The answers to these questions were transmitted by TEACHERS from the SPHERES of LIGHT. Paranormal voices appearing within the protocol were captured on tape and are marked with T.B: (Tonband). Any words that are underlined are authentic with the original transmission. This working circle grew out of a meditation group and commenced its psychic activities on October 25th 1995.

The answers to the questions of the group were transmitted from the SPHERES of LIGHT through the SPIRITUAL REALM. Voices appearing within the protocol are marked (T. B...). Underlined words within the protocol are authentic and coincide with the original transmission. This work circle developed from a meditation group and it started its psychic activity on the 25th of October 1995.

Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I will be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – It is our aim to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our MISSION on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Welcoming all present.

TAI SHIIN : PEACE ACROSS ALL FRONTIERS! This is TAI SHIIN speaking.

Greetings to you my dear brothers and sister from Earth and a special welcome to you my brother (medium). I am pleased that I may be here this evening in order to answer your questions. I am initially concerned with telling you that the development of your spiritual abilities progresses *very slowly* here on the whole of planet Earth. We *still do not* have the opportunity to communicate with you, that is to say, to convey to you our concerns, our MESSAGE of PEACE received as an ASSIGNMENT from the CREATOR and to accompany you. An example to show what I mean is that mankind is still attempting to militantly fight one another and that the question of power still remains a major theme here on planet Earth. This Terra, surely not a planet that belongs to the lowest of planets, is still a planet that finds itself in a phase of development and it has *not yet learned* to put an end to this.

Individuals in top positions still force their obstinacy on others. This obstinacy *prevents* the development of this planet, and this *prevents* us from making contact, because mankind is still *hostile* towards us. You can see this clearly, because in order to maintain their power potential, individual countries try to outdo one another in regards to armament. We have no chance of breaking through this barrier. Mankind here *trusts* the things that intrude into their lives from *external sources*, be it the press, television, world affairs, Churches or some other clever people who promulgate their *own* dictatorial and dogmatic programs.

Mankind here is not yet advanced enough in their spiritual maturity to utilise the second half of their brain, in order to open up to spiritual things. We endeavour to make a breakthrough with *those* people were there is hope that they might hear us. Sightings have been recorded throughout all the centuries we have accompanied this planet Earth. *This is where* we see trust and *not* hostilities. We endeavour to support this planet so that you can fulfil your ASSIGNMENTS and so we can also fulfil our divine COMMISSION.

Question : You said that you are not successful in breaking through man's obstinacy. Do you want to give up your MISSION?

(T. B: Never!)

TAI SHIIN : *Not now or ever!* We will *continue* to carry out our divine ASSIGNMENT in a divine SENSE.

Participant : From our point of you, you should make a more concerted effort to reach nations and their youth. If you manage to achieve this, government agencies with their disinformation politics will no longer have a chance.

- TAI SHIIN : The younger generation here tries to recognise the DOCTRINE and the KNOWLEDGE they possess within step by step. We make a special effort to facilitate contacts and new approaches *through these young souls*. But this is hampered by the fact that young people *do not live isolated* lives here, but are also subject to legalities and dogmatic styles of upbringing.
- Objection : We believe that you have every chance of becoming a ROLE MODEL for the younger generation. They hardly know anything about you and because they do not see you, they do not believe that you exist. This problem must be solved.
- TAI SHIIN : This is very difficult because mankind has lost its sense of direction. All the things that were conjured up and disseminated by the Churches for centuries have an effect on the soul. - The reason why JESUS CHRIST walked on Earth is distorted and not presented in its correct light. The young generation represents a huge point of attack for the negative side and it tries to get a foothold there. Any opposing action initiated by the DIVINE SIDE is made much more difficult.
- Question : Remember Fatima! Sightings took place there also. Tens of thousands of people witnessed the announced sighting, people *didn't* panic and they were not afraid either, but paused to pray. Why not a *second* Fatima? But not in front of tens of thousands, but an audience of billions!
- TAI SHIIN : This cannot take place at this point in time, because you would interpret this as a hostile attack.
- Question : Why was your appearance in Fatima not interpreted as a hostile attack?
- TAI SHIIN : This was a sighting, an event that was important at the time and for the souls *assembled there*. Because of state your thoughts are in these days, it becomes ever more difficult for us to gain an insight. You are afraid of being labelled a nutcase, mentally ill or even branded abnormal. Your reputation in the eyes of those around you seems to count for more than your renown in the eyes of GOD.
- Question : When will the subject of UFOS become common knowledge?
- TAI SHIIN : We have contact with individual countries. We have sent messages there and they have been acknowledged, but they have not been passed on out of fear. Out of fear of losing one's job and out of fear of having to admit that other entities exists throughout the Milky Way. Measured with *our* yardstick, these colonies are not that far away.
- Question : From your point of view, when will *official* contacts with you take place? According to my opinion, you ought to hoist your flag more often.
- TAI SHIIN : I appreciate your impatience. I know that it is near to your heart to reveal to mankind: "See, all the sightings reported down the centuries were about COMPANIONS who protect us!" - We are presently *more interested in protecting* your planet and in

