Words of introduction:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I'll be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – Our destination is it to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our mission on earth will be justified. We cannot reach this destination under our own steam without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Words from WHITE EAGLE:

By giving everyone in your life your love, by overcoming all critical thoughts and all unkind acts, you will be blessed with the golden abundance of the SPIRIT OF CHRIST. He is magical ENERGY, creator of beauty and inspiration for all the wonderful things, which serve as a blessing for everyone. The SON OF GOD is the LIGHT OF CHRIST *in you*. Ask for your LIGHT to become brighter. It is the redemption of mankind.

The meeting started with an initial meditation and an exercise in materialisation, under the management of the TEACHER of LIGHT, MAGDALENA. After this, the *inspirational* part of the meeting with the MESSENGER of LIGHT EUPHENIUS, followed.

Participant: GREETINGS IN THE NAME OF GOD! A heartfelt welcome to our Christmas meeting, dear spiritual FRIENDS. The old year is drawing to a close. It was a successful year because many people could profit spiritually by our psychic work. We hope to be able to optimise our work with you further and also to be able to

advance our own development in the New Year. Cordial greetings to Hildegard S. and Bruno S. who have supported us very much, as always.

EUPHENIUS: GREETINGS IN THE NAME OF GOD and PEACE CROSS ALL FRONTIERS! EUPHENIUS is speaking here. We also welcome you to this meeting which is accompanied by special VIBRATIONS, which the end of every year brings with it. We are surrounded by souls, which have accompanied your circle through the year. There are GUESTS present here today, who will make contact through this medium. These are souls, which have come to you especially, to give advice and help.

The year was conspicuous by its many VIBRATIONS which both concerned your planet and which also caused you personally a spiritual shock. It was a *year of setting indicators* and of *gaining awareness*. Many human souls find it hard to cope with the heightened FREQUENCY VIBRATIONS, which are presently prevailing on your planet. Many are *unbalanced* and *aggressive*. Not only nature defends itself; your soul also needs a time of adaptation and to make use of the LIGHT and LOVE, which every single one of you can send. We know that this year was of special importance for everyone here at the table and caused spiritual scars, which will be difficult to heal. We know that you have carried out your work for everybody, ACCORDING TO GOD and we are grateful for this.

The two human souls mentioned by you, who help you and support you in your work, are accompanied by BEINGS, which support both of them at this work and also their progress on the divine path. Both are people FULL of LIGHT who have recognised that this task, this work, is important for all of mankind and for the world. Hard times, which will have to be conquered yet, lie ahead for this world. These two human souls are firm pillars in what is important for the distribution in respect to the divine. We say hello to both of them with LOVE, we are with them and protect and escort them. We now start with the writing, LUKAS is waiting.

Under the management of the TEACHER of the LIGHT, LUKAS, the *automatic writing* part of the meeting started

LUKAS : GREETINGS IN THE NAME OF GOD! LUKAS is writing here. We welcome you very cordially to this circle FULL of LIGHT and are pleased about the exceptional number of ENTITIES FULL of LIGHT who are present here tonight to observe and support this contact with you.

At the end of this year, we would like to inform you that much of what was actually planned for the year ending, had to be moved because of global changes with you or to be more precise, in the political arena. From the point of view of time, it wouldn't have been appropriate and wouldn't have positively supported the tense situation on the Earth. On the contrary - fear and aggression would have increased disproportionately and therefore the delay. Please don't speculate further about this. Those of you who knew about it will also know *why*. Everything happens if the time for it is ripe.

We would like to inform our friend here, (a participant of the meeting) that his father is present today. Your father *insisted* on seeing his son, even though we had reported to him which kind of work you are doing here. He simply didn't want to believe it and wanted to see it with his own eyes. He is now convinced and very relieved and glad to be able to definitely leave the Earth now and to be able to take part in advanced TRAINING. You must imagine the waking up of your father after his deep sleep, as an enormous experience for him: To be free of pain and to having the agility of a young man. Your father now shows an outer phenotype of about 40 years ago, - rather even a little younger. After waking up, he jumped around here because he didn't want to believe it. We had to work very

hard to convince him that it is *not a dream*. But only this evening here will now erase every doubt for him forever.

It suffices that you think of him, he is then immediately connected to you and receives your thoughts. Perhaps it is possible for you to receive from *him* one thought or another. You had already reached a certain level of psychic ability before you terminated your education at your own request. Maybe this psychic level suffices to receive the thoughts of your father, beyond all doubt. Practice this once! Go within yourself in silence.

