion to be “godlike”.

- *GOD doesn't want to have this POWER over you, but HE would like for you to find your way back to you ORIGINAL SOURCE. This is why HE allows you all this freedom and doesn't interfere in your destiny!*

A lot of things here on Earth are “homemade” -, as you're apt to say. You model yourselves on *what your neighbour is doing*. You model yourselves by *what politics is doing*. You model yourselves on the *differences* of others. You try to swim with the current without realising that *you're* the one's that are drowning, because you still haven't recognised your TRUE EXISTENCE.

Question : Could GOD lead people *more intensively* towards the positive?

EUPHENIUS: This is certainly possible.

Question : The question now arises as to why HE doesn't do so?

EUPHENIUS: Because you people here on Earth have received something from GOD:

- Your *freedom*,
- your *free* will,
- your *intelligence*,
- your *spirit*,
- your *mind*,
- your *soul*,
- your *heart*.

I ask you: *Why* do you listen to your *primitive* instincts and *not* to the pure LOVE within you?

Question : How does the spiritual CONTACT with you function through our inspirational medium?

LUKAS : Well, this is quite a simple matter for us, you have to envisage that we sometimes *tap* into, respectively take control of, those centres of the brain that control the speech of the medium. As this only happens partially, the medium has the opportunity to interrupt the flow of words at any stage. We are very pleased to say that our medium hardly ever, well, I'd like to say never ever makes use of it. Because most of the time he's quite aware of what's going on.

The difference in your case was that when you talked in a trance, you were not outside of your body, but your brain, respectively, the part of the brain responsible for speech was *nearly completely* taken control of for our purposes. You also could interrupt at any stage, but with this way of controlling the brain, it isn't all that easy. Well, I have just explained two different psychic abilities.

Question : How do your answers enter the brain of the medium? Via his thoughts? - Through inspiration?

LUKAS : No, because the soul of the medium is actually outside of the physical body, that is to say, around the physical body. From this point on the brain is influenced through spiritual MEANS. The brain takes control of the body. If our medium allows us to take control of the speech centre, the transmission sounds like she does the talking, only that the SOURCE of the speech *is different*.

Question : What is the difference between semi and fully automatic writing?

LUKAS : *With semi-automatic writing* we control the movement of the pencil through the brain. What actually takes place is that the medium releases a part of his or her brain into our control. It means that we have selected a part of the brain and specially trained it. This is the reason why the semi-automatic mediums can *follow the flow of thoughts* - perforce overhear, because we are using a part of the brain. All the medium has to do is show a willingness that it would *like* to do this, we take over the rest with the co-operation of the soul. My medium is presently *between* semi-automatic and fully-automatic writing. It has been like this after only a few exercises. We like it like that, but we'll see what else we can come up with.

When working fully-automatically, a SPIRITUAL ENTITY stands *next* to the medium and *directly* controls the pencil. But this needs *complete* absence of willpower. This isn't really the right word, but unfortunately you have no other word, respectively, not the right vocabulary for it. But you could also regard it as a *pre-stage to trance-speaking* -, but this doesn't always have to be the case. -

Generally speaking: When your thoughts are neutral, you give us the opportunity to work. The more neutral you manage to keep them, the better for us and for the transmission!

Participant : I myself have felt pressure on my hand when psychically drawing and writing, as if it was guided.

LUKAS : This was an intermediate stage. You are both on the same level in this regard. You were there *straight away* and my medium needed some extra time. Specifically speaking, the pressure you mentioned always happens during the transitional phase between semi-automatic and fully-automatic writing. This writing is flowing and its reaction depends on what the medium *allows*.

Question : Are areas of the brain utilised by the SPIRITUAL GUARDIAN or are other mechanisms used when working with a pendulum or a tensor?

- LUKAS : No, but the aforementioned could principally also apply to the psychic pendulum and the psychic tensor. Here also everything works only as well as the medium allows. It is *not as if* we push the pendulum or the tensor. It is always a case of muscular reflexes *under our influence*. This means that *we control this* if we're allowed to do so. Negative entities *don't* ask whether a psychic person *allows it* or not. Therein lays the great danger!
- Question : Whereby can we recognise whether a *negative* ENTITY controls the tensor? Is it the way it moves or can one recognise it by its overall behaviour?
- LUKAS : Not really. - It is *one's inner attitude* that makes a negative or positive CONTACT *possible*. Everyone knows his or her thoughts best and they know whether they believe and trust in GOD or not. The connection happens accordingly.
- Question : Should one also pray for protection when using a pendulum, a tensor or a dowsing rod?
- LUKAS : *Every, I repeat, every CONNECTION with the spiritual realm - and the psychic activities you mentioned are a part of this - make a plea for PROTECTION absolutely necessary!*
- Comment : I don't quite understand: You said that when working with a tensor, you stimulate *the muscles* of the medium so that the tensor moves.
- LUKAS : Yes, naturally, because we *control this via the brain*, respectively, take partial control of the brain. *Negative* ENTITIES can *also* do this. *Bad luck*, if this isn't taken into account!
- Question : How does one work with a tensor?
- LUKAS : Well, that depends. Similar to automatic writing where a pencil is moved, it can take place on the one hand - let's say "*semi-automatic*" - by the stimulation of the muscles of the medium by the SPIRITUAL GUIDE. On the other hand - "let's say "*fully-automatic*" - it can take place when a medium emanates ECTOPLASTIC FIELD-ENERGY. These are the ENERGIES that move the pendulum and also the tensor. In your case my friend it is somewhere in between. You tend to gravitate towards the latter, which by the way is most important to us.
- Question : The movement of the tensor has nothing to do with one's power of thoughts?
- (TB: Nevertheless!)
- LUKAS : Nevertheless. - *You said* "power of thought" - *we say* "ECTOPLASTIC FIELD-ENERGY". It *doesn't* mean that you move the pendulum with your thoughts, this would be psycho kinesis. No, they are actually thought-fields, that is to say, ENERGIES from you, but *without content*. It means, you don't say: "My thought will move the tensor". This thought energy *is neutral* and can therefore be utilised successfully *by us*, guiding the tensor.

Question : Not everybody can work with a tensor. Is it necessary to have some training, respectively, is psychic ability necessary?

(TB: That's correct.)

LUKAS : Yes and no: *Yes*, if training is called for when you want to learn it *and no* if you were born with this gift or if it is latently present.

Question : Is the danger that negative ENTITIES influence the practitioner of this type psychic work *greater* than with automatic writing?

LUKAS : This danger is present with *every* psychic activity! It is therefore always, I repeat, *always* prudent to *first* ask CHRIST, the REPRESENTATIVE of GOD on this Earth, for permission and for adequate spiritual PROTECTION POTENTIALS.

Question : How can a medium ascertain the suitability of a particular tensor?

LUKAS : Tensors are like a well fitted suit, one has to try it out first. The various materials, weights etc. must be compatible with the experimenter. We therefore can't recommend a particular tensor.

- *The physical, no matter what shape it takes, is your concern. WE only concentrate on spiritual THINGS, something you either don't know or wouldn't know anything about.*

Question : What influence does this so-called OD have in regards to *materialisations*?

EUPHENIUS: This is the ENERGY that is essential to be able to materialise at all. The POWER of OD is transformed into CONVERSION ELEMENTS to create other LIFEFORMS.

Question : How does the supply of the CONVERSION ELEMENTS that give the ghostly phantom its shape take place?

EUPHENIUS: The medium, in co-operation with the ENTITY it works with, are the supplier. It is an amalgamation of energetic CONTRIBUTIONS between the SPIRIT ENTITY and the medium.

Question : As it operates between MAGDALENA and me?

EUPHENIUS: That's right. This wouldn't be possible without the CONTRIBUTIONS of the ethereal ENERGY that MAGDALENA places at your disposal and your earthly contributions.

Question : What prerequisites must be fulfilled for a materialisation to take place?

EUPHENIUS: *Divine trust* above all and the ability to *let go* and *allow* other ENERGY VIBRATIONS to flow through the body.

Question : What *additional* seating arrangements are necessary to enable your side to accomplish a materialisation at all?

EUPHENIUS: It has to be ascertained whether *all* other participants of the circle are *100 % behind this experiment*. The mental support and the ENERGY CONTRIBUTION of these thoughts are necessary to prepare the medium for this ASSIGNMENT.

Question : According to your estimation, when can we expect the first materialisations within our circles?

EUPHENIUS: We couldn't tell you this within our timeframe. But what we can tell you is, that as far as your circle is concerned, the prerequisites are positive and that the work between MAGDALENA and the medium is progressing step by step. One important prerequisite is *regular meditation* and making *mental contact* with MAGDALENA, also a *positive approach* to these experiments and a *plea to promote* these experiments. - MAGDALENA would like to tell you that you should begin to receive her with your heart and to perceive her through your body, mentally giving her permission to work with your body.

(TB: Frustration gets in the way!)