converting negative energies. Individual sighting will still take place and they will be spread like a net all over the whole planet.

Participant : We could use your backup in spite of our publications. People rightfully ask for evidence, because they can not see you.

TAI SHIIN : This is mankind's basic problem: Everything beyond the five senses does not exist. It is unfortunate, but we cannot give you date about when we are going to reveal our existence, because we do not know the exact date ourselves.

- *We have taken on the ASSIGNMENT of accompanying this planet and to render it help in an emergency. We have positioned our ships around the Earth's axis in order to avert more danger to its stability.*

Help must come *from within*, therefore from you and from your planet, namely by announcing:

- *That there is life after death.*
- *That there is a CREATOR*
- *That HIS TRUTHS and HIS LEGALITIES do exist.*

You can only heal from the inside to the outside. We only represent a link in a chain and mankind, in its spiritual maturity, is presently not ready to make contact with us.

Participant : Great powers like the Soviet Union or other totalitarian countries were virtually unassailable from the outside, but they were brought to their knees *from within*.

TAI SHIIN : You must look at this through a different "microscope":

- *Only through your INNER PEACE can you bring about peace and unity between individual countries and individual and different peoples to then be receptive enough to activate your second half of the brain.*

Question : Doesn't this also need the HELP from HIGHER POWERS?

TAI SHIIN : This is certainly a probability, if every individual begins to not believe everything that intrudes *from outside*, and if mankind and all individuals do not become dependant on what they're exposed to from external sources, but *remain focussed*, stick to their TRUTH, *their feelings* and the received INSPIRATION, when everybody consciously remains *steadfast* in their inner conviction and thinks with their HEART.

Question : The return to the spiritual realm of ufologist Hermann Ilg created a great loss of information, one that can hardly be replaced. Can you name another, reliable source?

TAI SHIIN : There is presently no one here on Earth to take his place. We are also saddened by the fact that we have lost this soul here on Earth. But be assured, we will find other opportunities.

Question : Are you familiar with the brochure “GRÜSSE VON GILBERT” (Greetings from Gilbert), wherein the MESSENGER of LIGHT published 11 letters? I would dearly like to publish this brochure, because it also mentions the SANTINER.

TAI SHIIN : I am acquainted with it. But I am *not* the contact person in it.

Participant : Can the content of the subsequent addendum be published as it is written below? As a postscript to his 11th letter, GILBERT wrote the following in 1998:

“... We, the MESSENGERS from the SPHERES of LIGHT, GOD’S WORKERS, are grateful to acknowledge that the announced change, with its associated catastrophic calamities for mankind, does *not* have to take place. The FREQUENCY of the planetary VIBRATIONS has deepened. The probability that the apocalyptic cleansing process will *not take* place is great. The danger has not yet been averted, but the radiant, heavenly FORCES find increasing support amongst those highly developed ENTITIES that are presently incarnated here and who gradually recognised their assignments.

Next to the HEIGHTENED FREQUENCY through the purposeful RECEPTION and spreading of LIGHT, the emanations and the WORK within the LIGHT performed by these people also effect a RADIANT influence on all the people with a latent sense of having to find their way to the LIGHT. We hope that this development continues to make progress and that the forces that shun the light will continue to lose their might. The possible realities, listed in the ARKASHIC RECORDS, will receive less and less ENERGY, they will lose their POTENTIAL and will *no longer* manifest themselves in the third dimension as proclaimed.

