Protocol extracts from the *Menetekel* of the years 1956 to 1975.

Theme	:	The CREATOR
Questioners	:	Psychic Peace Circle Berlin (MFK)
Type of transmission	:	Verbal inspiration and automatic writing
Mediums	:	Uwe Speer (17) und Monika-Manuela Speer (15)
MESSENGERS of LIGHT:	:	ELIAS, ARGUN, AREDOS

The Medialen Friedenskreis Berlin, a Christian/spiritual community, psychically received the text to this theme between 1956 and 1975. These messages form part of the *Menetekel*, a collection of about 4,000 A4 sized pages of protocols, collected over 20 years, which were recently reorganised. These mediumistic messages are complete and were left in their original quality, even when similar questions were repeated. The work of the two mediums, Monika-Manuela Speer and Uwe Speer, began when they were 15 and respectively 17 years old. The total production of the MFK-Berlin, the *Menetekel* and 21 transmissions from the space brothers are considered the absolute pinnacle of psycho-scientific exploration. Other spiritual circles have tried to copy their work, but its quality was never achieved. The distribution of these recently re-catalogued messages and protocols is *explicitly encouraged* and is not covered by any copyright.

Preface by the editor

The question about the origin of man is mysterious and unknown, in one word: *Occult*. But a lot indicates that man is not just the child of its earthly parents. Even if mankind on Earth produces ever more sophisticated machines, no computer program in all the world will ever be able to answer the question in regards to the origin of man and of GOD. In spite of all past successes, most people feel dissatisfied and ill and they do not realise that they are well on the way of being "informed" to death. But the question about GOD falls by the wayside, because this question *cannot* be answered by all this high and low technology.

The question about GOD and the yearning for GOD are *mental* phenomenon, but the mundanely trained mind *drowns* the gentle signals coming from inside the human soul - and the interest is therefore accordingly. Professor Dr. Walther Hinz, University of Göttingen, made a point when he said: "There is nothing between the atom on one side and the stars that are billions of light years away on the other side that man will not endeavour to investigate. But strange at it may seem: The sciences hesitate to take one more step in order to investigate the world of the invisible, the supernatural."

The following short story comes from China: A pupil asked: "Sir, how can I attain GOD?" The master took him down to the sea and held him under water. He let him go after a short time and asked him: "How did you feel?" The pupil answered: "I was so distraught I thought my time was up." The master answered: "You will attain GOD when your desire for HIM is as deep seated as your craving for air was at that moment."

Every line of the following original transmission purveys the reader a *new edition of the bible*, because they represent words from the SPIRITUAL REALM, exactly the way Moses also received them.

Bad Salzufen, April 1992

1. Something about GOD (Message from the spheres of LIGHT)

Well, the battle between good and evil unfortunately led to a situation where the CONCEPT of GOD has become *doubtful*. Many people are *already ashamed* to utter the word "GOD" in public.

Up to now, nobody has ever managed to furnish evidence that there is *no* CREATOR. At the same time, nobody has ever been able to explain just how CREATION has come about *without* PLANNING. The inconceivable vastness of the universe with its polymorphism in regards to life certainly presents man with an irresolvable enigma, one that shocks him. But that is no reason for doubting the existence of a PLANNER.

GOD is the ingenious CONSCIOUSNESS that controls CREATION!

The Church religions are to blame that the term "GOD" has been discredited. They have *humanised* the majesty of the GREAT PLANNER, not just in regards to image, but also in regards to thoughts and feelings.

There certainly is no Church God, because a Church God is a caricature that one can only smile about. No human being is able to *get even close* when it comes to imagining the majesty of the CREATOR. People are curious and they don't appreciate secrets. But GOD is a mystery and will always remain that for you.

Your sciences do not appreciate this kind of enigma. This is why they *distance* themselves from something that they cannot fathom or explain. This would only harm their standing, because people think that scientists would surely have to know the answers. - But distancing oneself does not constitute evidence that there is *no* GOD!

But the masses constituting mankind on this planet interprets this distancing by the scientist *differently*. They assume that the sciences have *given up* their search for GOD, because they have recognised that they will never find a GOD, therefore HE doesn't exist.

What is even more regrettable is the fact that the Church religions are not able to eliminate this caricature of God. They do not even try to give their congregations a *better* depiction. And what is unfortunate is that they are not even attempting to look for certain evidence that *might* help them in this quest.

There is a *direct connection* to the spiritual realm, namely *spiritualism*. But they are afraid of this connection, because they know that one can also contact the devil through this connection. But those who endeavour to find the TRUTH *faithfully*, regard it *as holy* and proceed carefully will be able to look into the spiritual realm GOD created for the enlightened ones.

What would you say if a car would drive past you and the driver would say to you: "Have a close look, this car has created itself all of its own. It has developed to this stage during the course of thousands of years." - You would assume that you are dealing with a deranged person.

But consider for a moment whether you're not listening to deranged people when they insist that all of creation, from the microcosm to the macrocosm, has developed all by itself!

2. The great prestige (Message from the spheres of LIGHT)

Every human being on Earth has his or her pride. Every citizen protects his or her reputation. There is professional pride and the whole reputation of a people, a nation. Legislation tries to offer this pride protection. This is why there are magistrates and courts of arbitration that deal with man's honour. But he, who is anti social and places himself completely *outside* of human society, can forfeit all of his civil rights in severe cases.

In the eyes of man, GOD has already lost HIS RIGHTS. HE is reviled, disowned and persecuted. What anti-social behaviour can atheism accuse this GOD of, that they consider HIM to be so far *removed* from human society? Which court has condemned HIM to this? HIS NAME is avoided in public. HIS EXISTENCE is regarded at dead.

Well, the Church has HIS adjudicators, but they have *not enough knowledge* to defend HIS VERACITY and LOVE for MAN *effectively*. The guilty are not punished, well, they are not even asked to retract their insults and defamations in the daily newspapers.

What an unjust court of law operates on this Earth!

The sciences fight any attacks against their *prestige* with the courage of a lion. The scientists rely on their academic dignity.

But where is GOD'S prestige?

The CREATOR, who created and also maintains the universe, surely deserves a well deserved claim for the *highest possible* prestige. But because HE does not appear in person, doesn't front up in court nor legally accuses anybody here on Earth, there is no judicial authority that deals with HIS prestige. How can one explain the phenomenon of this mental attitude?

From a logical-philosophical point of view one has to say: Justice is raped by injustice, because GOD represents JUSTICE and the devil represents injustice. And why is this so? Because humankind willingly subjects itself to this perfidious activity!

Someone's honour is a nationally protected affair. The state ought to protect its citizens. There are authorities that take care of that. But what national authority is there to protect GOD'S prestige?

Well, if all authorities fail, man's *sense of justice* should actually kick in. But where are the people who concern themselves with this and due to a sense for justice, raise their voices *on behalf* of GOD and represent HIM? Out of pure convenience one leaves this up to the Churches. But they prefer to look after their *own* position of power, their *own* prestige rather than GOD'S prestige, something they express through pomp and ceremony, but not through HIS rehabilitation, that is to say, through the *acceptance* of HIS divine RIGHTS, the way the citizens of Earth insist on *their* rights.

GOD only ever had *one* advocate on Earth. But they didn't listen to him, the courts condemned him instead and because he dared to defend GOD and his RIGHTS, and he was tortured and nailed to a cross.

That was and is the *true* prestige of GOD in the eyes of the people on Earth!

3. About omnipotence (Message from the spheres of LIGHT)

Well, the religious communities have managed to *falsely* interpret GOD'S omnipotence for many thousands of years. I know that it is difficult to revolt against such dogmas, but the conditions on this planet verify just what *dire consequences* these kinds of **mistakes** can produce.

Believers and atheists alike have a completely erroneous concept of GOD'S omnipotence. It therefore does not surprise us that atheists reject an almighty GOD, because this erroneous concept produces infinite contradictions and this on a daily basis.

A GOD with human traits does not exist!

This nonsense must now finally and energetically be discarded. If the CONCEPT of GOD is *correctly amended*, atheists will *also* accept HIM. One should not dismiss them outright, because *some* of their deliberations are *correct*.

Let's concentrate on the theme at hand. "GOD" is just a word. But the *correct concept* is important. The concept almost everybody on this planet entertains is *radically false*.

- GOD is a NATURE SPIRIT, equipped with the largest CONSCIOUSNESS throughout the whole universe. The spread of these THOUGHT VIBRATIONS includes the *whole* universe.
- GOD is the CENTRAL UNIVERSAL CONSCIOUSNESS, which CREATES, INFORMS and CONTROLS everything.

But not a lot of people are aware of what a NATURE SPIRIT is. There are billions of NATURE SPIRITS - and more. All of them have their important role to play to order to maintain the natural environment. But GOD is the GREATEST amongst them. HE makes the *final* decision in all critical cases. But all of this deals with the great UNIVERSAL CREATION.

To look after the welfare and the preservation of mankind, a *different* ORGANISATION is provided for. It is the SPIRITUAL REALM, animated and inhabited by *human souls*, which looks after the people on Earth. *Contact takes place through the spirit*, which is available to every human being and every otherworldly soul in equal measure.

The Church's interpretation is that GOD is *omnipotent*. They assume this position by saying that CREATION verifies this omnipotence. The word "impossible" does not exist in GOD'S vocabulary, because the attainment of a specific goal depends on time only; it might take eons. GOD is patient and knows no time. But it is incorrect to look at this omnipotence as if every human being on Earth *could make use of it*. In this regards, no prayer will help, no matter how sincere the request might be. Man's free will is a LAW, a sacred TABOO that has *nothing* to do with omnipotence.

Some believers pray until they're absolutely exhausted in order to avert or change some fateful event. - Nothing happens. Even CHRIST, as a human being, had to experience this. It was a bitter pill to swallow for him also. GOD *doesn't* use HIS omnipotence to supply someone with money and esteem. HE *also doesn't* fight and conquer the enemies of a person or a nation!

- The fulfilment of a *personal request* by someone on Earth could take more time than the duration of a human lifetime, even *with* GOD'S help!

Therefore, enough of that nonsense!

Every human being has his *personal* GUARDIAN ANGEL that will do the best he can. But in spite of this, all human beings have to fend for themselves, if they cannot rely on the help of their fellow man or their people.

But everybody has to stand trial for their deeds that arise from their free will!

4. Faith and realisation (Message from the spheres of LIGHT)

You are aware that your earthly existence exhibits many shortcomings and you prefer to consider your environment *to be worse* than admitting your own shortcomings. But the thing that makes you evil is the loss of your ability to believe in something HIGHER.

Everything in regards to your earthly existence is visible, touchable and perceived by your senses: It is part of your mundane world. Everything that lies above this earthly plane is the so-called “supernatural”, something you don’t want to believe in or most of the time cannot believe in. The word faith equates with the word “understand”. Those that *cannot* understand something that lies outside their mundane perception *cannot* give it credence. He is a non-believer.

Therefore know this:

Train your memory, sharpen your senses, *also* deal with HIGHER things and *prepare yourself* to understand THINGS that are completely or partially *removed* from your field of perception in order not to get stuck in deceptive and material concepts in the future, to your own detriment!

- GOD does not ask of anyone to believe in something *unfathomable*, something impossible to understand.
- GOD can be understood *by every human being* and this in a way that removes every possible doubt.

Those amongst you who insist that they *cannot* believe in GOD are *liars*, because *their very existence* proves otherwise. It represents irrefutable evidence that HE does exist, that is to say, that HE created HIGHER things. Everything within the universe has been *created*, it was not conjured up! Never compare GOD with a magician, because that is the greatest mistake you can make and it retards your thought process.

GOD is SPIRIT and SPIRIT represents *indefatigable action*, the way it also acts *within you*. But you *cannot see* nor grasp your spirit. Notwithstanding this, a “dead” person can think and feel *more*, because his spirit is *outside* of his body, where it continues to be sedulous active.

Understand your own mind, your own inner EGO, you will then finally believe in yourself and beyond that, in the CREATOR.

General idleness and a comfortable lifestyle are to blame these days for your lack of interest in anything HIGHER. Selfishness and earthly pleasures combined with demonic powers prevent higher KNOWLEDGE. Most people have an aversion to higher KNOWLEDGE and *simply do not want it*, because knowledge brings *self-knowledge* into play!

You have the greatest fear of this ‘getting-to-know-yourself’ - and this is why you deny GOD’S existence!

You are well aware that you cannot escape HIGHER things, no matter how much you fear them and ignore them. During their hour of death, *all* human being becomes aware that they were *cowards here on Earth*, because they didn't care enough about the TRUTH. Because:

Life represents a mistake and death brings with it the TRUTH.

This expression is perfectly correct, because it originates from an adept. Your life *is a mistake*, because you do not *want* to believe or understand. - But once you are dead, you understand this mistake and the TRUTH becomes you own experience, namely that you *continue to exist on a conscious level* and this outside of the body. - And this will make you understand that the CREATOR, who called all there is into being, exists.

5. The adoration of GOD (Message from the spheres of LIGHT)

This unimaginably, eminent PERSON that is GOD naturally demands great reverence. One tries to do justice to this demand here *and* in the hereafter. The souls in the hereafter find themselves a lot *closer* to GOD and their way of reverence *differs greatly* from yours. GOD *seems* a lot further away for you here on Earth, unless HIS EXISTENCE is completely denied. On Earth, that is to say, in your secular world, there is therefore a *completely different way* of REVERING GOD.

It now depends just which one of these reverences is the right one.

I am going to tell you something about this.

Almost all souls that enter the spiritual realm bring *the kind of reverence with them* that they expressed on Earth. But they can do very little with this reverence in the SPIRITUAL REALM. They will not make any progress until they discard these customs and begin to love and revere GOD *completely anew*. This explanation shows you quite clearly that that there is something wrong with the religions on this Earth.

- Religion does *not* mean faith, but reverence *based* on faith.
- GOD does not demand sanctimony, HE finds it detestable.
- HE request *normal* behaviour from everybody, no matter where they are. -

But what is *normal* in this case?

- *But because GOD created people as human beings, only what is **humane** can be normal!*

Man is *not* a superhuman being. He therefore does not have the right *to behave* like a superhuman being or inhumane. People deviate far from these commandments already in their daily lives. They deviate even further when they want to be pious or adopt a Church religion.

For thousands of years priests have conceived a kind of *theatrical performance*. Church and religions traditions adhere to these performances with an iron fist, believing that they provide a service to people, so that they experience a kind of ecstasy. I can tell you that this behaviourism *does not* encourage redemption, nor will it advance you one step along a divine ORIENTATION. GOD is your, is all our FATHER, HE can therefore only be addressed like a FATHER. HE can only be revered and respected as a UNIVERSAL FATHER.

What would a father on Earth think of his children if they would give him a theatrical performance the way it is common place in Churches? He would form the opinion that all his children have sudden *gone crazy*. When we observe you from the hereafter, the opinion we form is not far from that. But *we are tolerant*, because we once also participated in the same cult.

What should take place in Church?

Naturally nothing that differs greatly from that takes place here in the LORD'S REALM! This includes beauty, perfection, purity and harmony. *Everything else is superfluous*. Constant repetition without change or without progressive alterations alone is evil. Your Churches and Temples operate according to the same plan and this all the time. Everything always runs according to old precepts. The believer is being bored. He finds all of it a little nonsensical. But out of respect, he doesn't dare revolt against it. The *more normal* you would behave as *human beings*, the more progress GOD would see you make. But irreversible traditions and theatrics will not help one human soul to enter the paradise of harmony.

The REVERENCE of GOD is an AFFAIR of the HEART and it hardly needs external protestations!

6. The denial of GOD (Message from the spheres of LIGHT)

The ALMIGHTY GOD does *not* betray you or lie to you! You live in a world of reality and irrefutable actualities. - The CREATOR fashioned a world for you that does not represent a sham or a deception! You harvest fruit and the LORD allows the most beautiful flowers to grow. How glorious is the beauty of your world. You are well aware that the greatest paradises are here on Earth, *but* you turn these paradises into *places of misery* and of fear! You deceive one another and you lie whenever you can. As if this was not enough, you deny your heritage and refuse to acknowledge your FATHER, a FATHER you can be *proud* of!

What child is *not* proud of a father who is a master of all things and who can create enormous wealth? The heavenly FATHER is your ORIGINATOR, your CREATOR, who first created your soul and then your physical body. Why do you deny the existence of a FATHER who created the cosmos, a so-called universe? To whom do you want to bear reference to? Verify your origin? Do you have any reasons that give you the right to judge your ORIGINATOR so *disrespectfully* and so *maleficent*, that you profess to not even know HIM?

GOD has *never betrayed* or *abandoned* you, HIS children. What do you think your existence would be like if GOD would abandon and betray you? If HE would pretend not to know you? If HE would disown you the way you disown HIM? - Oh, you cannot imagine what would happen if this was the case. But GOD represents the purest LOVE and eternal LOVE and as it is eternal, GOD cannot disown you and HE will never do so. But HE would like to experience a situation one day, where HE could be proud of HIS children, the way a father is proud of his children, if they give him reasons to be pleased in every aspect and if they have turned out fine.

You don't even take the trouble of *thinking about it*. You have *lulled* your conscience *to sleep*, anaesthetised by your material, egotistical attitude. You think you don't know GOD, because you cannot see HIM face to face. If an orphan has never seen his father, there would be a reason for saying that: "No father has sired me, I have come to this world *of my own accord*, by *sheer coincidence* or a *whimsy*."

One does not always have to see everything that exists. - There exist such an enormous number of things in the universe you cannot see, the sciences discover something new every day.

- You want to "discover" GOD, but GOD *is not* there to be discovered, because GOD is *omnipresent* and *reveals himself* in all the things in your life, starting from the breath you take to the greatest stars and suns you can only see through a telescope.

Through your erroneous view of life and through your ungodly behaviour you have brought yourself into an unprecedented position, which worries you these days and makes you experience endless terror. You do not reflect on the fact that only your true FATHER can help you in this situation, HE has your life in HIS hands, HE has given you life - and HE can also *take* it away from you and no scientist or doctor would be in a position to prevent this.

But GOD is MERCY and LOVE and this is why HE does not pretend that HE does not know his children. On the contrary - GOD does not lie to you or betray you, but HE sends HIS HELP *the moment you experience your greatest despair*. HE will show you and confirm to you that you have a FATHER you can be proud of!

7. About ungodliness (Message from the spheres of LIGHT)

Well, theology has *never been able* to *unite* the people on Earth in regards to *religion*. Atheism has always had a powerful influence at all times. But nowadays, atheism is an important part of *world politics*.

Religion should actually be completely barred from world politics, but that is *not* the case, atheism is in fact a very important factor when it comes to making nations *amenable* to political interests. One attempts to take people's *scruples* away in order to carry out the necessary measures in regards to leadership and defence without resistance. This is why religion, with all its various nuances, is

regarded as a *threat against the state*. If the major religions were not so powerful, they would have been liquidated long ago for that very reason.

But religion isn't just what the Churches teach you. Religion is more of an INNER INSIGHT with people. *How* people represent their position is a different thing altogether.

- An atheist does *not* necessary have to be *ungodly*, just because he doesn't completely believe in Church doctrine. A heathen can be somebody that can be *well in advance* of a pious churchgoer.

The word "atheist" should therefore *not be generalised*. It doesn't indicate that one is dealing with complete ungodliness. Only *the perceptions of GOD* and HIS REALM are *often different* from what the Churches and sects are teaching.

When it comes down to it, the major religions are wrong, even if they possess HALF-TRUTHS. But there is an intrinsic difference between the way people think on Earth and in the hereafter. If one blindly persecutes atheism, there will be no progress. It is just as absurd to persecute PIETY.

The only way to GOD is via tolerance.

But it is important to spread the TRUTH, *even if* the existing major religions are not keen about this. OBJECTIVE TRUTH is also to be disseminated with all means at one's disposal, even where the sciences are at work with their false knowledge and false standards. The recipe for mankind reads:

Spread ETERNAL TRUTH everywhere, but do not persecute those who hold a different opinion!

Only *an excess* of TRUTH can bring about a crucial change to the situation!

Do not judge atheism *prematurely*, because it is quite often *not complete* ungodliness, but a *harsh criticism* of existing religions. But they *must* be prepared to endure this harsh criticism, especially because *in spite* of all this harsh criticism, they are not willing to relinquish their ossified attitudes, even if they're quite aware that they are in the wrong.

Religions have brought forth more fanatics than good and pious people. Even the Christian religions have not had the initiative to monitor the research and experiences of the humane disciplines and to act accordingly. The spiritual realm places the responsibility squarely at the feet of *all* religions on this planet, because the people on Earth still live in ignorance in regards to human behaviourism.

Before the TRUE RELIGION can be taught, the doctrine of immortality has to be spread first.

Many atheists criticise religion quite severely and this with *great justification*. If one wants to get closer to the TRUTH, one should listen to them and act accordingly. This is *the only way* they will get to know GOD.

I don't see any reason to attack or persecute something, just because it doesn't make sense to me or because I don't like it. This is why the positive spiritual realm cannot comprehend why you persecute

GOD, just because you can't comprehend HIM. We are not just dealing with atheism, but a *downright persecution* of the CREATOR, whom you blame for your inability to get along with each another and for HIS apparent lack of interest.

Well, would you prefer it if GOD would participate in your conflicts?

What a *human* GOD that would be!

Based on false philosophies, atheists maintain that nature does exist, but not GOD. This definition is completely absurd. It is devoid of any logic. GOD might not be a human entity, but HE is an enormous COSMIC CONSCIOUSNESS, irrespective of HIS many POWERS and CHARACTERISTICS.

The fact that you cannot understand lies in the analogy that *you think* the human brain *evokes* your consciousness, the way fire can be transformed into energy. The human consciousness is also *cosmic*, that is to say, it is *not* actually located within the brain. The difference lies in the fact that GOD'S CONSCIOUSNESS, which doesn't need a brain to think either, is infinitely larger than the combined consciousnesses of all the universal humanities.

Man is certainly intelligent, he creates machines and implements that one could regard as miracles. But man's ability to create these miracles can in no way be compared to the miraculous work GOD performs. Compared to GOD'S *macro-cosmic* activities, man's activities are on a *micro-cosmic* level. The macro-cosmos is HIS creative domain.

These erroneous concepts of GOD, promoted by false religions, are to blame for the emergence of atheism. Atheism represents a healthy criticism in regards to the disfiguration of GOD. But no rationally thinking person ought to make the mistake of simply ignoring GOD and HIS spiritual realm. I do admit that *the foundation of your faith is wrong*.

But when people endeavour to comprehend what and who they are, they will certainly get closer to REALISING who and what GOD is.

Atheists say that nature produces everything and that nature does not need a GOD to do so. Nature would have to possess enormous intelligent powers at its disposal to accomplish its feats. But where does nature find this intelligence and these energies? - The atheist, the faithless, the ungodly remain silent in this respect!

GOD does not have to gather this intelligence and energies from anywhere, because HE *possesses them*, they are HIS CHARACTERISTICS, the way man also has *his characteristics* and *his life-force*. Man draws his spiritual energy from the universe. He only receives a minute portion of this enormous mass.

But GOD has a far superior capacity for these cosmic rays and energies. Compared to man, HE represents a giant generator, whilst man represents a tiny aggregate. Nature itself does not know what to do with these energies, even if the greatest sun would shine. But GOD, with HIS COSMIC CONSCIOUSNESS, *meaningfully controls* the greatest chaos of unbridled nature forces and builds and expands the universe.

GOD therefore possesses all of nature's capabilities.

They only begin to make sense through the application of HIS INTELLIGENCE, through HIS *super-dimensional* CONSCIOUSNESS, which brings order to this enormous power play.

8. Can GOD'S existence be verified? (Message from the spheres of LIGHT)

Well, mankind has been yearning for millennia for a HIGHER BEING that reigns over everything. All quests in this regards seemed to have been in vain, because GOD is invisible. Is the CREATOR of the universe just an unrealisable longing?

The greatest philosophers and theologians have dealt with this question, which must surely be the *most important* question that man can ever ask. But unfortunately not enough has been forthcoming that mankind could have been convinced. But the reason lies with the *erroneous way of contemplation*.

- The moment one tries *to understand* GOD or *tries to explain* GOD, one is dealing with the INEXPLICABLE.

Nobody will ever be successful in verifying the existence of GOD the way one is using to explaining other things. This therefore means that GOD'S existence *cannot* be demonstrated *objectively*. This conclusion unfortunately leads to atheism. But this is certainly not the last word spoken on this subject. GOD can certainly be verified *subjectively*. There is no doubt about this and this is why one should stick with this conclusion.

