### Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I'll be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on Earth will be justified. We cannot reach this destination under our own steam without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

### Words for the day from WHITE EAGLE:

If you encounter difficulties and situations full of conflict in your work and in your life - do not become impatient, but remain calm and sedately inside. Remain within the ENERGY of the GREAT WHITE LIGHT.

(Welcoming all present.)

ARON : GREETINGS IN THE NAME OF GOD and PEACE ACROSS ALL FRONTIERS!

This is ARON speaking. After a long interval (summer holidays) please have patience with yourself and also with us so that you and we can align our VIBRATIONS with one another. This will be successful if you emanate GOD'S LIGHT from your hearts and if you are ready to welcome us in your midst. We begin this evening's proceedings with writing. I will report back to you later on.

LUKAS : GREETINGS IN THE NAME OF GOD and PEACE ACROSS ALL FRONTIERS!

This is LUKAS writing. This writing is somewhat strange today, because the ASSIMILATION has not quite come about yet. But with a bit of assiduous practice, we will be able to compensate for this in no time. Continue to align yourselves as before. Now please ask your questions.

Question: According to a statement made by the MESSENGER of LIGHT EUPHENIUS, our circle can only advance when *we are able to apply* the divine LAWS. What else can you tell in regards to this?

LUKAS : This is the most important thing! You should always try to remind yourselves of these LAWS, that is to say, *read and envision them frequently*. It might help if one of you selects these LAWS from within the protocols and writes them down. It would suffice and you would not have to go looking for them every time. You can think about it. For us, respectively from our point of view, *constant repetition is important*, because you live in a world of distractions your thoughts tend to be distracted or your mind wanders. Continuous repetition would benefit all of you. Try to put this into practice.

Question: Do we bear a higher responsibility in regards to ourselves and others because we have acknowledged the divine LAWS?

LUKAS : That is a problem. If you had never dealt with us and with our DOCTRINE, you would not be measured by it.

- *Yes, it is true: The more you know about these LAWS, the more your responsibilities amplify. This means that you will be asked one day what you have done with this KNOWLEDGE, respectively, how you have applied it on behalf of others and yourselves. You will be asked these questions some day in the future in the spiritual realm, every single one of you.*

Question: Does one's own development always take priority?

LUKAS : Yes, naturally. It could not be any other way. An uneducated person is no teacher. Only when he has been educated, when he has started to do so with himself, can and may he teach *others*. - If you, as human beings, could allow the LIGHT to flow as you are actually destined to do, this world would be a better place. We said it before and we repeat it again:

- *If you are successful in guiding just one single person onto the divine PATH, your life will have been worth while.*

The "SETTLEMENT" - as you call it - is *not* according to the number of successes, but solely *according to your good intentions*. Everyone can only do so much for his fellow man as he is able to do. If he does it from the heart, it represents a pretty serious result in his personal DEVELOPMENT and it pleases the LORD exceedingly and it pleases us also.

Question: The MESSENGER of LIGHT EUPHENIUS told us that he would like to take charge of this circle, but only under the condition that all the circle members make a combined effort in regards to their development, in order to smooth the way. Does the responsibility lie exclusively with us?

LUKAS : Yes, naturally. Your development has progressed to a point where it is possible for you to bear this responsibility, that is to say, you have progressed to the next of an infinite number of levels.

- *But you must be aware that you can regress anytime! Meaning, as we would not regress with you, this would bring about a change of the spirit entities involved here and they would not have the same level of knowledge as the present TEAM.*

You might not even notice it, because man, in his obstinacy, often looks the other way. You know the LAWS and therefore: Look ahead with confidence!

Question: Does this mean that every individual has to continually test himself or herself and that the perspective has to be reconsidered all the time?

LUKAS : Not just everyone individually, but one *has to see the OVERALL PICTURE* and one should not lose sight of the OBJECTIVE. You will not receive any assignment from us that is beyond your capabilities. This is why our proclamations are always modulated according to your level of development. Otherwise you would not understand our proclamations. - We would like to implement a change of medium now. I thank you. As you can see, in spite of the prolonged interval, everything works quite well.

GREETINGS IN THE NAME OF GOD!

LUKAS

ARON : GREETINGS IN THE NAME OF GOD! I am ARON. We are ready to answer your questions.

Question: There are people who accept GOD, but who can do very little or nothing at all with the concept of JESUS CHRIST. What is your relationship in regards to CHRIST? Do you acknowledge CHRIST as the highest AUTHORITY after GOD?