We thank all those who heard and hear our words and the words of our heavenly FRIENDS. Please continue with your RADIANT WORK. To all those who are not yet prepared to hear and to see we say: “Wake up and recognise your assignment! We need the cooperation and the support of every one of you! You are our partners in building a peaceful and wonderful world here on Earth, a joyful expression of GOD, the ONE who is everything.”

TAI SHIIN : My brother, I would like to ask you a question: Do you believe that this postscript will help people?

Participant : Whether it will help I cannot say. I have a problems with it myself.

TAI SHIIN : Your ambivalence has induced you to ask this question. Remember that our side finds it difficult to give you specific time frames here on Earth. The imminent changes about to take place *expose* highs and lows and these will cause mankind to make up its mind about which way is the right way. This is once again a choice made by your free will,

namely which way individual souls plan to go, either the one of the divine WILL and SIGNPOST - or the one leading into darkness.

- *Nature presently releases its negative elements in order to derive the ability to receive new ENERGIES and to cleanse itself. Through the heightening of these elements of nature and these FREQUENCIES, VIBRATIONS are released and they are passed on to you. You always have to look at the overall picture, because only by being in harmony with nature will you be able to become healthy human beings.*

You are ready and open to accept something new and to fill a new chamber within you. Many people do not allow themselves to be impressed by the things that enter their lives from outside. They are GUIDED in order to exchange ideas with likeminded people. This is a law of nature: Like attracts like. -

Consider and accept your intention and then decide whether you want to include this postscript. Leave it up to individual souls; let them make the decision about what they want to filter out of these written down pages. We can tell you that you can include this as it is without compunction.

Question :What are you, the SANTINER, going to do in the future so that nations receive more information about your existence?

TAI SHIIN :Mankind and especially your eminent scientists and researchers point huge funnels (dishes) at space in order to make contact with us. But human souls are unfortunately very restricted by their own thought processes. We hope to gain access to some of them so we can send messages to Terra.

Question :Does scanning the universe for probable radio signals from extraterrestrial civilisations make sense?

TAI SHIIN :No. You do not have the technology at this point in time to achieve this.

Question :As one can assume that there are other civilisations out there with a similar level of development as the people on Earth, couldn't one assume that the development of radio-technology also took place?

TAI SHIIN :No. We negate this. You possess a technological-mental level of consciousness that is marked by *your* VIBRATIONS, by *your* EARTH'S VIBRATIONS. The inhabitants of the planets around you that are inhabited - they have already visited you in the past - are planetary nations that have investigated you, but have lost interest in you. Assume that entities from other planets are more *highly* developed than you, otherwise they could not have reached your Earth.

Question :I am aware of this, but why couldn't there be a planet with a similar level of technology to Earth's thereby able to make radio contact with us?

TAI SHIIN : This is not possible.

Question : In the seventies, radio and television broadcasts in England were interrupted right across the country. An alien voice introduced itself and announced global changes for the future. It was ascertained that this signal *didn't* originate from anywhere on Earth. It *must therefore be possible* to create radio signals we can intercept. Why do extraterrestrial populations not provide mankind on Earth with the radio signal they are looking for? This could bring about a lot of changes in our world.

TAI SHIIN : This is *your* request, but *not* the desire of OTHERS! What use is a population of a *lower* level of development to them?

Participant : We are probably only semi-domesticated in their eyes. - But you must admit that it is pretty difficult for our scientists to find proof of extraterrestrial civilisations in the universe.

TAI SHIIN : For as long as *the attitude* does not change and for as long as we are branded *hostile* extraterrestrials on television on other media, communication and contact will *not be able to take place*.

Participant : When you visited us the last time, you said: "If you happen to have the desire to make contact with me, your BROTHER from the STARS, your plea will be heard." I immediately expressed my wish and you were going to make an extra effort in regards to this, unfortunately without any perceptible result up to now.

TAI SHIIN : I would like to communicate to you that *presently* your training as an automatic writing medium *is more important* than telepathic contact with me. This is still on the cards, but it has been pushed back a little.