Comment : Reading various compositions and protocols one becomes aware that for instance a cabinet has to be available and that other preparations have to be made, if one wants to experience the phenomenon of materialisation.

EUPHENIUS: We will only give you this communication only once we're *happy* that the soul of Ilona is prepared and ready to perceive this ethereal VIRATIONAL BALANCE with her body.

Question : What exactly takes place when contact with the SPIRITUAL REALM, respectively, with a SPIRIT GUIDE is made during the opening meditation?

LUKAS : You place yourselves into the hands of the SPIRITUAL SIDE. People open up, that is to say, their aura opens, giving us the opportunity to work with them. This takes place on a mental basis, without the influence of the mind. Here too a PRAYER for PROTECTION is called for!

Question : What have we as members of this circle to ensure, respectively, what is necessary for our circle to begin positive circle work?

LUKAS : I don't understand your question. - You already *have* a positive connection and therefore you don't have to try to achieve it. Please ask your question more precisely!

Question: I would like to find out what we personally, every one of us separately, can undertake for our positive PROTECTION, allowing us to guarantee and to make positive work within our circle possible?

LUKAS : Let me give you a shortened version:

1. *Faith in GOD, the CREATOR.*
2. *Recognition of JESUS CHRIST as HIS REPRESENTATIVE.*
3. *Trust in divine GUIDANCE and*

4. *the release of one's spirit.*

Question : Highly spiritual and psychic abilities are often depicted as *entertaining* and *harmless* by the mass media like the press, radio and television. What do you make of this?

EUPHENIUS: This indicates to us that people *erase a lot* from the true faith and from history, which shapes mankind and this Earth. It is ludicrous for them to assume that the harm they do here on Earth will remain undone. Many people recognise that the mass media spreads a lot of untruths and *false* information here on Earth. Even negative information can have a positive effect whereby people looking for answers begin to weigh up what is wrong and what is right. It can *also* represent an entrance, where curiosity and knowledge come into play, where genuine information is found and where one begins the journey to explore the TRUTH.

All of the things you've mentioned are power positions full of *negative* VIBRATIONS. The antagonist is not trying to honour the NAME of GOD here, but to *ridicule it* and to *belittle it*. But this isn't possible, because DIVINITY is present within every one of you. The negative side will find it very hard to convince all of mankind that there is *no* GENESIS and that, in spite of us SPIRIT ENTITIES here to tell you the TRUTH, everything is only a phantom world and a projection of your own being.

Comment : Because the mass media denotes a lot of things to be harmless, many young people do not consider demons evil in the traditional sense of the word. Religious instructors report that the antagonist of GOD seems to appear *as an alternative* to GOD more and more. The defector as rebel - who's is surprised then that this idea finds favour with a lot of young people.

EUPHENIUS: The younger generation *misjudges the dangers* that come from that side. Their boisterousness, their freedom and their willingness to experiment *is misguiding them*. And all of this happens, because parents and also religious educators, schools and the Churches are not capable of elucidating the WORD of GOD in a positive and enlightened way. The Churches here on Earth hold no attraction for adolescent. It represents an annoyance to them! They *don't* see the Church as a provider of FOOD for the SOUL, but *only as a hindrance* in regards of their personality and freedom. The way the younger generation is brought up these days is quite shameful. This is certainly *not* done in a divine SENSE. The story of GOD is for the younger generation a mere saga, without truth and without real inner meaning. They can't gain anything positive out of this mundane religion.

- *This brings about addictions, drug dependences and all of the social problems this civilisation here on Earth is suffering from.*

True FAITH is *destroyed* by what you call "religious upbringing". Juveniles cannot find positive access. The attractiveness is lacking! - The incentive to make contact with something different, something nebulous, something out of reach, something interesting, *this is where* the antagonist sees his chances to visibly spread himself about. You know yourself that forbidden fruit has its attraction and the negative world takes *advantage* of this.

The Church has to learn to adapt to and to understand the thought processes of the younger generation. They *lack the access* to the young, which in turn would enable them to reach their soul and religious belief here on Earth could begin to do what it stands for and is here for. The young ones need assistance from their parents and from all of those that deal with them. It isn't enough to hope and trust that the school or later on the Church will alight this divine SPARK.

- *You as parents here on Earth are the spiritual guides of your children that grow up around you and of their soul. You carry the responsibility for the fate of your children and thereby for the fate of this world.*

Question : Quite often it is curiosity, which tempts one to play dangerous games. One *only* wants to do something *once*, just to see what it's all about. Is curiosity actually a good basis to ask spiritual questions?

EUPHENIUS: Curiosity is the *first* step. Curiosity opens a LITTLE DOOR. Hidden behind it lies a longing for the true SELF. Curiosity will find the PATH that opens up a WORLD that was hereto unrecognised and unperceived.

After curiosity has been satisfied the decision will fall to see whether there are enough *inner values* present to continue after that first initial step. All the senses are sensitised and through this receive positive GUIDANCE, which is managed by SPIRIT ENTITIES.

Dear friends, we must now end our questioning, because we have a longer break ahead of us (Winter holidays for some of the member of the circle) and we would like to discuss the framework for the future so that we can continue our meetings *after* this break *without interferences*: This circle has reached a level now where it is important *to maintain* this level! Our plea would therefore be that you should meditate *intensively* and that you mentally maintain contact with us during this time.

- *Try to attain contact with us in the morning or in the evening and contact us mentally.*
- *It is important for both mediums to do some intensive meditation so that they can safeguard their contact with us.*
- *It is also necessary that you mentally contact every single member of the circle once a day so that the FREQUENCY between you is maintained.*

We will continue with questions after this interval and will then discuss those meetings that will follow after another interval (summer holidays).

We ask you to observe this rule and to apply it, because it is important for our work. We will also maintain daily CONTACT with you and we'll continue to work with you.

We, the TEAM wish you a wonderful time. May the SPIRIT of GOD be with you. May your resolve *strengthen* and your TRUST in GOD *grow*. Courage, TRUTH and divine FAITH are your companion - not only now, but also in the future.

* * * * *

EUPHENIUS: GREETINGS IN THE NAME OF GOD and PEACE ACROSS ALL FRONTIERS!

May the PEACE of GOD be with you. This is EUPHENIUS speaking. It is difficult to find one's feet after this interval. We are pleased to be able to have an informative exchange for everybody this evening and that you will receive new KNOWLEDGE from us. We are pleased that everyone - not only you - but all the other ENTITIES that provide your PROTECTION, are so numerously represented here to accomplish this meeting in the NAME of GOD, because this is *not something to be taken for granted*. It makes it possible for us to make contact here with you and - to protect you. Time is of no major concern to us. The CREATOR also gives you time, time to work on yourselves and to mature; you must also learn to take time to go along *your* chosen path step by step.

Question : Can we make verbal or written CONTACT with our personal GUARDIAN ANGEL within this circle?

LUKAS : Well, *every* single one of you *has contact* with his or her GUARDIAN ANGEL. This however takes place on a *mental* basis. Very few people can receive and understand the words of their GUARDIAN ANGEL through their mind.

- *That GUARDIAN ANGELS will announce themselves verbally or in writing has not been provided for.*

Question : Can we correspond with ANGELS and ask them questions?

LUKAS : We don't like to call ourselves ANGELS, but who do you think you're corresponding with here?

Participant : A lady on television the other day calls herself a "translator and connecting tube to angels". She makes contact with angels on a professional basis for a fee.

LUKAS : Those that insist that they're MASTERS are not. *Genuine* MASTERS work quietly in the background *without* asking for a fee!

Question : Can you define the term "medium" in more detail?

LUKAS : What *we* call "medium" is a mediator between the physical and the IMMATERIAL WORLD.

Question : From your vantage point, how would you describe your work with a *full-trance medium*?

LUKAS : Well, when in a full-trance, the SPIRIT leaves his physical body and leaves it at the discretion of another ENTITY -, similar to an exchange of souls. But the original owner of the physical body remains connected to his body through the SILVER CORD, so that the ENERGY SUPPLY is guaranteed. Because of the complete take-over of all mental FUNCTIONS, the original owner, the original spirit has the opportunity to undertake astral-like JOURNEYS. These JOURNEYS *remain conscious* within the normal day-consciousness and cannot be compared with dreams.

- *A full-trance medium dies - one could call it that - a controlled and self-inflicted death, one that can be reversed thou, comparable to a near-death experience, even thou this comparison is a little lacklustre.*

The announced spirit takes control of the activity of the brain and the functions of the body. This is why he experiences problems of assimilation at the beginning. The original owner leaves his physical body through the CROWN CHAKRA and also returns to it through this CHAKRA.

Question : What are the prerequisites to actually achieve a full-trance state?

LUKAS : It is *purely a case of trust* in us SPIRIT ENTITIES. Meaning, that if you manage to establish a high degree of trust in us and beyond that, *want* to work as a full-trance medium, then nothing will stand in the way of this line of work. We are not, that is to say the SPIRITUAL REALM is not the problem!

