Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I will be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

The meeting began with an opening meditation and a materialisation exercise. This was followed by the inspirational and automatic writing part of the meeting.

Welcoming all present and starting the questioning.

EUPHENIUS: GREETINGS IN THE NAME OF GOD and PEACE ACROSS ALL FRONTIERS!

This is EUPHENIUS speaking. We are happy to be able to work with you again. We are a large gathering today, because there are a lot of souls present here that want to attend the event that takes place in this room and observe the kind of CONNECTION used here. You would probably be shocked if you could see the size of this CIRCLE. Imagine the largest stadium on Earth, occupied to the last seat, yes, there are even ENTITIES standing around the periphery - and you sit right in the middle at a small table, surrounded by a WALL of LIGHT, which protects you and gives you ENERGY. It is difficult to explain, because it isn't really a stadium. But I believe that this comparison suits best. Please ask your questions now.

Question : Since the 7th of May 2001, little Peggy K. from Lichtenberg, in Oberfranken, Germany, has been the subject of a desperate search. When reading the article in the paper and when looking at the picture of this small child, one finds it deplorable that one cannot intervene with the help of the *positive* WORLD of SPIRITS. One would not only bring GOD'S WORLD of SPIRITS closer to man, but one would also be able to save many lives. Aren't you of the same opinion?

EUPHENIUS: The unfortunate fact my dear friend is that especially the work performed here, namely contact with us, spiritual ENTITIES, is *not acknowledged, not accepted* and also *not desired* by many people. Even you have to expect external antagonism because of what you do here in your meetings of an evening. You will often encounter a shaking of the head or rejection. Contact with the spiritual realm, be it in a healing capacity or what you mentioned for instance, would surely be very helpful. But these contacts are presently not regarded as true and not as an existing alternative here where you are, let alone perceived and officially recognised as a potential opportunity by the sciences and by political powers.

- *We are in a step by step process of handing our abilities to souls that are ready to allow these POWERS to act in a positive way, be it by way of a healer or through special healing methods, something that finds renewed acceptance on planet Earth and something that is being incorporated into your everyday happenings.*

Many people recognise that the old, mystical traditions contain TRUTHS that are certainly in a position to maintain their standing and their importance even in your advanced and highly technological decade. Just be aware that we are about to undertake an enormous step forward and remember that we only just made the first small step.

Objection :If there *were* working circles that would have specialised in child abductions for instance and would have successfully solved such cases, the last doubter would surely *have to* accept the existence of a superior WORLD of SPIRITS, whether he would want to or not.

EUPHENIUS: This type of work cannot be professionally executed here on Earth at this point in time, because it *surmises* that ENTITIES on *our* SIDE are willing to cooperate in this field.

- *Our present education serves to purpose of revealing hints and opportunities in regards to the spiritual realm. This entails the first step in the knowledge that a spiritual realm exists and that there is more than what you are told and what is convey to you on behalf of the Church and religion. Beyond that, one isn't really sure to what degree certain karmic circumstances are interfered with.*

Many spiritual circles take on the assignment of leading lost souls across to the spiritual realm. This is one line of work performed here on Earth that is regarded a highly rated exercise *by the spiritual realm*. Many earthbound souls that wander about aimlessly need to be transferred into the spiritual realm. Only a few, highly psychic mediums have declared their willingness to engage in something like that. Remember that the DARK FORCES have a great interest in actions like the disappearance of a child or any other person for that matter. These events are *always* in connection with dark ENERGIES.

Comment :It would constitute great evidence and it would strengthen the position of spiritualists if such criminal cases could be solved *in this way*.

EUPHENIUS: One must take great care that something like that is not exposed to the sensationalism of the press, because it would surely *suppress* the *original essence* of it all, namely the psychic abilities of the medium. Experiments have taken place in the past, they failed miserably. The human mediums then pulled out, because they could no longer deal with the pressure and the arguments.

Objection :You said that one wasn't too sure just how much one would interfere with karmic connections. Couldn't our spiritual FRIENDS clarify this and psychically transmit *why* one *cannot* help in such a case?

EUPHENIUS: These circles naturally transmit messages and tips that are incomprehensible to many people and that cannot be understood by parents and relatives for instance. How could such souls understand concepts like "karma", "stipulated prophecy" and "destiny"? They do not possess the basic spiritual foundation to gain an insight into what their destiny holds within their family circle.

Comment :It would have to be the duty of circle members to explain this to them.

EUPHENIUS: This presupposes that the psychic souls that lead these circles possess *very strong* personalities to be able to deal with external hostilities. Because the psychic circle in question would be publicly exposed and bombarded and beleaguered by the mass media, like the press and television. It would even get to a point where they would be forced to undergo scientific scrutiny and analyses. Your souls would not be able to deal with this.

Objection : Well, one could refuse! Our circle has also received offers from television stations. We rejected the idea right from the start, because we are well aware how other psychic circles were dealt with in the past and the way some of the context of the program was edited before it was broadcast later on.