As you expressed the wish that ARON ought to report back again, the time has come to say goodbye to you. - I would like to say to you that I am prepared to return as your guest, if there are more questions directed at my person. It was a great pleasure to be present here today in order to answer a few questions.

Even if we're *not* visible, remember that we are also beings that are subject to divine LAWS and that we have to adhere to the divine PLAN. We will never drop the task we have taken on and been doing for many thousands of years. We will *not abandon* the fight against the dark side. It is our ASSIGNMENT to continue to bring the TRUTH to this planet and this will continue to take place.

PEACE ACROSS ALL FRONTIERS!

I salute you once again very cordially.

TAI SHIIN

Participant : We thank you for coming and for answering our questions.

(T. B: Have to go now, till the next time.)

* * * * *

Question : There are those that insist that the colours of the sky have changed. I do not believe that one can apply this right across the board. But I did notice a sunset that I had never witnessed in that form before. What can you tell us about this?

ARON : The Earth's AURA FIELD has been amplified due to a heightened INTENSITY of its VIBRATIONS. WINDOWS of ENERGY have been opened and they set a kind of cleansing process in motion. This year (1999) will be a year where Mother Nature will unfold in a positive way, but in order to heal itself, it *must unload negativity*.

Question : This apocalyptic prophecy has double characteristics: It is a warning and a prediction. If it is successful as a warning by effecting a turnaround, it does not have to be successful as a prediction. Is this the reason why many prophecies and predictions do not eventuate?

ARON : Prophecies serve the purpose of giving you inspiration to aim for something and to give you structure. As you possess free will and as you can adopt a different level of awareness, whether a prophecy will be fulfilled or not is within your hands.

Question : The actual motive here is therefore *the taking serious* of the warning so that the fulfilment of the prediction becomes a non-event?

ARON : That's how it is. It serves the purpose of *giving you warning signals* to activate your third eye and to have a closer look to see where processes of change can be effected.

Question : Is the future like a continuously changing weaving pattern?

ARON : Your life on Earth is marked by steady growth and forward aspiration. It represents a dual experience and it serves the purpose of making the growth you require possible. Everything is there at your disposal to reach your goals. You are endowed with all the abilities to receive your divine LOVE, UNIVERSAL LOVE, in order to make this Earth a LUMINOUS planet.

Question : Prophecy doesn't just chart a future that can be change, but one that *ought* to be changed?

ARON : The sense in any prophecy is that you recognise that you can effect changes *in every aspect* through your thoughts, your ENERGY, through your INNER SPARK and through your GOD ENERGY.

- Question : Was Nostradamus possibly a charlatan, a deceiver or after all a prophetic genius?
- ARON : Nostradamus received inspirational prophecies in order to set guidelines you can abide by to effect changes.
- Question : Why did he package his over 1,000 quatrains into hardly understandable texts that can be interpreted any way one wants to?
- ARON : He did this out of fear, because he wasn't sure how those around him would deal with these prophecies. He would have been killed! And this is the human side where his fears got the better of him. That these prophecies were handed down so encrypted and so displaced in regards to time was *not foreseen*.
- Question : What can you tell us about the natural catastrophes that are presently descending on Earth?
- LUKAS : Well my friend, these are the effects of the climate that are now coming to fruition. It can therefore come to pass that such catastrophes are triggered. *You will reap what you have sown*. This well known phrase has its meaning! Further shifts will take place, weather zones will move in different directions and events will come to pass that will dismay you, because they are not common place.
- The catastrophe in the Alps was also due to a weather zone that ran along different lines and due to the fact that compensation with other weather fronts could not take place. But remember: In spite of the loss of human life, no life has really been destroyed. The souls of children who lost their body will be reincarnated within a very short time. Everything runs its course.
- *The negative powers attack wherever one offers them an opportunity and this only to prevent that souls can learn and redeem themselves.*
- But what is time all about? - A lot of things look entirely different from our point of view. But this is difficult for you to deduce and it can barely be explained in words.
- Question : Religion talks about "Ages" that periodically renew themselves. Can one call the things that take place on Earth at this point in time a "periodic renewal"?
- LUKAS : One has been able to ascertain that about every 2,000 years a great TEACHER, respectively an AVATAR, arrives here on Earth. JESUS CHRIST was *the last and greatest* of these MASTERS of LIGHT. All the other MASTERS before him have *prepared* CHRIST'S arrival through their DOCTRINES. You are aware that CHRIST said that he will return at the end of times, but *not* in a physical, human body.
- *Only when the spirit and soul of a certain number of human beings have reached a certain level will the moment of renewal begin. This point in time is imminent.*

This cannot be pinpointed to the exact year, because one cannot say *when* man's mental resistance breaks down and when they realise just what they have done. But remember: When the need is greatest, GOD is the closest!