Question : Is it desirable to strive for a full-trance medium-ship to make easier transmissions possible for you?

(TB: No.)

LUKAS : *You* set the targets *not us!* - If you would say that: “as from now we make more frequent use of the tape recorder” we would have to abide by this, even though the potential of the circle would only be very limitedly fulfilled. We can and may not interfere here at all!

Question : How can we as a circle and the medium on its own recognise a deception, if for instance the SPIRIT TEACHER cannot maintain contact and *another* SPIRIT ENTITY announces itself, but under the name of the original SPIRIT TEACHER?

LUKAS : By being open, that is to say, *by engaging all of your senses to experience* the present situation whilst writing, speaking or any other psychic activity. If this is successful at every meeting, you will become aware of any changes immediately.

Apart from that, it is *impossible* for an uncontrolled take-over of the medium to take place within an *intact* circle. Your own faith and trust in divine POWER and GUIDANCE *protects you* to a degree that makes this impossible. - But this delicate structure that represents a circle reacts to the *smallest* of changes! Because harmonious changes always and exclusively originate from people, a negative disturbance or a change of the SPIRIT ENTITY is certainly possible. It is all in your hands, the positive as well as the negative. We are and remain positive and we don't have to struggle with this duality.

Question : Do we understand this correctly: If the divine LAWS transmitted to us by you are trespassed against though human misbehaviour, it *immediately* affects the psychic ability and the spiritual CONNECTION?

LUKAS : Everything to do with the spiritual affects psychic ability; be it *a meditation that wasn't done* or be it *the daily mental contact with us that wasn't made* and more.

- *If your faith in GOD diminishes, every ATTEMPT to make CONTACT is like playing with fire!*

To make it absolutely clear: We will *never* leave you and abandon this circle, *unless you don't want to carry on*, respectively, *withdraw* the foundation for our co-operation.

Question : Are you in a manner of speaking a mirror image of our souls?

LUKAS : We are a mirror image *of this circle*. If you're spiritual you will gain HIGHER ACCESS, if you falter, the ACCESS will be adapted accordingly. Your will be done!

Question : Because of the belittlement of spiritual practices by the mass media, more and more juveniles are dealing with the subject. One *wants to* experience the supernatural at first, but eventually one *has to* have them. One reaches out for them at first, but then can't leave them alone anymore. Adverse effects are reported by mental health care practitioners, indicating thoughts of suicide and even suicide attempts. How do you see this problem?

EUPHENIUS: This problem is multi-layered, because through this contact with the dark side, the dark side gains a foothold within the WINDOW of the SOUL of people. This contact initiates manipulations that influence the control of the soul. The soul isn't in charge of the body in this situation, because the *negative* world controls the body, mind and soul though outside interference. These negative VIBRATIONS *misguide* the soul and make it *ill*. - The younger generation these days offers the dark side a large area of attack, enabling them to spread their negative ENERGIES. Adolescence - or to use a better term, the souls presently on this planet often go the wrong way, because of false information or because they succumb to peer pressure.

Question : How can we protect our adolescent from this? They don't seem to wake up to this most of the time and one gets the impression of talking to a blank wall.

EUPHENIUS: Because they *don't recognise* it! They are caught within such a large web of information that they are unable to distinguish between good or evil. One can only give them PROTECTION through explanation, information and through the LOVE one sends these people. This LOVE is provided by your thoughts and prevents the negative ENERGY from spreading further through the body.

Comment : Should we present the results of our presently formulated theme to these groups and to people once we have finished?

EUPHENIUS: It would be - how do you say - an appropriate preventive measure to bring about a change of attitude and a rethink before playing with fire.

- *Don't underestimate the ability of the dark side to play the game! It fascinates many, because it is forbidden, taboo and shrouded in mystery.*

Curiosity is always a good ploy to catch these souls. Even thou curiosity can also be a *very good* guidepost for the positive SIDE to further the development of the pure soul.

Question : The bible warns about MAKING CONTACT. Church leaders point to a verse in the bible, DEUTERONOMY, Chapter 18, Verse 10-12:

“Don’t sacrifice your children in the fires on your altars; and don’t let your people practice divination or look for omens or use spells or charms, and don’t let them consult the spirits of the dead. The LORD your GOD hates people who do these disgusting things”.

EUPHENIUS: This pronouncement by the Church is used as a shield by the Church to prevent them loosing their power here on Earth. This pronouncement has *never* been brought to Earth or been spread about by the spiritual side. It represents a tenet of faith of the Church and facilitates the distribution of the Christian doctrine here on Earth. It has *nothing* to do with GOD’S DOCTRINE and also nothing to do with the ASSIGNMENT GOD gave us here on Earth. When these pronouncements are made here on this planet, they *don’t* represent the TRUTH.

- We represent one corroboration that contact is *possible* and *important*, that contact within a *divine* ASSIGNMENT can occur and that contact to *further the mental development* of mankind can take place with the LOVE of GOD.

Question : How did these sentences end up in the bible?

EUPHENIUS: In the early days of Christendom, seers were also respected as *very important* and *venerable* people here on this planet. A lot of other things were of greater *importance* to the Church in later years. Just think of the burning of witches at the stake, tortures and all the things the Church rejects because it threatens their position of power. A lot of the changes to Christendom the Church has *made* through the centuries are *misrepresentations* and *not* GOD’S WILL.

Question : One of the larger newspapers stated: “People either live under the GUIDANCE of GOD or they’re possessed by the devil”. Is there a third option, a so-called neutral zone?

EUPHENIUS: Because of the SPARK of GOD within *every* human being a decision is *always* asked for! Be it the belief to LOVE GOD or to accept the other *darker* divineness. People will always carry this duality within and will always have to ponder on which way they will chose, the white one or the black one. Man will always be in conflict with his inner conscience and will carry the following question all of his life here on Earth: *What happens?*

Question : To what extent do *you* still carry this duality within you?

EUPHENIUS: We have *discarded* this duality, because we have fulfilled the WAY of the LIGHT. We are BUNDLES of ENERGY and we consist of LIGHT. We have chosen our WAY once and for always. It is the WAY of GOD and the WAY as SERVANT of GOD here on Earth, to bring you these MESSAGES in a divine SENSE.

My friend, we would like to tell you that you should *strengthen* your faith and your trust in your work with the tensor and your GUARDIAN ANGEL. Your GUARDIAN ANGEL works in a *very positive* way with you and you can place your trust in the

message you receive through your co-operation with him. Strengthen this trust and you will *feel inside* whether the answers you receive are correct or whether you have to ask some additional inspirational questions.

Question : Many mediums experience a certain intensified coldness during their psychic work. With other mediums this seems less pronounced. What is the cause of this?

LUKAS : This is connected with their circulation and also how deep they have managed to go during their meditation. There are various factors. One's inner preparedness is also an important point. There are also mediums that don't have this circulatory problem.

Question: What are the long term effects of negative CONTACTS for people?

LUKAS : The effects are *terrible*, because your LIFE-FORCE is *drained* from you. You have to be aware of the fact that demons, respectively, ENTITIES from the dark side do not receive any LIFE-FORCE from GOD, but gather their POWER from people.¹ It can happen that negative thoughts, representing VIBRATIONS, *attract* these negative ENTITIES and thereby contact is established. To sever this CONTACT is usually beyond the capability of most people. Most of the time the end result is a trip to a psychiatrist. This withdrawal of LIFE-ENERGY can reach a point where the affected person can't see a way out and commits suicide. By doing so, he thinks that he can escape the negative. But because of his ignorance, *life really begins in earnest then*. This might seem incredible to you but for the person in question it is a bitter pill to swallow.

Question : How can one tell whether one is dealing with *negative* ENTITIES?

LUKAS : Quite simple to answer: You will not be left in peace, not even during the night. You will be woken up at night suffering from terrible attacks or things go round and round in your head that are not of your making, but are suggested to you through the POWER of *alien* thoughts. Someone equipped with spiritual knowledge - and that really is the prerequisite here - will recognise just *who* is goading and stalking him. A solemn prayer and a plea for HELP based on genuine faith and trust in GOD might help here, but *not immediately*.

The negative WORLD attempts this with everyone who deals with the LIGHT. They are trying to dissuade you from your chosen path so that you once again join those that are *against* GOD and are planning the destruction that this power of thought brings with it.

- *Don't underestimate the POWER of thoughts!*

It is a mistake to assume that only powerful politicians represent a negative potential for Lucifer. Depending on one's thoughts, *everybody can be that* -, and the person concerned knows best.

Question : Are nightmares, like the one I recently experienced in hospital, a part of these negative attacks?

¹ This is pure Vampirism.