Human beings themselves are the subjective proof. We are not talking about physical functions, but about the SPIRITUAL EGO and also about man's personality, which originates from GOOD'S WILL.

The *simple mindedness* applied to avoid this fact is quite astonishing. The sciences on the one hand deal with the theory of our "ape ancestry". On the other hand, the sciences admit that there must be people living on other planets also. - What a contradiction!

There are certainly coincidences within nature. But it is quite insane to ascribe all of creation to trillions of coincidences. Every one of these "coincidences" is the result of planning and so meaningful that one could not exist without the other. It is therefore a *planned interplay* and it has nothing to do with one or a number of coincidences. There is for this very reason no other name for GOD but "THE GREAT PLANNER"!

In order to assess the ingenuity of a great inventor one does not have to meet this inventor personally, face to face; it suffices *to see* his work. The same applies to the GREAT PLANNER. HE is the THINKING, PLANNING CONSCIOUSNESS behind all of nature. This CONSCIOUSNESS is *not* tied to matter, the way man's consciousness is *also not* tied to the physical. But GOD'S CONSCIOUSNESS *controls matter*, the way man's consciousness *controls the body*.

What *should* actually happen is that mankind on Earth should furnish considerable *support* to the GREAT PLANNER. But unfortunately that is not always the case. Mankind tends to attack the PLANNER and tends to act *against* HIS WILL.

- Earth could be on a completely different level in its development if people had a *positive attitude*!

War is waged against people in all corners of the world. But it would be more important if people would endeavour to recognise the *real* enemy. Evil must be eradicated, but positive thinking, young people must die a horrible death instead. This alone verifies that the people on Earth are not capable of real, *deep* contemplation.

Nothing is easier to verify than the SUBJECTIVE EXISTENCE of GOD.

9. Great EVIDENCE of GOD'S EXISTENCE (Message from the spheres of LIGHT)

Well, man on Earth *continues* to deal with the great question of whether there *really* is a GOD who was there at the beginning and who will be without end. No atheist is immune from this question either, no matter whether he lives deep in the jungle or on high seas, whether in a hut or amidst the turbulence of a city. Man wrestles with thoughts of death, the dissolution of matter and with the uncertainty of what comes after.

But because this important question continues to arise, actually touches every individual person deep inside their very soul without exception, even great thinkers, philosophers, theologians even scientists and kings have thought about it.

PROOF of GOD'S EXISTENCE was searched for and apparently also found. But the best of proof in regards to the EXISTENCE of GOD always leaves open a second option. This has robbed many a ponderer of his mind. - Well, I am ready to help you in this respect!

- First off: The conclusion whether GOD'S existence is verifiable or not? - That's something you would like to know.
- Furthermore: By what means and measures could a positive result be achieved?

Definite testimony of GOD'S existence can *only* be furnished with *unimpeachable logic*, that is to say, with an *acceptance based on reason* that will not allow the slightest doubt to creep in. Even GOD draws your attention to the fact that Earth is like a mere speck of dust in the whole universe. By now, the mind of a child would be able to work out *without doubt* that there are GREATER things than an earthly existence.

The enormous size of the universe, which is beyond your comprehension, is proof enough of GOD'S EXISTENCE and GREATNESS!

No animal is able to fathom or understand this GREATNESS. No animal in the entire universe looks for PROOF of GOD'S existence. But in his divine *similarity*, man makes an exception. He understands some parts of this universe and he is looking for this PROOF that GOD exists. *Next* to GOD and HIS ANGELS, he is the only being that is able to use his own mind as a measuring stick. There is only *logic* and it excludes any other interpretation, that is to say, there will be *not one single doubt* left. Applying *this* standard, GOD undoubtedly exists and HE is absolutely comprehensible.

The formula is:

If of good will, every human being on Earth has the ability to recognise the PROOF that GOD exists all by themselves!

Everyone looking for this proof must be brought up and educated through all available means that will teach him *to make the best possible use* of his human mind. It therefore *doesn't* need a formulation of *how* GOD came into being or *how* HE creates and exists, but only a preparation of the human logic that in all the examples the universe offers in enormous copiousness, he will come to the *incontestable conviction* that *all the available evidence is completely adequate*.

Only logic and the objective application of this logic in regards to the existing universe alone as dependable PROOF of GOD'S EXISTENCE is then possible.

Every human being who doubts GOD'S existence has not reached a point in his or her development where logic will reveal everything. This has to be put right. But some doubters will ask: "*Where* does GOD live and *where* does GOD reign?"

GOD was completely justified to select with objective logic the vastly greater and immortal part of the overall-universe for HIS DOMICILE. It is of course the SPIRITUAL REALM where HE reigns as SPIRIT.

10. The mystery that is GOD (Transmission from the spheres of LIGHT)

Within living memory nearly every human being has in one way or another dealt with the mystery that is GOD. It doesn't matter whether we're dealing with cannibals or atheists, with Christians or Muslims, *all of them* contemplate the existence of a SUPERIOR BEING that reigns the world.

Man's different levels of development allow GOD to be projected in the most varied assumption and cognitions. GOD'S greatest adversaries do not escape these deliberations. The atheists might have his doubts, but his doubts are only his last assumptions from a recurring thought that will not let him rest to the end of his days. He tries to extricate himself from this agonizing inner conflict with fierce defiance and with derisive sarcasm. The less successful he is, the greater his resistance grows.

GOD cannot be supplanted from man's consciousness, not even from the most primitive consciousness of a cannibal. *He* was *not* relinquished by HIM *either*, even if he fears GOD quite immoderately.

Dear friends, let me explain to you that GOD *lives amongst you* in this way! - HE is a part of *every* human soul, no matter *how* HE is sensed or recognised by it.

But man is *not capable of* grasping GOD'S GREATNESS and MIGHT. He cannot conjure up a concept and will not find anything to compare it with throughout the universe, even if he imagines GOD to be a giant sun. The incapability to grasp this divine MAJESTY is the main reason why man avoids this train of thought. He, who proceeds with this train of thought must inevitably and more convincingly arrive at the conclusion that HE does EXIST.

There is *no evasive* definition of GOD. Any rejection in regards to HIS EXISTENCE is nothing more than laziness - an evasion. The people one assumes to be atheists do not want anything to do with GOD. The only explanation they have is based on GOD'S invisibility. But there are a lot of things that are invisible, but can still be demonstrably proven to exist?

Is GOD'S invisible existence verifiable? This is the most important question man must deal with!

Yes, my dear friends, GOD'S EXISTENCE *can be verified*, even if it is invisible. Man's spirit is invisible as well and it exists in spite of this. Man's spirit also needs an instrument in order to express itself within the physical plane. It has a physical body, a human body here on Earth to do so.

GOD would also have to have an instrument in order to find expression here on Earth. But that is not HIS OBLIGATION. HE has a lot of other functions and they are so august and important that you could never ever imagine just what they are. HIS ASSIGNMENTS covering the universe are more important than an earthly incarnation, it would only hinder HIM.

After a bit of contemplation, every human being would have to realise that it is not worthwhile to waste time contemplating the manner of divine EXISTENCE. It suffices to acknowledge the actuality of HIS CREATION and HIS EXISTENCE. Apart from that, GOD is so great and enormous that the human consciousness *does not suffice* to even grasp the *slightest* part of HIS FUNCTIONS.

He, who wants to define GOD, is a madman, because he overestimates his own intelligence.

11. The way to GOD (Message from the spheres of LIGHT)

Of all the creatures that live throughout the universe, man is the only divine being that is able to contemplate CREATION and the CREATOR. But only a few people on Earth make use of this ability. Those of good will, prepared to *contemplate* CREATION'S secrets and the *meaning of their own existence*, are hindered from exercising their freedom of reasoning by many dogmas.

GOD'S law of nature called LOVE takes up the highest position. To love GOD is the highest commandment, but it is an *unsolicited* endeavour and never enforced. Church dogmas specifically sin against this highest, divine freedom of LOVE. He, who seeks GOD, may do so completely free from constraints and *in his own way*. There is no vow, no promise, no law, no commandment and no

religion that can force man to seek GOD through *strictly prescribed* guidelines *only*. The freedom to SEARCH for GOD stands *above* any mundane promises.

- Every vow made to a priest is *null and void*, if it goes against one's *own* SEARCH for GOD or one's *own* right of self determination!

Religious coercion imparted on the people on Earth is *blackmail*, a *blasphemy* and hinders a sincere REALISATION of GOD. A true REALISATION of GOD does not come about through coercion, but only through *one's own experience and contemplations*, deliberations, self-knowledge and freedom of mind. There is no: "You must believe in GOD!" - There is only a: "You *will one day* believe in GOD and this based on your *own realisations!*"

Priests and teachers dealing with this subject set many standards and they are formulated in a way as if GOD had enacted them *himself* and demanded their obeisance with absolute authority. People feel this coercion and rebel against it. Have you not realised over again that GOD does *not* forcefully interfere in mundane events, but *hardly noticeable* with infinite TOLERANCE and LOVE?

How often does it happen that Christian Churches *urgently warn* their followers about *all other* religions? The Catholic Church even threatens every follower with eternal damnation, if they would dare to look for information in any other way, even though this eternal damnation *doesn't* exist; it is just a *limited period of time* every man and every soul can bring to an end by themselves. How often are people *utterly dependant* on their priest thereby allowing themselves to be raped in regards to their religious thoughts.

- GOD has *conceded* man *such a lot of freedom* in his thoughts and actions that he is even allowed to run after evil and negativity until he sees the error of his ways.
- An adulterated view of the world or REALISATION of GOD will never be the right path to enter the LIGHT! The divine LIGHT must be sought and found *by every soul under its own steam*. But during your quest there are GUIDES at your disposal and they will guide you along the right tracks. But there are also *seducers* lining up along the way and they will lead you into darkness.

The sense of justice and truth within is the compass that the soul should follow.

GOD'S highest guide and representative for all of terrestrial and spiritual mankind of this planet Earth is and remains CHRIST. By giving you just and safe directions he saves you from evil and this with absolute FREEDOM and LOVE! In as far as you are willing to make up your mind *to assess everything* with the tenets of FREEDOM and LOVE, you will never fail and you will go towards the divine LIGHT.

The Churches and their supervisors are *no substitutes* for GOD by a long shot; they are supposed to be institutions of divine INDOCTRINATION. GOD'S WORD may be promulgated there, but the elected teachers there do not have the right to arrogantly make decisions that are the prerogative of GOD, HIS SON and the ANGELS. - *Damn those teachers? - GOD doesn't do that!*

12. GOD'S omnipotence (Message from the spheres of LIGHT)

Many of you, dare I say *most* of you are ill. Many are poor and needy. Many are exposed to persecution and others are discontented and yearn for riches. Wars threaten with destruction, the harvests are in danger and the Churches are not being visited as it should be.

The poor man despairs and cannot believe in GOD'S omnipotence any more. The rich man does not think it is necessary to believe in GOD, because he ascribes his good fortune to his own intelligence. If GOD really was omnipotence, HE could eliminate all evil. HE could make the poor rich for instance and prevent all wars. Or HE could heal all people and free them from their pains. Here is a desperate person praying to GOD because the bailiff has seized everything and GOD is not listening. HE does not allow the desperate person to win Toto or Lotto. But criminals can rob and corrupt, politicians can plot schemes and the ungodly can bring whole nations to rack and ruin... - But GOD remains inactive and silent in the face of all this evil.

This is why many are of the opinion that we do not need such a powerless GOD, that we have only *conjured up* this GOD as an idol. Now that we are enlightened, we do not need superstitions, a fantasy idol not even made of wood, let's pull ourselves together and with a rational mind energetically abolish him so that we do not rely on an aberration anymore, so that we do not fall prey to false hopes.

These people have their own point of view and they regard their existence, the world, their fellow man and the ALMIGHTIEST from that vantage point. *They forget* that GOD represents CHARITABLENESS, MERCY, WISDOM, EXPERIENCE, PATIENCE, LOVE and TOLERANCE. But everything man hopes for stands in *direct opposition* to these characteristics GOD displays. Man *thinks negatively and acts incorrectly*:

- If the harvest is bountiful, he throws *the surplus into the ocean*.
- If he is healthy, *he abuses his health* by imbibing poisons or by not sleeping enough.
- If he is rich, he promotes himself *above* the poor, *exploits them*, persecutes or enslaves them.
- If GOD rescues a human being from misery, he is *ungrateful* and soon forgets HIM completely.

All of this has *nothing* to do with GOD'S omnipotence. GOD could *accomplish everything* man wishes for. But all of these "acts of GOD" would have a dangerous boomerang effect against HIM. Mankind would *not* be helped by these actions, but it would certainly help the devil's cause!

GOD is a FATHER and people are HIS children. These children are inexperienced, therefore egotistical, disobedient and negatively influenced.

No child has ever been brought up to be a decent and proficient human being with the help of gifts and benefactions!

GOD needs *sincerity, staunchness, dependability, trust, LOVE, patience and unselfishness*, to cut it short, HE need children HE can be proud of, He can *employ*, children HE has tested and tested over again.

GOD needs people in *positions of trust*, because HE has no other positions or employments on offer! He, who is not looking for a position of trust, who is not willing to work in an elevated and well pay position in GOD'S HOUSE and OPERATION, must find his future somewhere else.

Evil *has these positions on offer*, where loafers, discontented people, criminals and know-alls find some kind of employment. - But their boss is an impostor!

13. GOD is omnipotent (Message from the sphere of LIGHT)

You say that GOD is "omnipotent", but GOD is *no* sorcerer. HE is also subject to statutory development. GOD is an autodidact, that is to say, *HE also has to abide* by all the natural laws HE brought into being! If GOD would *not* do so, HIS own behaviour would *abolish* all his natural laws again.

- Any law has its validity *only*, if the legislator also abides by it.

Accordingly, GOD is *also* bound by space and time. HIS omnipotence is no magic, but always remains within the framework of rational development. It is a sad state of affairs that your theologians have not thought about this in greater detail.

When you pray to GOD in order to receive HELP, most of you suffer from the illusion that this HELP should arrive *over night*. Many of your *self-inflicted* difficulties and sufferings are so complicated that it takes a long time to eliminate them. How often do a great number of HELPERS have to be instructed to undertake such preparations? How often do a lot of *approachable* people have to be *inspired to participate* in such helpful undertakings? But you trust GOD'S omnipotence with a false faith and a false concept.

But we have to consider the fact that man has his *free will* and that he may not be coerced into action. GOD also has HIS free will and as all of intelligent life originates from HIM, any intelligence - good or bad - must retain its own will.

- *Demons* and also *Lucifer himself* have their *own* will for this reason.

GOD could certainly abolish free will and HE could also eliminate injustice *through coercion*. But GOD, as autodidact, as HIS *own* LEGISLATOR, would again *forsake* obeying HIS FREE WILL, HIS own LAWS and would consequentially *have to bow* to the pressures of events!

Mind you, I demonstrate a mistake you make in regards to *abusing* your free will: *You* allow yourselves to be swayed by events. *You* allow yourselves to be swayed by your environment. You are not independent enough and you utilise your own free will *incorrectly*. You subject yourselves to

negative coercion and you allow yourselves to be completely dominated by evil. But you could be omnipotent to *a limited degree* by *correctly* utilising your free will!

You should also emulate GOD by being autodidact instead of listening to the ululations of some people who behave like a pack of wolves. He, who is an autodidact and self-educated in regards to spiritual matters does not listen to the sanctimonious promises of pompous people, but is guided by his *own* mind and *not* by the mistakes of alleged pundits, which will only lead to false prejudices.

- *Emulate GOD and rely on the divine POWERS that reside within you.*

GOD did not have one single teacher at HIS disposal that could have advised and instructed HIM. HE had to rely on HIMSELF. HE was self-educated and only had HIS own experiences at his disposal. HE learned very quickly, because HE was not able to think negatively!

You should therefore be an autodidact in regards to divine questions and thoughts. GOD provides the *proof to you* of just what you are able to achieve, if you *strive for the positive* and if you *do not* think in a superficial and negative manner.

- *The moment you doubt the immortality of your soul, you already think negatively and you retrogress.*

14. Capitulation (Message from the spheres of LIGHT)

Well, he, who enters the spiritual realm - and everybody will eventually do so, because it is the return HOME - capitulates when confronted by the POWER of the GREAT PLANNER. If he does not do so, he is looking for a fight and will make his way to the camp of the antagonist, who will continue to take advantage of him until he loses. The way to heaven, that is to say, to the better spheres can only be accomplished through “capitulation”.

Capitulation demands unconditional obeisance; but this must also be based on absolute trust. There can be no doubt about whether the demanded obeisance might not be right. Whatever GOD says and demands is *always* right, even if we are unable to grasp it.

It is common place here on Earth that the enemy and not the friend demands capitulation - in other words, the complete opposite of the way GOD operates. Consequently, the enemy attacks the vanquished. But what has FAITH in GOD to do with capitulation?

Mankind on Earth has managed to progress to a stage where it tries to understand the vastness of the universe. This is impossible, because you have to calculate in millions of light years - and what can you possibly envisage under the distance of even one light year? - Only a number!

The majority of people are of the opinion that that the sciences are profane. They arrive at that conclusion based on their own judgement, which isn't quite correct. The sciences are not quite that atheistic. But scientists deal with the wonderful, the inexplicable and mysterious more often than any

other group of people and *inevitably* have to cogitate about it. There are stars that are a thousand times the size of the sun. Where one galaxy ends another already one already begins. The macrocosm is incomprehensible.

The question arises: “GOD created all of this? All of this, including all the secrets of creation down to the deepest levels of the microcosm? What kind of GOD is this who reigns over this diminutiveness and grandness?” At this point the human mind rebels, because the concept of time also enters the picture, namely eternity. A star dies and a new one is born. Even considering Earth’s age causes a hair-raising sensation.

He, who progressed this far in his contemplations, finds himself in a dead end street, from whence no amount of logic will allow him to find his way out of. What does a scientist do in this situation? He will certainly not admit that his mind balks at these deliberations. He will not own up nor admit this understandable shortcoming. He *capitulates* in the sight of the majesty of the CREATOR. He doesn’t say: “GOD is incomprehensible”, but: “GOD is the factor X.”

This factor “X” is unfortunately handled incorrectly, namely as something that *doesn’t* exist - at any rate as long as it isn’t recognised, analysed and defined. But that is impossible and because every normal thinking scientist is aware of this, they prefer to capitulate before GOD.

- *World wide atheism has developed* from this situation.

The majority of the world’s population does not think this through as thoroughly as the scientists do, because they are not informed about all the details in regards to space and time. They abide by the sciences latest findings, accept them *without* thinking about them and *also capitulate* by avoiding this question because that is a lot *more convenient*.

15. Blasphemy (Message from the spheres of LIGHT)

Well, man is confronted by an enormous universe whose formation represents an enigma. But such an enormous world empire can never arise from “nothing”. There is planning, will and energy involved here.

However people are indeed tutored that any CREATION must certainly have a CREATOR at the bottom of it. This omnipotent CREATOR, whose truthful greatness nobody will ever understand, is simply called the “FATHER”. According to the august GREATNESS of the SPIRIT, this “FATHER” would have to be taboo. But this is unfortunately not the case. One racks one’s brains over HIM and because HE is unfathomable HE is humanised, that is to say: GOD’S GREATNESS is dragged down to man’s level. -

That is blasphemy!

But that is not the end of it, the sinning *continues on*. I will cite an example to explain this:

There are cases where children expect that their father fulfils their ever wish, especially when the father is an extremely *rich* man. In their stupidity, the children do not ask whether their wishes are positive or justified. On the contrary - most of the time their wishes are *negative* and harmful to in regards to themselves and the general public.

But that certainly doesn't stop them from insisting with their requests. If the father does not react to it, immediate threats are forthcoming: "If you do not grant me my wishes, we will part company!" Hatred against the caring father develops and all the things he has done for his children in the past count for nothing. The hatred that is triggered against the alleged cruel father assumes fatal proportions.

A father is a procreator. If GOD is *your*, respectively, *our* FATHER, it follows that HE is also *our* procreator. In regards to the stupid behaviour of these unreasonable children, the behaviour of people in regards to GOD is accurate. People's hatred is directed against GOD, the FATHER, because HE is not willing *to fulfil* the *unreasonable* requests of HIS children. Mankind is not aware that it commits a great blasphemy in regards to this.

These requests seemed to be *justified from a human point of view*. The children *always* feel in the right in these cases. But the children *lack the experience*. In this case it means that the people on Earth will never have the experience GOD amassed of eons. GOD'S experiences are way beyond human deliberation, there is no doubt about that. Therefore such criticism is not justified. -

- It is *meaningful* and *promising* to *thoroughly contemplate* this theme!

The only disadvantage in regards to this is that you *cannot see* GOD, your FATHER. You are dealing with an invisible SPIRIT, but certainly not an abstract one! GOD is *never abstract*, that is utter nonsense, because GOD is *concretely verified* through HIS infinite and extremely intelligent CREATION.

Weak excuses and sophisticated definitions and interpretations are also nothing else but blasphemies with the intension to lash out against the "barbarous, unreasonable, recalcitrant and headstrong father:

Any abnegation of GOD is proof of a low attitude in regards to a positive, benevolent OMNIPOTENCE, one who has only your interest at heart.

16. GOD'S unrestrained ENERGIES (Message from the spheres of LIGHT)

Fire is one of GOD'S ORIGINAL ENERGIES. It represents the ORIGINAL ENERGY and it is part of CREATION. Fire therefore is *not* a hellish thing. But GOD'S ENERGIES always affect something positive if they are creatively active within the CREATORS OVERALL PLAN. But these types of energies must always be ordered, they must be *restrained and controlled*, they must be *supervised*. Woe, woe, if nature's wild daughter is released.

- As soon as an ORIGINAL FORCE is out of control, when it escapes and when it's *misused*, it will not always work in a divine MANNER.

The negative, evil, *loves to utilise* GOD'S ORIGINAL FORCES. This does *not* take place within a planned order to the benefit of mankind or the advancement of CREATION, but in a completely *disorganized* and *unrestrained* way. The CREATIVE-FORCES work *to the detriment* of mankind here. The fire has a destructive effect in this case. Fire, smoke and stench in an *unrestrained* form are the result of *misusing* hellish powers and it is always directed against CREATION.

Evil is GOD'S absolute enemy and antagonist, that is to say, against ALL of CREATION and its only aim is to *destroy everything* that has any connection with divine CREATION. Human beings are also divine CREATIONS and these attacks are *especially* directed *against them*.

- Evil destroys man's health and endangers man's soul *with all means at its disposal*.

Man wanders lost, *unsuspecting* and *godless* on this Earth and does *not defend himself* against this supernatural destruction. On the contrary - man happily pays for all the devil's methods, which only harm him.¹ Man wants to have GOODNESS, the DIVINE, LOVE and the TRUTH *for free*. GOD was supposed to *give man everything*, whilst the fallen angel Lucifer is highly paid. *Just how highly* paid evil really is, is clearly apparent in the sums of money spend on armament and nuclear experiments.

Mankind's leadership is *irreligious*, even if Christendom is *presented as a disguise*. Superlative weapons do not guarantee security. Security consists in the general insight into the supernatural, powerful PLANS and PROCESSES.

Mankind has no genuine concept of GOD and of the devil. For as long as this battle between good and evil is not *understood* and included in scientific knowledge, there will be *no peace* and *no security* here on Earth! The best of party programs, the best armament, the best technology and the best plans for the future will *not help in any way* to get rid of the devil.

Theology makes the mistake of recognising neither GOD nor the devil correctly!

The reality is *much more meaningful* than one assumes. The human multitudes on *both* sides are unimaginably large. We cannot regard mankind as just a single humanity here on Earth. Mankind exists throughout intangible space, it is found at distances of millions of light years away.

Nuclear tests trigger *unrestrained* forces. The enormous heat, the enormous mushroom shaped cloud and all the other effects are the *visible* signs that these forces are *demonic*. These forces may *only* operate within GOD'S PLAN; they must be restrained and rigorously controlled. Any deviation from the divine DIRECTION represents a step into hell and the end result will be *absolute annihilation*. The dangerous angel Lucifer wants to destroy GOD'S SPIRIT. His forces of destruction are directed at mankind *with all of his powers*!

¹ Recreational drugs, environmental pollution, military armament etc.

17. GOD or devil? (Message from the spheres of LIGHT)

Earth's mankind blames GOD for mistakes *the devil has committed*. All misdeeds and mistakes made *by people* are a part of this, because they have decided to join the organisation of evil.