Your father's wishes for you are, that for your life on earth from now on, you concentrate on looking *for the ESSENTIAL*. He himself is very sorry that he had so little believe in these things. After the completion of his TRAINING, he would like to start a great act on earth and build up the same kind of TEAM you have here with your acquaintances, with friends and two of his relatives who already live here with us. This is his aim! And because he is very assiduous and grateful for everything he was allowed to learn, we don't see any problem at all why he couldn't accomplish his aim. He will make it!

Participant : Many thanks for that my father was allowed to be here. Surprising for me is the turn about in his thinking because he had a completely different attitude to life.

LUKAS : *Most people* on earth have this problem. During their lifetime, they believed the leaders of the Church and science and other role models in the life of physical matter. It is therefore our wish that *more and more* people deal with the ESSENTIAL, without neglecting the daily tasks in the physical. This is your task on earth!

(Thoughtful silence in the circle.)

LUKAS : Where are the questions ? It is very quiet here!

Question : What will the next year bring for us? What will personally come towards every single one of us?

LUKAS : No, we will say nothing to this. You would anticipate the arrival of the preview like a rabbit mesmerised by a snake and would be almost incapable of moving intellectually. However, this doesn't mean that it's going to be this bad for you. This kind of prediction is forbidden for us to make! Under no circumstances may we intrude into your decision making, which should be carried out freely, and we would do so, if not directly then certainly indirectly, if we say something to this. Apart from this, a secure prediction is not at all possible, because of your free will. Take for instance the various present preparations, which could easily lead to a war - but doesn't have to. As mentioned already, this depends on your free will and this is incalculable. *The human race is impossible to predict!* Even for us. We can assume the probabilities of what is going to happen, but an absolute guarantee cannot be given -, not even GOD can do so! You are free entities. Is this clear?

Remark : I was thinking more about health.

LUKAS : We know what you had in your back of your mind. Should we inform you for example, that you will suffer a fatal accident in March next year? What would happen then, in your opinion? How would your family react to it? How would *you* react to it? - We will tell you: You would be completely paralysed in your freedom of action and therefore something like that is never predicated by us.

(TB: The feeling is bad.)

You could ask the same question about your day of death. Even now, because we used this example, the month of March will remain in your thoughts and you will be glad when this date has past. This shall be a small lesson for you so that you learn to listen *to your feelings* better.

Medium: It was transmitted to me during a meditation, that for everybody here, another soul is present here. Could you relay the message, which *is meant for me*?

LUKAS : This will happen in the verbal part, which EUPHENIUS will conduct now. We will only call again in writing, if EUPHENIUS himself wouldn't like to give this message to you.

: We like to think that we could give you a variety of new thoughts on the way and wish you GOD'S BLESSING for the coming days.
GREETINGS IN THE NAME OF GOD!

LUKAS

Under the leadership of the MESSENGER of LIGHT EUPHENIUS, the 2nd part of the *inspirational* meeting began.

EUPHENIUS : GREETINGS IN THE NAME OF GOD! EUPHENIUS is speaking here. For the special occasion of this meeting and as a present from us to you, souls are present here today, which would like to say something to every single one of you through this medium. These are souls, which are closely associated with you and which have found a place in your hearts.

For you, my friend, (the medium) your mother is present who still accompanies you very frequently in your earthly life, supporting and guiding you. She would like to encourage you that you look after yourself and that you realise, that people can only be recognized through the heart and through the divine SPARK. Take care that you are not deceived by external and by material conditions. Express your divine LOVE, which you have a lot of within you, to the outside and enrich people with your GIFT, fascinating them for this topic and point them in the divine direction. Your mother's wishes for you are, that you can complete all the work you set out to do during your earthly life and that you manage to go your way. Your mother knows that you frequently have problems when other people don't recognise what kind of a GIFT and a TREASURE they carry within themselves. Don't despair, but send LOVE, respect and dignity to these people so that they can recognize these LIGHTS they carry within themselves. You have the GIFT to switch on these LIGHTS and to pass on the LIGHT OF GOD to other human souls. Your mother wishes for you, that you pass on the faith you have very much defined within you and that you gain, during your time on earth, a lot of knowledge for yourself and also in the work you perform here.

Participant : I thank you very cordially!