- LUKAS : Not necessarily, but *it can be*. You'll find a lot of sinister rabble from the spiritual SIDE hanging around especially in hospitals. But a lot of HEALING ANGELS comprise a strong RECIPROCAL POLE. If someone lying in a hospital bed *lacks* trust in the CREATOR and on top of that *curses GOD*, because he blames HIM for lying in hospital, it will not take long before the negative WORLD can take control. PROTECTION was generous in your case, but you did pick up thought emanations. But it could also be that a subconscious overloading by negative movies discharges at night, if this is the case it has *nothing to do* with spirit entities.
- Question : What prerequisites must be present before negative entities influence, possess or change someone's personality?
- LUKAS : Holes in the aura, hardly or non-functional charkas. One's OWN PROTECTION goes missing. It is as if a deep-sea diver removes his diving gear on the bottom of the ocean. I don't have to elaborate about what happens next.
- Question : If one presumes that most cases of so-called schizophrenia are negative possessions, would one have to rate the people affected by it as highly psychic but quite unaware of "holes in their aura"?
- LUKAS : Well, *everybody* is psychic, some more, others to a lesser degree. But if KNOWLEDGE *isn't* at hand, these types of problems *must* inevitably appear. Those that play with fire without being aware that it can burn and destroy will start an inferno for themselves and for others. This deplorable situation can only be *changed* through KNOWLEDGE, KNOWLEDGE, KNOWLEDGE and more KNOWLEDGE! Only then will the person concerned realise, *with whom* he is dealing with. But your psychologists and doctors know nothing about this!
- Comment : The book "Dreißig Jahre unter den Toten" (Thirty year amongst the dead) by psychiatrist Dr. Wickland belongs, as far as I'm concerned, in the library of every psychiatric hospital.
- LUKAS : My dear friend, the time will come. - You too provide a service here that cannot be rated high enough. You are still of the opinion at times that this work is not really that important. *But that is a grave error!* If you were only aware of what people all around the world are doing with your scriptures, the number of fateful destinies that were avoided because people changed their attitudes based on these scriptures. You would ask us immediately if we could hold these meetings *on a daily basis*. But we would have to reject this notion based on reasons you're well aware of. - Everything only moves step by step and must *develop*. The result will be that the process of reassessment begins slowly at first to then *gain momentum*. Don't expect an avalanche! Even though this comparison lacks imagination, it does fit in as much as an avalanche also starts slowly to then pick up speed.
- Question : Let's assume that someone *starts* to show an interest in the spiritual side of life. He begins to consider those questions that deal with *the meaning* of life, whether there is life after physical death and if there are really SPIRIT ENTITIES. Just how great is the danger here of being negatively influenced?

EUPHENIUS: For a soul that *starts* to think about the DIVINE and begins to show an interest in the *real* reasons for BEING here on Earth, *more intensive* PROTECTION is provided for. Once a soul pursues the divine PATH, it will be encouraged to a *much greater degree* by other souls to follow that PATH. A PROTECTIVE WALL is erected to protect them. - Only the soul alone can attract and hold on to alien negative ENTITIES. If the soul's thoughts are in a divine SENSE, it is protected by positive ENTITIES, which accompany and inspire it.

- *Free will gives every soul the right of free thought, allowing it to choose between positive and negative thoughts.*

Negative thoughts open a door allowing negative ENTITIES to let their ENERGY run freely. If the soul journeys with *divine* thoughts in its mind, *divine* ENTITIES will guide it, they will protect it so that negative ENERGIES cannot penetrate.

Question : Just how much does someone that reads spiritual literature open up?

EUPHENIUS: By reading spiritual books that contain GOD'S TRUTH, the soul receives, apart from the divine SPARK and all of LIFE'S FUNCTION which are connected with DIVINITY, NOURISHMENT enabling it to spread. The divine LIGHT within is animated and ADVANCEMENT on a *completely different* LEVEL begins.

Question : What has to be observed so that negative attacks can't occur whilst one is reading?

EUPHENIUS: Negative attacks can only take place when the soul *turns away* from the divine PATH. The divine PATH is marked by LOVE and all the things you know to be divine LAWS. Your own thoughts represent a large part of your own TRANSMITTER, which streams across this planet. These IMPULSES *are received* so that ENTITIES are attracted and doors can open for negative energies. *Every* divine entity here on Earth is a good RECEIVER *and* TRANSMITTER.

Question : Let's assume that another person *already has* great spiritual KNOWLEDGE. As time goes by the wish for *practical psychic activity* become ever more paramount. How should such a person proceed so that protected CONTACT can take place?

EUPHENIUS: By asking for PROTECTION, INSPIRATION and GUIDANCE. These thoughts *are picked up* by those ENTITIES that accompany this soul. Nothing is left to chance! This also is according to divine LAW, so that you can *fulfil* the assignment you have imposed on yourself. If you *are ready* to journey along this PATH, you'll be guided by the OTHER WORLD.

Question : The more vividly a medium is *aware* of its connectedness with the POWER SOURCE of GOD, the more susceptible it can become to the flow and the effect of cosmic POWER. Is this correct?

EUPHENIUS: You have to imagine this as a WHEEL of ENERGIES that opens up. The more this soul makes contact with divine ENERGIES the more this WHEEL will grow and become lighter. It is what is "emanated", as you might call it, through your humility, wisdom, LOVE - and maybe even charisma. These are those souls that wander here on Earth and you sometimes idolize as your new prophets.

Question : Wherein does one recognise these people, respectively, the medium that have gained this HIGH KNOWLEDGE and *live accordingly*?

EUPHENIUS: By the fact that they have *discarded* any human character traits like the need for recognition and lust for power, and by the fact that they have conquered their egotism and now offer their services as SERVANTS of mankind in a divine SENSE.

Question : Are there also other characteristics beyond that like a sunny, dynamic disposition and a positively magical emanation of their field of being, a spiritedness, friendly adroitness and willing to help?

EUPHENIUS: It is exactly what I said all along, charisma, radiance, humanity, to accept the dignity of others and brotherhood. All if the things that you know as the LAWS of GOD, which these souls express within and have put into practice without.

Question : To what degree is constancy with the circle work *on our* side important for you?

EUPHENIUS: CONTACT through meditation, through prayer or through short mental CONNECTIONS *every now and then* is important in securing a connection, especially in regards to VIBRATIONAL ENERGIES, enabling continuous work and steady growth.

Question : We selected a *new* piece of meditation music for tonight. Is this an example of how *not* to do it?

EUPHENIUS: Just like the other music, this music has also OSCILLATIONS that *promote* this evening's work. These musical partitions oscillate harmony, consonance and warmth. If you would play rock music it would disturb the proceedings.

Question : How important is the location of the meeting place?

EUPHENIUS: It would be perturbing if you would change the devotional room from meeting to meeting. Because continuance is guaranteed and we knew that, for instance, this meeting would take place *here tonight*, we could prepare this meeting in a divine SENSE and guarantee PROTECTION.

Comment : We ask you to tell us when measures we take have an unsettling influence on the sequence of proceedings. We can't survey this with our limited power of observation.

EUPHENIUS: You would become aware of it, if something would change in the transmissions. If a disturbance was present it would attract your attention, because we are a mirror image of you and you would feel it, if discomfort or discord was present.

Comment : Just now the wall clock chimed. We wouldn't really know if sounds like these have a disturbing affect on your side.

EUPHENIUS: It *doesn't* represent a disturbance, just as long as it doesn't disturb *you*.

Question : There are people who show a fully developed psychic ability early in life, whilst others possess psychic abilities to a limited degree. What actually determines this?

EUPHENIUS: It depends on whether a soul has been given a certain ASSIGNMENT here on Earth to apply its psychic ability. Psychic ability is *well hidden* a lot of times and must indirectly be drawn out and strengthened. Others are fortunate enough to have their psychic ability out in the open and are able to become psychically active right away.

Be assured that *every* soul on Earth, through its connection with GOD and through the PRINCIPAL ITEM that connects *all of you, is psychic* and can attain contact with GOD, the SOURCE.

- *Every single soul possesses psychic abilities because all of you carry the SPARK of GOD within you and GOD is the CREATOR of everything. You are the RECEIVER and the TRANSMITTER for these psychic SIGNALS.*

An important word from our side for this circle: The first and *foremost* COMMANDMENTS are:

- *To trust in what you do here,*
- *to trust that GOD EXISTS,*
- *to trust that all the ENTITIES assembled here are entitled to announce ourselves here and*
- *to trust in yourself, that you have the opportunity to ask for HELP and for GUIDANCE.*

Only this trust will make this fundamental work possible in a divine SENSE. It *starts* when you begin to *recognise* that you are guided by ENTITIES that stand in the LIGHT and in the SERVICE of GOD.

You are not alone!

You are watched over and protected!

Open your CHANNEL, open your HEART for the things we inspirationally communicate to you - and be assured that we look after you *even then* when you think that we have *abandoned* you.

Question : Would you describe CHRIST as “King and Conqueror” and Lucifer as the “vanquished”?