But what has the devil to do with mankind?

Based on scientific and any other knowledge, how are people to imagine the devil?

The devil is the most terrible thing man can ever consciously imagine. This unique and scary concept represents the greatest evil that exists anywhere in the cosmos.

Your *negative* philosophy presumes GOD *in the workings of nature*, but it is not prepared to allocate HIM a personality that is similar to man's personality.

The same method is applied to the term "devil", he is *solely* regarded as a FORCE that is antagonistic towards nature.

What a mistake!

Both are actually spiritually existing personalities with human like characteristics. But both personalities have their *own* ORGANISATION.

You will ask yourself whether any human being has ever had *direct* contact with either GOD or the devil. But if you take the trouble to take mankind's religious development into consideration you will find the following:

- BUDDHA battled with Mara, the evil one.
- MOHAMMED also battled with evil with all of his might.
- ZOROASTER was also not spared the trouble and recognised the devilish organisation at work.
- CHRIST also was attacked. HE rebuffed the evil one.²

18. Something about the devil (Message from the spheres of LIGHT)

The word "devil" is known all over the world and it is connected to a very specific concept. Many storytellers have done *immeasurable damage* to the TRUTH by turning *especially the devil* into a character from a fairy tale and a joke.

² Matthew 4:1-11, Luke 4: 1-13.

The devil's existence represents an unappreciated tragedy for the citizens of planet Earth. This is why religious circles also call him the "devil incarnate", because his existence is *not* a fantasy, but an "incarnated" one.

- *The devils existence, Lucifer's existence, is very easily demonstrated, even easier than GOD'S existence. It is not enough to consider it an evil principle. It is equally completely wrong to see GOD as a principle. Both are personalities, both exist, can see, feel, think, spatially move about and they have POWER over every human being.*

The devil's vileness consists of the fact that he *likes to deny his own existence* by *inspiring* people that he is not here, but that he's only a fantasy figure. Every spiritist, every spiritualist and ever psychic person *knows* that the devil is a reality, one that appears *a lot faster* on the scene than any good soul or any MESSENGER of LIGHT.

Every novice in regards to the supernatural sector must not ignore the devil. But he appears very seldom in person, because he has the greatest *army of helpers* and a lot of *nominal members*. This is *no* superstition even if many a know-all pretends to be oh so clever.

- *Mental institutions bear witness to the devil's incarnate existence.*

It is quite correct to look upon him as the "prince" of this Earth. He does actually have *the majority* of people on his side, even though most people have *no idea* about the mental monster they serve.

- There are thousands of people in mental asylums that miserably go to rack and ruin, *because they have one of the devil's mental helpers looking over their shoulder.*
- Even pious people are not immune to this. CHRIST was also harassed by him.
- It is inexcusable *madness and an error to negate the devil* and to interpret his violent activity as religious madness.

*One rather ought to **examine** the dialogue between a possessed person and his fiendish spirit, the demon. Their conversations give a very accurate picture of his truthful existence, for conversations take place that no person on Earth could ever think of, because he lacks any experience in this regards. - But the devil has the experience and he also applies it.*

Almost all house-spiritists are completely convinced that spiritual survival after death actually exists and this can be established with a few and simple séances, because they do not make the desired contact with angels, but with demons, which, in their stupidity, speak in a fashion that would have to make every logically minded person suspicious. Even *Dr. Martin Luther* was no exception and made the acquaintance of a dreadful negative spirit. *Goethe* didn't fare any better either. He was also well aware of the devil and tried with all his logic to explain his existence in an intelligible way. (Faust)

The whole cult of the devil on this Earth is no fantasy, but an enormous reaction by all of mankind to a reality that appears everywhere!

19. The great negative (Message from the spheres of LIGHT)

GOD has many pulpits and preachers, but evil preaches *amongst the people*.

You stand in front of Churches and marvel at the statues of angels or the colourful stained glass windows from long ago, which sometimes still contain preserved images of angels. “If we only still had angels that could come to us, especially come to me with all my worries and certain hardships the world around me has no interest in. But angels are probably just a fairytale fantasy.” - Many among you could express something like that.

Wait a minute! - Fairytale fantasy? - Where do fairytales actually come from?

The most beautiful ones naturally come from the orient, from Persia. Fairytales are actually not so much as invented, but they have been orally transmitted from person to person and poetically dressed up in a colourful language. The material for these fairytales came from some particularly impressive supernatural experience or a fleeting look behind the doors that lead to THE OTHER REALM. Even thou the tellers of fairytales *exaggerate*, a little bit of TRUTH still remains. Angels could be seen. *Not everybody* could see them. But *spiritually gifted* people, able to *meditate*, for instance the great artists in the field of music or painting *could do so*.

Angels come to great artists and spiritually mature people even now. Sometimes they cannot be seen as a whole figure, but only as a faintly illuminated apparition. But their voices can certainly be heard.

- A spiritually *mature* person that talked to an angel keeps this experience *to himself*.
- A spiritually *immature* person who has that experience *goes completely haywire* and because nobody believes him, he gets locked up.

It is a lot easier for Lucifer. He represents the great negative. He does *not* appear before people, because they would be afraid of him. But his helper's helpers *invisibly* blend in with the masses. His words consist of mundane *promises of wealth, progress, power, superior knowledge* and *mockery* for GOD and HIS ANGELS. He will never say: “This is the devil speaking or these are demons speaking.”

He speaks with the *strongest possible suggestion* directly into the brain of people: “I’m not stupid”. - “You can’t make a fool out of me”. - “I know what I’m talking about”. - “I don’t care what happens after I’m gone”. - “Not if I can help it”. - “I have had enough”. - “I surely showed him”. - “Friends and comrades”. - “Citizens and workers”. - “Those with the money have the power”. - “We will take care of everything”. - “Look out, I’m coming through”. - “What you wear determines who you are”. - “He, who has problems, also has liquor”. - “You have no idea what art is all about, because art is the artist’s imagination”. - “Wars must take place, the state must have soldiers”. - “Playing cards gets rid of boredom”. - “The man is the master in his house”. - “Children must obey every word”. - “You have no idea about how to bring up children”. - “Nobody knows what I’ve been through”. - “Nobody has even

been as ill as...”. And so forth. - to add to this there is a whole *series of curses*, who is not familiar with those? Or jokes one could die laughing over, because they are so awfully vulgar.

The great negative, the evil GOD christened “Lucifer”, meaning “Bearer of light”, *seduces* people, because he send his servants and they do *not* preach from pulpits but *mingle with the masses*. Lucifer knows where he can succeed. The public speaker with his clamouring, with his sure-fire argumentations is his instrument. His craving for recognition is the impetus that will help him greatly.

-

Tear the mask of Lucifer's face!

20. What is sin? (Message from the spheres of LIGHT)

Well, GOD gave mankind COMMANDMENTS.

A COMMANDMENT is a warning. He, who *disregards* such a warning, is in danger of suffering the greatest of sorrow. A *divine* COMMANDMENT is a paternal warning and admonition to avoid some great danger. The FATHER is not able to help, if through ignoring the well intended warning such damage will occur.

If these COMMANDMENTS had arisen from people's mind, they would only be of *subordinate* meaning. But a divine COMMANDMENT *warns about something invisible*, about some harm that the human mind *cannot* foresee. Such harm can easily bring misfortune to a human life, well, even a whole family or a tribe. The danger *behind* every warning is enormous!

You call upon *your logic* and *your sound mind*. Academics and all sorts of researchers ascribe a lot of importance to this conclusion. As mediator between GOD and human beings, I ask you: Is it logical and does it make sense *to simply ignore* warnings about superlative and hidden dangers and to deride the messenger? - You cannot answer me that one, because you believe that sins and vices bring eternal bliss. *Only positive* work brings eternal bliss!

You are not *comfortable* with GOD'S COMMANDMENTS - and it is a fact that you have created a world for yourselves that *virtually makes it impossible to abide by* these important COMMANDMENTS. But I have to tell you that you do not understand the value and the meaning of such a warning at all. You are used to interpret everything in *technical* terminologies. - Well, I am going to talk to you in your own terminologies: Place a *red arrow* behind every divine WARNING and write the following underneath: CAUTION - DANGER to LIFE and LIMB! This is the only way I can make it clear to you *just* what danger a sin brings with it.

The suffering here on Earth is terrible and disgraceful. The suffering here on Earth does *not* have to take place. The suffering experienced by this humanity is the answer *to the failure to comply with all* divine WARNINGS you call COMMANDMENT. GOD does not command in this way. GOD *warns* and *desires*. The terminology “commandments” was *chosen by you* thousands of year ago.

GOD *warns* about dangers and *desires* that you *avoid* these dangers *as much as possible*. But if someone is literally pushed into a dangerous situation, he cannot be blamed for this. The same applies to GOD'S WARNINGS. The calamity will then strike *those*, who have exposed that person to the dangers of sinning. *It is mainly a question of motive!* In the OTHERWORLDLY REALM, with its own countries, cities and customs, sins are measured according to *the motive*. A *little* sin can have a *grave* motive and is *severely* punished according to the LAWS. Under certain circumstances, a *sizable* sin can be based on a relatively *minor* amount of wrong, because *the motive* for committing that sin exhibits *good intentions*. The differentiation is individual to the highest consequence and *incorruptibly fair*.

- *The more complicated you arrange your life, the more complicated are the motives for your sins.* You will then not be able to distinguish between right and wrong.

This is why I advice you. Do believe in my words! - Look upon the divine COMMANDMENTS and CHRIST'S INDOCTRINATIONS as *well meant advice and warnings*. No matter how much one laments the fact that a child has fallen into the water and drowned, it will not help it one bit. Saying a prayer *after* a sin has been committed is *without* effect! But do pray so that you may come to your senses in time to respect the greatest warnings.

In order for you to understand your *earthly* administration of justice, you must study law. I say to you: Study GOD'S simple LAWS and WARNINGS, which are being delivered to you directly. You have your judges for your *visible* sins. GOD'S LAWS judge invisible dangers and one day *you will be your own accusers*. - Spend a lot of time thinking about this!

21. Those who sin... (Message from the spheres of LIGHT)

"He, who sins, ends up being sin's servant!"

Well, the Catholic Church has the arrogance to forgive sins in GOD'S NAME.

- *Nobody can ever forgive sins in GOD'S NAME!*

In one of HIS admonitions, CHRIST said: "There you will stay, I tell you, until you pay the last penny of your fine." (Matthew 5:26, Luke 12:59) I will explain this to you, because hundred of thousands, actually even millions fall for this evil nonsense. Many souls are bitterly disappointed when confronted with the fact that sins, they thought GOD had *forgiven* them long ago, are still with them.

You will ask now whether a sin, that has not been recognises as such, is still punishable, because one was ignorant of the facts?

As we all know, ignorance is no excuse when it comes to punishment. The way it works on Earth is that you try not to get caught or that there are no witnesses. But it is different in the spiritual world: For one thing there are witnesses that know you intimately, well, even receive your thoughts and for another thing, death has thrown a spanner in the works and there is no place where you can hide or

escape to. Your sins *are out in the open*, they *cannot* disappear, because they are a part of a person's memory reservoir.

- *Every thought, every word, every deed, every letter and all earthly events* remain well recorded in the cosmos.

You are able to locate this memory store any second of the day and nothing is forgotten and erased. Souls are *classified according to the measure* of good or evil memories in the hereafter and introduced to the appropriate spheres.

- But ignorance does *not deserve* mitigating circumstances. Ignorance is an unmistakable sign of *backwardness and under development* in regards to mental matters.

Only the perfect, the deserving and the developed end up in higher SPHERES, that is to say, in so-called heaven. But mentally underdeveloped souls *cannot* enter these spheres. Anybody with a bit of logic will recognise that it is impossible, because "the loving LORD" will not allow that the higher developed *and* the underdeveloped end up together in one of HIS APARTMENTS.

- Therefore, mental underdevelopment, let's call it backwardness, is a *sin of omission*, one that will retrogress *every* soul that did *not* endeavour to find the TRUTH.

This is why CHRIST said: "I am telling you the truth, everyone who sins is a slave to sin." (John 8:34) - Sinning can hinder man's progress, as only knowledge and the TRUTH can set you free. He, who is of the opinion that it will be easy to deal with the TRUTH *in the hereafter* is *also wrong*, because he finds himself in a region where evil powers lurk, there to prevent any insights that could lead to improvements. *Stagnation in regards to knowledge* arises, something nobody can imagine here on Earth. There is enough punishment to go around for those who acted carelessly and frivolously, in other words, those who sinned.

GOD'S antagonist is no fairy tale figure; he *absolutely exists* and every soul that is at his mercy will experience a situation that is more terrible than anything one could experience here on Earth! All the many *hoaxing, lying and possession spirits* and especially the numerous *torture spirits* verify the bondage suffered by sinners; as slaves, they must perform dreadful labours. I therefore advise you urgently:

Do not bear reference to ignorance in regards to life after "death", but search for the TRUTH, wherever you can!

22. Sinning against self (Message from the spheres of LIGHT)

Well, you talk about sins. It is completely impossible to number *all* sins, because they occur in *innumerable variations*. For this very reason one generally speaks of *cardinal* sins only, whilst hardly taking notice of all the little sins. When talking about sins, one always means those that are directed at *one's fellow man*, that is to say, one should not lie to, steal from and even kill anybody.

But there is *another kind of sin*, one that is just as grave as a sin against one's neighbour. These are sins directed *against self*. Every one of you can *lie to themselves*, you can delude yourself and *avoid* the TRUTH. Every one of you can deprive themselves of good manners, well, you can even adversely affect your own soul, make it ill and even kill it.

Are you convinced now that there is a difference whether sins are directed at one's fellow man or against self? He, who believed that, is gravely mistaken, because he too, is a human being, one of the LORD'S creatures. There is *no difference at all* in this regards: A human being is a human being, no matter where he or she makes an appearance. You have you fellow men and in the eyes of them you are nothing else but also a fellow man, a neighbour. This is why CHRIST said: "Love they neighbour as *you would love thyself*." (Matthew 19:19; 22:39; Mark 12:31 and 33) - He did *not* differentiate here!

There are an infinite number of sinners that are not aware of their *elemental sins* and look upon themselves as veritable angels, because they could not harm anybody else - *but themselves*, without ever have given it a thought.

In order for you to understand me correctly and because I am a responsible TEACHER from the HIGHER SPHERES, I will give you a number of small examples. But once you begin to think about it, you will be able to recall a whole series of *similar* sins you never ever thought of throughout you whole life on Earth, because you regarded yourself to be so *pure* and *noble*.

You believe that if you *abide by* the COMMANDMENTS, nothing adverse can happen to you in the spiritual realm.

Well, the TRUTH looks a little different:

- If you *smoke* or *drink* for instance and you cannot stop yourself from doing so, you'll find that this constitutes a sin *against your own self* already. It will slowly ruin you!
- If you exert your body to such a degree that it is unable to recuperate from that stress, you'll find that this is *also* a sin. Those who turn *nights into days* for instance and afford their body hardly any sleep, find that they sin in an unimaginable way, because this withdraws important cosmic energy from the body and, being unable to recharge his "soul battery", it runs down.
- There are also innumerable *nutritional sinners*. But there is a whole series of sinners amongst them, so-called *thrifty Christians*, because they do not discard one morsel of bread and not one piece of sausage, because "*it is a sin*" to do so. But they do not consider the fact that by

swallowing these leftovers, they contaminate the inside of the LORD'S temple, namely their own body.

If people behave like pigs in this respect, consuming *every morsel and every bit of leftovers* in order to not commit the sin of throwing food away, they are beyond help. *The very best is just good enough* because a human being is not an animal, but an entity chosen by GOD, an exceptionally pre-eminent masterpiece of the LORD, the crown in HIS creation. Parsimony is not appropriate here. By consuming these leftovers, people become more and more ill and the results of their sins are then handed down to their offspring. All cancers and all the other flagellations mankind suffers from should therefore not surprise you!

23. Questions and answers to this theme

23.1 Should people deal with the enigma that is GOD?

Question : Does GOD really find it necessary to be rehabilitated by the people on Earth, because of the discriminations against the term GOD and the blasphemies level against HIM?

ELIAS : Yes, that is certainly true. GOD needs people and they need HIM. HIS CREATION does not give HIM a lot of pleasure without the recognition of mankind. The present situation is comparable to a child never uttering the words "father" or "mother".

Question : Is it really important to deal with the concept that is GOD?

AREDOS : No, certainly not, because HE is beyond comprehension. But it is important to deal with GOD'S intelligent ORGANISATION and to act accordingly. Man must come to terms with his own self before he can reach for the stars! Nearly everybody has some idea about the unimaginable greatness and versatility of divine CREATION these days. But one discriminates against the CREATOR in an unbelievable fashion.

The Church's GOD is virtually an absolutely slow witted old man, with all the shortcomings and vices that mankind displays. He thinks like a man and smiles merciful even when the greatest sins are committed. He tolerates murder and in his divine sentimentalism forgives everything. He lives somewhere in space in his palace and all that come to him do not know what to do with their feelings of revelry.

This is so unbelievably naïve that words fail me. But the Church states: Everything is possible with GOD, even if we're dealing with the greatest nonsense. Well, GOD regards the devil as his employee, there to teach people the difference between good and evil."

Question : What is the CREATOR *really* like?

AREDOS : The CREATOR is an unimaginable ENERGY. Beyond that, this ENERGY possesses an enormous CONSCIOUSNESS. This CONSCIOUSNESS works with the whole cosmos

and this based on experience and memory. Every thought impulse is engraved in the cosmos and will remain there forever. This gives GOD the ability to remember every detail, even if it goes back eons. This is such an enormous state of affairs that one has to muster the greatest respect man is capable of. Faced with this enormous INTELLIGENCE, masquerading and theatrics are an absolute affront.

- In *no way* does GOD think like a man!
- GOD does *not* deal with tasks that priests have *attributed* HIM with.
- In regards to mankind, GOD created HIS ORGANISATION and it bears responsibility.

Almost all religions on Earth are unfortunately based on *assumption by priests* who could not imagine anything else. But GOD is the universe's MAJESTY. All of us, all the souls in the hereafter and on Earth are HIS subjects!

Question : People have depicted GOD in many ways, but none of them seem to describe GOD satisfactorily?

Answer : That is true. But what you have to take into consideration is the fact that mankind is subjected to its own advancement and development. Its spiritual horizon continues to expand. Its boundaries are slowly set further and further away. Mankind's *expanded knowledge* brings with it *a greater understanding* of the universe and everything that is contained within.

Way back in the past, man knew *little* about his environment and about the miracle that life represents. Everything around him was connected with the activities of the "gods". He could only imagine GOD to be a glorious, but *human-like* being. This is how the original thoughts of making sacrifices developed: When thunder growled and when lightning lit up the sky, they assumed that the gods were angry. They were of the opinion that their anger could be averted by the giving of presents.

These childish imaginations slowly gave way to greater concepts. Man endeavoured to find the LIGHT. He fought his way through ignorance's darkness and superstition's veils to realise that the cause, the GREAT CAUSE, is way *beyond* his own fancy. But old and traditional ideas do not die an easy death and that is why the image of a glorious and radiant man, a person that created the universe, could survive for centuries. Mankind has finally come to the conclusion that the divine ARCHITECT, the eminent GOVERNOR of the universe, in neither a man or a woman nor an entity at all.

GOD is not a person! - Only HIS LAWS control the universe and these LAWS are not only infinite in their scope, but also in their applications.

These laws, they do not have their origin in the human consciousness, are the result of divine LOVE and WISDOM, perfect, infallible and never wrong, nor subject to any mistakes.

- Life is spirit and spirit *is* life.
- Spirit is infinite, without beginning and without end.
- Spirit cannot be forced into any matter; he is only *connected* to matter. Matter only represents a *faint reflection* of the *spirit*.

People who live in a physical world are *compelled* to think that everything operates the way their five senses see, feel, taste, hear and smell. They are *unable to comprehend* what an existence *outside* these senses is all about. Those subjected to these limitations are therefore unable to understand what lies *behind* it.

We maintain that the universe is governed by completely natural LAWS and that the INTELLIGENCE *behind* these LAWS is *perfect*. But man is *unable to understand* this absolute perfection, because he is *imperfect* himself. Because man is a personality, he can also not understand the impersonal.

A person backward in its development cannot comprehend that there is a consciousness *outside* its brain. It can also not comprehend that GOD is a COSMIC, UNIVERSAL CONSCIOUSNESS, a sentient INTELLIGENCE, not bound to any physical or ethereal body.

I hope that these elucidations will help you to progress a little, because this theme is not all that simple. In order to comprehend the UNIVERSAL SPIRIT, you must remember that all humanities, on *millions of planets*, help to make up what one generally calls GOD.

Question : Many people who contemplate religion come to the conclusion that GOD would have to change everything, if HE was really almighty. This places the blame of omission directly at HIS feet. What is your opinion?

ELIAS : This is a grave error! - If GOD would apply HIS ALMIGHTINESS *to pressure* everybody, there would be no *free* people left living on this Earth, but only HIS robots and marionettes - and the whole of CREATION would have missed its purpose. This would have to make sense. - You can gather from this just *how illogical* most people are, even if we're dealing with their own or higher personalities. - *Wars attest to this!*

Question : We continue to ascertain the fact that logic, in regards to the masses, is well below par. How do you see this?

ELIAS : Conservative and materialistic thoughts end up being dogmatic for most people. This hinders them from thinking along free and progressive lines. This attitude prevents them from going beyond the tracks of their imaginations.

Question : Can one actually speak of logic, if whatever is presented is directed *against* GOD?

ELIAS : You have hit the nail on the head. Human existence alone *verifies in every way* that GOD exists. If an atheist harasses you by saying that there is *no* GOD, turn away from him by answering: “You also do not exist for me, because if GOD does not exist, you too cannot be here, it’s an impossibility or can you prove the opposite?” But if something *should* by sheer coincidence actually exist without GOD, it would certainly be without reason, that is to say: *Only chaos*.

Man unfortunately lacks humility. He is too *autocratical*, otherwise he would never ever entertain this illogical thought that there was no GOD he would have to be grateful for something.

Question : Taking the present world situation into consideration, is the way to GOD very difficult for an individual person?

ARGUN : Due to the poor knowledge base of this world, the way is not an easy one. But man *complicates* this way by *evading* the TRUTH, because he is ashamed of the TRUTH. The heart and not hatred must *always* speak first.

- Love for one’s fellow man is the only useful foundation for the community here on Earth.
- Hatred is an indoctrination taught by demons and power blinds the leaders of mankind.

Question : Would it be possible for mankind to exist *without* some kind of FAITH in GOD?

AREDOS : An individual life *without* GOD is *impossible*. Proof of this can be found in wars, intolerance and in destruction. The worldwide enslavement of mankind would be the result. - But if this humanity were in *direct league* with GOD, this would *also be impossible*.

Question : Are you aware where GOD has HIS DOMICILE?

AREDOS : According to our experience, GOD has HIS DOMICILE wherever there is true LOVE. Where there is no LOVE there is no GOD. But LOVE can be everywhere and GOD is therefore omnipresent, that is to say, HE is without limitations, unlike all the other entities that exist.

23.2 Prayers and their effectiveness

Question : The various religions have many forms of appeal in regards to DEITIES, but most of them a just gibberish. Does this make any sense at all?

Answer : If such an appeal is based on a certain amount of meditation, it can constitute some progress for the appellant. I will give you an example of how one could do this:

Oh, GREAT SPIRIT, YOU are the one we want to talk to. If only we had the words to express YOUR MAJESTY, YOUR DIVINITY, YOUR omnipotent LAWS that rule this infinite universe.

We endeavour to unveil something from YOUR opulent spiritual treasure in order for all the men and women, whose hearts are filled with fear and whose minds are filled with terror and worries, know how to find YOU and know how to turn to you in order to receive the assurance that everything is well and everything is divine.

One of our functions is to destroy falsehood and all ridiculous inaccuracies, all ignorance, all misunderstandings, which hinder YOUR children to see YOU the way YOU really are, namely the LAW, perfection in its nature and in its effectively applied LAW that never wavers and yields. The LAW that makes no mistakes.

Question : If one calls GOD, will HE hear us?

Answer : It is unfortunate that most people imagine GOD to be a *human-like* person. But to begin with, one should see GOD as HIS ORGANISATION. This positive ORGANISATION is *unimaginably large*. But sections of this ORGANISATION take note of these appeals. One can therefore say that they have been heard by GOD.