EUPHENIUS : *For you, dear lady friend (participant of meeting), your father and your grandmother are present tonight. Both souls are connected to you intimately and send their LOVE to you and wrap you in LIGHT and PROTECTION. They would like to encourage you to recognize that you must let go of your inner armour, as it is not necessary for you to protect yourself further in such a manner. Your PROTECTION is ensured by your divine LOVE, which you carry*

within yourself and which you emanate to the outside, to mankind. Try to forget about thinking in black and white only and set off on a new path so that you recognize that life is colourful and FULL of LIGHT. Your father and your grandmother know that you had to process many injuries to your soul and they also know that you are strong enough to be able to manage these visitations of fate. Go on your way, to take the LOVE OF GOD further, so that your psychic ability can also make progress. Your father and your grandmother wrap you in LOVE and are frequent with you, to comfort and support you. They know that you don't give up on yourself and that you receive great support from your husband. They send you all that LOVE which you haven't received here on earth in full measure and hope that you feel this WARMTH and this LOVE.

Participant : Many thanks.

EUPHENIUS : *For you, dear friend (participant of meeting),* the soul of your father is present. LUKAS had already written this for you as a communication. The soul of your father is still a little uncertain and confused that you are aware of such work here in the divine context and is astonished that you are ready to leave your narrow-mindedness behind you and to do something like this in the divine sense. *He never suspected that you are a servant of GOD who tries to realize the divine RULES, day by day.* Your father is glad and relieved to see that you have succeeded in finding this important path, the way to GOD, for you. He is here this evening in LOVE and gratitude to tell you how happy and how pleased he is inside, to be able to participate this evening. Your father wishes for you that you might recognize that the human intellect shouldn't always have the upper hand, but that you should listen to what *the heart and your inner feeling tell you.* He can see that you often let your intellect lead you and by doing so, you often start to hesitate. *Put more trusts in your INNER VOICE,* the divine within you. You are a person who is easily hurt. Look after yourself and pay attention to your health. Take care that you keep your ENERGIES for yourself and that you try to use these ENERGIES *positively.* Your father has recognized that you are at the beginning of your psychic abilities. Think about whether you wouldn't like to start on this path over again. Your father greets you with LOVE and he wishes all souls here at the table a Merry Christmas.

Participant : We cordially return the greetings and convey our thanks, that it was possible for him to announce himself here so soon after his transition.

EUPHENIUS : *For you, dear lady friend (inspirational medium),* the soul of your grandfather is present. Your grandfather is frequently here and accompanies these meetings. He also greets everyone here at the table. The soul of your grandfather has already made progress in its TRAINING and it will soon take on tasks, which serve to accompany ENTITIES, which are on the way to the spirit realm. He is connected with LOVE with every single one here and wishes that each of you may succeed in carrying the LOVE and the LIGHT OF GOD to the outside. All of you are interwoven and connected with each other. This soul wishes you a feast of LOVE and harmony.

Participant : In the name of our inspirational medium, we thank you cordially.

TAI SHIIN : GREETINGS IN THE NAME OF GOD, dear people of the stars, I also would like to address some words to your circle here and also to those people who are connected to us across a bridge made of thoughts and of divine LOVE. Hard times of crisis lie ahead for your planet! There are negative elements at the work, which try to win the upper hand on Earth. Your LOVE and your LIGHT serve to confront this and to take up the fight against the DARKNESS. We support the WORLD OF LIGHT in the divine meaning of the word and try everything to turn

away the dangers from your planet. *We are however, dependent on your help and on your support.* We know that the DARKNESS is a frightening ENERGY for you. We know that your hearts are afraid of what will come. Be assured, *we are here and we will never leave you.* We hope that we manage, with your help, to prevent the upcoming scenario so that no more human souls will have to suffer on this Earth. We greet you with LOVE.
TAI SHIIN and all SANTINER.

Participant : We thank you for your words, my friend!

SETHAN : GREETINGS IN THE NAME OF GOD! SETHAN speaks here. As a new COMPANION of this group, I am pleased to be allowed to speak the final words to you. In the New Year, we will conduct the meetings here together. It is important to me that you recognize that you have taken another step in the direction towards divinity. We know that a path littered *with stones* lies behind you. But now a path littered *with mountains* lies in front of you! We will lead and escort you so you can conquer this also. The TEAM and EUPHENIUS are the ENTITIES, which will continue to prepare and arrange the meetings in the evenings. – My friend (participant of meeting), a question to you: In connection with this, what change would you like to make *on yourself*, so that you can continue on your way in the FULLNESS of LIGHT?

Participant : The question comes as a surprise for me. I would like to think about it.

SETHAN : We would like to ask, that *everybody* internalises this question and goes within themselves, to check, how what happening to you in your daily interactions with each other in the physical, can be converted in a divine sense, so that the divine framework is improved and safeguarded for you.

Participant : This is a broad spectrum, which you mention here. As you approached me directly, can you give me some indications for the delimitation?