EUPHENIUS: No, even Lucifer is a soul, but one that *has lost* the CORE of its SOUL. But GOD will never give up fighting for this soul to bring *him also* back home to the divine SPHERES. The mental BATTLE between CHRIST and Lucifer was a divine ASSIGNMENT preventing the history of evolution of the soul’s development from being obstructed. This BATTLE *was necessary* to offer the DARK SIDE an OPPOSING POLARITY and thereby a DEFENCE MECHANISM.

- *This brought about duality here on Earth, something you still have to deal with even now.*

Question : One psychic transmissions states:

“When the GLORY of the FATHER reflects within you, you don’t actually have to take any PRECAUTIONS to PROTECT yourself anymore. Because this GLORY, the result of pure moral conduct and a pure heart, this GLORY alone suffices to protect you”.

Does this mean that the greater the number of GUARDIAN SPIRITS the greater the need of the circle to have this PROTECTION, because its OWN PROTECTION is not enough?

EUPHENIUS: You must look at it from two different angles:

In the *first* instance: you mirror the DIVINE through your HEART. If you abide by divine LAWS, you are, *because of your EMANATION*, enjoying a particular divine PROTECTION. This gives you such an amount of LIGHT ENERGIES that the dark FORCES do not dare approach, because they are blinded by this BRIGHTNESS.

In the *second* instance: the PROTECTIVE CIRCLE implies that you, as souls, can make CONTACT with ENTITIES, meaning with us. It can certainly happen that dark FORCES are attracted by your LIGHT REFLECTIONS. So as not to endanger the meeting and to make sure that the TRANSMISSIONS are not blurred, it is necessary to draw a PROTECTIVE CIRCLE around you. This gives you the security and confidence to open up to those ENTITIES that are in CONTACT with you.

You are not quite ready to allow your OWN LIGHT to emanate to a degree that negative ENTITIES are warded off. You are still on a path of development and you haven’t reach perfection yet. It is important for this reason to protect your souls *and your health* and that is why a PROTECTIVE CIRCLE is *necessary*. This gives you the security and confidence allowing you to open up to the WORLD of LIGHT without concerns.

Question : To be able to conduct these meetings here, you, our SPIRIT TEACHERS originating from your bright DOMAIN, must traverse through Earth’s dark spheres. Can you overcome these BARRIERS without added PROTECTION because of your OWN EMANATIONS?

EUPHENIUS: We also have HORDES of ANGELS around us that accompany us and secure our way. We are also subjected to points of dangers. Take note that we also haven’t achieved absolute PURITY, which is the AIM of all of us.

Question : What measurements are taken by the spiritual realm to prepare a spiritualistic meeting?

EUPHENIUS: In regards to time, this is very hard to define.

- The fact is that we begin to CLEANSE the area where the meeting is to take place *a number of days before*. We begin by undertaking PURIFICATIONS and by exchanging ENERGIES, which will make it possible for us to make contact with you in regards to VIBRATIONS.

- It starts *hours before*, SPIRITUAL ENTITIES begin to assemble around this circle for your protection and through their meditative VIBRATIONS build up an ENERGY FIELD that makes it easier for us to establish an energetic contact with you.

Please remember: we do *not* consist of physical matter, but of VIBRATIONAL IMPULSES. We are *ethereal* and therefore need *ethereal* LEVELS to be able to communicate here! This wouldn't be guaranteed, if (negative) SPIRIT ENTITIES would bring *other* ENERGIES into play. It is important to us, because otherwise we *wouldn't have the opportunity* to make contact with you, be it through automatic writing, psychic voice or automatic drawing. The way *you* need oxygen to breathe, we need these *ethereal* ENERGIES to enable us to carry out this work.

Question : It would therefore be very hindering, if the meetings were held at a different venue every week?

EUPHENIUS: This would be very difficult, because we leave energetic LIGHT SOURCES *behind in the rooms*, where meetings take place. These are SLUICES that we open to make it easier for us. It would be nice to have a *permanent* meeting place, where *only* meetings would take place. But this is rare and so we have to cope with what we got. We install LIGHT and ENERGY CENTRES on spiritual LEVELS, enabling us to establish an exchange *faster and more secure*. We need these CLEANSING and ENERGY FIELDS to make faster and more intensive contact with you, the way you need your oxygen reserves.

Question : What should spiritual circles try *to avoid* so that they don't hinder the SPIRITUAL REALM in their preparations for the meetings?

EUPHENIUS: It is important that the room where the meetings take place is not ENERGETICALLY disturbed through smoking or by moving furniture around.

- The first important prerequisite is that the meetings are started in *harmony, devotion, LOVE, mutual trust* and the *acceptance of every single soul*.
- The second important factor is that the meeting place is *filled with plenty of oxygen*, because you need oxygen to survive. Every breath you take is bringing you a step CLOSER to GOD. A well ventilated room is an *important* prerequisite for a well functioning evening!
- As far as exterior things go it is important that people *retain their sitting position within the circle* so that no energetic DISTURBANCES occur through swapping and changing. Every soul makes contact with its neighbour and thereby maintains a LINK from one participant to another. Thereby the circle is closed through energetic CONNECTIONS. These are *invisible* OCCURENCES you don't consciously perceive.
- The *meditation* at the start of the proceedings interconnects your individual souls into a NETWORK. You are *connected to each other* through this NETWORK and *plugged into* the LIGHT SOURCE of GOD. Meditation facilitates a calming of the mental faculties and also of the physical reactions. Quietness of thought is a prerequisite enabling you to physically, psychically and mentally prepare yourself and to make contact with us. During this meditation we contact every one of you individually and connect with all of you energetically. This meditation establishes

an ENERGY FIELD, a CIRCLE of LIGHT, a VORTEX of LIGHT, which make contact with you possible.

- What is less important is whether you meditated before (on the same day). What is important is that you gain an *inner quietness* before getting here, that you make an effort for quietness and devotion. Even a prayer can facilitate contact with us!
- A candle, representing the LIGHT of GOD and water, representing the consecrated liquid of life are *symbolic* objects. They have their own validity, but *not the same importance* as meditation, as airing of the room and your inner attitude and the way you begin this meeting tonight.

Question : Of what importance is it that the opening meditation is supported by music and that the female and male participants are seated *alternatively* around the table?

EUPHENIUS: It is a fact that *every* person has female and male characteristics. It is *not as important* or necessary that women and men are arranged alternatively, because the balance between yin and yang *varies* from person to person, be they male or female. It evens things out. - Music has energetic VIBRATIONS, which *supports* the meditation of your thoughts. You can also replace this meditative music with *your own singing*. It helps you to distance yourself from your everyday problems and from your own inner industriousness.

Question : Would utensils like gemstones, self constructed and properly aligned pyramids on or over the meeting table be of any advantage to you?

EUPHENIUS: What is of importance to us is *how your INNER QUALITIES are!* The things you mentioned are *supportive* measures, but *not* major ones!

- *What is important is that you begin the meeting with joy and with LOVE and that you hope to progress with your development in a divine SENSE.*

Gemstones, pyramids, aromas, they all have a *supportive* effect. They represent a *subordinate* group! Important is how you conduct this meeting *with your heart!*

(TB: That's right!)

- *The attitude of the participants is of the greatest importance in regards to your work!*

The above mentioned things are *external* human stipulations that certainly have an effect, but from a percentage point of view, they are of little importance compared to what you can effectuate through your EMANATIONS, your AURA your LIGHT *within you*.

Comment : The well known football trainer Sepp Herberger once said to his team: "You must become a team of 11 friends, otherwise you can't win". If all spiritual circles would adopt this wise saying, fewer problems would arise.

EUPHENIUS: The problems within circles arise from *human failures*, through *misunderstandings* and because one *doesn't* talk to one another *openly and affectionately*. Let's take a

choir as an example: Just imagine a choir where people sing out of tune. It would be a disgrace!

Question : What problems can you envisage for a circle when its composition is often changed?

EUPHENIUS: This brings with it *a number of* FIELDS of DISTURBANCES, because it make a growing together of the souls into a LINKING of SOULS hardly probable. For us also, as SPIRITUAL ENTITIES, it makes it hard to adjust to *new* FREQUENCIES of VIBRATION every time. This is the reason why we do not have any visitors, respectively, guests present at the moment, because they bring new IMPULSES of VIBRATION into the meetings, which are difficult to absorb at the moment. The circle must stand on solid ground to enable it to allow other LEVELS of VIBRATION to enter.

- *We can tell you from experience that when members of the circle change a lot, no continuous spiritual work can be guaranteed.*

Question : Just how difficult is it to make contact with the spiritual realm?

EUPHENIUS: It is accomplished from *your side* through your power of thought and through your trust and faith. It looks more difficult from *our side*, because we *don't just* make contact on a mental basis with you, but also *directly* through mediums. To work directly though mediums take a great effort from both sides. The medium *must be prepared* to open up to this work and we have the difficult task to energetically HARMONISE with this medium. We also need feedback from the SPIRITUAL REAM. We require a save TUNNEL from the SPIRITUAL REALM to here on Earth to be able to do this work with you and other mediums.