Here is an example:

Let's assume that somebody writes a letter to some eminent person. This letter might end up in the secretary's office and is accepted by one of the employees. It isn't imperative that everything has to be presented to *the boss*. Some of the employees also have the authority to decide on and deal with many things. It therefore doesn't necessarily need an effusive salutation. A short description suffices.

But by necessity, man just has to *know* to what ORGANISATION he belongs to and *which* COMMUNITY he wants to serve: It is either GOD and HIS positive ORGANISATION or the antagonist with his organisation.

23.3 GOD'S omnipotence

Question : Dear ELIAS, can you tell us something about GOD'S "OMNIPOTENCE"?

ELIAS : OMNIPOTENCE relates to the CREATION that was called into being, a CREATION that is so unimaginably enormous that no scientist will ever completely comprehend it.

But GOD'S opponent is *also a part* of CREATION, but he unfortunately *apostatized* and is now unable to leave the blind alley he created for himself whilst *mankind detains him there*. GOD will *never abuse* HIS OMNIPOTENCE, even if many a human being wishes HE would do so.

There are a number of true paradises amongst the many stars.

You should not apply the term OMNIPOTENCE to the conditions on this Earth, because *this planet* has been *selected* for your redemption and you have actually made a lot of progress, but not in *one single* life.

Question : So GOD is actually OMNIPOTENT?

AREDOS : The Churches say: Yes. - I say: *No!* - You know what perpetuum mobile is? It is a machine that once started, will *work of its own accord* and it will never stop.

GOD is compelled to abide by the LAWS HE has passed. These NATURAL LAWS are perpetual -, they never stop!

*The whole universe is therefore perpetual, it never stops moving. "OMNIPOTENCE" has in many instances no effect, because if GOD would *not* abide by his laws, HE would have to *partially abrogate* these LAWS - and that would spell the end of the universe!*

23.4 About GOD'S appearance

Question : Is GOD *without form or shape*?

AREDOS :

- GOD is a spirit that *penetrates* everything eternally.
- HIS FORM *is represented by the universe*.
- HE represents the *sentient and planning* CONSCIOUSNESS of nature.
- HE is the *key that opens all doors*.

- GOD represents EXPERIENCE, LOVE AND PATIENCE.

HE is a LAW that permeates all and this eternally, a great SPIRIT therefore, the PLANER and the CREATOR of the LAWS. This naturally demands a consciousness, because without consciousness, no thought, no feeling and perception can be grasped. There is *no* planning *without* experience and *without* deliberation.

Most people are affronted by the fact that GOD is invisible. But I ask you, have you ever seen a human being's consciousness? - Because you are aware that you have one!

He, who looks for GOD in *human* form, will *never* find HIM. Please do not make any comparisons with man. You are being *misled by the bible* in this respect.

After GOD, man on Earth is not the highest intelligence. GOD has assistants whose numbers are indescribable!

Even *after* one's demise, nobody has ever anything to do with GOD, even though HE exists and even though HE'S on top. But GOD has HIS COMMISSARIES, which do regulate a lot *for HIM* and which are responsible for mankind.

Why are people ashamed to express the word "GOD"? Only one's false religious concepts can be blamed for this. GOD has HIS ASSIGNMENTS -, you have yours.

It is definitely not correct that GOD is *without* a sentient consciousness. HIS CONSCIOUSNESS is too INTELLIGENT, POWERFUL and ENORMOUS for people to comprehend. Because GOD is eternal, *you cannot comprehend HIM*, because what could you possibly imagine eternity to be like? You already find it impossible to deal with distances and velocities. Therefore:

Leave GOD in peace, but respect HIM.

I know that you need something that you could imagine GOD *to be*. This is why you have placed CHRIST in HIS place.

That also is a mistake!

You know what electricity is. You also know the effects of gravity. These are a couple of examples already. Imagine GOD as a THINKING ENERGY, actually the greatest PLANNING ENERGY that exists throughout the universe. But think about HIS REPRESENTATIVES at the same time!

Question : Could GOD appear before an *otherworldly* soul?

ARGUN : GOD has HIS REPRESENTATIVES, that is to say, HIS SONS which HE placed throughout the universe. GOD could most certainly appear before and also speak to every

otherworldly human being in a truthful SPIRITUAL FORM. But that would certainly be a *great exception*, because HE has HIS ANGELS as MESSENGERS at HIS disposal.

GOD is not an old man with a long beard. But HE does sit in his place, they way children are taught. GOD has his DOMICILE and HIS gaze reaches as far as HIS POWER - and it is *unlimited*.

The angelic host *has structure* and the same applies to the LORD. The *image*, the imitation of GOD, the *human soul* and also the physical, terrestrial man have THEIR STRUCTURE; but the terrestrial man unfortunately bears *the sign of the negative*, because he *brought that on himself*. Appreciate the fact that CHRIST has rescued you from the sphere of damnation once before, otherwise you would not live on this Earth!

Question : Because man, living in a physical environment, *regards* everything around him from a *physical* point of view, he also looks for GOD from that point of view. Is this the reason why one looks upon CHRIST as GOD, or at least the SON of GOD?

ELIAS : Yes, that is correct. Something that thinks purely spiritually and autonomous is *very difficult to imagine*. *Astral projection, telepathy, telekinesis* and *teleportation* in connection with living man are plausible. But the reality is the *exact opposite*. Only through the autonomous, bodiless existence of the EGO can organic life function correctly. Meaningful physical actions are impossible, if the autonomous spirit does not control the body with its consciousness.

The spirit can certainly manage very well *without* a body, but no physical body can exist *without* the spirit. It is vital that the sciences acknowledge these basic rules. One can also not *versify* a physical body for GOD, something HE certainly has no need for in order to EXIST.

Question : Due to the fact that we see GOD is an abstract concept, we need a more concrete picture. Is this the reason one has come up with the idea to *humanise* GOD to a large degree?

ELIAS : GOD is timeless. HE is *neither young nor old*, but very wise. -

GOD is absolute taboo!

This is something theology hardly ever takes notice of, otherwise one would not make so many stupid statements, statements like whether GOD might be dead.

GOD'S antagonist knows no taboo. He tries with every means available to push himself to the front. I have tried to explain this before. This is of course very important and we have to point this out over again.

23.5 GOD'S personality

Question : Can one approach the GREAT PLANNER and is HE really a personality, similar to our soul?

Answer : The GREAT PLANNER is the GREAT SPIRIT of the universe. HE is the cradle of creation. To explain Him is a *futile endeavour*, but that doesn't mean that HE does not exist. He, who *will not accept HIM*, is not able to *think* and *grow* beyond a certain point of his development.

What does seem strange is the fact that atheists have no other, credible explanation for CREATION. These people talk about *nature* and about *evolution*, but in their ignorance completely *underestimate* NATURE, because they would like to *deny* NATURE its divine FUNCTION. Such an *illogical* way of thinking *proves* that one can also not rely on man in respect to *other* things.

GOD represents the most effective LAW throughout the universe and in this respect cannot be compared with all the humanities throughout the universe. This is why one may not rely on the bible, it gives an *insufficient* explanation.

Man is not GOD'S mirror image, but HIS CREATION, well thought out and permeated with all the EXPERIENCES of HIS SPIRIT!

As GOD spans across all the spiritual, mental and physical activities, I would like to make it clear to you that human beings are also within the GREAT SPIRIT'S system and have access to it, because they actually represent a considerable part of it.

Question : According to many people's opinion, GOD is supposed to be responsible for every one of their fates and for every one of their actions?

AREDOS : If one talks about GOD as a personality, one should rather concentrate on HIS ORGANISATION. GOD keeps guard over man through HIS HELPERS, through the positive realm. One therefore cannot say: "You are in the presence of GOD", but "in the presence of GOD'S authorised HELPERS". GOD does not observe all your deeds and actions, the ORGANISATION of the spiritual realm does that and especially the personal GUARDIAN ANGEL.

These are *no* myths, fantasies or fairy-tales, but absolute and objective REALITIES. A trip to the moon is not a fantasy, utopia or fairy-tale anymore, but a reality people *had to come to terms with*.

The same applies to the SPIRITUAL WORLD. People have to *get used* to it and they have to *incorporate* it into their knowledge base. It is *our* assignment to make this process easier for you. We know that this MISSION is not an easy one.

Question : In Christian Churches and many of the other religious denominations one tends to display an *exaggerated seriousness*. The question whether GOD has a sense of humour arises?

ARGUN : That GOD has a sense of humour is self evident! HIS spiritual realm has a sense of humour too. This humour is clearly evident in CREATION. In his obstinacy, man believes that when he's serious, he is also *pious*. He condemns all merriment, because he is of the opinion that one has to be "in fear of GOD".

This fear of GOD is *a great nonsense*; because man *cannot* love GOD and be afraid of him at the same time. He can certainly display great *reverence* and hold GOD in high esteem, but man must be able *to approach* GOD with a feeling of *LOVE and trust*.

At any rate, GOD and HIS spiritual realm prefer people to *laugh happily* than remain in a forced seriousness.

The word fear could be stricken from the bible!

Man could assess a lot *based on logic* and should then *act according* to what logic tells him. But logic is unfortunately left on the shelf most of the time. Most people practice *the application* of logic all too little. Only terribly misguided logic makes these kinds of bellicose tensions possible on Earth.

Question : Almost all nations were always of the opinion that they had GOD on *their* side, because they allegedly fought for a *just cause*. Does GOD sometimes take sides with a nation?

Answer : I will not allow any nation, no matter how just it may seem, to surmise that the GREAT SPIRIT takes side with anyone. GOD IS THE LAW. If you do what is just, you *automatically* harmonise with the effects of natural LAW. There is no compulsion to create an enlarged *human deity*, which requests all powers to help you in your hour of need.

Many spiritualists are unfortunately of a similar opinion and it does not exclude the existence of a personal GOD. If I say personally, I naturally mean in a *human* sense.

23.6 Man's fight against nature

Question : Why does man has to fight nature?

ELIAS : Because the antagonist has a hand in it, for he is a *negative* creator, whilst GOD is a *positive* CREATOR.

Both creations are intermingled to such a degree that it is difficult to tell them apart.

Nature in itself does not deliberate. It is *without* consciousness. But GOD is the CONSCIOUSNESS of *positive* NATURE, whilst the antagonist is the consciousness of *negative* nature.

If one wants to see GOD correctly, one has to see HIM as a UNIVERSAL COSMIC CONSCIOUSNESS, but not as a human-like personality.

This also applies to the antagonist, because the devil is also *not* a person, but a *spiritual process*, one that *inspires* its instruments. This misconception has always made it possible to look upon nature as a *necessary example*. Especially atheistically minded philosophers are prone to make that mistake.

Nature as such is *neither good nor evil*. It works like a *perfected robot*, like an enormous RELAY. The concerted co-operation between GOD and man can achieve that this splendid apparatus called nature functions even more reliable and meaningful, and this to the benefit of mankind and pleasing in the CREATORS eyes. It is therefore necessary to *recognise* the spiritual and to confront negative creation.

One should never select one of nature's bad examples in order to glorify it as an archetype.

The infant prodigy of the human inventive spirit can, if applied meaningfully, force nature to behave in a way that is *less* detrimental to man's existence.

*Elements of natural catastrophes are made up of negative forces and can be **triggered** by people.*

Man ought to subjugate the Earth. But only the Earth - *not* its inhabitants! With this I mean people.

Political atheism intends to take nature's negative behaviour as an example. The first steps in that direction have already been taken. But if man continues to proceed in that direction, he will reach the level of negative nature, that is to say, people will then not be able to distinguish between good and evil, they will feel *neither* LOVE *nor* CHARITY and cede conscious thought processes to *others*.

By *comparing* himself against general nature, it can easily happen that man will completely regress to his primitive state, but naturally not from one day to another.

Question : But is the role model nature provides not authoritative after all, because GOD and nature are supposed to be identical?

ELIAS : Man's place is *above* nature, but *never above* GOD. Man regards nature as something *self-evident*, something that does *not* need an INFORMER. But in nature, the law of 'the survival of the fittest' reigns. But this is where a great mistake is made: Nature is something *purely physical*. It is a *concrete* concept, one that is *not familiar* with terms

like goodness, LOVE, trust, mercy and considerateness. GOD on the other hand is an *abstract* term, one that *possesses* all of these characteristics.

23.7. GOD and the sorrows of this world

Question : Why does GOD allow so much suffering to take place on this Earth?

AREDOS : Mankind brings this suffering *upon itself*. Mankind must continuously be confronted with difficult situations in order to *contemplate* its suffering. This is the only way the majority of people wake up to the fact that GOD and HIS REALM do exist.

Question : Atheists maintain that there can be *no* GOD, because cruelty is *condoned* in this world?

ARGUN : GOD is *aware* that man sins, but HE loves him *just the same*. HE is certainly not cruel, only just. Catastrophes developed quite often due to man's free will.

Question : Kennedy's murder has moved many people to ask why GOD allowed this terrible deed on a peace apostle to take place.

AREDOS : GOD is *not* responsible for all the crime on Earth, they take place *because* of the *absolute freedom* man's actions enjoy. Man is *not* a marionette in GOD'S hands, but with a negative attitude, rather a marionette in the hands of evil. All the many accidents and catastrophes are also not GOD'S handiwork. These types of events take place within the generally valid laws of nature.

*Presidents Kennedy's sudden death was **an attack by the negative** on the positive. - The same process applied to the crucifixion of CHRIST.*

GOD *never* interferes in these types of events.

HE has different TASKS!

But the spiritual world has been entrusted with many assignments. But the spiritual world has no influence in regards to violent deaths suffered by some people on Earth, but it does have an influence on the life of someone living on Earth. What I am saying is that under certain circumstances, someone's life can be either *extended* or also *shortened*. But a violent death makes the exception here.

*The unfortunate death of President Kennedy took place with the support of an unimaginably large negative power. It inspired the murderer, because he was **easily inspired** in this way.*

He, who now insists that GOD *allowed* such a crime to take place, commits a blasphemy, because GOD does not commit murder with the help of an assassin.

GOD also *never* condones war, even if theologians *have* their personal opinion on this.

Kennedy was afforded the reception of a martyr in the spiritual realm. You don't have to worry about him.

23.8. Can GOD'S existence be verified?

Question : Has anyone on your side seen GOD?

Answer : *No*, but that doesn't mean that you have to doubt HIS EXISTENCE. In any case, all positive souls *know* that GOD exists.

Question : What do you look upon as proof?

Answer : For one thing, our *own existence*. If we lead a spiritual existence it must naturally follow that GOD also exists in the same or in a similar fashion. But if the people on Earth don't even believe in *our* existence, it comes as no surprise that GOD'S existence is *also* doubted. One comes to the *frivolous* conclusion here on Earth that if there are no spirits, there is no SPIRIT called GOD either. For another thing, we are in touch with ANGELS and that surely is wonderful evidence.

Question : Does this evidence give you the STRENGTH to help mankind gain some insight?

Answer : That is correct. We cannot assess the expanse the power of the spirit is capable of. We, who are engaged in this assignment, only hear from our immediate sphere about events and circumstances. We do not know and we cannot know whether our endeavours have the effect we are striving for. But we want to continue with our work and help wherever we can *in spite of this*, and we wonder whether many or just a few sense something in this respect.

But THOSE that hold the strings and encounter one another through various ways in harmony every now and then, become aware of *the results* of this in all parts of the world. THEY are the ONES that can *asses the extent* of our actions.

Question : *Religious uncertainty* reigns throughout the world. Everybody is looking for concrete evidence, because one lives in a world of lies. What can we say if we are asked about life after death?

ARGUN : This question alone verifies the questioner's ignorance. If we assume that physical matter does exist, we have to assume that it *could never have created itself* and certainly not in such a *well ordered* and *deliberate* fashion. Every project testifies and verifies the planner and creator. This is a law that cannot be refuted.

Question : You say planner *and* creator, is there a difference?

ARGUN : GOD is the PLANNER, but *not always* the CREATOR. In order to create CREATION as it were, HE naturally has an unimaginable HIERARCHY at HIS disposal. The greater the projects, the larger the “factory”. Such a great PROJECT could never have been accomplished without a lot of CO-WORKERS. The same applies to the great CREATION.

Question : GOD is therefore *not* the SOLE CREATOR of everything?

AREDOS : That is correct. HE also needs HELPERS. Humanities on many planets are therefore HIS CO-WORKERS, respectively, the MOULDERS. But in any case, GOD is the ROOT; let’s say the “boss” of everything. HE is the PLANNER.

*There will never be a greater verifier that GOD EXISTS than **you**. Who else would have created mankind?*

Question : (1965) A radio station in Moscow broadcast a radio program that criticises the fact that no phenomenon can verify GOD’S existence. What are the consequences of this blasphemy?

AREDOS : This fact alone *proves* that communistic atheism begins to deliberate about GOD, that is to say, that their own ungodly behaviour begins to feel a little *eerie*.

This divine PHENOMENON is found within CREATION!

But to see GOD face to face *is impossible*. Even CHRIST did not see GOD, only HIS GLORY; but he did hear GOD’S VOICE.

GOD is no avenger! - But HE will not be made fun of. - HE will always teach you a LESSON.

Question : Most people look upon GOD as a fairytale figure. Can anyone grasp the significance that is GOD?

ARGUN : HIS SPIRIT represents the ETERNAL LAW of LIFE, here *and* in the hereafter. But HIS SPIRIT can *also* be *recognised* in the physical.

- GOD’S AURA permeates the whole universe.
- HE bestows nearly all of HIS LOVE, but HE does hold back a minor part of it.

Question : Who is going to verify GOD’S existence, the Churches or the sciences?

ELIAS : *Actually* the Churches would have to do so, because that is their reason for being, but the exact opposite is the case on this planet. The sciences will inevitably, that is to say, *without actually meaning to*, bring you the proof that GOD exists. This will also verify the soul's existence and with it the soul's immortality.

The Church unfortunately acts like a skid under the wheels of all the sciences dealing in this field of knowledge. But it is not a bad thing that Churches exist on Earth, because scientific research would *often have gone too far*, something that has already happened a number of times. I'm sure that one would have proceeded in a *more extreme* way. The Church is aware of a lot of things that is part to the *scientific* domain.

23.9 The Holy Spirit

Question : Up to now, the Churches *never had a proper concept* in regards to the terminology "Holy Spirit". What can you tell us about that?

ELIAS : The "*Holy Spirit*" is the realisation of divine POWER, divine LOVE and divine FEELINGS and it will lead to religiousness, respectively, to an elevated form of ethics.

When the *Holy Spirit* enters a person, *that person feels* GOD'S presence. This person will become aware of its presence in an exceptional way.

The *Holy Spirit* is the knowledge we bring to you with great difficulties. To realise the *Holy Spirit* implies a very special grace.

Question : Is it true that *you* represent a part of the *Holy Spirit*?

ELIAS : No, that's not the way it is. We always talk about realising! All we do is to communicate the Holy Spirit.

Question : The *Holy Spirit* is always depicted in the shape of a white dove. Is there an explanation for this?

ELIAS : The dove is a very tame and peaceful animal and therefore represents the symbol of peace. Beyond that, the dove is the symbol of the "bringer of messages", a carrier pigeon. But symbols are often misused or distorted.

Question : Do the SANTINER³ have anything in common with the *Holy Spirit*?

ELIAS : No more and no less than you, the people on Earth. But due to their *better* development and their *higher* ethics and morality, they are *closer* to GOD than you.

³ An ethically high standing extraterrestrial humanity.

23.10 The persecution on GOD on Earth

Question : What does mankind on Earth accuse GOD of that they persecute HIM in such a way?

ARGUN : HIS JUSTICE! - It does not fit into man's scheme of things that divine JUSTICE, *without the slightest exception*, demands account and this to the *last Penny*, for every trespass committed. Everything one hears about GOD indicates that HE is supposed to be omnipotent and merciful. If GOD does have all these characteristics, he is a magician as it were, all HE would have to say is: "Let there be..." and the miracle would be accomplished. *This is how people think* and they would like to participate in this magic. One simply asks GOD, one prays fervently and the ALMIGHTY shows mercy and fulfils one's wishes with the words: "Let there be...!"

Millions and millions of people have put their trust in GOD'S OMNISCIENCE and MERCY, hoping with all their might - but the anticipated miracle has *not* come about. Is GOD *not* MERCIFUL? Is HE per chance *not* OMNISCIENT? Or does HE *not* EXIST after all? Who can tell these days? What seemed to be confirmed over and over again is the fact that these prayers are *not* answered and that one *cannot rely* on GOD'S MERCY or HIS OMNISCIENCE.

It therefore comes as no surprise that millions of people show no interest in GOD and prefer to rely on the *promises of governments or political parties*. Better a pseudo-religion with a pseudo-god than a biblical GOD, one that doesn't help and promises nothing?

Many think like that!

But the *real*, ALMIGHTY and MERCIFUL GOD *is just*. HE *doesn't* listen to the requests of HIS children who are *confronted* by their development, trials, probation or penance. This is why the CREATOR always acts *contrary* to expectations. If HE would fulfil these requests, HE certainly would not be just - HE would actually support injustice, damage HIS CHILDREN'S body and soul and act *against* HIS own LAWS.

All the many unhappy, underdeveloped and ignorant people, who do not want to have anything to do with GOD, who actually want to persecute HIM, do *not* hate HIM because of HIS doubtful EXISTENCE nor HIS perceived OBSCURITY, but *because* of HIS JUSTICE, something they have a *false* concept of.

It would serve nobody's purpose, if GOD would present HIMSELF as a person, it would spell the end of man's free self-determination once and for all, because man on Earth would show *more fear than trust*. Apart from that, he would simply *reject responsibility* for all his actions and allow GOD to deal with them. This is why these expectations are *impossible and illogical*.

The CREATOR confers HIS CONCERNS to the spiritual realm *only*, that is to say, to the SPIRITUAL MESSENGERS (ANGELS) and HELPERS, whilst for all material things and affairs, the HEAVENLY HOSTS are at HIS disposal. It has been like that from the start and it will and must remain like that for ever.

- GOD, as *the highest* LEGISLATOR, is *omniscient*.
- GOD is *merciful*, because HE atones for injustice through HIS JUSTICE.
- GOD is *merciful*, because HE is *not vindictive*, once an injustice has been atoned for.

We can understand GOD only through insight, repentance and atonement.

Question : There are people that *not only* deride other people's beliefs, but go all out to persecute GOD by maliciously reviling HIM and by considering HIM to be a figure of fancy. Why?

ARGUN : GOD is *infallibly* JUST. But this JUSTICE is *unwanted*, because it does *not* abide by the requirements of the ignorant and the negative; they demand that all goes well for them and that they have power over others in order to enslave and exploit them. And because GOD does not allow this to happen, they resent HIM.

Question : Is it our duty to teach others the TRUTH?

AREDOS : Yes, *but only* if these people *ask* for this indoctrination! There are people who doggedly resist any knowledge. In regards to them, every attempt to do so is futile; *it would make things even worse*. - Be careful with the word "GOD". Express yourselves differently, use words like the GREAT PLANNER or the INFORMER.

Question : Why is the word "GOD" inappropriate?

AREDOS : *Because the Churches have given this term an insalubrious connotation*. With their dogmas and false promises, actually with all the material thoughts, they have dragged the word "GOD" through the mud with the result that hardly anyone believes in a *genuine, living* GOD.

Question : Many religious zealots hope for the great TRIBUNAL. Especially biblical scholars indicate that this is going to eventuate in our time. To what degree are they correct?

AREDOS : In their religious delusion, biblical scholars and members of sects believe that they *are far better* than all the others. *They raise themselves above all others* and by doing so, commit the greatest mistake, the sin of arrogance. All of them hope that GOD will attack all of mankind with fire and lightning. But they hope that this catastrophe will *only befall* the others, never themselves!

If GOD, in HIS JUSTICE, *would listen* to these requests, he would do the *exact opposite* by destroying those who act so cruelly against others and those that do *not* want to believe this nonsense.

23.11 Does GOD have a place in today's times?

Question : The world situation degenerates, everything become more critical. This situation brings forces into the foreground that propagate: GOD is dead - and lots more. What has the spiritual realm got to say about this negative development?

ELIAS : It is not enough to say that GOD exists or that the sinner is punished. It is more of a situation where GOD is *scientifically verified*. This can eventuate by looking at HIS CREATION. CREATION ideally lends itself for verification, because all the innumerable forms and figures that work like clockwork and as a whole, constitute an *absolutely meaningful unit*, are in themselves irrefutable proof that a PLANNER exists who is also an INFORMER at the same time.