ARON : *JESUS CHRIST represents to us the highest ENTITY after the divine CREATOR. He has managed to reach all the necessary LEVELS required to be near GOD.*

*CHRIST is our TEACHER and he is still in a position to entertain contact with us. In regards to HIS FREQUENCY VIBRATIONS, GOD'S VIBRATIONS are on such a high level that you would find them impossible to comprehend. To be honest, even we can not withstand these VIBRATIONS. It is difficult to put this into words that your mind can understand.*

*CHRIST is a part of all of us, a PART of GOD, but he is also the sum total of everything. What CHRIST gives, flows a billion fold into every individual cell.*

The reason why people can acknowledge GOD but not JESUS CHRIST lies in the fact that JESUS CHRIST walked on Earth as a physical human being and that GOD represents a *mystical and incomprehensible* figure in every individuals mind. FAITH in DIVINITY is rated a lot higher in many people's minds than what JESUS CHRIST did for mankind whilst here on Earth.

Question: The problem of being able to distinguish between genuine and false information, between TRUTH and lie is one of the major questions with every contact with the hereafter. What measures of conduct can you suggest to us that guarantees PROTECTION from hoaxing and lying spirits?

ARON : This is one of the *most important core-questions* for every circle and for all those that function as channels for contact with the hereafter.

- *One can only protect oneself if one faithfully opens one's heart to GOD'S LOVE, if one asks for PROTECTION and if one performs this work in a divine SENSE.*

Negative entities do gain access *when* the RULES are not followed and *when* the RULES are not taken serious. If contacts are established due to curiosity or to enrich and satisfy one's own urges, it will always offer a "culture medium" for the negative worlds.

Question: When we first made contact with the spiritual realm in 1995, our leader at the time reminded us that we had to relearn how *to pray more* and how *to express our thanks*: Of an evening for the PROTECTION received for the previous day in connection with a plea for PROTECTION for the ensuing night, of a morning for the PROTECTION received during the night in connection with the plea for PROTECTION for the dawning day. - These prayers are to be regarded as a "PROTECTIVE CIRCLE", one that one's prayers establish around oneself.

ARON : This represents a form of PROTECTION you, as souls here on Earth, can create *to stave off* negative VIBRATIONS. You can connect with your GUARDIAN ANGEL and the positive SPIRIT GUIDES with the help of these prayers, so that they can protect you. This is *also* a good opportunity to find inner harmony and equilibrium here on Earth. These *deliberate* prayers create a *deliberate* connection to GOD and all other ENTITIES here on a positive mission.

- *This gives you the opportunity to protect the core of your soul!*

But prayer is *just one part of it*. Important is your *inner attitude*. Your *inner FAITH* in this and knowing that *everyone* here on Earth has to fulfil his or her task in a divine SENSE. You bear your own responsibility, *only for yourself*, but by being an example, you will be able to draw attention to the things that are important.

- *You can protect yourself and you can protect others also, through your emanations and through your attitude towards GOD!*

Question: What opportunities are there to test the spirits?

ARON : Trust your feelings and your INNER VOICE *implicitly*. You can only *sense* imbalances by listening to the VOICE of the HEART.

Question: The following incantation has often been applied when consorting with the hereafter. What is your opinion on this?

“In the name of GOD, the creator of the whole universe and the sole sovereign over Lucifer, the devil, and over the positive and the negative world of spirits, I swear that Jesus Christ is my Lord.”

ARON : We would like to say to you that this incantation can also be replaced by the question: *Are you one of GOD'S children?* The *slogan* of this incantation does not contain any more than that.

Question: Are messages by “direct voice” *more reliable* than others?

ARON : *No* medium has a 100% record. A “direct voice” can also be misguided and contain false information. Remember: There is *presently no* soul here on Earth that is a *perfect* child of GOD!

Question: What type of psychic channeling would you prefer?

ARON : This has nothing to do with the technique as such, but *with the person* that functions as a channel and a medium. The messages can only be as good as the *human* attitude and the *divine* ATTITUDE *allow* them to be.

- *A good medium distinguishes itself by trying to apply the divine LAWS in regards to itself and others. The more this soul lives in a divine sense, the better the channel for divine MESSAGES from the spiritual realm will open.*

Question: We are fast approaching the year 2,000. Time goes by day after day and all past predictions become invalid. Why?

ARON : Because all of you are participating in this process of change. A lot of positive and a lot of negative things have taken place. The CREATOR sent many illumined souls down to Earth; He incarnated many souls who possess a high degree of divine merit. The turnaround and the

insight that nature, mankind and GOD'S SPIRIT are to be looked upon as one single UNIT is spreading ever wider.

Question : In Ezekiel it states:

“God announces: ‘What I say will take place and this *without* any delay’.”

Does this help us to distinguish whether new revelations and prophecies come from the spiritual realm by ORDER of GOD or whether we're dealing with *invented* assertions from some spirit entity?

ARON : First and foremost it is important to know that a divine EVENT is *never* ascertained by the *positive SIDE with a specific date*, because all of you here on this planet can perceive developments, changes, inspirations and insights. All of you received from GOD the chance listen, to take a look and to sense what's right and wrong. *You control* the wheel of incarnations and the wheel of change on this planet and also whether this Earth is about to experience a phase of destruction.