- *It isn't all that easy to traverse the spiritual LAYERS and atmospheric disturbances around EARTH. It also takes a great EFFORT and DEVOTION on our part to accomplish this in the NAME of GOD and as SERVANTS of GOD.*

Question : How difficult is it to arrange contact with the SANTINER?

EUPHENIUS: This represents a simple interaction from *our side*, because we can interconnect on a mental level *very quickly*. When we meet the SANTINER the exchange of ideas happens very fast. - Because the SANTINER still have human form and physical ENERGY, it takes a special IMPULSE of EXCHANGE.

Question : Is it always necessary that CONTACT with the SPIRITUAL REALM happens *first* before CONTACT with the SANTINER can be accomplished?

EUPHENIUS: It is certainly the case in *most* instances that contact takes place *through us*, as SPIRITUAL ENTITIES, *at first* and that we establish contact, because we would already have devised conditions that allow the SANTINER to make contact without DISTURBANCES.

- It is very rare that the SANTINER have *direct contact* to people on Earth. But exceptions do exist *when the SANTINER* think it appropriate - whatever the reasons.

Question : How great is the danger that negative entities take control of people who are quite unaware that they are psychic?

EUPHENIUS: These people, who are quite *unprotected*, *haven't recognised* the fact that they *can* protect themselves! Because it is too late most of the time, psychic illnesses are the result of this. Everybody has the right and the determination to protect themselves against certain ENERGIES. It happens quite often that these people do not recognise the fact that they are dealing with the devil, who is seeking out those souls that represent easy prey. These people experiment *with themselves* and are heading for disaster.

Every child and every infant has inspirational perceptions. A baby knows which adult means well and which one doesn't. Even a child - and be it ever so small - has the opportunity to protect itself - unless an adult, because of his or her power, breaks the child. A child is inspirationally aware where danger comes from. Adults *play with these perceptions*, because they can't classify them and it can happen that they slide into the WORLD of darkness.

Question : What takes place within people who run amok?

EUPHENIUS: Running amok doesn't eventuate at the spur of the moment, there is always a prehistory. A possession doesn't happen at a moments notice so that somebody suddenly runs amok, but takes some *preparation*. The negative entities know too well how to entice and promote these people. It is a *slow* process, bringing with it *changes of character* and actions, that are not recognised as one's own actions after the event.

Question : May a medium apply its psychic abilities for its own benefit?

EUPHENIUS: *Not only* the medium may apply these abilities, but everybody may, because *all* people have psychic abilities. Even a prayer can effect a healing! A medium is primarily a CHANNEL between the SPIRITUAL WORLD and the physical world. He or she offers his or her service as a BEARER of INFORMATION, *conveying* KNOWLEDGE and capabilities. Through its activity, a medium receives ENERGIES, the way this medium here also receives ENERGIES, which are of a positive nature and have a positive effect throughout the whole organism of the physical body. This also is a GIFT from GOD, even though the medium does not perceive this rationally.

- *But a medium shouldn't exploit this CONTACT to gain commercial profit from it.*

Objection : There are mediums that have become very rich because of their psychic abilities. One example is Uri Geller from Israel. He retired from show business to test his aptitude in trying to find oil and diamonds. With great success! Geller is now a millionaire. He possesses flats and houses in many countries all around the world. It must therefore be allowed to make money with one's psychic ability.

EUPHENIUS: Everything is allowed! But what remains on the wrong side of the ledger, *why* this work was *initially* attempted, that has withered away. His soul is surrounded by shadows and his abilities have been taken away.

Objection : I don't understand this! Geller must have got hold of his psychic ENERGIES from somewhere, the way our medium here does.

EUPHENIUS: These ENERGIES were present within him. But over time, they have *ebbed away*, because they were *not positively* employed. He did receive ENERGIES that produced these physical objects. These ENERGIES are not cut off from one day to the next, but our side at first endeavoured to *contact* him to *lead him back* onto the divine PATH. It possible for him to apply his abilities in a negative fashion for some time.

Question : Was this a misuse of divine ENERGY?

EUPHENIUS: If you want to express it like that. - Yes, that's the way to look at it. His abilities, received as a GIFT of GOD, were not applied by him in a divine SENSE.

Question : What else could be construed as "misuse" of psychic abilities?

LUKAS : Well, this is an extensive chapter and would probably preoccupy the whole evening. It starts when one's divine FACULTIES and received POWERS are employed *against* GOD'S PLAN for mankind, meaning, *misuse of intelligence* to bring about destruction, *misuse of psychic faculties* to make money, *misuse of psychic faculties* to deceive others and to trick them. Everything under the banner of "black magic" is a part of this. A truly gigantic theme. - It also includes ignoring and disobeying divine LAWS and the misuse of divine ENERGY, because it is *LIFE'S ENERGY*, which you, as physical beings, receive from GOD, and it also includes the application of these ENERGIES for *wrongful purposes* and *out of contexts*.

Question : Does this mean that one shouldn't be paid for a provided spiritual healings?

LUKAS : No, it doesn't mean that at all. But it means that you should *leave* the amount they want to give you *up to them*. In this way *you* don't have to worry about it. Everyone ought to pursue their own trade or profession and *not* make a living out of it. But money often entices mediums also!

Question : What is your opinion of the money-making schemes of seminars and especially of Reiki?

EUPHENIUS: These are decisions that every individual soul has to make on its own behalf here on Earth. Reiki is an ENERGY that is promoted, controlled and escorted by the divine SIDE. It is within the range of your free will to decide *how much* you are prepared to pay for it. Be assured that you can also allow healing PROCESSES to flow through your hands *without Reiki* to have the same effect that you have gained through your training in Reiki. These are shadow plays and you're hiding behind your own shadow:

- *You, as human beings, have all these abilities within you! You have all KNOWLEDGE within you! All of it is stored in your divine SPARK! Be prepared to open up this divine SPARK and you'll recognise that you don't need any seminars.*

You can feed and nourish your INNER FLAME, which is a part of GOD, by *recognising and by giving* the divine LAWS to others. If you can accept the way you are, in a divine SENSE, SERVANTS and CHILDREN of GOD, if you can accept that you have abilities *to send LOVE, to show humility, to show compassion for others* and all of the things that tie in with divine LAW, your FLAME will grow and radiate into a gigantic AURA of LIGHT transmitting to the outside everything that affiliates WISDOM and divine LOVE.

Question : Are spiritual seminars and presentation therefore useless?

EUPHENIUS: No, you can't look at it like that, because through these seminars you find out something more about yourself and you gain INFORMATION that will *make you think about yourself*. Consider it to be a reflection of your own senses. Take into account that you haven't discovered your divine SPARK, which allows you to *perceive* that you have all TRUTHS *within you*.

Comment : But the question is: just how much do human beings believe in this?

EUPHENIUS: This brings us back to the topic of trust: trust in the highest commandment! - Working with a circle isn't possible without trust! - I couldn't communicate through this medium without trust. If this medium here *couldn't* muster trust in DIVINITY, our side couldn't accomplish this work here. *You, as human beings, could not be SERVANTS of GOD without trust in yourself, in yourself and in others.*

Question : What are the results when a working circle misuses divine ENERGY?

LUKAS : Well, you would have to be aware of this, because some of you here have experienced this already. It usually ends up in a state of nonchalance, dare I say *simple mindedness of the members*, that you do *not scrutinise* the information given or you *didn't prepare* the meeting *adequately*. I don't want to reiterate again what it takes. All of you are aware of it. It is generally obstinacy that destroys a lot! One could say quite a lot about that. Even if only a few members are the initiators, it is always the whole circle that fails.

Question : What are the consequences of that?

LUKAS : Well, you mean for individual members? - The consequences can be very polymorphic. The worst case scenario would be the commitment into a psychiatric clinic and the least that could happen would be a complete turning away from any form of spiritualism. The danger then arises that the person concerned is looking for compensation and might end up surrendering to all kinds of addiction when trying to still the pain within his soul. Only very few people are able to withstand the temptation. But these are the ones we are working with here, they have managed to master some of the more important mental storms in their lives, mastered with the HELP of the LORD, because they have prayed for help.

(TB: They way you have.)

Question : Does one lose one's psychic faculties because of the consumption of stimulants like smoking or alcoholic beverages?

LUKAS : If you talk about the *positive* ASPECTS, that *can* certainly happen. But the possibility that negative entities approach these people is there and then spontaneous possessions can take place, which could have dire consequences for the person concerned and for other people also.

Question : Are there PROTECTIVE MEASURES we haven't yet taken into consideration?

LUKAS : No, not really. All ASPECTS have been mentioned. You must *abide* by these. That is all. We have told you everything that will make an immaculate progression of a spiritual CONNECTION with GOD'S SPIRIT-WORLD possible. All you have to do is to *keep reminding* yourselves about it. - Unfortunately human beings forget very quickly.