There would be no meaningful universe without PLANNING, only chaos! Nothing would function, not even the stars would travel along their designated path.

- GOD'S CENTRAL CONSCIOUSNESS, nature, is *omnipresent* and this includes HIS HIERARCHY.
- Everything alive, everything conscious is *connected* to HIM. GOD sees through the eyes of people and also through the eyes of animals.
- Man is also connected to NATURE'S CENTRAL CONSCIOUSNESS, it guides him and *controls* and animates his *heartbeat* and his *breathing*.

Man is either a good or a bad instrument in the service of the CREATOR. If this was not the case, man would never be creative. Even though man is not the centre of the universe or the Earth for that matter, he still occupies a *meaningful position* between the microcosm and the macrocosm. Once again GOD'S meaningful CREATION is revealed here, because:

The number of atoms within the human body is nearly identical to the volume of the sun.

He, who reviles or affronts GOD, reviles *himself*, because he forgets that he represents a particle of the divine, central CONSCIOUSNESS of NATURE. He, who acts like that, expresses a veritable *mundane* way of thinking; he has *never ever meditated*.

Question : People have to get used to *many* invisible miracles nowadays, for instance, the invisible transfer of colourful television pictures through the airways. So why can't they grasp GOD'S invisible EXISTENCE?

AREDOS : The Churches have not dealt with an explanation for television. It deals with technology. But the Churches have dealt with an explanation for GOD and they have *created a picture* of HIM that is completely incorrect. Due to their technological and scientific way of thinking, mankind cannot give credence to the Church's explanations about their Church god. This is the absolute reason behind the lack of faith by the people on Earth. Atheism arose out of that situation and it is accepted by today's youth.

Question : How can one eliminate this mistake, respectively, this error?

AREDOS : The world's religions are *stuck in such a rut* that any changes in this regards are *rejected*. *Only the sciences can bring about a change*, but the sciences have always distanced themselves from these things. The sciences must be encouraged to make this subject their own and to wrestle it from the Churches, respectively the religious communities. For as long as the Church elders look upon their mistakes as being divine, the TRUTH can never become a STORE of KNOWLEDGE for mankind. This is a sad assessment, but it is an important one and it is true.

Question : If we study the religious sector more closely, we find that there is *no logic at all* applied in many respects. Are we dealing here with mistakes made by priests?

ELIAS : Yes, that's correct. Their conservative and materialist ways soon turn into dogmas and hinders them from thinking *unencumbered*, which in turn could lead them away from the way they have looked upon things in the past.

Man's existence is the best possible proof that GOD exists. There *would be nothing* without HIM or if there was actually something there, it would *not make sense* at all. There is no logic without a plan. There is no logic without thought. But the construction of the universe *is* planned and based on logic. Who would allege that a computer comes into being by sheer chance, *without* thought and *without* planning? This is what atheists should keep in mind. *Without* meaningful planning, there would only be chaos.

Man lacks humility. Man is *too autocratical*, otherwise he would never entertain the thought that there was no GOD he would have to be grateful for everything.

If one becomes impatient, one could easily do some damage!

I can understand that you would like to interfere with the wheels of progress. But everything takes time, *knowledge and its dispersal takes time too*.

23.12 About the sciences

Question : Does scientific knowledge *contrast* the reports recorded in the bible?

AREDOS : The reports recorded in the bible deal with *remarkable events* and they were written the way they were comprehended in those days. But not all of their observations coincide with reality. This is the reason why some miracles were recorded that, from an objective point of view, *were no miracles at all*, but only extraordinary, that is to say, non-commonplace events.

When reading the bible, people get the opinion that GOD and HIS HEAVENLY HOSTS had contact with everybody at all times, whilst these days, *this does not seem the case at all anymore. Atheism's disbelief is reinforced, because they look at this from this perspective.*

The sciences reject these miracles and I cannot blame them for doing so. But the sciences have *not* made a *serious effort* to show these miracles in their proper perspective. It leaves that task to the Churches. But the Churches have no *inclination* to question these miracles. In their blindness and pious fanaticism, they rebel against any other interpretation to the detriment of objectivity.

Once biblical miracles and all biblical events find their *proper* interpretation, these events will coincide with your present day science and technology. But their spiritual characteristics may not be removed. *It has to be accepted* otherwise one deludes oneself.

The people who live throughout the universe, *on many different planets* and on various levels of existence, have achieved *far higher* knowledge than you. This is why they have a UNIVERSAL RELIGION, something that is completely lacking here on Earth.

It has always been the desire of those *higher* developed people to bring their positive knowledge to this planet. But for thousands of years a human race has lived here that hardly makes any progress and therefore has to reincarnate over again. Nearly everybody here on Earth finds it almost impossible to break out from a few lower spheres.

The way you imagine GOD to be is *completely unacceptable*. You *may not compare* yourselves to GOD, even if you imagine HIM to be human in a superlative form. GOD is GOD and human beings are human beings. There is *not* parallel here.

This nonsense has come about, because the Holy Scripture states that man was created *in the image of GOD*. The way the Holy Scripture *undermines* the true FAITH in GOD through statements like that is atrocious.

Neither Adam nor Eve, neither paradise nor similar reports have anything in common with REALITY! These are false deliberations, made from a terrestrial perspective.

Man is *GOD'S image* only because his *intelligence* gives him a certain level of creativity. Therefore GOD is a CREATOR *of the highest order* and man is also a creator of many things, things he creates out of matter and from the vibrations the universe places at his disposal.

GOD is of course an enormous INTELLIGENCE. Can you physically grasp your own intelligence? *Can you see or make man's flood of cogitations visible?* You cannot see or make the LORD'S great INTELLIGENCE visible either. The assumption that GOD would have to appear to you *directly* in any shape or form is a mental aberration. Only an atheist or a communist can think like that.

He, who actually manages to get near GOD will certainly not see HIM, but will *sense* HIS enormous GREATNESS AND NEARNESS *with all his senses* in spite of this. An INNER ENLIGHTENMENT, an INNER BRIGHTNESS of indescribable magnitude will eventuate, *so powerful* that it is well nigh impossible to bear. But one is certainly not confronted by a superlative human form.

- GOD does *not* need hands in order to construct or to create something.
- GOD does *not* need feet in order to move about.
- GOD does *not* need eyes in order to recognise something.

GOD therefore does not need a human body at all!

- HE *solely* exists *through HIS INTELLIGENCE*, through HIS POWER and through HIS SPIRIT.
- HE speaks through *inspiration*, through *telepathy*.
- HE reigns through HIS HELPERS, through HIS GIGANTIC ORGANISATION.

If priests only knew the unreal idol they venerate, they would hide their faces in shame.

It is a different story with entities found in the spiritual realm: *They do have* human form, which is either beautiful or also downright ugly. People *cannot* show true respect to GOD and HIS REALM, because they have become familiar with a *false* "God" and they have *not* learned the TRUTH about the spiritual realm.

Question : If man continues to think along analogue lines *of his own accord*, will man never understand the concept that is GOD?

AREDOS : Yes, you are correct, that's the way it is. To understand GOD'S *truthful EXISTENCE* is the prerogative of those of a certain level of maturity. It isn't just about a mature intelligence, but *man's whole mental attitude* plays a role in this respect, because if someone is through and through filled with goodness and if that someone has reached a

higher level of development, that someone will continue to think along analogue lines, thereby gaining *complete* cognisance of GOD.

You find that JESUS CHRIST was such an example!

He also thought along those lines *from deep within*. But as GOD *can only be* the superlative of man, man recognises that GOD represents the HIGHEST LEVEL of INTELLIGENT DEVELOPMENT in a superlative way, something that can *never be physical*, but something that has to be something much more *mental*. This important cognisance, with all its details, connected HIM with the CREATOR!

Question : Atheists doubt that there is a GOD with a *personal* consciousness. Can this question ever be answered?

Answer : Yes, but this consciousness comes in *many* guises and has no state of being or action *outside of* GOD'S field of VISION, because the natural LAWS *automatically* incorporate everything *within the whole universe*.

There is no phase within the movement and the vibrations of the life of animals, plants, human beings or spiritual life *that is not* ruled by divine LAWS. There are no discords in the universe. But an unimaginably great harmony reigns on a grand scale.

When you have the KEY to the TRUTH in your hands one day, the KEY that will open up the door to understanding, it will be very easy to comprehend that the universal LAW, the LAW of HEAVEN that governs and directs everything. - THE LAW IS GOD! GOD IS THE LAW!

Question : There are scientists that insist the universe, with all the life it contains, has created itself *by sheer coincidence*. According to this, would GOD also be a coincidence?

ARGUN : If this was the case, one could tell you that GOD owes HIS EXISTENCE to a coincidence.

- *But there are no coincidences, only foreordination! - Everything is due to foreordination.*

But there is a difference, we are dealing with a foreordination of a divine NATURE, because *not* everything that takes place is according to HIS WISHES. "Coincidences" that trespass *against* the LAW of eternal LOVE are *not* foreordinations that GOD approves of. When we talk about GOD, we quite often mean HIS actual CO-WORKERS from HIS REALM, which have been granted great powers.

Question : Why do even pundits have to rack their brains about whether GOD exists or not?

AREDOS : Man cannot grasp GOD’S existence, because they lack the practice of deliberation. *Without* experience and practice, man cannot grasp anything. He *thoughtlessly* turns away from GOD and in his egotism turns to *physical* things.

- Thought exercises of a divine NATURE is called *meditation*.
- But do practice during the half moon phase, because the lower powers have *their strongest* effect during a full moon.
- Meditation should not be exaggerated!

Question : Why do even pundits, who are of good-will and who *would like to* believe in GOD not make any spiritual progress?

AREDOS : In most cases their good-will turns into *obstinacy*. But obstinacy represents good-will in a *negative* form. With the help of self-realisation, the power of good-will has to be directed at a positive goal.

Question : Do the sciences get closer to REALISING GOD or are they moving further away from it?

ARGUN : Man is thoroughly convinced that he will become the “master of the universe” one day and this is why GOD becomes *ever smaller* in the eyes of scientists.

Question : Will one be able to present the problem of correctly REALISING GOD in such a way in the near future, that it can at least be understood by intellectuals?

AREDOS : *Never through the representatives of the major religions*. The way it looks at the moment, this knowledge will be publicised through *private initiatives*. But academic science will take an interest in this, because we are dealing with an insight into nature here. The spiritual realm endeavours more than ever to *spiritually support* these types of endeavours. But the *physical* support must come *from you*.

Question : The sciences are reluctant to use the word “GOD” and this is why they use “X”, an unknown factor. What do you say to this formulation?

ELIAS : If one is looking for a formula for the word “GOD” one should rather use the symbol of a *circle*. It is not an unknown factor, it *includes everything*. - GOD is an abstract concept that sounds very nice. *This word must be rehabilitated*. The word GOD is not in need of a *different* formulation, even if a lot of new concepts are allowed to explain it.

But GOD is GOD! Every other word will always be an abstract concept. Every other word would achieve the same results as the word: “GOD”. The word “CENTRAL CONSCIOUSNESS” manages to express a little more, namely the invisible CONSCIOUSNESS of all of nature. But we ask ourselves: Does one have to *explain* GOD *at all*? Isn’t it enough to know that HE exists?

Question : Even explanations given by the greatest thinkers leave some doubt.

AREDOS : GOD gave man a mind, that is to say, the ability to think. But most people do not make proper use of their divine gift. Scientists, respectively academic are so arrogant that they only have their own interests and successes at heart and this is why they don't look at creation in a logical fashion. Matter is more important to them. There is not enough spiritual material available. One doesn't see the forest for all the trees!

GOD cannot be explained, because man will never completely understand GOD.

23.13 In regards to the Church

Question : A senior cleric expressed the following opinion during morning prayers: "God has come down from his throne and has taken on the form of a serf in order to redeem mankind." - What do you say to that?

AREDOS : *This is of course a lot of nonsense.* - But I'm sure that the cleric was of the opinion that this was correct, because this is what has been drummed into him. But this proves once again that even Church elders and Church custodians do not know the TRUTH and continue to stick to false interpretations.

- GOD is a SPIRIT ENTITY and will *never* appear in human form.
- The devil *neither*!

The Church continues to depict and to explain GOD in a human-like form. This is a grave mistake and it does not fit in with our present day times. The high standards in regards to science and technology should make it easier to explain GOD.

You know many of the secrets of invisible forces and radiations. You know quite a lot about telepathy and intangible VIBRATIONS. You are familiar with the processes of radio waves and colour television. These are excellent prerequisites when it comes to understanding and comprehending HIS EXISTENCE. *The average human being who wants to be a Church elder would have to know something about this.* A sensible explanation on the part of the Church about who GOD really is, is indeed missing, it would certainly alleviate the lack of respect given to the CREATOR.

GOD is an intangible ENTITY, similar to man's consciousness, the difference being its unimaginable enormousness and all-inclusiveness. It contains the KNOWLEDGE and CUMULATIVE EXPERIENCE of eons.

To give GOD human form is *more* than blasphemy! It is akin to calling a genius an idiot. When explaining GOD, the emphasis should be on the consciousness, because:

GOD represents the CONSCIOUSNESS of all of nature throughout the universe!

This CONSCIOUSNESS is invisible, as your human consciousness is also invisible and it can only make an appearance *through its activities*. This would have to be apparent to every human being alive today. But *the correct explanations* from the sciences are missing, because one would be *more inclined to believe* the sciences than the Church.

Question : By giving GOD the characteristics of infallibility, the Church encourages atheists to voice their opinion. Atheists like to point out the failings within the laws of nature and use them *to back up* their opinion that there is *no* GOD. What do you say to that?

ELIAS : It is certainly bandied about that GOD is infallible, but from times immemorial GOD *has learned* over again from HIS *own* ACTIONS. HIS inconceivable MAJESTY and GREATNESS would be absolutely impossible without HIS own EXPERIENCES.

GOD represents the totality of all experiences throughout the universe. HIS consciousness represents an encyclopaedia in regards to development and this from one eternity to another.

Derailments are not necessarily there to teach you something. But remember that there is a planner with a *different agenda* from GOD'S. This opponent wants to have his own way. He therefore tries to *interfere in* GOD'S handiwork. Apart from these derailments, one should never lose sight of this aspect!

Question : We recognise a grave error here, one that all theologians pursue. Theology is of the opinion that GOD, in HIS august GREATNESS, has been and remains for an eternity exactly the same. You told us that GOD *also* goes through a development and that HE also continues to EXPAND in his GREATNESS. We will find it difficult to spread these real TRUTHS, don't you think so?

ELIAS : The TRUTH also takes its time. The whole universe is included in a development. For this, GOD belongs in first place. GOD is the GREATEST PLANNER and HIS LAWS execute HIS PLANNING. Every PLAN is based on an IDEA. But one IDEA is eventually replaced by a better IDEA.

- *NEW CREATIONS are PLANNED, DRAFTED and IMPLEMENTED.*
- *Existing CREATIONS are CHANGED, IMPROVED UPON and MODIFIED.*

Everything is constantly on the move. There is no such thing as stagnation. Any mistakes that arise are corrected. But these corrections can still contain mistakes and they will have to be corrected also.

Not everything can be predicted, because some ideas that are put into practice never had an example to follow.

This message is no idle talk, but a divine REVELATION! Divine REVELATIONS are *not* always restricted to the bible; they can *arise from different sources*. This is why it is blasphemy, when theology declares that the bible is a *completed* REVELATION, that is to say, that from now on, *GOD is not allowed to talk any more*. One tends to concentrate too much on the word, thereby overlooking all the many contradictions. Where does logic fit in here?

Question : The Churches represent the opinion that GOD does not need any further EXPERIENCES. They maintain that HE is perfect. Is this correct?

ELIAS : Let's assume that a scientist invents something that brings the desired results. He has therefore *achieved* what he set out to do and his invention functions the way he wanted it to function. Can we now say that his invention is perfect? - *No*. The inventor cannot forebode *the effects* this invention will have and how much his other inventions can be *improved upon*.

The development progresses along a *predetermined* path, but nobody knows the final outcome. For the CREATOR completely new opportunities also arise at every turn. But you must remember that for HIS INVENTIONS, GOD has eons of time at his disposal.

24. The VOICE of GOD

24.1 Preface

By Herbert Viktor Speer, leader of the Medialen Friedenskreis Berlin

During our endeavours to research the hereafter, we have consulted our SPIRIT TEACHERS on a variety of topics and we have received the corresponding INDOCTRINATIONS. Within the context of this coverage we have come to an extremely important theme. As human beings, this central theme is and remains GOD.

It makes no *difference* whether we are religious or whether we prefer to be atheists. *Not anyone* who gives the meaning of his own existence the *slightest* thought will be able to avoid this theme. It is certainly very convenient to deny GOD'S existence, but to be fair, this is akin to wearing mental blinkers. No matter how much one fights to avoid this, they will be removed one day. We should rather show some common sense and remove these blinkers of our own accord. The INDOCTRINATIONS available here give you an especially excellent opportunity.

My advice to pious people is to *test* whether they are looking at this through a flawed pair of glasses, thereby giving them a distorted image of GOD. This was expressed on hand of a simile, but one can clearly see just what is meant by this. We, the *team* of the *Medialen Friedenskreis Berlin*, have approached this important theme without reservations and due to our *lack of preconception*, have achieved remarkably precious results. The present explanations are necessary in order to:

- Give *atheists* enough information for further contemplations - in as far as they are *willing* to do so.
- Give assistance to the *FAITHFUL* so they can *improve* their present IMAGE of GOD according to the facts.

It ought to be obvious that both parties should be prepared to accept these INDOCTRINATIONS, even if they seem *to oppose* their own opinion at first. Mankind cannot expect GOD to change to such a degree that HE complies with all of man's ideals. On the contrary, we should endeavour to *adapt* our personal views of GOD to the object REALITY. Dream dancers have always made terrible TRUTH SEEKERS.

The received INDOCTRINATIONS, respectively REVELATIONS come from eminent spiritual AREAS and they give us enormous help in our endeavour to get a little closer to the divine TRUTH. It is not to our detriment to accept this HELP. Accepting or absorbing these INDOCTRINATIONS is relatively easy, because they come in the guise of relatively comprehensible sentences. A strange situation will arise: The actual value of this HELP from the hereafter become ever more apparent, *the longer and the more intensive one deals with them. Everybody* can experience this.

Let us begin with the actual theme:

Many passages in the bible mention that GOD *spoke* to people. Anybody studying the wisdoms contained within the bible is confronted by this formulation and they hear the whole thing from different angles. Inspired by the bible, we have turned to our spiritual TEACHER and we wanted to know what this was all about. Three complex questions have come up in regards to this.

1. Does GOD actually talk to people *personally*, if only in exceptional cases?
2. If this was the case, what would GOD say to us today?
3. What else can you tell us about GOD after all these questions have been answered?

It is necessary here to point out a great danger here, one that can *very easily* appear. Every *genuine* contact with the hereafter allows the spirit entity, or to express it differently, the inhabitants of the hereafter to name names. They are *run of the mill* names as a rule. In certain situations, names of well-known, important or famous departed citizens of Earth are mentioned. Beyond that, it happens that in many instances we are lead to believe that ANGELS from the other side are talking to us, CHRIST also "participates" in this and quite often we hear: "This is GOD, the LORD speaking." - We know from experience that all kinds of names and personalities can be stated.

What guarantees do we have that we are actually dealing with these alleged personalities?

There are no guarantees to begin with. One either accepts it or one doubts it. How could one possibly have reliable control in this situation? Our earthly senses are not geared to perceive the otherworldly to a degree that would eliminate *all* doubts. They are hardly perceptible most of the time anyway, well apart from their utterances. Are we therefore forced to believe everything we hear from this uncontrollable sphere?

Certainly not!

There are measures one can take that show some promise. Let's recapitulate:

1. Basically speaking, *all* types of characters announce themselves from the hereafter.
2. The communication on offer *correlates* with the knowledge, ability and intensions of the spirit entity.
3. The *merit* of the communication is therefore *identical* to the intellect or the intensions.
4. One can easily be deceived by contact with the hereafter that is of an inferior quality.

If our KNOWLEDGE is *detailed enough*, these deceptions can certainly be sussed out. Once contacts with the hereafter have reached a *higher* level, *our confidence* in the TRUTH *grows*. The value of what's being presented also grows at the same time. *Hoaxing spirits* from the other side do *not* possess any KNOWLEDGE in regards to the objective TRUTH and therefore cannot annunciate it. But there are *masters of deception* amongst them.

In order not to allow ourselves to be hoodwinked due to our carelessness, we, the people on Earth, have *the duty* to test and to compare the various communications offered by the hereafter in order to ascertain their respective value. If we don't do this, we soon fall *prey to our own gullibility*. One should never underestimate any spirit entity in this regards.

- If we *consequently* test all communications, our ability to judge grows accordingly and we will achieve the desired control over the transmissions.
- *The way* something is conveyed is not of great importance, but simply and solely *the merit of the transmission* is important.⁴

In relation to this, it is of extreme importance to undertake the comparisons and test in a completely, and I mean in a completely *neutral* fashion, *without prejudice* and *without romanticising*, because both cloud or diminish one's own ability to make the correct assessments. Only a *healthy* test procedure can guarantee the highest rate of certainty.

There is something amiss if one arrives at questionable results or if one is too easily satisfied. It is then of the utmost importance to take a serious look at one's own test methods. It is only logical that with faulty yardsticks nothing can be correctly measured. But therein lay most of the mistakes made.

In order for them to be understood, the fashion and the style of *these spiritual transmissions are adapted to the personality of the receiver*. One can accept it as presented; it only reflects the path one is travelling on. The quality it to be found on a different level. The actual merit becomes apparent in regards to our *mental-spiritual growth*, in regards to our *higher evolvment*, in regards to our *growing insights* etc.

Here are the touchstones and measures we have to apply:

- *Do not display blind faith*, even if the transmissions are very beautiful, remain alert!

⁴ In regards to this, one ought to test all the protocols of psychic transmissions!!!

- The divine TRUTH does not need to hide behind religious coercion. The divine TRUTH is of such an *elevated* standard that it will bear the test of any, and I mean any test human beings can apply.
- To be even more concise: The divine TRUTH actually challenges us to test it so that we can *recognise* and *accept* it on a conscious level.
- Only those that eschew the TRUTH or perfidiously hide something are asking for *blind* faith!

GOD, in HIS AUGUSTNESS has *no need* for these kinds of practices. We must remember this! *But the yardsticks must be right* otherwise mistakes will creep into the testing process. As mentioned before: The mistakes are then ours and *not* GOD'S. It is up to us to learn to test, to weigh up and to compare with the correct yardsticks.

It is not right to pick selected details and then deal with them separately from the rest. The divine TRUTH is a closed unit, in the truest sense of the word it is: all-encompassing. It therefore includes all of space, the whole universe, all of CREATION. This is the way it has to be searched for, recognised and accepted.

What now follows is can not be regarded as philistinism. There are also *philistines* in regards to religion. Let us try to grasp and understand the augustness of this with an ever expanding mind. Even if this doesn't happen with the necessary complexity, we are after all entities with the potential for further development. What we *might not recognise* today, will become apparent tomorrow. Something we *overhear* today might strike a cord within us tomorrow. We have not reached the end of our ability to recognise thing by a very long shot. In regards to spiritual realities we are really only at the beginning of our career. This has to be taken into account when we prepare our modus operandi in regards to tests. - But let's go back to our tree core questions:

1. Does GOD speak personally to man?⁵
2. If this was the case, what would HE say to us theses days?⁶
3. What other question can one ask in regards to GOD?⁷

In the context of our coverage we have dealt with *point three*. But the first couple of points were also discussed. We would like the MESSENGER of LIGHT AREDOS to tell us:

1. When we read in the bible that in the past GOD *spoke* to the people mentioned in the bible, we can surely assume without qualms that GOD appeared and spoke directly to these people?
2. Did GOD speak face to face with some of these people?

Let's hear what the ANSWER from the spiritual realm sounded like.

⁵ See chapter: *What AREDOS tells us*.

⁶ Dealt with in chapter: *The VOICE of GOD*.

⁷ Dealt with in chapter: *Questions and answers*.

24.2 What AREDOS tell us ...

I hear many say: “I have not yet met GOD.” Well, the only answer I can give is that these deplorable people *do not understand* GOD’S VOICE.