SETHAN : It concerns all of you! It is all about checking yourself personally, to see whether there is something one can name as *a target for the next year*, something that every single one of you would like to change or put aside. *It is important for me that you start reflecting!* It isn't only at these meeting of an evening, that we accompany you. Our CHAPERONAGE *also* takes place throughout your day. You should all make yourselves aware of what is important for you and what is not and which divine LAWS you want to reinforce and that you *recognize* the things over which you stumble daily. Your fears about life for example, are only then taken away, if you *have a good look* at these fears and *confront* these fears. It is of no use to absorb these fears instinctively through the emotional body because *physical illnesses* are then the *immediate result*. Try to *analyse these fears up front* and try to explain them to yourself to see whether these fears about life are real or only exist in your imagination.

Participant : By and large, it is the old points, which were mentioned by you again and again?

SETHAN : Yes, these points have accompanied you over a certain period of time. It is good that you recognize this for yourself. *Read these points again!* You have again the opportunity, to analyse everything by questioning it more closely. We will try to give you an answer to this. It is important to us:

- that you don't externally express your soul only at the meetings, *but always!*
- that you recognize that it is important *to protect* your own soul and to see how you can *enrich* your soul through other PLANES.

To close the meeting, we would like to ask you to consider, whether you want to ask other human souls to join you here around the table for the next meeting, to meditate together to heal this earth and to avert what lies ahead, due to the preparations of war and other events. We would support this framework with many souls from our SIDE and carry your LIGHT to those planes, where the DARKNESS has consolidated. We would be pleased, if this would take place, as it would then give a possibility of an exchange. You should invite human souls who have *similar* feelings and sentiments as you have, who *know* about the spiritual and can *support* you in your thought and HEALING ENERGIES, which you can send out during the meeting. Afterwards, either EUPHENIUS or myself will call. Please, discuss this after tonight's meeting. You have an opportunity of an exchange. Expanding this circle is only meant for just one evening to increase the ENERGY of VIBRATION. It is an opportunity to send LIGHT in a concentrated form. We will also bring along more LIGHT ENTITIES from our LEVEL to this meeting so that a potent ENERGY full of light can stream.

We wish you, for what the new year has in store for you, a lot of ENERGY and LOVE. May you be wrapped up in the divine BEAM of LIGHT, which exists here. Open your hearts so that you can become *clairvoyant*. You can see with *the heart*, as your third eye isn't functioning yet. Your HEART is your "eye" and your feelings are your divine SPARK, which can support you in this. These two are the two ELEMENTS, which are connected to the divine ENERGIES and they supply you with whatever LIGHT and ENERGIES flow between us. We hope that you manage to become aware through this "eye", that divinity is present in *every-one*. We close this meeting in the LOVE OF GOD and in the thoughts of those, who protect and escort this circle.

SETHAN

Giving thanks and saying goodbye to the group. After closing the chakras, there follows a short meditation.

Words of WHITE EAGLE:

It is your task to live your life in the service of GOD and mankind. You are a child on the side of goodness, a child of GOD, therefore live for GOD. You are a part of LOVE. The SON OF GOD has revealed this truth to all people, all nations, at all times.

Meditation evening

December 29th, 2002

At the beginning of the meditation a message was read from the "Menetekel", the record of all protocols of the "Medialen Friedenskreis, Berlin" (Psychic Circle of Peace, Berlin):

Well, the world is in a great crisis, which can be likened to a great darkness. However, consider that the GREAT LIGHT will follow this darkness. For some of you it may take too long, because impatience is one of man's fault. This fault must also be purified.

Many are the numbers who thinks that ungodliness is making progress. However, I tell you that you don't have a basis for such an anxiety. The universe is ruled by GOD and HIS ARMY and under no circumstances by HIS adversary!

The great CELEBRATION of LIGHT has a corresponding meaning in the empire of GOD as well. The spiritual SUN penetrates the whole universe and everywhere, where DARKNESS reigns, GOD performs miracles.

Certainly, the earth's humanity experiences its darkest hour. But what does it really matter, this certainty that GOD knows of this night? GOD will not let this condition continue eternally. Therefore switch on the LIGHTS in your hearts so that they brighten up the night so that the CREATOR can see that you long for the SUN!

Christmas is no business transaction but a celebration of the infinite LOVE of GOD. Under the influence of his adversary, people have made this great CELEBRATION of LIGHT of the divine consecration, into a business pandemonium.

The great giving of presents to Earth's humanity happens through GOD the LORD, through HIS REVELATIONS!

In spite of all negative resistances, mankind will come to the realisation that life isn't limited by time but only serves the physical for a period of time. The universe is so marvellous and great, that it is at the disposal of every soul – not only on one star but every soul will run consciously through all these levels, if the SPIRIT of GOD within human beings finally wakes up and is recognized.