Question : Wherein lays the difference between the PROTECTIVE SET-UP of the SANTINER and the SPIRIT TEACHERS?

LUKAS : *They all need protection*, but in respect to HIGHER ENTITIES it can be very limited because of their OWN EMANATIONS. CHRIST also entered absolute darkness in company of a large ENTOURAGE, when leading a mental BATTLE against his apostatic BROTHER. - ARCHANGELS accompanying CHRIST would also enjoy a similar PROTECTIVE CHAPERONAGE, if they wanted to advance into the lowest spheres. But this was the exception and because of the magnificent deed of CHRIST, this is not necessary anymore. The POWER of Lucifer these days is limited to his suggestive POWERS, which can *only be* very strong, when people resonate in regards to his innuendos.

(TB: That is correct!)

Question : What POWER has prayer in regards to psychic work?

LUKAS : *The highest!* - Prayers are in *first* place, because people must concentrate on the words and on the thoughts. It doesn't look all that promising in regards to the ability to concentrate with most people when they meditate. But this can be learned and practiced. - But who is ready to do it?

Question : A young woman in Spain is able to bend a strip of metal enclosed in a test tube and then bend it back again to its original state through her mental concentration. She doesn't touch the piece of metal! Doctors have established that her body temperature is raised during the bending of metallic objects whilst the blood pressure is somewhat lower. The activity of the brain shows typical alpha waves, which are normally produced by the brain when resting. This is an extraordinary situation even within parapsychology. - Do these people have to fulfil a spiritual ASSIGNMENT?

EUPHENIUS: This woman *presents* science with an *enigma* and this is an enigma that scientists can't resolve purely with their mind. They have to *look* beyond the restrictions of their minds. They must *recognise* that they're dealing with a phenomenon here that is *not* from *this* world.

Question : Who or what exerts force on the strips of metal and can this form of psychic work be classified under “protected contact”?

EUPHENIUS: That’s the way it is! This woman is a medium that is mentally unaware - I repeat it one more time: *mentally unaware* - that she co-operates with *positive* SPIRIT ENTITIES. The soul, the ASSIGNMENT and her karmic TASK are the reason for this work.

Question : What does the SPIRITUAL REALM have to say about the following explanation given during an interview with a “psychology and associated fields of psychology” professor at the University of Freiburg:

“There is a tendency by the human psyche to put subconscious thoughts and concepts into motion. When using a pendulum or “moving glasses”, unconscious muscle movements are responsible for the deflection of the pendulum, respectively the glasses”.

EUPHENIUS: A poor and misguided man. He will one day also realise that there *is more* than what he can perceive here. The actual muscle movements are *controlled* by energetic CONNECTIONS between the medium and the SPIRIT TEACHER and vice versa. It is this CONNECTION that is the necessary ingredient when working with a tensor or a pendulum. The pendulum or the tensor can’t be motivated without muscle movement. The IMPULSES go via thought waves to the muscle controlling devices. How else can a tensor or a pendulum start moving?

Question : Are you telling us that thought waves of ENTITIES from the SPIRITUAL REALM activate the muscles?

EUPHENIUS: That’s the way it is. That is the ORIGINAL SOURCE.

Question : Scientists from the Max-Planck-Institute for physiology and clinical research in Bad Nauheim have managed to verify that human beings - as all other vertebrates - actually have a “third eye”. According to the statements made by researchers, the “third eye” consists of a gland, the epiphyses, situated in the middle brain. Even if this organ still remains a mystery, it is at least reasonable well researched in many animals - the lower order of vertebrates, fish, amphibians and reptiles at least. Here the “third eye” is actually situated in a small indentation in the middle of the forehead. Is the third eye therefore actually physically present?

EUPHENIUS: The third eye is certainly present physically and medically and can be explained and recognised. It’s just that nobody looks at it! - Through the third eye the world *above this* dimension opens up. You can see ENTITIES -, see *us* and you have the opportunity to see beyond the normal five senses.

Objection : We haven’t been able to see you yet!

EUPHENIUS: My friend, your third eye hasn’t completely matured yet. *Work on yourself!* The basic prerequisite is that you claim the right to *fulfil your ASSIGNMENT* here on Earth and

that you place GOD'S TRUST in yourself and in all the divine ENTITIES that accompany you, so you can accomplish your work in a divine SENSE.

- *The third eye can only be activated through your divine WORK. You are the blind amongst those that can SEE!*

Question : Because of Max Planck one is aware these days that the building blocks of our physical matter developed from compressed energy. In the broadest sense of the word, they are continuously exchanging energy and information with all existing systems of the universe. Does a similar exchange of energy and information take place in regards to spiritual CONTACTS with the SPIRITUAL REALM?

EUPHENIUS: This ACTIVITY is present and you can *certainly verify it*.

Question : Do high temperatures in the meeting hall hinder the psychic transmissions?

EUPHENIUS: High temperatures are for us, as spiritual ENTITIES, a hindrance, because we consist of ENERGY and STREAMS of LIGHT. We always have to try to create an equilibrium that allows us to maintain a permeable CONTACT so answers can flow. Consider that ENERGIES are also REFLECTORS of LIGHT, which under higher temperatures *find it hard to move*.

Question : How much do weather conditions like storms, tempests etc. disturb your transmissions?

EUPHENIUS: These natural vibrations do *not represent a significant* disturbing factor for us in regards to meetings. They can be fended off by the PROTECTION that exists all around us.

Question : Does it disturb your transmissions when members of the circles talk to each other?

EUPHENIUS: It *doesn't directly* disturb our transmissions, but the medium might loose mental contact with us and this can result in breaks during the writing phase and also the oral phase of the meeting.

Question : What happens in regards to fully-automatic writing?

EUPHENIUS: For as long as the others discuss spiritual things at the same time, it wouldn't create a problem. The medium could even read a book and the transmissions of psychic writing would flow just the same.

Question : Wherein lays the problem when changing from semi-automatic to fully-automatic writing?

EUPHENIUS: It mainly and originally consists of divine trust and in the opening of the HIGHER CHANNEL.

Question : How can one eliminate deceptions and the deliberate misguidance by spirit entities from the lower spheres?

EUPHENIUS: Interference by *negative* ENTITIES cannot be completely filtered out of psychic writing and speaking. *Intuitively observe* whether you have managed to make an INNER CONNECTION with us, as BEINGS of LIGHT and you'll *feel immediately* when DISTURBING FREQUENCIES appear.

- *For as long as you uphold divine LAWS and participate in these meetings with your HEART, these types of ENTITIES will not be able to gain access to the VIBRATIONS of your BODY.*

Question : Which psychic activity is the *safest* in your opinion?

EUPHENIUS: Full-trance medium ship for instance is the highest LEVEL to receive *high quality* transmissions from the OTHER WORLD. When in a half-automatic state you assimilate thoughts from us ENTITIES.

Question : How great is the security with automatic writing?

EUPHENIUS: The security with full-automatic writing is to be regarded as the equal of full-trance speaking. The security is substantiated by the fact that a genuine CHANNEL can flow from the medium to the SPIRIT TEACHER as well as from the SPIRIT TEACHER to HIGHER ANGELS. It acts like a DOUBLE STRAP, tied in a fashion that an intimate mental, spiritual, thought and emotional CONNECTION is present.

Question : What is the situation like with a telepathic connection?

EUPHENIUS: There the connection is only coupled to the ENTITY that makes a telepathic connection with the medium. This is safeguarded through the high psychic quality that supports the telepathy. Only *one particular* ENTITY will announce itself, never more because otherwise we would be dealing with a psychic illness that would have to be rated as negative.

Question : Is there a *guaranteed* dependable PERMANENT CONNECTION with the SPHERES of LIGHT?

EUPHENIUS: This guarantee doesn't exist, unless you live a life in a divine CONTEXT here on Earth. The CONNECTION with us will continue to exist unless *you* decide to cut it off.

- *The past has shown that many souls have cut off their inner connection with the SPIRITUAL REALM. This separation is always initiated from the physical side, never from the SOULS present in the HIGHER SPHERES.*

Question : Should we at the beginning of the meeting, because of security reasons, ask the spirit entities that announce themselves to attest that they are here in the NAME of GOD and whether they accept CHRIST as their LORD and conqueror of Lucifer?

EUPHENIUS: Consider the fact that there are also hoaxing spirits that would *attest to anything* and that you couldn't be sure whether you had established a positive CONTACT, *in spite of it.*

- *This represents no guarantee for a positive SOURCE of INFORMATION!*

Listen to *your feelings, your inspirations* and everything your *HEART* tells you. You can only test it with your own HEART!

Objection : It is said that hoaxing spirits allow very rarely that one places CHRIST *above* their lord and master. Many a spirit entity is supposed to have shown its *true* colours when asked to swear such an oath.