It is *not as if* GOD approaches someone on a *very personal level* in order to converse with that someone. But there are plenty of well-informed POWERS and INTELLIGENCES throughout our infinite universe, in its spiritual and varied physical graduations, which are *fully entitled* REPRESENTATIVES of the LORD, allowing them to speak in HIS NAME. These INSPIRATORS and spiritual TEACHERS, these GUARDIAN SPIRITS of circles and mediums are *authorised* to such a degree, that they *have the right* to say: “This is GOD, the LORD, speaking!”

But CHRIST said at the time: “*Test the spirits to see whether they come from GOD!*”

All of you must do so, because it is *impossible* to affect this control from the other side.

- Positive spirits have *no control over evil*.
- Positive spirits can *only avoid* negative spirits, as you should also do in order to keep them isolated.

But in order to test such spirits, one must have *major experience*. With a few exceptions, you have *very little* experience, because the servants of the Church fearfully avoid these experiences. Only a few Christian minded spiritual communities have gained this kind of experience.

When it comes to assessing this, most people are unable to *correctly* reflect on this. Most are of the opinion that “dear GOD” is a great poet or a super pundit, who either reminisces about heavenly citations or transmits fairy-tale like magic formulas.

- *I can tell you that GOD has never ever praised one single person! Those that do not believe this destroy themselves in a self-importance bordering on insanity.*
- *GOD is so grand, incomprehensive and holy that even the greatest and mightiest of ANGELS still try to understand HIS true IDENTITY.*

But all HIS REPRESENTATIVE who speak in HIS NAME do *not* use the language of pundits nor idle talk or sweet sounding canticles. The few, truly *authorised* REPRESENTATIVES of the LORD, have absolved some extremely difficult training on behalf of CHRIST; they have been martyrs of their faith, covered in blood. They have suffered the agonies of being burned at the stake during the inquisition and they have left behind all the mental and physical tortures the anti-spirit has managed to invent for them! Man now asks of these spirits, redeemed by fire and brimstone, that they should be treated *with kid gloves*! All I can say is:

- *Be aware, all of you, because evil wears these kid gloves and they hide claws that are ready to rob and murder you!*

You receive the *real* VOICE of GOD from martyr spirits. It is *very simple* and formulated in your popular speech so that *everyone* can understand it. These authorised SPEAKERS announce it *in all the different languages and dialects of the world*, even - if necessary - in the slang of criminals.

GOD does not write novels nor does HE write poetry. HE speaks clearest through HIS WORK. HE speaks through every blade of grass and every speck of dust, through every feeling, through home sickness, heartache and joy, through catastrophes and phenomenon seen in the sky, through rays and vapours, through belief and doubt, through political upheaval and through the ringing of Church bells. But those that *occlude* their organic and spiritual ears through *self-exaltation* and *malicious wiseacres*, will never notice nor understand.

After the MESSENGER of LIGHT AREDOS has made this adjustment, the question arises:

What would GOD say to us *these days*?

The biblical accounts are *thousands of years old*. They originate from a *different cultural background*. They were uttered at that time by people that occupied a *completely different level of development*, apart from that also in a *different language*.

We also received sufficient answers to this question. It is also - as in biblical times - composed in a personal vernacular in order to make informative comparisons. It might be that this *personal approach* does not lay comfortably with one or the other or that some will completely reject it for the same reason. But on the other hand, there could be some people that might *feel deeply touched* by this type of approach, making them *more receptive*.

This is why we bring the MESSAGE of "GOD'S VOICE" in this format, the way we have received it ourselves, namely in the form of a *personal conversation*. It is directed at those readers who can *accept* it and also *understand* it. We ask all the other readers to show *tolerance* and to practice.

It is of great advantage to approach *the content* of this MESSAGE without prejudice.

It is purely the merit of *the content* that is of importance.

Therein lays the meaning!

The SPIRITUAL CONTENT represents the *actual* MERIT and with a little bit of good will, it is unmistakable.

On the following pages we read what

"GOD'S VOICE"

has to tell us **these days**.

The VOICE of GOD:

WHEN WILL MY CHURCH FINALLY CONFESS TO THE FACTS THAT I VISUALLY PUT IN FRONT OF YOUR EYES ON A DAILY BASIS?

- **I SEND YOU MY ANGELS - AND YOU DISOWN THEM.**
- **I SENT YOU MY SON - AND YOU KILLED HIM.**
- **I GAVE YOU CLEAR INDOCTRINATIONS - BUT YOU CHANGED THEM.**
- **I GAVE YOU THE ASSURANCE OF ETERNAL LIFE - BUT YOU ARE NOT INTERESTED AND QUEST ETERNAL DEATH.**
- **I GAVE YOU A HOME ON THIS PLANET - BUT YOU DESTROY IT.**
- **I GAVE YOU MY LOVE - BUT YOU REWARD ME WITH HATRED!**

WHEN WILL MY CHILDREN FINALLY ADOPT THE LAWS OF THE UNIVERSE? YOU ARE WELL AWARE OF THESE LAWS!

I AM AWARE OF ALL YOUR THOUGHTS AND DEEDS, BUT EVERY CHILD ACTS LIKE AN ORPHAN, IT BEHAVES IN A COMPLETELY INDEPENDENT MANNER AND WAIVES ANY FATHERLY ADVICE, WHICH SPRINGS FROM EXPERIENCES GAINED OVER BILLIONS OF YEARS.

I HAVE A FATHERLY HOUSE AND ALL THE DOORS ARE OPEN TO YOU, BUT THOSE THAT WANT TO ENTER MUST WIPE THEIR FEET AND THEY MUST KNOW HOW TO BEHAVE; UNRULY AND MALICIOUS CHILDREN DO NOT HAVE ACCESS, THEY DESTROY THE BEAUTIFUL FURNISHINGS AND THEY BELIEVE THAT EVERYTHING BELONGS TO THEM ONLY.

I HAVE A LOT OF TIME ON MY HANDS, MORE TIME THAN ALL THE HORDES OF CHILDREN COMBINED. THOSE WHO DO NOT WANT TO ENTER MY HOUSE MUST PUT UP WITH STORMS, THE COLD AND HUNGER OUTSIDE OF MY SAVE HOUSE. I AM A HOST AND I AM NOT MEAN SPIRITED TOWARDS THE CHILDREN WHO GIVE ME LITTLE GIFTS OF LOVE.

YOU SAY TO YOURSELVES: I AM. - I SAY TO YOU: **I AM!** BUT I WAS **BEFORE** YOU AND I WILL ALWAYS BE. YOU SUFFER GREAT FEARS HERE ON EARTH, BECAUSE YOU CREATE DANGERS THAT ARE NOT OF MY DOING AND NOT TO MY LIKING. BUT I SAY TO YOU: YOUR FEARS WILL BE A THOUSAND TIMES GREATER WHEN I CALL YOU BY YOUR NAME AND WHEN YOU WILL HAVE THE ASSURANCE THAT **I REALLY EXIST!**

YOU HAVE COINED THE WORD “*TELEPATHY*” FOR THE PROCESS WHEN CONCEPTS JUMP FROM SPIRIT TO SPIRIT, FROM BRAIN TO BRAIN. - JUST WHAT YOU WANT TO CALL IT IS UNIMPORTANT, THE FATHER HEARS THE VOICES OF HIS CHILDREN FROM ONE END OF ETERNITY TO THE OTHER END OF ETERNITY. I AM ABLE TO INTERCEPT ANY THOUGHT ACTIVITY, BECAUSE I AM THE TELEPHONE EXCHANGE, I LISTEN TO EVERYTHING AND I AM VERY INTERESTED. I HEAR YOUR CLAMOURING, YOUR DISTRESS, YOUR HATRED AND YOUR KNOW-ALL ATTITUDE. BUT I ALSO HEAR YOUR PRAYERS. BUT UNFORTUNATELY ONLY VERY FEW COME FROM THAT DIRECTION. I HEAR MORE FROM OTHER WORLDS. - THOSE LOOKING FOR CONTACT WITH ME, THOSE WHO HAVE SOMETHING TO SAY TO ME, THOSE WHO WOULD LIKE TO PETITION ME SHOULD DO SO WITH COMPLETELY SELFLESS LOVE. I COVER MY EARS WHEN YOUR PLEAS ARE NOT IN THE FORM OF GENUINE PRAYERS.

CEASE ALL YOUR QUARRELS! CEASE ALL YOUR DISCUSSIONS. YOU MUST BE SILENT WHEN I SPEAK. AND I WILL SPEAK TO YOU; MY WILL MAKES IT POSSIBLE FOR EVERY ONE AMONGST YOU TO HEAR MY SPEECH. I HAVE NEVER FORCED YOU. I WILL NEVER DO SO. I WILL STAND BY YOU IN YOUR HOUR OF NEED. BUT YOU WILL NOT BE ABLE TO GET RID OF YOUR ADVERSITIES UNTIL YOU EMBRACE ME, THAT IS TO SAY, EMBRACE MY SPIRITUAL ORGANISATION, WITH ALL THE POWER YOUR SOUL CAN MUSTER. A TIME WILL COME WHERE YOU WILL HAIL ALL THE PHENOMENON, MIRACLES, GHOSTLY APPEARANCES AND SUPERNATURAL MESSAGES BROUGHT TO YOU BY EXTRAORDINARY MEDIUMS, INSTEAD OF DERIDING ALL OF THESE BODACIOUS VERIFICATIONS OF MY TRUE EXISTENCE.

I CAN UNDERSTAND THAT YOU FIND IT DIFFICULT NOW TO GRASP WHO I AM. YOU HAVE CREATED THE WALL THAT SEPARATES YOU FROM ME YOURSELF AND EVEN I AM NOT ABLE TO REMOVE THIS WALL WITHOUT INTERFERING WITH THE LAW OF FREE WILL.

YOU WILL NOW OBJECT AND SAY THAT I AM NOT OMNISCIENT, BUT THIS HAS NOTHING TO DO WITH MY OMNISCIENCE. I AM NOT JUST OMNISCIENT THROUGH MY SPIRIT AND THROUGH MY WILL, BUT ALSO THROUGH MY SERVANTS, MY ANGELS, MY GUARDIANS OF UNIVERSAL ORDER AND THROUGH MY UNIMAGINABLY LARGE HUMANITY.

UNFORTUNATELY ONLY A SMALL NUMBER OF PEOPLE ON THIS PLANET ARE MY SERVANTS, WHO SUPPORT MY OMNISCIENCE AND WHOM I CAN DEPEND UPON. BUT MY OMNISCIENCE WILL BE DEMONSTRATED JUST THE SAME, NAMELY THROUGH THE POWERLESSNESS YOU BRING UPON YOU AND ALLOW YOURSELVES TO BE SUBJECTED TO.

I KNOW THAT ALL MY CHILDREN HERE ON THIS EARTH WOULD VENERATE AND LOVE ME, IF THEY HAD THE CERTAINTY THAT I REALLY EXIST AND THAT I AM THE CREATOR OF THE UNIVERSE. YOUR DOUBTS MAKE YOU ILL, SELFISH AND ILLOGICAL. TAKE A SERIOUS LOOK TO SEE IF YOUR DOUBTS ARE SOMEHOW

JUSTIFIED. I GAVE YOU CERTAINTY OF MY EXISTENCE. I GIVE YOU THIS CERTAINTY ON A DAILY BASIS. BUT DO NOT EXPECT ME TO BE UNJUST BECAUSE I ALLEGEDLY DO NOT INTERFERE IN YOUR DESTINY. I ALLOW YOU THE FREEDOM OF SELF-DETERMINATION. I DO NOT FORCE YOU TO OBEY ME. BUT I HOPE THAT YOU FIND THE WAY THAT LEADS TO ME.

* * * * *

DO NOT MAKE THE MISTAKE OF COMPARING MY WAY OF THINKING WITH YOURS. YOU ARE NOT IN MY IMAGE IN REGARDS TO THOUGHT, ACTION, LOOKS NOR POWER, BUT YOU ARE IN MY IMAGE IN REGARDS TO IMMORTALITY AND THE DEVELOPMENT OF THE PURE AND ENERGETIC SPIRIT. YOUR SPIRIT IS IN NEED OF EDUCATION AND THIS IS WHY I GAVE YOU A BODY.

IF A CHILD LEAVES ITS FATHER IN SPITE OF ALL HIS WARNINGS AND CARING ADMONITIONS TO MOVE TO SOME UNKNOWN, FAR OFF PLACE, IT IS SEPARATED FROM ITS PARENTS HOME AND AT THE MERCY OF AN UNKNOWN FATE. ALMOST ALL MY CHILDREN HAVE LEFT ME AND WALKED BLINDLY INTO PERDITION. THEY NOW REPROACH ME FOR NOT HAVING RESTRAINED THEM FROM DOING SO. THEY BEWAIL THE FACT THAT THEY HAVE BEEN DESERTED, THAT THEY FALL ILL AND THAT THEY ARE THREATENED BY DEATH. AM I TO BLAME FOR THIS - OR ARE YOU TO BLAME?

HOW CAN I RESTRAIN MY CHILDREN BY FORCE OR BY TAKING AWAY THEIR FREEDOM? YOU HAD THE FREEDOM AND THE SELF-DETERMINATION - AND YOU HAVE CHOSEN AND ACTED ACCORDINGLY. YOU WILL HAVE THIS FREEDOM AND THIS SELF-DETERMINATION TODAY AND TOMORROW AND THIS UNCHANGED. THIS GIVES YOU THE FREEDOM TO RETURN TO YOUR FATHER'S HOUSE. I AM NOT VINDICTIVE AND CAN EASILY FORGET THE HARM ERRORS AND DOUBTS HAVE DONE. BUT IT SEEMS TO ME THAT THIS DECISION WAS EASIER FOR YOU IN THE PAST. YOU SHOWED MORE TRUST IN UNCERTAINTY THAN YOU SHOWED ME - AND IT HAS UNFORTUNATELY REMAINED THAT WAY EVER SINCE.

I HAVE MANY CHILDREN ON THIS PLANET THAT ARE OF THE OPINION THAT EVERYTHING AROUND THEM DEVELOPED OF ITS OWN ACCORD. BUT ARE MY "CLEVER" CHILDREN AWARE THAT THEY STAND ABOVE EVERYTHING? ARE THEY AWARE THAT THEY HAVE POWER OVER MY CREATION AND THAT THEY HAVE ENOUGH BRAINS TO CONTEMPLATE THEIR OWN SITUATION AND MANY OTHER THINGS AS WELL? WELL, YOU LOOK UPON YOURSELVES AS THE GREATEST AND MOST INTELLIGENT CREATION OF AN UNINTELLIGENT NATURE THAT CAN NEITHER THINK NOR FEEL. NOT ONE NATION ON THIS EARTH CAN MANAGE WITHOUT A LEADER. WHO COULD POSSIBLE BE OF THE OPINION THAT THE UNIVERSE IS NOT IN NEED OF A LEADER OR A SOVEREIGN?

YOU FANCY YOURSELF IN MY PLACE. BUT IF YOU WANT TO CLIMB INTO MY THRONE IN ORDER TO GOVERN THE UNIVERSE, HOW WOULD YOU GOVERN IT? - WITH HATRED, DESTRUCTION, MEGALOMANIA, CONTEMPT, UNKINDNESS, IRRESPONSIBILITY, OPPRESSION, COERCION AND BY REBELLING AGAINST THE NATURAL LAWS? THE UNIVERSE WOULD NOT SURVIVE VERY LONG, BECAUSE IT WOULD SUCCUMB TO INDESCRIBABLE CHAOS AND THIS INCOMPARABLY FASTER THAN THE TIME IT TOOK FOR ITS CREATION. - WHOW CAN ONE THINK SO FOOLISHLY? IT WILL TAKE A LOT OF PATIENCE UNTIL YOU HAVE CONQUERED YOUR ARROGANCE, WHICH HAS BROUGHT ABOUT YOUR FALL FROM GRACE AND WHICH IS TO BLAME THAT YOU HAVE TO CONTINUE TO LIVE LIVES IN MISERY. - BUT I LEAVE THE DECISION UP TO YOU!

* * * * *

IT IS A COMPLETELY FALSE ASSUMPTION THAT I AM FAR AWAY FROM YOU. YOU CONTINUE TO LOOK FOR ME OUT THERE IN THE INFINITE UNIVERSE OR OUT THERE IN SPACE. YOUR TECHNOLOGICAL AND ALL THE OTHER SO-CALLED SCIENTIFIC ACHIEVEMENTS TELL YOU THAT DIFFERENT KIND OF RAY PERMEATE EVERYTHING. I PERMEATE EVERYTHING WITH MY POWER, I ALSO PERMEATE YOUR BODY, YOUR HEART AND YOUR SOUL. I THEREFORE AM IN EVERYTHING THAT EXISTS.

THIS IS WHY YOU SHOULD NOT ASSUME THAT I AM SOMEWHERE OR FAR AWAY FROM YOU. I AM WITHIN YOU, AMONGST YOU, AROUND YOU AND ABOVE YOU AND I CAN NEVER BE REMOVED. WHEREVER I'M NOT, THERE IS NOTHING, NEITHER LIGHT NOR DARKNESS, NEITHER DEATH NOR LIFE, NEITHER LAW NOR VIBRATIONS. I AM EVERYTHING AND IN EVERYTHING, THE ENERGY, THE INTELLIGENCE AND EXPERIENCE, WELL, EVEN ETERNITY. I HAVE INCLUDED YOU IN EVERYTHING THAT EXISTS. I GIVE AND RECEIVE EVERYTHING AND ASK FOR NOTHING.

YOU BEMOAN THE FACT THAT LIFE ON EARTH IS DIFFICULT. YOU REPROACH ME FOR NOT MAKING YOUR LIFE EASIER. - BUT EVERYTHING IN LIFE THAT YOU RECEIVE WITHOUT EFFORT YOU DON'T VALUE. WHAT WOULD AN EASY AND COMFORTABLE LIFE MEAN TO YOU, IF I WOULD GIVE IT TO YOU? - BUT IF THE FALLEN ANGEL MAKES YOUR LIFE ON EARTH A MISERY AND IF YOU HAVE TO WORK HARD TO MAKE A LIVING, THIS LIFE IS NOT APPRECIATED ENOUGH BY YOU TO A DEGREE THAT YOU RESPECT THE TROUBLES AND SUFFERING OF YOUR FELLOW MAN.

I SAY TO YOU:

LEARN TO SUFFER FOR THE TRUTH, FOR LOVE AND FOR JUSTICE, OTHERWISE YOUR HIGHEST VIRTUES AND CHARACTERISTICS ARE WORTH NOTHING! YOUR IDEOLOGIES ARE AFFECTED BY OFFER AND DEMAND. I WILL KEEP THE OFFER AS LOW AS POSSIBLE IN ORDER FOR THE DEMAND TO RISE TO UNIMAGINABLE HEIGHTS AND IN

ORDER FOR THE TRUE VIRTUES TO GAIN WORTH - AND A HARD LIFE TO BECOME OF REAL VALUE.

* * * * *

YOUR WAILINGS REACH MY EARS. BUT I AM ALSO NOT UNAWARE OF YOUR MISTRUST. YOU HAVE LOST YOUR HOPE AND YOU DO NOT EXPECT HELP FROM ME ANYMORE. - THIS IS WHY I WILL TELL YOU A SECRET: YOU SAY FOR INSTANCE THAT YOU CANNOT JUMP OUT OF YOUR SKIN IN ORDER TO PERFORM MIRACLES. I ALSO CANNOT JUMP OUT OF MY SPIRIT IN ORDER TO PERFORM ALL THE MIRACLES YOU EXPECT FROM ME. BUT IF YOU REFLECT ON THIS, IF YOU ALLOW YOUR COMMON SENSE TO PREVAIL AND IF YOU ARE OF GOOD WILL, I CAN GIVE YOU THIS ADVICE: MAKE AN EFFORT OR AT LEAST BEGIN TO LIVE A PEACEFUL AND JUST EXISTENCE. CREATE ORDER IN THAT PART OF THE UNIVERSE THAT HAS BEEN ALLOCATED TO YOU, I WILL THEN NOT LOOK THE OTHER WAY ANYMORE, I WILL THEN ACTIVELY PARTICIPATE - AND OUR COMBINED EFFORT WILL BRING ABOUT THE GREATEST MIRACLE OF ALL, THIS I PROMISE YOU UPON MY RESPONSIBILITY AS YOUR FATHER AND PROVIDER. RESPECT MY LAW AND IT WILL HELP YOU!

* * * * *

I HAVE SPOKEN TO YOU **TROUGH MY SON**: "LOVE THY NEIGHBOUR AS YOU LOVE THYSELF." YOU DO NOT TRY TO UNDERSTAND OR TO LOVE YOUR FELLOW MAN, YOU REMAIN STRANGERS TO EACH OTHER AND YOU BEHAVE ANTAGONISTIC TOWARDS ONE ANOTHER AND THIS TO THE BITTER END. - I ASK YOU: HOW WILL YOU EVER BE ABLE TO UNDERSTAND ME, BECAUSE I AM SO DIFFERENT FROM YOUR FELLOW MAN?

DO NOT BELIEVE FOR ONE MOMENT THAT I CRITICISE OR EVEN CONDEMN ALL OF YOU. THERE ARE LOTS AND LOTS OF PEOPLE THROUGHOUT THE UNIVERSE WHO THINK AND ACT IN A DIVINE MANNER - AND I AM PROUD OF THEM. YOU SAY: NOTHING IS IMPOSSIBLE IN REGARDS TO GOD. BUT PLEASE LET ME TELL YOU THAT A LOT OF THINGS TAKE THEIR TIME TO DEVELOP, ESPECIALLY IF IT IS SOMETHING NEW AND IF IT LACKS EXPERIENCE. IT IS CERTAINLY NOT A CASE WHERE GREAT THINGS HAPPEN AT THE BLINK OF AN EYE. THERE ARE THINGS ON OTHER PLANETS THAT ARE IMPOSSIBLE FOR YOU TO UNDERSTAND, EVEN THOUGH THEY HAVE COME ABOUT THROUGH THE INTELLIGENCE AND ENDEAVOURS OF PEOPLE, THE DIFFERENCE BEING THAT THEIR EXPERIENCES ARE OF A MORE MATURE NATURE THAN YOURS.

YOUR BEST EXPERIENCES ARE UNFORTUNATELY IN ALL SORTS OF AREAS OF ABSOLUTE EVIL, IN THE DESTRUCTION OF ALL VALUES, BUT YOU HAVE ONLY

LIMITED EXPERIENCE IN REGARDS TO ANYTHING POSITIVE. THIS IS WHY YOU CREATE MUCH MORE INTELLIGENT EVIL THAN GOOD.

THEREIN CONSISTS THE HUGE DIFFERENCE BETWEEN HUMAN BEINGS FROM EARTH AND FROM OTHER PLANETS THROUGHOUT MY UNIVERSE. THIS IS THE REASON WHY I CANNOT PLACE THE BEST ROOMS IN MY BIG HOUSE AT YOUR DISPOSAL.

* * * * *

YOU CHALLENGE ME TO SHOW MYSELF. IS IT NOT ENOUGH THAT I REVEAL MYSELF? WHY SHOULD I SHOW MYSELF IF YOU HAVE ALL OF MY CREATION TO LOOK AT? YOU ARE USUALLY QUITE HAPPY TO ADMIRE AND TO ACCEPT THE GREATEST ACHIEVEMENTS OF TECHNOLOGY WITHOUT HAVING TO SEE THE INVENTOR OR THE PRODUCER. HE, WHO CANNOT FIND ME IN MY CREATION WOULD NOT RECOGNISE ME IF I WOULD WHILE AMONGST YOU.

IN ORDER TO VERIFY MY EXISTENCE I WOULD HAVE TO PERFORM GREAT MIRACLES. BUT I TELL YOU: I HAVE PERFORMED THEM ALL. - I PERFORM MIRACLES BY THE SECOND. ALAS, IT DOES NOT SEEM ENOUGH. EVEN IF I WOULD APPEAR IN A SUPER-DIMENSIONAL FORM IN THE SKY FOR EVERYBODY TO SEE, YOU STILL WOULD NOT RECOGNISE ME, BUT EXCLAIM INSTEAD: THE SCIENCES ARE CONFRONTED BY AN ENIGMA. - THIS IS WHY THE SEED HAS TO MATURE FIRST BEFORE IT CAN BE HARVESTED. I HAVE MADE AN APPEAL TO THE WORKERS AND I HAVE ASKED THEM TO STAND BY.