EUPHENIUS: The problem you mentioned would be related to a publicity stunt that would reach a dimension you could no longer keep track of. The disappearance of a child in your world always brings with it one of the greatest trials and ordeals for all involved. If human mediums would then declare themselves ready to help and with the help of their spirit GUIDES and spirit FRIENDS received the opportunity to find this child, they would no longer be able to live a normal, human existence here on Earth, here on your planet. They would be mauled by scientist, politicians and all those hoping to gain profit and power from the situation.

Question : Wouldn't it be better to put up with some personal unpleasantness in spite of this, then to sit on one's hands? - A number of researchers into tape recorder voices have tried to find out where the little girl is. But all the answers from the spiritual realm differed greatly.

EUPHENIUS: It would have been of a different quality, if the voices recorded on tape had not been so varied and if there had been some concurring results. You can see how difficult it is to make contact with spirit entities by recording voices on tape, but also through human mediums, in order to receive elements of truth of *such* a nature. The reason for this is that the motivation and the inner preparedness to do this reveal *different* levels. Mediums *with the assignment* to do something like that need special protection. I don't mean PROTECTION from making contact with us, your spiritual FRIENDS, but enormous PROTECTION *from your fellow man*, those dealing with these human mediums. These mediums would be segregated from your own human race and it would come to pass that these human mediums would no longer live amongst you, but live separate lives in laboratories.

Comment : I believe that ten different psychic work circles, similar to ours, would receive ten different answers. And besides, not every circle has positive contact with the other side.

EUPHENIUS: No, it has to do with the fact that we, your spirit FRIENDS, do grant you spiritual PROTECTION, but that *we do not answer these types of questions*, because we can *see* the danger that you would be isolated and removed from your natural environment and used as guinea pigs.

Objection :Every human being exposed to public scrutiny, in its own way gains his own prominence in society and then has to deal with the publicity circus as best as he can.

EUPHENIUS: A psychic, human soul would no longer have the opportunity to pursue its assignation here on Earth. It would be divorced from all the things it needs to pursue its learning process here. What would happen my dear friend if you were able to develop into a medium in a position to make such eminent CONTACT that information about the imminent changes on Earth and all the other things on the agenda for the next decade would be forthcoming? How would you deal with this information? What would happen if you would reveal this information? How would the press and other mass media assimilate this? - Well, I will tell you: *You would no longer live here in this place and you would no longer live amongst your peers, you would be incarcerated in completely different elements, where you, as a human being, could no longer exist.*

Question :But who is going to continue to research if all of this is impossible?

EUPHENIUS: You stand at the beginning in your research to set milestones for the things the future will bring. The work your circle and many other circles perform will become the platform capable of supporting future information and necessary ASSIGNMENTS. You will live to see that next to the sciences, other people will also be prepared to acknowledge that you are subject to a powerful FORCE, a benevolent, positive STREAM of ENERGY. All of you here are presently the cornerstones of a freshly laid foundation.

Important is that you realise that *not everything* can flow across from our side, the spiritual realm, in order to avert sources of dangers, illnesses and all the other negative things you're exposed to here. We are only allowed to deal with our ASSIGNMENTS here in a restricted form and minor way, this includes contact with souls that are willing to serve as channels, be it in the form of voices on tape or as human mediums and souls that ask for the challenge of doing so. Remember that the SANTINER also do not have the contingency to avert *everything* that you experience in regards to natural catastrophes or anything else you still intend to do in your state of inner self-mutilation.

We hope that you receive the required insights, necessary to propel your development to a stage where you will be prepared to experience the new consciousness in the required form and the way you, as human souls, are entitled to.

We will now close this meeting.

The souls that were present here today in order to enrich this circle and in order to enlighten this island, salute you. There are souls amongst them that have accompanied you before and that will also accompany you in the spiritual realm. These souls are presently undergoing their own training or their assignment is to guide earthbound, lost souls into the LIGHT.

There are a great number of ENTITIES here that also instruct circles and they are here to become acquainted with the working methods of this circle. We thank all souls who helped in making this evening a luminous experience and we thank you for being prepared to make this possible for us. We thank you for your interesting questions and for all the many interesting comments you've made.

We are a circle of a minute unity and we are allowed to remain here in a divine CAPACITY, with the ASSIGNMENT of accompanying you for part of your journey. We thank the CREATOR for allowing us to do this with you here and now. We bring this meeting to a close in the NAME of GOD and we wish you a lot of LIGHT and harmony for the next few days.

EUPHENIUS and the TEAM.

Participant : We thank you for your explanations and we are looking forward to the next time.

Expression of thanks and good-byes. To close the chakras, a short closing meditation followed.

Words from WHITE EAGLE:

Man must live his existence in complete spiritual consciousness, because he is spirit clothed in physical form and this form is anchored in the spirit. This is why the externally expressed existence of man is the result of the spiritual substance within; or to put it in other words, to what degree he allows the pure, ideal and divine existence and the LIGHT of the CREATOR *the opportunity to shine through* his own life and body.
