Introductory words:

GREETINGS TO GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. „Where two or three are assembled in my NAME there I'll be right in the middle of them,“ these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorised TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is it to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on Earth will be justified. We cannot reach this destination under our own steam without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Words from the MESSENGER of LIGHT, WHITE EAGLE

Never forget that you are a child of GOD, created by GOD. Your spirit is the same as, if we are allowed to use this picture, a SEED that comes from the HEART of GOD. You are a son, a daughter of the living FATHER-MOTHER-GOD, who has sown you – HIS golden SEED – in the darkness of the Earth so that you should grow to perfection.

Welcome to all present here and starting the questions.

Question : The word „respect“ is – in German – made of the words „Honour“ and „Fear“. What is the meaning of this?

Answer : *Honour* GOD, but do *not* fear HIM. Respect is a word, which doesn't grasp the sense. It is actually wrong. – *Honour* GOD in heaven!

Question : I do understand respect in this way, it is an inner emotion towards the DIVINE and this respect has to be educated and developed. Do you see it in this way also?

Answer : Yes, you say it. – to honour GOD is, as you rightly say, an inner emotion, an inner resonance with the ENERGY FIELD of the ALMIGHTY. Your respect for GOD has been acquired by you, the fear of GOD and HIS *self-appointed* representatives on Earth (church) is the work of human authority and *not* the work of GOD.

Question : Is the word „respect“ *not* a divine LAW?

Answer : It stands as representative for the also falsified Bible. Imagine that your children *fear* you *more* than love you. *GOD is LOVE!* You also love your children and want to be loved by them in return. No, respect (awe) is *not* a divine word, honour yes, but not fear.

Question : Respect (awe) is therefore a falsified idea from the Bible?

Answer : Yes, it is so. Fear up to now has been a human instrument of power with which you can make nations, people and all individuals tow the line. Where then does free will and the freedom for divine development remain to reach the divine development of your life on Earth?

Question : Does the word respect represent the dualism on Earth?

Answer : It is shown in all things. It is good to see how you put stone upon stone to complete the picture. We will help you with it, you can be assured of that.

Participant: It is amazing the kind of words we often use without being aware of the kind of VIBRATIONS they represent.

Answer : Yes, thoughts turn into words and once they are spoken you can't get them back anymore. How often are you using the word „GOD“. On every suitable and unsuitable occasions. This shows how you are ignorantly and carelessly using these holy words and ideas. – When I say „you“ I mean the general public, but you who are here are also not free from doing so.

Question : Is it GODS WILL that people should have fear?

Answer : This is *not* in the WILL of GOD! GOD IS LOVE, HARMONY, BROTHERHOOD and SISTERHOOD. Fear and hatred is carried into this world through the antagonist of GOD. These aspects are *not* the characteristics of the divine ALMIGHTY.

Question : Can one then summarise that human beings should in the first place have respect for GOD, in second place for HIS HIERARCHY, TEACHERS and GUARDIAN ANGELS, in third place for the CREATION of GOD and last but not least for LIFE in every form?

Answer : We would like to change something: we will replace the word „respect“ with LOVE and HONOUR. The words honour and fear contain two *different* PLAINS of VIBRATIONS which are *not* connected.

- *You should honour GOD.*
- *You should honour Mother Nature.*
- *You should honour the divine LAWS, but never fear them!*

Question : If mankind would show *less* respect for science and academic research it would *be less influenced* by them. Mankind shows the wrong kind of respect for the atom and is destroying itself in the process. Do you see it in the same way?

Answer : This is right according to your interpretation. Mankind must learn to separate the good from the bad!

Question : The origin of the art is sacred. When an artist on Earth can make CONTACT to the HIERARCHY as for example Michelangelo, he can then express himself with the help of the SPIRIT WORLD *and* his talents, something that demands a deep respect from the observer of his work. Can one express this in this way?

Answer : Michelangelo and other highly developed mediums have tried to represent something that they have noticed via the spirit world and show these things figuratively to the people. This DIVINENESS, these special VIBRATIONS, which can be felt through these pictures –staying with Michelangelo now – are awaking in the souls of the admirers a longing for the true LOVE of GOD.

Question : Is respect equal to humility and devotion?

Answer : Humility and devotion are divine LAWS like honour and LOVE. They *contain* the DIVINE!

Question : Should you be honouring yourself in relation to your body and soul?

Answer : This view is very important. *Accept* yourself as a divine creature, open to your own level of consciousness to that, which is your *real* life.

Question : In the 2nd Letter of Timothy there is talk about lack of respect. Would you please say something about this? It is noticed there for example:

„In the last days there will begin difficult times. People will be selfish, greedy, boastful and conceited; they will be insulting, disobedient to their parents, ungrateful and irreligious; they will be unkind, merciless, slanderers, violent and fierce..... they will love pleasure rather than God. Bad people and liars will go from Bad to Worse; *but you stay with what you've learnt and what you have convinced yourself with!*“ (The Good News Bible)

Answer : This is a portrait, a portrait showing that one will always come into contact with *negative* VIBRATIONS. This entails that you must look to yourself to find which way and which destination you are to follow. Take notice of the divine LAWS and you will *never* be tempted and trapped by the all-pervading power of EVIL.

Question : You should confront the great SECRET of CREATION with respect and veneration. It begins with treating woman, the bearer of human life, accordingly. If the SECRETS of CREATION are dragged through the mud, respect is soon changed into contempt. Do you see it also in this way?

Answer : If you don't accept your neighbour with LOVE and don't recognise in him your brother and sister, all equipped with the divine SPARK, you *will lose* your *own* divinity.

Question : The Thesaurus states: „Respect, a basic metaphysical, religious and human attitude in respect to the highest divine values, GOD and moral order.“ What do you say to that?

Answer : This you can leave as it is because it contains exactly the points we have discussed at the beginning.

Question : Can one say that human being should adore GOD in a cult-less fashion with respect and self-discipline?

Answer : This is a good ending and a good summary of what you should learn about „Honour“ – „Fear“. All important questions pertaining to this theme have been discussed this evening. We want to add something regarding this:

- *Many things which are said or sent through falsified reports here on Earth are destroying this planet; through thoughts that are VIBRATING in ADVANCE and acts that are the results of this.*

The people are gullible in what they say and do! Our requests to you:

- *Pay attention to what you are sending in thoughts or words! These thoughts and words will return to this planet. Pay attention to this! You can achieve a lot through this.*

Consider what you have learnt here up to now about what makes up the soul, humanity and the contact between individual souls.

- *Pay attention and appreciate every soul!*

Only through your very own divine LOVE you can find the way to the Kingdom of Heaven. We are with you with divine LOVE and we are looking forward to our next meeting. GREETINGS IN THE NAME OF GOD! –

ARON and the TEAM.

Saying good-bye and expressing their appreciation was followed by a short meditation to close the chakras.

Words of the LIGHT MESSENGER WHITE EAGLE:

If you are suffering from distress and unpleasant circumstances, then – instead of entertain and cultivate them – *replace them* with a perfect divine thought. We are aware that we announce a perfect GOSPEL, but we also know how human beings *get stuck* in their errors and confusion if they *cannot* realise this gospel.