Question : Tomorrow is Ascension Day. Would you like to say a few words in regards to this?

LUKAS : Oh yes. It is wonderful that one of you has remembered to mention this. The "Ascension" - as it was named by you - represented the final release of CHRIST from the Earth and from the physical. A lot of terrible years of humiliation preceded this ascension. Looking back, this is an aspect that can not be assessed highly enough. CHRIST'S work within GOD'S PLAN of REDEMPTION *continues*. Other ethereal humanities are also included in this PLAN. As already heralded, the ascension will then take place in a reversed order, meaning that the prophecy of CHRIST'S return will be fulfilled. But not the way you *imagine* it.

- *This eminent ANGEL will not incarnate a second time and also not be crucified at the cross! The next ascension will be a communal one. An ascension with some of Earth's mankind. And CHRIST will then remain with you to the end of time.*

Question : Taiwan once again experienced a severe earthquake. Was this a coincidence or does this quake tie in with the announced events on Earth?

(A longer interval during which the pen only drew loops and waves.)

LUKAS : Have patience, it doesn't quite run as well as we expected. - We had something else in mind. - It was just a trial.

Medium : I have not the slightest idea about what this will turn into.

LUKAS : That's of no importance. Your inner attitude was there, but your head intervened. But that doesn't matter. We are still in a training phase. To answer your question: Earth has begun its cleansing process, not from one day to the next, but a few things have improved. The continuous RISE of the Earth's VIBRATIONS contributed to this. Apart from that - and this is what's most important - more and more people ask spiritual questions and congregate together just like you do here. But a lot of individuals who do not want to expose their innermost thoughts participate in this. We're dealing with a lot of people. - A great deal!

Earth will undergo changes, but these improvements might have the effect that the announced apocalyptic days eventuate *in a milder version*. But this has not been ratified by the highest authority, because things continue to change, either positive or negative. Your milieu, your environment will react according to the movement of the scales. Earth goes its own way and nobody can arrest this. All you can influence is the "how".

Objection : But the result of this is that many people give up the ghost in the process.

LUKAS : These human beings do not “give up the ghost” - as you call it - they form a part of the whole and they were well aware beforehand of the fact that they were going to be born in this country or in a danger zone. They *chose* their life’s situation and they knew what *might happen*.

- *You Europeans ought not to feel as secure as you feel. This can also affect you!*

Always remember that life represents an infinite process. If human beings would “give up the ghost” - as you call it - the same could happen to GOD, but that’s impossible. Man is part of HIM and can therefore not be destroyed. He merely returns to whence he came from, exactly the way you will when the time comes -, like everybody else.

Question : Are all inhabited planets aware of planet Earth?

LUKAS : Oh yes, that is to say, those within your galaxy, respectively within your sector of the universe. As is well-known, the SANTINER are your CUSTODIANS. They are the bible’s CHERUBS. They control GOD’S CREATION and they control a designated sector of the universe. The SANTINER also do not know the whole universe. There are simply too many worlds with intelligent life. But the planets that are important for you know Earth pretty well.

Question : (Jokingly) Are there trade relations between them?

LUKAS : They do exist my friend! But not the way you know trade relations. The Earth is the only planet that does not take part in this. Divine INSPIRATIONS are exchanged - and this *without* payment!

Question : Would we receive HELP from extraterrestrials and would we gain access to free energies from the universe, if all of mankind would ethically and spiritually progress?

LUKAS : You could expect considerably more ENERGY from the WORLD of SPIRIT to begin with - and that is more important. You wouldn’t receive the ENERGY you need to develop ABILITIES to make CONTACT with us possible, and the ENERGY you need to survive, from extraterrestrials. Further development would certainly make CONTACTS with higher FORMS of LIFE from space possible.