Question : Because of possible false prophecies and due to the abjection of any contact with a world far removed from GOD, the world of the spiritually dead, the world of fallen entities, GOD conferred clear guideline to Moses. It is written:

“Whatever a prophet announces in the name of the Lord and it does not come to pass, has *not been spoken by* the Lord.”

Would paying attention to *this* phrase give us the opportunity to separate the wheat from the chaff?

ARON : Messages are not always from EMINENT SOURCES. The distinction of whether they are true or untrue has to be made. Many profess to be “GOD'S SPOKESMAN”, but speak with a *forked tongue*. - Many predictions made by astrologers and astronomers also are not realised, because many of these predictions originated from within the human ego of such a spokesman. You can only verify this by yourself, when you abide by GOD'S RULES, COMMANDMENTS and LAWS.

- *Not everything that is banded about in the name of GOD is by necessity in a DIVINE SENSE.*

Question : How did the first Christians deal with the deceptive practices of otherworldly entities when they had psychic contacts with the hereafter?

ARON : These Christians were the kind of souls that had *opened* their heart to the DIVINE and they *were willing* to put their life on the line in the name of the CREATOR.

Question : Fantastic, utopian assertions for the future are completely absent from the messages received by parson Johannes Greber. Extra-terrestrials and probable evacuation measures in regards to

planet Earth were never ever mentioned. Questions were answered instead that did not contain a satisfying answer for many thoughtful Christians of conventional Churches. How can this be explained?

ARON : This young medium was employed to clear out all the misconceptions in regards to religion of this planet Earth. It was important to Greber to allow the WORD of GOD to return to this Earth in a pure and VIBRANT fashion. Greber recognised that the Churches, in their dogmatic lethargy, had lost the true FAITH in GOD and that the CREATOR'S WORDS were not promulgated in their original PURITY. The fact that other ENTITIES are visiting this planet would have overextended Greber's imagination on a personal level. He would never have accepted the fact that there are also other ENTITIES on a divine MISSION.

Participant: He would probably have ceased his contact immediately, thinking that he was dealing with hoaxing and lying spirits. This would have made the whole project collapse.

ARON : He would not have been able to deal with it. This was the reason why this was purely a *biblical* assignment.

Question: Various literature mentions "CONTROL SPIRITS" and spiritual "KEEPERS at the DOOR" that safeguard any contacts made by a positive, psychic circle. Does this apply in regards to our circle?

ARON : You have to imagine that you have a CIRCLE of LIGHT around you. This CIRCLE of LIGHT is put into service by our TEAM. This LIGHT constitutes the *first* PROTECTIVE CIRCLE around you. There is subsequently also a circle of souls around you who would like to support the work you do here. This circle proliferates from meeting to meeting.

But all this LUMINOSITY also attracts *negative* entities. There is a so-called KEEPER at the DOOR and he guides and forms this circle very accurately. It is his assignment to guide entities from the dark side into the LIGHT. Due to his work, your circle has the effect of also guiding souls into the LIGHT. This is also an assignment, one that this LEADER takes control of.

Objection: You said that the LIGHT *attracts* entities from the dark side. Wouldn't it be more of a situation where these entities are *blinded* by the LIGHT?

ARON : There are entities who have roamed around in darkness for decades and they inquisitively go for these POINTS of LIGHT, because they would like to travel along a *new* path and this in divine SENSE.

Question: There are circles, like the one in Rothenburg for instance, that help lost entities find their way into the LIGHT. All entities involved with that circle receive an opportunity to articulate through one of the circle's mediums. Wouldn't this be something for us?

ARON : This is *not* your assignment. The fact that entities are also guided into the LIGHT is a so-called "by-product".

- *Your assignment is to inspire people, so that they show an interest, so that they want to find the real reasons for their existence and so that they receive from you the divine LAWS we imparted on you, thus giving them the opportunity to work on further developing their soul.*

Participant: We thank you for answering our questions.

ARON : Today's questions compliment everything you, the questioners, have received from us so far. Take from these protocols, here on a divine MISSION, the things that will form you as human beings, the things that will bring your INNER SPARK to shine and the things that will make you realise that you are divine BEINGS. We thank you for these questions. - The information we have given you gives you the opportunity to deal with yourselves, as GOD'S children, in a *more aware* way.

- *Take notice of your thoughts.*
- *Take notice of your INSPIRATIONS.*
- *Take notice of your HEART.*
- *Take notice of your INNER VOICE.*

All of these are perceptions you receive from your GOD, your FATHER. You represent an OSCILLATION that would like to *raise* its RATE of OSCILLATION. Take a look inside to find out whether the things these protocols tell you have found a *permanent* home within you.

Nobody on our side expects that you will be able to apply *everything* here and now. But by making yourselves *aware* of this divine QUALITY, you receive the chance of *heightening* your inner values in a divine SENSE. There are further assignments waiting to be dealt with and they are worth the effort of improving yourselves.

We would like to bring this to a close, we wish you an educational, pleasant and harmonious week and we look forward to our next meeting.

GREETINGS IN THE NAME OF GOD!