EUPHENIUS: This is *only then* possible, if you are capable of recognising this. Questions like these can only be asked by people that have dealt with this subject *for a long time*. They will recognise whatever is hidden *behind* it. People *beginning* to make contact with the WORLD of the SOULS are often exposed to dangers, because they don't familiarise themselves with the LEGALITIES of MAKING CONTACT and therefore end up in the wrong PLACE.

Question : Does a connection on a mental basis presuppose a consubstantiality of both partners?

EUPHENIUS: You have a saying here on Earth: "Each to his own". We are also in contact with you and we also feel great LOVE for you and we have selected you so that we can undertake this WORK here with you.

Question : Does consubstantiality include the spiritual LEVEL of DEVELOPMENT?

EUPHENIUS: This is *not* what we implied! What is of importance is that you *are willing* to choose GOD'S WAY and also *willing* to learn KNOWLEDGE, *true* KNOWLEDGE from GOD. It *doesn't* deal with variance between the developmental levels of souls. You have a chance *to catch up*!

Question : What exactly is the POWER of OD?

EUPHENIUS: OD is the BREATH of GOD, present within *everyone*. You have come to life through OD and through OD you are willing to exist here on Earth. Every breath you take is a BREATH of GOD and bear in mind that without breath, life would be impossible. Breath allows you to reach HIGHER meditative VIBRATIONS. The correct application of the POWER of OD gives you the opportunity to awaken your SPIRITUAL BIRTHRIGHT.

Question : What effect has OD during a meeting?

EUPHENIUS: It doesn't play a big part here in our meetings, because your breath releases OD ENERGY, which in turn is transformed into divine ENERGY here and which we TRANSFORM into delicate VIBRATIONS.

Objection : Thus OD ENERGY is important after all!

EUPHENIUS: For you, as participants of the circle, this POWER isn't important. We need this OD to transform divine ENERGY so that we can reach you.

Question : Once you have withdrawn our ENERGY, do we get it back?

EUPHENIUS: That's the way it is! *It is therefore important that you remain in the meeting room (after the session), so you can get this POWER and ENERGY back.*

Question : Are people a SOURCE of OD?

EUPHENIUS: *Every* living thing here on Earth is a SOURCE of OD, which is connected with the divine SOURCE of OD of the CREATOR.

Question : There are many, some of them quite well-known scientists, who experiment with mediums and who have had excellent results. These works are hardly acknowledged in spite of that, or shall we say *because of that*. These scientific works have hardly advanced mankind, on the contrary - customs and behaviours *decline more and more* and ungodliness blossoms. Where will this end?

EUPHENIUS: The way you describe it - it will end in chaos and in ruin. But we can also see that there are people like you who believe in more than just what the sciences *put in front of you*. If this *wasn't* the case, we wouldn't be here and we wouldn't waste our energetic THOUGHTS. The sciences will have to recognise that it can't keep these THINGS a secret anymore. They have to acknowledge the fact that there are PHENOMENON'S that defy measuring and that can't be duplicated on the spot. This will come about in the next 30 years.

Question : Opening a newspaper these days and reading about all the atrocities committed all around the world one asks the question, *what else* has to happen before the CREATOR will say: "enough is enough!"

EUPHENIUS: The CREATOR will *never* say: "enough is enough!" And if HE only saves one or two souls from this chaos, it will be considered a VICTORY.

Question : One last question: Psychic work in harmony with CREATION is the goal to strive for. What is the *best way* to realise this?

EUPHENIUS: This is an excellent closing question, because it contains all the questions that have already been answered. Psychic work in a DIVINE SENSE can only be done when *it comes from your heart*. What you also have to *recognise* is that you are *only* a small COG in a LARGE GEARBOX. But the smallest of gears needs a large machine to move it. You are a PART of something LARGER and this LARGER something *needs you*, however SMALL you might be. Have the courage to proceed on this path in a divine SENSE.

Participant : We thank you and the TEAM for all the efforts you made in bringing us the TRUTH. A hearty thank you also for all your numerous transmissions, which have managed to shed more light into the darkness of our insufficient knowledge.

EUPHENIUS: It is on us to thank you and we hope that every one of you will take a piece of the TRUTH with them, *not only* within your consciousness but also within your heart. *All*

of you are encouraged to carry the LIGHT into the darkness and don't believe for a moment that such a small LIGHT has no effect. You too can change a lot, even if its only finding and recognising your own divine CENTRE, the fact that you are unique and that you have taken over this ASSIGNMENT voluntarily and that this PATH you're on is the right one.

You have found out a lot about the actions between SPIRIT ENTITIES and you as human souls. You have touched upon a lot of points that are necessary to establish and *to safeguard* CONTACT with us. But all of this can only be accomplished when you recognise that such work can only be done through a LOVING HEART and one's INNER divine CENTRE.

We wish you for your future a lot of LOVE and time on your hands to read the protocols so that you can process all the things we have given you through the transmissions within your circle. Human beings tend to forget a lot and you would be astonished about all the things that have been transmitted from our side in regards to help and support.

All of us wish you in these times the LIGHT of GOD, the STRENGTH and the ability to recognise the things that are important and positive for your soul. Look into the mirror of your soul and recognise that you are a part of everyone. We ask you not to forget this, because you are often wrenched out of your inner CORE during your everyday life.

Be aware that these meetings must be very well prepared by your side as well as by our side. You must do your part of the work to maintain a PROTECTED FRAMEWORK to be able to receive highly qualitative TRANSMISSIONS. We hope that everything that you were told will germinate like a SEED within you and that you will become strong and protective for others.

We thank you in the NAME of GOD for the opportunity to make this possible - and that it is possible to proclaim the WORD of GOD here. We are also not in a position to know everything, because we haven't progressed far enough on our DEVELOPMENTAL JOURNEY to recognise all the things that the CREATOR stands for. We thank you for all the questions and for all the themes we have worked upon. Remember that we too don't know everything and that we haven't experienced the OMNISCIENCE that GOD, JESUS and HIGHER PLACED ANGELS have experienced for themselves. We are also still walking this path and are pleased that you accompany us on this path.

- *Remember your divine LIGHT. Send it out! It represents the SIGNAL and the POWER SOURCES that will always allow you to make CONTACT with positive ENTITIES from other SPHERES.*
- *Have trust! Direct your thoughts towards the bright LIGHT and you'll be connected to a CHANNEL that leads directly to the HIGHER REALM of LIGHT.*

We thank you for all your questions and hope that our answers inspire new thoughts within you and generate new questions. The TEAM and I wish you a wonderful, harmonious and dynamic week. And we hope that you envision within yourself that what we do here represents only a small SECTION of the WHOLE of what you are miss-

ing. This picture is only a *small* section, allowing you a minute view of something that is omnipresent.

Contemplate the answers you received and don't get downhearted if some of it isn't clear and comprehensible. We ask you to prepare additional questions for the next time, so that we get the opportunity to fill these gaps, thereby strengthening your faith. We close this meeting in the NAME of the LORD. May LIGHT enter your HEARTS and may you have the STRENGTH to allow this LIGHT to flow from you for the benefit of mankind on Earth.

Words from WHITE EAGLE:

You ask *how* you can find the spiritual path. The answer is: "Say little - LOVE a lot - give everything - don't judge anyone - strive for everything that is pure and good - and never give up! We know that you are often tired and disillusioned and when we say: "Never give up", you laugh and say: This is easy for you to say WHITE EAGLE", and then we laugh with you. But be aware that this represents a part of ancient KNOWLEDGE, the secret of progress and success. In everything you plan to do, proceed steadfastly and faithfully forward! You are often tempted to give up. But that wouldn't be very good my friend. Hold on tight to the reins and *never* give up.

If you want to serve GOD and your fellow man you have to learn to *uphold the GOOD*; to avoid conflict and turmoil so you can reach those dizzy heights. To begin with, learn to visit the heavenly realm on a level that is attainable for you, by sitting in a place of tranquillity and peace. Divine POWER can then flow inside of you; this will restore you so that you can, as a useful instrument, champion the redemption of mankind.

So many things are taken for granted. It is of course only right to expect beauty, TRUTH and LOVE, but never take it for granted. For all the things you receive say thanks you from within your heart. Whenever your heart wants to allow its gratefulness to flow forth, all the centres of your being open up to receive BLESSINGS of LOVE and happiness, health and peace and good will from GOD.

Sometimes you might think that GOD and the SPIRITUAL REALM *forgotten* you and that they don't show any compassion for your suffering and your pain. But *they understand* the pain and the fear within your heart all too well. They know what you need; and all those that care for you and guide you in line with the LAWS of GOD are here also.

Learn to think, live and work consciously in the PRESENCE of GOD. This PRESENCE is *always here*. Your *lesser* self, so burdensome to you, endeavours to keep you here on Earth. But your HIGHER SELF is at one with infinite, eternal life.