Peace in the universe is the most sacred LAW. Many ANGELS do their best to realise this LAW on Earth. GOD continuously tries to free his children from the claws of the fallen spirits. ITS spiritual HELPERS stretch their hands out to you, so that you can be pulled up.

Have trust in the GREAT SPIRIT who created the universe - and who has given you life. GOD wishes to have intimate contact with all people of this Earth. Therefore GOD has made this contact become reality through JESUS CHRIST.

PEACE ACROSS ALL FRONTIERS!

PEACE IN THE WHOLE UNIVERSE!

GREETINGS from GOD and GOD'S BLESSING for this Earth!

Amen

After a meditation of about 20 minutes for the Earth and its residents, the messenger of light EUPHENIUS reported as expected:

Participant : GREETINGS IN THE NAME OF GOD! Welcome, dear spiritual FRIENDS in our reduced circle. We hope that many people have tied themselves into our meditation and we affected something with our combined POWERS. We also hope for excellent cooperation with you for the coming year. Please report back to us.

EUPHENIUS : GREETINGS TO GOD AND PEACE ACROSS ALL FRONTIERS! EUPHENIUS is speaking here. We also welcome you in divine LOVE and in humility. You are embedded in a gigantic CLOUD of LIGHT which has been channelled by many souls over your circle and to the ANGELIC BEINGS, which pass these ENERGIES on to areas where they are most needed. There are many souls who have created a BRIDGE to you. There is a lot of LOVE, LIGHT and WARMTH available in the divine NAME so that you are wrapped up here in divine LIGHT for the last meeting of this year. It is a beautiful conclusion for this year and nice to see that so many souls have proclaimed themselves ready, to do this meditation together with you. We hope that this ENERGY finds its way to effect positive and things FULL of LIGHT around you and that we succeed, together with the SANTINER, to keep peace on Earth and help people so that they don't feel need or fall pray to illness and fears.

We will continue with our topic next year, which will come to an end under my leadership. SETHAN is also present and will discuss further steps with you during the next meeting.

We hope that your heart and your LOVE of each other and your LOVE for GOD will continue to grow through this closure and this tie between us strengthens so that you recognize that *nothing in life is unimportant*, but that you are here on Earth to develop the growth of your soul to maturity.

We wish for you for the coming year, that you might be able to continue further on your way, to radiate LIGHT and divine LOVE. In the NAME of GOD and in the NAME of EVERYONE present here today, we express our gratitude.

Participant : Many thanks for your words. May I ask a question?

EUPHENIUS : Please ask away.

Participant : At the last meeting, no personal message was channelled for our inspirational medium. Would you like to do this now?

EUPHENIUS : We would like to answer through the "medium that writes", because our "medium that speaks" has decided that this shall not be happening through it, but that it should be happening independently between LUKAS and yourself.

Participant : Now, immediately?

EUPHENIUS : We can make it now if you want to.

(In a short time, the preparations for automatic writing were completed.)

LUKAS : GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS!

We want to try to end this year in writing also, in new surroundings. We had not forgotten to convey a personal message for our inspiration medium. We would have done it, but at the end of the meeting, we couldn't reach you anymore. Your internal unrest prevented this.

Now to our dear inspirational medium: You were able to increase your inner attachment to GOD and HIS EMPIRE further, during this year that is now coming to a close. You have also improved in creating the necessary spare time, for you to do so. This must also continue in the New Year because your potential isn't fully exploited. But *we* mustn't push this education, *you alone* are in charge of your own development. You know it yourself, because quite frequently, you could already ascertain that the contact to GOD'S WORLD of LIGHT brought you an inner stability, which has helped you in the heavy work you do daily. We want to do everything from our side in the New Year also, so that you can go along your path- the way you would like to.

Your psychic work has advanced very far. We are very content. Your progress in healing could also be increased further but we aren't sure whether you would like to go along this path further. You *still haven't consciously*, within yourself, decided to go along this path. However, you have the opportunity for this.

We know that you carry out your psychic work here, with an inner empathy indeed. This is important to us so that we can maintain the basic working relationship we need. We will continue to cooperate very well in the New Year and look forward to your cooperation.

We would still like to mention that your *impatience* and sometimes also your *temperament require some dampening*. Try to improve something here! You will receive every help we can give, if you want to have it. You know how you can reach us.

We would like to end this evening now in remembrance of all those, who have made these evenings possible throughout the past year. We greet you all, whether *near and far*, who endeavour to illuminate this dark planet in the NAME of GOD.

GREETINGS TO GOD!

LUKAS