Question : What is the cause for the earthquakes taking place all over the world?

LUKAS : The Earth jolts and shakes its renitent inhabitants and tormentors. You can put the blame for these effects squarely at your own feet. The ecosystems of planet Earth are overtaxed by all the things that have been produced and they can no longer absorb, respectively metabolise this. We already mentioned that planet Earth has started to regenerate. Just how all of this will go off remains to be seen. The danger we and our BROTHERS talked about have not been removed by a long shot.

- Question : According to a report by the American Journal “Weekly World News”, the US Space Agency NASA is supposed to have taken pictures of a brilliant light in the shape of a building, with the Hubble-Space-Telescope on the 26th of March 1996. These pictures are supposed to show an enormous white city hovering in the darkness of space. The report quotes researcher Dr. Marcia Masson who insists that important NASA personnel have confirmed the existence of these photos. She further states that she personally received copies of a selection of photographs. The Vatican is also supposed to have requested pictures. NASA officially continues to remain silent. Civil servants at NASA however say that they have found something “that could change the future of mankind”. What are we to make of this article?
- ARON : Our side *can verify* that these NASA photos of a light structure exist. This light structure is a spaceship. It *not* a solar planet inhabited by human beings as one assumes here on Earth. This spaceship, whereupon entities exist and who *looks like* a city, is an enormous, you would call it, “space station”.
- Participant : If these recorded pictures closely approximate the very concrete description of the “Holy City” of the bible, it could have enormous religious ramifications. Because Chapter 21 of Revelations undoubtedly confirms this.¹ - The bible does not rule out the situation that the “New Jerusalem” could also be situated in space.
- ARON : We would like to say to this that it is the TRUTH. But it isn’t a case where the gospel is influenced by extraterrestrials that came down to Earth. Only you can develop the true gospel and proceed in that direction.
- Objection : But some of ASHTAR SHERAN’S transmissions corrected parts of the bible and he’s an extraterrestrial!
- ARON : The correction takes place through ENTITIES who work with other mediums. But the appearance of ENTITIES that will make eye contact here on Earth is presently impossible.
- Objection : If the reports that there was eye contact with the SANTINER is correct, the way Adamski and other people are supposed to have had them, it must be possible.
- ARON : There are souls that have the ability to materialise the ENTITIES within *their own* perceptions, but only through short waves. These are abilities where ENTITIES can materialise and converse and give these souls information: It is a giving and taking and we’re dealing with FREQUENCIES of VIBRATION that are polarised in regards to each other. We are dealing with individual contacts, never mass-contacts.

¹ **Revelations Chapter 21, Verses 1-5:** Then I saw a new heaven and a new earth. The first heaven and the first earth disappeared and the sea vanished. And I saw the Holy City, the New Jerusalem, coming down out of heaven from God, prepared and ready, like a bride dressed to meet her husband. I heard a loud voice speaking from the throne: “Now God’s home is with mankind! He will live with them and they shall be his people. God himself will be with them and he will be their God. He will wipe away all tears from their eyes. There will be no more death, no more grief or crying or pain. The old things have disappeared.” Then the one who sits on the throne said: “And now I make all things new!” He also said to me: “Write this, because these words are true and can be trusted.”