* * * * *

A MICROBE IS ALSO A LIVING ENTITY AND IT IS PART OF THE GREAT CREATION. I HAVE GIVEN IT LIFE THROUGH MY OWN HANDS, BECAUSE LIFE COMES FROM LIFE. A MICROBE WILL ALSO ENDEAVOUR TO UNDERSTAND A HUMAN BEING. ALAS, IT IS IMPOSSIBLE - AND THIS IS HOW IT'S GOING TO REMAIN FOR EVER. BUT THE MICROBE DOES NOT KNOW HOW TO REACT BUT TO CONFESS TO ITSELF: THERE ARE NO PEOPLE, BECAUSE THEIR EXISTENCE IS INCOMPREHENSIVE AND INSCRUTABLE. - IT IS THEREFORE FUTILE FOR THE MICROBE TO DEAL WITH SOMETHING THAT DOES NOT EXIST, DUE TO ITS INCONCEIVABILITY.

MAN MAKES A STRENUOUS EFFORT TO COMPREHEND ME. ALAS, THAT'S AN IMPOSSIBLE TASK FOR HIM. WHAT CAN HE DO NOW? SHOULD HE DENY MY EXISTENCE DUE TO MY INCOMPREHENSIVENESS? MAN IS NO MICROBE, HE THE HIGHEST TALENTED CREATURE THROUGHOUT THE UNIVERSE WITHIN THE PHYSICAL SPHERE. MAN IS RATED HIGHER THAN ALL ANIMALS, PLANTS, OCEANS AND MOUNTAINS, BECAUSE OF A SUPERIOR MIND AND THE UNIQUE ABILITY OF

COMBINING THOUGHTS TOGETHER. BUT MAN MAKES ONE MISTAKE: HIS REFLECTIONS ARE SOMETIMES FALSE, ESPECIALLY WHEN DEALING WITH ME.

COMPARED TO THE REST OF CREATION, MAN REPRESENTS A MERE MICROBE IN THE SOLAR SYSTEM. BUT THERE RESIDES AN ENERGY WITHIN HIM THAT GIVES HIM THE POWER TO CONTEMPLATE EVERYTHING, COMPREHEND EVERYTHING, OVERSEE EVERYTHING, REIGN OVER EVERYTHING, FABRICATE EVERYTHING AND COMPLETE EVERYTHING. IT IS NOT THE INCOMPREHENSIBLE SIZE THAT IS OF IMPORTANCE, BUT THE ENERGY THAT RESIDES WITHIN A SPECK OF DUST.

A FAMOUS ASTRONOMER AND MATHEMATICIAN DECIDED ONE DAY TO CALCULATE THE WHOLE UNIVERSE. HE APPLIED CERTAIN CHARACTERS AND SYMBOLS TO THE UNFATHOMABLE VASTNESS AND ALL THE DISTANCES. AFTER AN IMMENSE MENTAL EFFORT HE FINALLY PRODUCED A DRAWING THAT NO OTHER HUMAN BEING COULD COMPREHEND BUT HIMSELF.

BUT WHAT DID HE ACTUALLY COMPREHEND? HE LACKED ANY PRESENTATION OF WHAT THESE VAST DISTANCES ARE ALL ABOUT, THEY ESCAPED HIS OWN EXPERIENCE AND THIS EVEN WITH THE HELP OF HIS SENSE ORGANS. HE COULD ROUGHLY IMAGINE THE CIRCUMFERENCE OF THE EARTH, BECAUSE HE COULD TRAVEL AROUND THE WORLD AND BECAUSE HE KNEW HOW FAR A MILE WAS, BUT HE DIDN'T KNOW THE EXPANSE OF A SPIRAL GALAXY, BECAUSE HE NEVER TRAVERSED SUCH A SPIRAL GALAXY.

A FAMOUS PHILOSOPHER AND TEACHER DECIDED ONE DAY TO COMPREHEND ME. HE TOYED WITH ALL KINDS OF IMAGINATIONS OF MY EXISTENCE, SIZE, POWER AND MY SOUL. AFTER SOME VERY STRENUOUS EFFORTS, HE FINALLY DECIDED TO SIMPLY DENY MY EXISTENCE. THERE ARE ACTUALLY NO CHARACTER, NO NUMBERS OR SYMBOLS THAT HE COULD HAVE PUT DOWN ON PAPER IN ORDER TO DESCRIBE ME. - DIDN'T I WARN YOU? YOU SHOULD NOT MAKE YOURSELVES IMAGES OF ME OR APPLY CERTAIN CHARACTERS TO DESCRIBE ME.

BUT WHAT BENEFITS DOES THE MATHEMATICIAN REAP BY MANAGING TO DESCRIBE MY UNIVERSE WITH THE HELP OF CHARACTERS AND SYMBOLS? NOBODY WOULD BE SATISFIED WITH THIS EFFORT. BUT WOULD IT BE APPROPRIATE TO SIMPLY DENY THE WHOLE COSMOS, THE WHOLE UNIVERSE, JUST BECAUSE ITS VASTNESS CANNOT BE COMPREHENDED? - BUT THAT'S WHAT YOU DO WITH ME!

WHO AMONGST YOU WOULD CONSIDER EXPLAINING THE FUNCTIONS AND TECHNICAL DETAILS OF A TELEVISION SET TO AN INFANT? THIS SEEMS LAUGHABLE TO YOU. BUT INDEED, YOU DIRECT THE SAME TYPE OF REQUEST AT ME. BUT YOU DON'T FIND THIS LAUGHABLE.

YOU DEMAND DETAILED INSIGHTS INTO THE FUNCTIONS OF THE SPIRITUAL REALM. YOU WANT TO HAVE THE SECRETS OF THE SOUL'S STRUCTURE EXPLAINED TO YOU IN GREAT DETAIL, IN SPITE OF NOT BEING ABLE NOR OF AGE TO UNDERSTAND THESE

DIFFICULT EXPLANATIONS; THEY ARE BEYOND YOUR WHOLE CAPACITY TO GRASP THIS.

BE CONTENT IN THE KNOWLEDGE THAT YOUR SOUL EXISTS AND THAT IT IS IMMORTAL. YOU WILL GROW IN MATURITY AND EXPERIENCE TO SUCH A DEGREE OVER INFINITE TIME CYCLES THAT YOU WILL BE ABLE TO STUDY THIS SECRET IN GREAT DETAIL ALSO.

I AM NOT IMPRESSED WHEN YOU DEAL WITH THINGS THAT ARE A PURE WASTE OF TIME. YOU WILL RECEIVE EVERY POSSIBLE INSIGHT THAT YOU CAN MENTALLY DEAL WITH. THE ALPHABET STARTS WITH THE LETTER "A" AND NOT WITH "B". THIS IS WHY I SAY TO YOU: IN REGARDS TO THINGS THAT DEAL WITH ME, ALL OF YOU ARE JUST BEGINNING TO LEARN YOUR ABC AND YOU HAVE TO ASSIDUOUSLY STUDY THE LETTER "A" BEFORE YOU CAN DEAL WITH OTHER THINGS.

BUT LET ME TELL YOU: I HAVE EYES AND EARS. I HAVE A MIND AND I HAVE FEELINGS. I HAVE ALL THE SENSES YOU ALSO POSSESS. BUT I HAVE THEM IN SUCH A SUPERLATIVE WAY THAT I CANNOT EXPLAIN IT TO A MERE INFANT. IT WOULD NEITHER COMPREHEND NOR APPREHEND IT.

* * * * *

YOU ARGUE THE POINT AMONGST YOURSELVES OF WHETHER I EXIST OR NOT. IS IT SO DIFFICULT FOR ME TO EXPLAIN MY EXISTENCE? NO! IT IS NOT. I TALK TO YOU ALL THE TIME AND YOU DO TAKE NOTICE OF MY WORDS AND YOU PRESERVE THEM. BUT YOU DON'T AGREE WITH WHAT I SAY TO YOU - BECAUSE IT GOES AGAINST EVERYTHING YOU DO AND HOPE FOR. THIS IS WHY YOU REJECT MY VERY EXISTENCE AND THIS IS WHY YOU INVENT THOUSANDS OF EXPLANATIONS, ALL OF WHICH ARE SUPPOSED TO VERIFY THAT I AM WITHOUT REASON OR ANY OTHER SENSES. IF I WOULD USE WORDS THAT ACCEPT AND GLORIFY ALL OF YOUR PASSIONS AND VICES, YOU WOULD NOT CRITICISE ONE IOTA OF MY EXISTENCE. - THIS AGGRIEVES ME VERY MUCH!!

I AM AWARE THAT YOU MOCK ME. BUT I ALSO KNOW THAT THIS MOCKERY IS NOT DIRECTED AT ME, BUT AT A GOD THAT DOESN'T EXIST. THE NAME IS OF NO CONSEQUENCE. **I AM YOUR ORIGIN** - AND IF YOU DO NOT HONOUR AND RESPECT THIS AND IF YOU FIND THAT YOU HAVE TO MAKE BLASPHEMOUS REMARKS ABOUT IT, IT IS BECAUSE YOU ARE WELL AWARE JUST HOW MISERABLE THE CONDITIONS YOU ARE EXPOSED TO REALLY ARE. BUT IF YOU WOULD RECOGNISE, LOVE, ACCEPT AND GLORIFY YOUR OWN ORIGIN, IT WOULD BE IMPOSSIBLE FOR YOU TO DERIDE YOUR SITUATION. - TRULY, ALL OF YOU ARE MUCH MORE IMPORTANT AND MORE QUALIFIED THAN YOU APPREHEND, BECAUSE ALL OF YOU HAVE BEEN BEGOTTEN OUT OF **MY PERSON**. BUT IF ONE IS UNAWARE OF ONE'S ORIGIN, UNAWARE OF THE

EXTENT OF THE GIFTS GIVEN, ONE CANNOT REMEMBER NOR CAN ONE MAKE PROPER USE OF ONE'S GOD GIVEN GIFTS.

* * * * *

MANY OF MY CHILDREN HAVE A STRONG AVERSION IN REGARDS TO ACCEPTING ME AS A PERSON, EVEN IF ONLY AS A SPIRITUAL PERSON. WELL, THIS ON ITS OWN WOULD NOT BE SO IMPORTANT, THOSE THAT TAKE OFFENCE MAY SIMPLY CONCEIVE ME AS UNIVERSAL LAW IN ACTION. BUT LAWS HAVE THEIR PURPOSE AND THEIR TRANSGRESSION IS ALWAYS PUNISHED. THOSE THAT THEREFORE REGARD ME AS THE LAW, THE LAW OF NATURE YOU CALL IT, MUST BE QUITE CLEAR IN THEIR MIND ABOUT THE MEANING AND THE EFFECTS OF THIS LAW. IT WILL NEVER DO TO APPLY SUCH AN IMPORTANT AND EFFECTIVE WORD LIKE **LAW** ONLY IN ORDER OF NOT HAVING TO DEAL WITH IT IN THE SLIGHTEST. IF I, THE LAW, DID NOT EXIST, THE UNIVERSE WOULD NEVER HAVE BEEN CREATED, BECAUSE IT DEVELOPS CONSTITUTIONALLY - AND NO LAW IS POSSIBLE, IF THE LEGISLATOR, THAT IS TO SAY, THE INTELLIGENCE IS MISSING. AN OAF MAKES OAFISH LAWS, A WISE PERSON ACTS WISELY AND THIS FROM EXPERIENCE. THE UNIVERSE REPRESENTS THE SUM OF ALL MY EXPERIENCES!

* * * * *

I THEREFORE ASK YOU:

COULD YOU ARRANGE OR CREATE, PLAN, RECOGNISE OR ADMIRE SOMETHING DURING YOUR EARTHLY EXISTENCE, IF YOU HAD NOT BEEN ENDOWED WITH A MIND AND ALL OF YOUR SENSES? - IF I DIDN'T HAVE A MIND AND ALL OF MY SENSES, I COULDN'T DO SO EITHER. YOU COULDN'T BUILD A HOUSE, IF THE SPIRIT THAT RESIDES IN YOU WOULD NOT DICTATE EVERY LITTLE DETAIL TO YOU. THE COMPLETED HOUSE REPRESENTS THE RESULT OF A SERIES OF THOUGHTS, PLANS AND ORDERS WHICH ARE COMMUNICATED TO THE LIMBS, SPEECH AND YOUR FELLOW MAN. MY GREAT HOUSE, THE UNIVERSE, HAS COME INTO BEING IN THE SAME WAY. BUT THE MATERIAL HAS ALWAYS BEEN THE SAME, THE DIFFERENCE BEING THAT I HAVE TRANSFORMED IT OVER EONS OF TIME ACCORDING TO MY CONCEPTS AND DELIBERATIONS.

* * * * *

BE WELL AWARE:

ANY VIOLENCE IS EVIL. ANY COERCION IS A FORM OF VIOLENCE. - WHY, I ASK YOU, DO YOU THINK I DO THIS EVIL? THERE ARE MANY AMONGST YOU WHO DEMAND FORCE OR COERCION FROM ME AND WHO WILL NOT UNDERSTAND ME, BECAUSE THEY ARE FANS OF VIOLENCE AND TORTURE. ONE CANNOT GAIN INSIGHT THROUGH COERCION AND VIOLENCE, ONLY FEAR OF SOMEONE'S SUPERIORITY. BUT YOU ARE NOT SUPPOSED TO FEAR MY SUPERIORITY, YOU ARE SUPPOSED TO HAVE TRUST IN ME. MY SUPERIORITY REDEEMS YOU FROM ALL EVIL - IT WILL NOT BRING YOU MISFORTUNE. ANY MISFORTUNE ALWAYS STEMS FROM YOUR NARROW-MINDED BEHAVIOUR. PLEASE REMEMBER THIS AND ACT ACCORDINGLY!

* * * * *

I AM YOUR CREATOR AND YOUR FATHER AND I KNOW ALL OF MY CHILDREN BY NAME - AND I KNOW THEIR CHARACTER, THEIR WILL, THEIR AMBITIONS OR THEIR MALEVOLENCE AND THEIR IRRATIONALITY. I DECIDE WHERE MY CHILDREN ARE TO RESIDE, AND IT IS IMMATERIAL WHETHER THEY FIND THEMSELVES IN MY REALM OR IN LUCIFER'S REALM. THEY CHOSE THE REALM THEY WANT TO LIVE IN BASED ON THEIR OWN BEHAVIOURISM. MY REALM IS A CLEAN REALM - AND I DO NOT ALLOW ANY OF MY CHILDREN THAT DISTINGUISH THEMSELVES THROUGH THEIR LAZINESS, THEIR IDLENESS OR BY THEIR TERRIBLE DEMEANOUR, TO ENTER, NO MATTER WHETHER WE'RE DEALING WITH WORKERS, PROFESSORS OR THEOLOGIANs. I TEST THE HEART AND NOT THEIR SCHOOL KNOWLEDGE. BE LIKE CHILDREN - BUT BE LIKE WELL BEHAVED CHILDREN!

* * * * *

I HEAR YOUR COMPLAINING, BUT HAVE YOU EVER GIVEN A THOUGHT TO WHETHER I HAVE ANY COMPLAINS TO BRING FORTH? YOU COMPLAIN THAT YOU HAVE TO DEAL WITH ILLNESSES, THAT YOU HAVE TO WORK HARD, THAT YOUR FELLOW HUMAN BEINGS ARE BETTER OFF, THAT YOU FEAR WAR AND THAT I DO NOT PUNISH WRONG. - ILLNESSES HAVE THEIR ORIGIN IN YOUR EVIL PAST, THEY GO BACK THOUSANDS OF YEARS. THE WORK YOU DO CANNOT BE COMPARED TO THE WORK MY CHILDREN ON OTHER PLANETS DO BY A LONG SHOT. BUT YOU SENSELESSLY WORK ON ETERNAL DESTRUCTION, YOU CONSTRUCT, CREATE THINGS WORTHWHILE AND AT THE SAME TIME PLAN ITS COMPLETE DESTRUCTION. YOU DO NOT WORK HARD ENOUGH, I COULD PROVIDE YOU WITH MORE WORK THAN YOU CAN IMAGINE. I COULD SEND YOU A WORLD CATASTROPHE, ONE THAT YOU COULD NEVER IMAGINE. - YOUR FELLOW HUMAN BEINGS ARE NOT BETTER OF, THEY SUFFER FROM INSATIABILITY. THE FEAR OF WAR IS THE FRUIT OF YOUR BEHAVIOURISM! EVERY BROTHER AND EVERY SISTER IS YOUR ENEMY. YOU THREATEN YOUR NEIGHBOUR AND THE

MASSSES THREATEN ALL OF YOU TOGETHER. I DO NOT PUNISH WRONG - WRONG ALONE PUNISHES YOU!

* * * * *

I HAVE NO OBJECTIONS IF MY CHILDREN CALL ME NATURE - AND IF THEY DESCRIBE MY PLANNING AND MY CREATING AS LAWS. THE REASON WHY I AM INTANGIBLE IN YOUR EYES IS NOT YOUR FAULT, BUT REPRESENTS A SHORTCOMING IN YOUR DEVELOPMENT. BUT YOUR OWN CREATIONS AND THE APPLICATION OF MY LAWS, OF WHOSE ORIGIN YOU ARE IN IGNORANCE OF, INCREASINGLY CONCEALS MY ACTUAL CREATION. WHEN COMPARING YOUR OWN ACHIEVEMENTS, WHICH YOU FIND EVER SO BRILLIANT, YOU DENY THE INTELLIGENT CONSTRUCTION OF THE UNIVERSE. - WHEN YOU WERE STILL PRIMITIVE AND STILL UNAWARE OF GOD'S LAWS, YOUR OWN INTUITION TOLD YOU THAT THERE MUST BE A GREATER ENTITY THAN YOU RESPONSIBLE FOR THE CREATION AND THE MAINTENANCE OF THE EARTH. YOU CALL YOUR CREATIONS TECHNOLOGY. BUT WHAT SHOULD YOU CALL MY CREATION?

YOU HAVE A TINY INKLING NOWADAYS ABOUT THE SIZE OF THE UNIVERSE AND ITS POLYMORPHISM. DO YOU STILL BELIEVE THAT THE SHORT LIFE EXPERIENCED BY MY CHILDREN HERE ON EARTH JUSTIFIES THE BODACIOUS CREATION OF THE UNIVERSE? I DID NOT MUSTER THIS STRENUOUS PERFORMANCE, TAKING EONS TO ACCOMPLISH, FOR THIS. MY CHILDREN ARE NOT HERE TO SEE ONLY A MINUTE PART OF THIS PLANET DURING ONE SHORT EXISTENCE HERE ON EARTH - BUT DURING EONS OF TIME, THEY ARE HERE TO SEE THE WHOLE UNIVERSE I HAVE CREATED. YOU DO NOT MAKE ANY GREAT EFFORTS TO CREATE SOMETHING GREAT, UNLESS IT CAN BE FULLY UTILISED TO THE LAST. LISTEN TO MY WORDS - BECAUSE I CAN HOLD BACK EVERY ONE OF YOU.

* * * * *

THERE ARE TWO ENORMOUS THINGS THAT YOU HAVE TO COMPREHEND. CAUSE AND EFFECT. I AM THE CAUSE, THE UNIVERSE IS THE EFFECT. BUT WHAT ARE YOU? ARE YOU A PART OF THE CAUSE OR A PART OF THE EFFECT?

YOUR BODY IS MADE UP OF A COMMUNITY OF MANY, MANY CELLS AND THEY COALESCE TO ONE SYSTEM. BUT YOUR SPIRIT, YOUR SOUL IS NOT A SYSTEM OF CELLS. EVERY SOUL REPRESENTS A SPIRITUAL UNIT, A CELL THAT IS A PART OF ME AS IT WERE. THE WHOLE UNIVERSAL HUMANITY, CONSISTING OF MORE SOULS THAN THERE ARE HEAVENLY BODIES, FORM COMMUNITIES AND SYSTEMS THAT CONSTITUTE MY ORGANISM. YOU WILL FIND IT IMPOSSIBLE TO BELIEVE THAT THERE IS AN ORGAN WITHIN MY SPIRITUAL BODY THAT IS ILL. I CALL THIS ORGAN

“EARTH’S HUMANITY”. SHOULD I HAVE AN OPERATION? I HOPE THAT THIS IMPORTANT ORGAN WILL SOON BE BETTER, BECAUSE CHRIST WILL LAY HIS HAND ON THIS ORGAN - AND WILL HEAL IT IN MY NAME!

* * * * *

MY CHILDREN HERE ON EARTH LIKE TO ENTER CONTRACTS. BUT THESE CONTRACTS HAVE NEVER BEEN ADHERED TO; THEY HAVE ALWAYS BEEN CHANGED OR ANNULLED. YOUR PEACE PACTS HAVE ALWAYS BEEN EMPTY PROMISES. I TELL YOU NOW: YOU WILL NEVER BE ABLE TO ENTER A VALID PEACE TREATY AMONGST YOURSELVES UNTIL YOU HAVE ENTERED A REAL PEACE TREATY **WITH ME!** WITH THE HELP OF MY ANGELS AND PROPHETS, I HAVE OFFERED YOU THIS PEACE THOUSANDS OF YEARS AGO, BUT YOU DID NOT ACCEPT THE CONDITIONS. IN SPITE OF THIS, I HAVE FULFILLED ALL CONDITIONS AND PROMISES AND I STILL FULFIL THEM EVEN NOW AND THIS WITHOUT ANY CHANGES TO THE LAW.

PEACE WITHOUT THE FULFILMENT OF THE CONDITIONS I HAVE SET FOR YOU IS IMPOSSIBLE. THEREFORE BE ASSURED THAT ANY EFFORTS IN REGARDS TO PEACE ON EARTH WILL BE WITHOUT RESULT AND A PURE WASTE OF TIME. LEARN TO RESPECT AND ADHERE TO YOUR CONTRACTS FIRST. I ENTERED INTO A TREATY WITH YOU, ACT ACCORDINGLY AND RESPECT THE PEACE TREATY I HAVE OFFERED YOU AND I HAVE ABIDED BY. AT THE VERY MOMENT YOU ACCEPT MY PEACE TREATY AND FULFIL THE CONDITIONS ON YOUR PART, ACHIEVING FAIR AND JUST WORLD PEACE WILL BE MERE CHILD’S PLAY. SUCH A PEACE WOULD NOT ONLY CONSTITUTE WORLD PEACE AMONGST HUMAN BEINGS, BUT WOULD BE A UNIVERSAL TRIUMPH!

* * * * *

I SEND YOU DOWN TO EARTH. BUT YOU DO NOT BEGIN YOUR EXISTENCE FROM THE MOMENT YOU ARE BORN. YOUR EXISTENCE BEGAN AN INFINITELY LONG TIME AGO, BECAUSE IT HAS ITS ORIGIN IN THE SPIRITUAL REALM. YOU CAN BELIEVE ME WHEN I SAY THAT I HAVE GOOD REASONS TO RESTRICT YOUR MEMORY. ONLY WHEN YOU LIVE IN TRUE LOVE AND HARMONY WITH ONE ANOTHER WILL I GIVE YOU BACK THE MEMORY OF THE ORIGIN OF YOUR EXISTENCE. MAKE AN EFFORT TO ADHERE TO AND TO RESPECT MY LAWS, ESPECIALLY THE LAW OF LOVE. I PERFORM AN INFINITE NUMBER OF MIRACLES, AS EVERYBODY TELLS YOU, BUT I PERFORM NOT ONE SINGLE MIRACLE WITH LOVE!

THIS IS WHY I ADMONISH YOU OVER AGAIN:

LIVE ACCORDING TO THE LAWS OF LOVE, IN PERFECT HARMONY AND HUMILITY AND YOU WILL, LIKE ME, PERFORM AN INFINITE NUMBER OF MIRACLES, WHICH I

WILL CONFIRM AND THERE WILL BE NO SUCH THING AS “IMPOSSIBLE” FOR YOU EITHER!

* * * * *

PRAYER OUGHT TO HELP YOU WHEN YOU’RE IN DISTRESS OR DESIRE SOMETHING! BUT ONLY A FEW ARE AWARE WHAT A PRAYER IS, WHAT POWERS IT HAS OR HOW IT SHOULD BE SPOKEN. I WILL THEREFORE TELL YOU WHAT A PRAYER IS ALL ABOUT. I KNOW THAT MILLIONS OF MY CHILDREN I HAVE SEND DOWN TO EARTH PRAY ON A DAILY BASIS AND THIS FROM THE HEART. I HEAR EVERY PRAYER AND I FULFIL IT ALSO. BUT ONLY A SMALL NUMBER OF THESE PRAYERS RISE ABOVE THE EARTH TO ACTUALLY REACH ME!