- Question : Could it be a case where these transmissions are supposed to rationally prepare the people on Earth for a landing of entities of enormous might?
- ARON : First of all, such huge spaceships could *not directly* land here. It's a situation where only small ships can show themselves. But this can only take place when...
- (Termination of transmission)
- Medium : The connection is cut off. Please ask this question later. It arrives in bit and pieces. I probably block its progress.
- (Short interval)
- Question : Will the year 2,000 bring *official* contact with extraterrestrials?
- ARON : We will refrain from giving a time factor here.
- *If mankind is prepared to welcome these ENTITIES with an open heart and not regard them as an enemy or as someone who wants to conquer their land, these ENTITIES will be prepared to make contact with you here on Earth.*
- Question : What has the DIVINE SIDE in mind in regards to this?
- ARON : The CREATOR sent the SANTINER and also other souls to this Earth in order to keep the antagonist under control. The negative has a very *profound* presence here on this planet. The Earth is heavily exploited by you, as human beings and you show it no respect. - What life offers you, you destroy. - The HAND that offers you PEACE is not taken. - A BATTLE of VIBRATIONS is in progress here on Earth and it produces powerful tremors. We cannot presently verify to what degree this new, let's call it evolution, has progressed.
- Question : When one takes a look at the present world situation one finds that it describes one of the situations in the Book of Revelations that precedes the appearance of the "Holy City". The Book of Revelations describes on numerous occasions a situation on this globe where "people do not repent their murders, their magic, their sexual immorality or their stealing" (Revelations Chapter 9, Verse 21). You have confirmed that this "CITY of LIGHT" exists. Does this fulfil the revelation?
- ARON : How far this revelation has been fulfilled remains at present - you would say - "in the dark", because the CREATOR has not given up his fight for your souls until now. We have no information about whether a sighting of such a space station will eventuate.
- Objection : Even if such a sighting were to take place, it wouldn't necessarily mean that GOD gave up fighting for our souls. On the contrary - HE sent HELP that ought to shake us to our core, because earthquakes are apparently not enough to do so.

ARON : We have discussed that fear is the greatest factor that convulses and destroy souls. Fear leads souls into situations of crisis and it is difficult for them to extricate themselves from them.

- *This planet could not cope with more VIBRATIONS of fear at present, as the equilibrium of this Earth is very much in the balance. Fearful people lose contact with their soul and thereby contact with the DIVINE.*

The divine FREQUENCY of VIBRATION would change for the worse even more so through the *consorted* impression a sighting would record.

Question : What will the year 2,000 bring us in regards to SANTINER CONTACT? We already had TAI SHIIN as a guest - something that is rare.

ARON : EUPHENIUS will discuss our plans in the New Year. EUPHENIUS will take charge of this circle in 2,000. He will also chair the meeting on Christmas day and discuss everything else with you.

Question : What are the reasons, apart from a few individual contacts by TAI SHIIN, why the SANTINER have been so restrained?

ARON : The SANTINER are prepared to visit, if you express that desire and if you have questions that can be specifically answered by them. We will not anticipate anything, but abide by *your* wishes! If there are questions, like your questions today, which I found relatively *difficult* to answer because I didn't have all the information and because they are perceived as a divine TASKS, it is certainly on the cards that we can come to an agreement and accord in order to find a date.

Question : Do the present day natural catastrophes have an influence on man's spiritual development?

LUKAS : We ardently hope that people are concerned about the state their planet is in. It is as if you would destroy your tenement and find yourself out on the street one day, all of your own doing. All of mankind acts in this way.

Question : Can mankind's negative thoughts trigger catastrophes on Earth?

LUKAS : Oh yes, this is the basis of all evil!

Question : In regards to natural resources, is the Earth the richest planet?

LUKAS : No. What you call "valuable natural resources", some of which constitute the planet's lifeblood, also exist on other planets. The universe has only one PLANNER and this PLANNER does not plan ever planet differently. Matter in its construction is *almost the same* everywhere, but you are only aware of a fraction of its physical Laws and their

coherences. Whether terrestrial science will progress *without* recognising the CREATOR is questionable. A lot of money is spent - when it could be oh so easy!

Question : Accordingly, the people on Earth could also live on another planet?

LUKAS : Well, you don't just live on natural resources. You need air to breathe and this is exactly where the other worlds differ and therefore their life forms also.

Question : Are you talking about the density of the atmosphere?

LUKAS : Not "thinner" or "denser", but instead of oxygen, methane for instance. You would be asphyxiated! Various other combinations of air are also possible.

Participant : We thank you for answering our questions.

ARON : We thank you! - even if some of the answers were not completely answered by our side, because these were specific questions and we could not answer them spontaneously. Please ask TAI SHIIN to elaborate on some of these questions at the next meeting. We also do not have complete insight into the divine PLAN. Please understand that we too cannot answer all of these complex questions. Once EUPHENIUS takes charge of this circle, OPPORTUNITIES for more complex INFORMATION will be there.

All of us wish you a harmonious week and we ask you make mental contact with us in order to reinforce the connection between us.

GREETINGS IN THE NAME OF GOD!

ARON.