BE WELL AWARE:

ALL OF YOUR PRAYERS ARE STRAINED THROUGH THE FINELY WOVEN SIEVE OF MY ANGELS, MESSENGERS OF LIGHT, GUARDIAN ANGELS AND HELPERS!

IF THE PRAYER IS JUSTIFIED, IT WILL PASS THROUGH THIS FILTER AND IT IS BROUGHT TO ME. BUT MOST PRAYERS UNFORTUNATELY GET STUCK IN THE FILTER OF JUSTICE. PLEASE DO NOT BE SO CARELESS WITH YOUR PRAYERS! ALMOST ALL OF YOUR PRAYERS ARE EITHER EGOTISTICAL, ANTAGONISTIC TOWARDS YOUR FELLOW MAN, ARROGANT, DEMANDING OR COMPLETELY IMPRUDENT.

THIS IS WHY I TELL YOU TROUGH MY AUTHORISED ANGELS: FILTER AND SIFT ALL OF YOUR DESIRES AND CRIES FOR HELP THROUGH THE FINELY WOVEN FABRIC OF YOUR MIND, BEFORE YOU BEGIN TO PRESENT THESE WISHES AND PLEAS IN THE FORM OF A PRAYER. IF YOU ABIDE BY THIS, YOUR PRAYERS, WHICH ARE THEN ACTUAL PRAYERS, WILL BE FULFILLED BY ME AND MY ORGANISATION DOWN TO THE LAST DETAIL.

* * * * *

YOU CAN NOT SAY THAT YOU ARE UNAWARE OF INIQUITY. YOU ARE WELL AWARE OF WHAT YOU DO. BUT YOU DON’T RESPECT YOUR WORK AND YOU RESPECT THE WORK OF OTHER EVEN LESS. I HAVE CREATED THE WHOLE SPIRITUAL REALM AND THE UNIVERSE JUST FOR YOU, BUT YOU DISRESPECT BOTH, EVEN MORE SO, BECAUSE I HAVE CREATED IT. YOU NOW WAIT FOR JUDGMENT DAY, BECAUSE IT IS WRITTEN IN THE “HOLY SCRIPTURE”. YOU FOOLS, YOU BELIEVE THAT I AM A DESTROYER INSTEAD OF A CREATOR. - WHY WOULD I ALSO PUNISH YOU, YOU SEEM TO CREATE ENOUGH ADVERSITY FOR YOURSELVES?

I WILL SEND YOU HELP, BUT NOT THE KIND OF HELP YOU EXPECT, BUT THE KIND OF HELP I BELIEVE YOU REALLY NEED. I WILL SEND SCIENCE AND TECHNOLOGY, BECAUSE THESE MEAN MORE TO YOU AT THIS POINT IN TIME THAN ANYTHING ELSE IN THE WORLD. BUT THE SCIENCE AND TECHNOLOGY I WILL SEND YOU WILL, OUT OF PURE SHAME, FORCE YOU TO YOUR KNEES.

* * * * *

I HEAR YOU SAY "GREAT GOD" A BILLION TIMES. BUT YOU HAVE NO CONCEPT IN REGARDS TO GREAT AND SMALL. YOU DO HAVE COINED WORDS LIKE: MICROCOSM AND MACROCOSM, ETERNITY AND DIMENSION. YOU WOULD DEARLY LIKE TO KNOW HOW I REALLY AM, BECAUSE I DO NOT APPEAR TO YOU SUFFICIENTLY VISIBLE. BUT IF I WOULD DO SO, WHAT WOULD HAPPEN THEN? - CHAOS WOULD BREAK OUT ALL AROUND YOU. BUT DON'T BE AFRAID, IT WILL AND SHOULD NOT HAPPEN. BUT WITH THE HELP OF THE TERMINOLOGY YOU HAVE COME UP WITH, I WILL EXPLAIN HOW AND WHAT I REALLY AM:

I AM NOT SOMETHING LARGE, BUT A DIMENSION! A DIMENSION IS A SPHERE OF ONE'S OWN COINAGE. ONE CANNOT PENETRATE A DIMENSION, IF ONE DOES NOT BELONG IN IT. ALL OF YOU DO NOT BELONG IN MY DIMENSION, NOT ONE SINGLE ONE ON EARTH AND THIS IS WHY I REMAIN INCONCEIVABLE TO YOU - INCOMPREHENSIBLE - INDEMONSTRABLE. - BUT I HAVE ARRANGED IT LIKE THAT IN ORDER FOR YOU NOT TO REMAIN ALIEN IN MY EYES FOR EVER. I MAKE YOU MATURE FOR MY DIMENSION. YOU WILL RECOGNISE MY EXISTENCE AND MY POWER ONLY FROM THE DAY WHEN YOU - LIKE ME - LIVE IN ANOTHER DIMENSION. THE DAY YOU DIE IS THE FIRST STEP INTO MY DIMENSION, A STEP INTO MY SPIRITUAL REALM. YOU WILL NOT JUST BE ABLE TO RECOGNISE ALL THE THINGS IN THIS REALM WITH YOU MIND ALONE, BUT ALSO WITH YOUR HEART. IN YOUR EARTHLY EXISTENCE, THE MIND HAS ALREADY SUPPLANTED THE VOICE OF THE HEART.

YOU HAVE PRODUCED THICK VOLUMES OF CODES OF LAW TO PUNISH THE GUILTY AND PROTECT THE JUST. THE JUDGES IN EARTH PERFORM THEIR OFFICIAL DUTIES AND YOU MORE OR LESS FEAR THESE EARTHLY LAWS. I ONLY HAVE A FEW PARAGRAPHS AND NO THICK VOLUMES OF CODES OF LAW, BUT YOU DON'T FEAR THESE PARAGRAPHS OR THE JUDGES, BECAUSE YOU ARE OF THE UNFORTUNATE OPINION THAT YOU CAN HIDE BEHIND DEATH. I FIND ALL OF YOU WHO HIDE BEHIND DEATH, WITHOUT EXCEPTION, AND THROUGH MY JUDGES, I WILL REMIND YOU OF THE PARAGRAPHS ALL OF YOU ARE FAMILIAR WITH.

I KNOW THAT MY WORDS ARE NOT ENOUGH FOR YOU. YOUR FANTASY EXPECTS A FLOOD OF PROFUNDITIES FROM ME. I USE SIMPLE TERMS - AND YOU DON'T LIKE THAT. I DO NOT TALK LIKE A PROFESSOR OR LIKE A POET. I DO NOT ORATE LIKE A STATESMAN OR LIKE A PRIEST. I TALK LIKE A COMMON MAN, A MAN WITH VERY LITTLE EDUCATION - BUT I SPEAK THE TRUTH AND YOU DON'T BELIEVE MY WORDS!

I DO NOT SPEAK TO YOU PERSONALLY THROUGH MY TONGUE OF FLESH AND BLOOD. I DO NOT HAVE A DIFFERENT FLESH AND BLOOD THAN MY CHILDREN IN ORDER TO TALK TO YOU. I SPEAK THROUGH MY SPIRIT, FROM MY EXPERIENCE AND FROM MY SUPERHUMAN PERSPECTIVE. I SPEAK THROUGH THE MIGHT OF MY ANGELS AND THROUGH THE SOULS THAT HAVE COME TO ME. I SPEAK THROUGH MY HELPERS OF FLESH AND BLOOD, WHICH HAVE BEEN TUTORED BY MY AUTHORISED MESSENGERS. - BUT YOU DON'T BELIEVE THEM!

EVERYBODY THINKS I AM TOO SIMPLE, BECAUSE MY SPEECH, AND MY WORDS ARE TOO SIMPLE FOR YOU. BUT MY SIMPLE WORDS SEEM TO BE IMPOSSIBLE TO PUT INTO ACTION FOR YOU. YOUR MISTAKES CONSIST IN YOUR COMPLICATED THOUGHT PROCESSES AND IN YOUR UNREAL FANTASY IN REGARDS TO MY EXISTENCE. I DO NOT ASK YOU TO OBEY ME UNQUESTIONABLY. I ONLY ASK THAT YOU OBEY YOUR OWN **POSITIVE** THOUGHTS. LEARN SELF-DISCIPLINE! LEARN TO THINK PROGRESSIVELY, THAT IS TO SAY, POSITIVE! I DO NOT WANT VASSALS, CRAWLERS, HYPOCRITES, BEGGARS OR PUBLIC ORATORS TO SPEAK ON MY BEHALF. ALL I WISH FOR ARE TRUTHFUL FRIENDS AND VERACIOUS CO-WORKERS TO CONTINUE THE CONSTRUCTION OF THE UNIVERSE. I WANT SOULS ON AN **EQUAL FOOTING**, SOULS THAT STAND BY MY SIDE WITH LOVE, ADVICE AND ACTIONS. I WILL ENDOW THEM WITH ALL OF MY POWERS BY AND BY. -

THINK ABOUT THIS FOR A WHILE!

* * * * *

THE 11TH COMMANDMENT THAT I PROCLAIM TO YOU READS:

“YOU MAY NOT ENSLAVE YOUR FELLOW MAN, THEY ARE MY CHILDREN, YOUR BROTHERS AND YOUR SISTERS!”

NOT ONLY INDIVIDUAL PEOPLE ARE ENSLAVED, BUT WHOLE NATIONS. THEY ENSLAVE ONE ANOTHER OR THEY RECRUIT THEIR BEST SONS INTO MILITARY SERVICE IN ORDER TO ENSLAVE THEM. POLITICS, LAWS, COURTS, AUTHORITIES, ENTREPRENEURS, THE HEAD OF THE FAMILY, THE WIFE, THE LOVER, CERTAINLY THE STRONGER, ALL ENSLAVE THOSE FELLOW HUMAN BEINGS, WHICH OUT OF NECESSITY, KIND HEARTEDNESS OR INFERIORITY HAVE TO PUT UP WITH IT, BECAUSE FINANCIALLY, MENTALLY OR PHYSICALLY THEY ARE THE WEAKER OR THEY HAVE TO SUBMIT TO THE MAJORITY. CONCENTRATION CAMPS, JAILS, BANISHMENT AND FORCED LABOUR ARE VISIBLE ENSLAVEMENTS. THERE ARE A THOUSAND KINDS OF ENSLAVEMENTS. AN AFFRONT OR A VICIOUS WORD IS ENOUGH.

DO NOT ENSLAVE CHILDREN! CHILDREN CANNOT DEFEND THEMSELVES AGAINST THE BRUTALITY OF ADULTS. ENSLAVED CHILDREN AND ADULTS ENSLAVE THEIR FELLOW MAN THE MOMENT THEY GET THE SLIGHTEST OPPORTUNITY. HE, WHO ALLOWS HIMSELF TO BE A SLAVE TO HIS PASSIONS - AND RECREATIONAL DRUGS ARE PART OF THIS - OR HE, WHO ENSLAVES HIS BROTHERS AND SISTERS WITH VISIBLE OR INVISIBLE MEANS, WILL BE ENSLAVED IN TURN BY THE INFALLIBLE JUSTICE OF THE SPIRITUAL REALM. - NOT THROUGH ME, BUT BY THEMSELVES!!

YOU HOLD THE OPINION THAT I AM A GREAT SORCERER. ONE WORD FROM ME OR ONE THOUGHT AND EVERYTHING YOU DESIRE IS HERE. I HAVE TO DISAPPOINT YOU IN THIS RESPECT. THE WHOLE UNIVERSE, FROM THE SMALLEST OF ATOMS TO THE LARGEST STAR, HAS BEEN CREATED THROUGH AN INFINITE AMOUNT OF WORK OVER EONS OF TIME. I AM NOT IMMUNE EITHER, NEITHER IN REGARDS TO DISAPPOINTMENTS OR EFFORT. I SLAVE AWAY WITH GREAT EFFORT, DAY AND NIGHT. I DID CREATE MY CO-WORKERS, BUT I STILL PERFORMED THE BULK OF THE WORK. - BUT I HAVE BEEN LOOKING ON FOR A LONG TIME TO SEE HOW YOU TREAT MY UNIVERSE!

* * * * *

THE 12TH COMMANDMENT READS:

“YOU SHOULD HOLD THE FREEDOM I GAVE YOU IN REVERENCE AND NOT ABUSE IT TO YOUR ADVANTAGE.”

SINCE TIME IMMEMORIAL ONE HAS BEEN FIGHTING FOR FREEDOM; I SIGN THAT FREEDOM IS SOMETHING PRECIOUS. YOU RECEIVED FREEDOM AS A GIFT OF LOVE SO THAT YOU ARE NOT DISADVANTAGED DURING YOUR EARTHLY EXISTENCE. YOU SHOULD BE ABLE TO DEVELOP YOUR MIND, YOUR SENSES AND FEELINGS AND ALSO YOUR FREE WILL IN ORDER TO ENTER MY REALM THROUGH SELF-KNOWLEDGE AND EXPERIENCE, TO THEN RECEIVE THE SYMBOLS OF ABSOLUTE FREEDOM FROM MY OWN HAND.⁸

IN STEAD OF STRIVING FOR FREEDOM, YOU OCCUPY YOURSELVES WITH OPPRESSION AND WITH WARS. FREEDOM REPRESENTS THE ABSOLUTE TRUTH IN REGARDS TO A PEACEFUL EXISTENCE. FREEDOM CANNOT BE GAINED BY FORCE, BECAUSE IT IS THE PINNACLE OF AN INSIGHT! YOU DON'T HAVE TO FIGHT NOR SEARCH FOR FREEDOM, BECAUSE YOU HAVE IT ALREADY. I GAVE IT TO YOU. CEASE TO ABUSE THIS FREEDOM AND IT WILL BLESS YOU!

* * * * *

⁸ The wings of the angels as symbols of absolute freedom.

IT IS SAID THAT I AM THE **CREATOR OF EVERYTHING THERE IS**. - BUT NOBODY CAN UNDERSTAND WHY THERE IS EVIL IN THE UNIVERSE. I HAVE CALLED CREATION INTO BEING, BUT I HAVE NOT QUITE PERFECTED IT. I GAVE EVERY LIVING BEING LIFE AND FREEDOM. BUT EVERY LIFE AND EVERY ENTITY FUNCTIONS DUE TO **MY ETERNAL FORCE** WITHIN. THIS IS WHY EVERY ENTITY IS IN A POSITION TO DEVELOP SOMETHING CREATIVE WITHIN, THE WAY I, THE **FATHER OF ALL THERE IS**, AM CREATIVELY ACTIVE. THE FREEDOM I ENDOWED EVERYBODY WITH GIVES EVERYONE THE POWER TO DEVELOP EITHER POSITIVELY OR NEGATIVELY. IF AN ENTITY DEVELOPS TOWARDS EVIL, IT IS NOT WITHIN MY PRINCIPLE. I ENDEAVOUR TO EXPLAIN THIS TO MY CHILDREN. BUT I AM NOT WILLING TO CHANGE MY LAWS, BECAUSE I LOOK FAR AHEAD! -

MIND YOU: ALL ENERGY ORIGINATES WITH ME, EVIL ALSO USES MY ENERGY; BUT EVIL ITSELF DOES NOT STEM FROM ME, IT DEVELOPED INDEPENDENTLY FROM THE FREEDOM I GAVE YOU. BUT EVIL CANNOT EXIST WITHOUT ME - IT GRADUALLY LOOSES ITS ENERGY, BECAUSE I DO NOT EXPEND ANY ENERGY IN THAT DIRECTION!

* * * * *

IT IS A TERRIBLE TRAGIC THAT MY "LOST SON", MY GREATEST ANTAGONIST AND OPPOSITE POLARITY IS IN FEAR OF ME. IF HE WOULD LOVE ME THE WAY I LOVE HIM, HE WOULD NOT EXPERIENCE THIS FEAR - AND EVERYTHING WOULD BE ALRIGHT.

IT IS AN EVEN GREATER TRAGIC THAT THE PEOPLE ON EARTH HAVE FOLLOWED HIS EXAMPLE. THEY KNOW THAT THEY ACT AGAINST ALL MY COMMANDMENTS AND LAWS - AND THIS IS WHY THEY FEAR EVERYTHING THAT IS OF A HIGHER NATURE. IF THEY WOULD LOVE ME MORE AND IF THEY WOULD SHOW LESS FEAR, EVERYTHING WOULD BE ALRIGHT.

ALL OF THIS TELLS ME THAT MY CHILDREN ABNEGATE MY EXISTENCE, BECAUSE THEY SENSE AND FEAR MY MIGHT. YOUR FEAR OF MY INCONCEIVABLE MIGHT INDUCES YOU TO RUN AWAY FROM ME. BUT THIS IS FOOLISH BEHAVIOUR, BECAUSE NOBODY CAN RUN AWAY FROM ME, EVEN IF THEY CONVINCE THEMSELVES THAT I DO NOT EXIST.

* * * * *

YOU FANCY YOURSELF IN POWER. - WHO HAS GIVEN YOU THESE POWERS? BUT WHO TOLD YOU TO ABUSE THIS POWER? EVERY HUMAN BEING ON THIS PLANET SUSPECTS THAT ANY POWER ORIGINATES FROM MY HANDS. I HAVE THE GREATEST POWER IN THIS UNIVERSE, BUT I HAVE NEVER ENTERTAINED THE IDEA TO USE THIS POWER FOR EVIL. BUT SHOULD I TAKE THIS POWER AWAY FROM YOU? ONCE I GIVE

SOMETHING, I DON'T TAKE IT BACK. BUT I ADVISE YOU URGENTLY TO USE THIS POWER FOR SOMETHING GOOD. THIS POWER IS TIED TO MY LAWS AND MY LAWS ARE INALTERABLE! YOU MAY FLEE FROM ME, BUT YOU CANNOT ESCAPE FROM MY LAWS, THEY APPLY THROUGHOUT THE WHOLE UNIVERSE!

* * * * *

THERE ARE PEOPLE ON THIS EARTH WHO DO NOT WANT TO KNOW ANYTHING ABOUT ME AND THEY TRY TO MASTER THEIR LIFE AND THEIR EXISTENCE BY THEMSELVES. THIS IS A GOOD AND POSITIVE RESOLUTION AND I FULLY SUPPORT IT. BUT IT SADDENS ME TO SEE THAT THESE PEOPLE HAVE BITTEN OFF MORE THAN THEY CAN CHEW, BECAUSE THEY CANNOT DEAL WITH THEIR LIVES ON THEIR OWN. IF I TAKE ALL THEIR HEADACHES AND PAINS AWAY IN ORDER FOR THEM TO REALISE WHO HELPS THEM, THEY WOULD BECOME EVEN MORE DEPENDENT AND THEY WOULD RELY ONLY ON "DEAR GOD". - WHERE WOULD THIS LEAD TO?

I AM OF THE OPINION THAT ONE SHOULD NOT INTERFERE IF ONE IS NOT ASKED TO HELP. BUT IF I DO FURNISH THIS HELP, NOBODY WILL KNOW WHERE IT CAME FROM, BECAUSE ONE SHOULD NEVER UNDERMINE SOMEBODY'S SELF CONFIDENCE. PEOPLE SHOULD ALWAYS REVEL IN THEIR POSITIVE SUCCESSES AND NEVER BE OF THE OPINION THAT THEY DID NOT CONTRIBUTE ANYTHING TOWARDS THESE SUCCESSES.

BLAME ME AS MUCH AS YOU LIKE, BUT DO NOT KILL ONE ANOTHER, THIS IS NOT ONLY INAPTITUDE AND STUPIDITY, NO, IT REPRESENTS THE TERRIBLE SELF MUTILATION OF YOUR OWN SOUL, WHICH I FIND VERY HARD TO HEAL. I PREFER TO DEAL WITH YOUR INSULTS THAN TO DO YOU SOME HARM. LISTEN TO MY MESSENGERS, THEY ARE AUTHORISED TO TELL YOU EVERYTHING!!

* * * * *

AS YOUNG PEOPLE DEVELOP, THEY ENTER A STAGE WHERE THEY DISPLAY A VERY LOUTISH BEHAVIOURISM. STRANGE AS IT MAY SEEM, THIS HAPPENS JUST BEFORE THEY BECOME OF AGE, BECAUSE THEIR DEVELOPMENT IS NOT COMPLETED BY A LONG SHOT. BUT MANY CHILDREN OF THIS PLANET FEEL VERY GROWN-UP AT THIS STAGE. MANKIND ON THIS EARTH AS A WHOLE COINCIDENTLY ALSO SHOWS VERY LOUTISH BEHAVIOURISM. EVEN THE LEADERS ENTRUSTED TO GUIDE MANKIND. YOUNG PEOPLE LOOK TOWARDS THEIR IDOLS, THEIR PARENTS AND EDUCATORS AND THESE DO UNFORTUNATELY NOT PROVIDED THE BEST OF EXAMPLES. WHAT ARCHETYPES ARE ADULTS SUPPOSED TO LOOK UP TO IN ORDER TO ORIENTATE THEMSELVES? - ADULTS CAN ALSO BE VERY IMMATURE!

I DID SEND YOU AN ARCHETYPE, ONE WHO WAS SUPPOSED TO BE A GOOD EXAMPLE TO ADULTS. **CHRIST** HAD THE REQUIRED MATURITY AND HE DID NOT HAVE TO RETURN TO EARTH TO FURTHER HIS DEVELOPMENT, TO LIVE HERE AND SUFFER. **HE WAS MY VOICE!**

MOST OF YOU BELIEVE THAT THE CHRIST I SENT TO YOU HAS NOTHING SUPERNATURAL ABOUT HIM, THAT HE WAS JUST A GOOD AND CLEVER HUMAN BEING. I HAVE NO OBJECTION TO THIS ASSUMPTION, BECAUSE I HAVE CALLED EVERY HUMAN BEING INTO BEING AND THEREFORE ALSO HIM. BUT CHRIST WAS SUPPOSED TO ADMONISH YOU AND REPRESENT AN IDEAL ARCHETYPE FOR YOU IN ORDER FOR THIS “AWKWARD AGE” PEOPLE GO THROUGH, TO FINALLY COME TO AN END. HE WAS SUPPOSED TO BRING ABOUT THE COMING OF AGE OF MANKIND. I WAS VERY DISAPPOINTED ABOUT YOUR NON-SENSIBLE OBSTINACY. - **TO ATONE MEANS: TO BETTER ONESELF!** - I DO NOT EXPECT SADNESS FROM YOU, BUT **JOY!**

* * * * *

THE WAY YOU HAVE PRACTICED RELIGION IN THE PAST, RELIGION IS NEITHER THE UNADULTERATED TRUTH NOR A HEART FELT REVERENCE. IT IS A PURELY EXTERNAL DEMONSTRATION. BUT WHAT DO YOU MAKE OF YOUR POLITICS? MIND YOU, I WILL TELL YOU: RELIGION DEALS WITH GUIDING HUMAN BEINGS. THE SOUL OUGHT TO BE GUIDED INTO MY KINGDOM, IT OUGHT TO BE ENNOBLED AND MADE KNOWLEDGEABLE. IT OUGHT TO ENTER MY SERVICE IN ORDER TO FULFIL THE GREAT PLAN. POLITICS ALSO REPRESENTS THE GUIDANCE OF MAN, MAN OUGHT TO BE GUIDED CORRECTLY, HE OUGHT TO BEAUTIFY AND BETTER HIS EARTHLY EXISTENCE IN A PEACEFUL AND PROGRESSIVE MANNER. ALL OF THIS DOESN'T JUST APPLY AN INDIVIDUAL, BUT INCLUDES ALL OF MANKIND.

I NOW ASK YOU: WHAT IS THE DIFFERENCE BETWEEN RELIGION AND POLITICS? THEIR AIMS ARE ACTUALLY THE SAME. YOU ARE CONFRONTED BY THEM AND BOTH OF THEM ARE: PROGRESSIVE LEADERSHIP!

RELIGION DEALS WITH THE SOUL; POLITICS DEALS WITH MAN'S PHYSICAL EXISTENCE. BUT BODY AND SOUL REPRESENT A UNIT ON THIS PLANET. BUT WHERE IS THE UNISON BETWEEN RELIGION AND POLITICS?

THEREFORE CONTEMPLATE THIS WITH A LITTLE MORE RATIONALITY TO SEE WHETHER YOU DO NOT MAKE A GRAVE MISTAKE: IF RELIGION REPRESENTS SOMETHING SACRED TO YOU, WHY DOES THE SAME NOT APPLY TO POLITICS? - RELIGION SPRINGS FROM LOVE AND THIS CANNOT BE DIFFERENT IN REGARDS TO POLITICS. THIS IS WHY LOVE MUST ALSO PREDOMINATE IN POLITICS, BECAUSE POLITICS ALSO DEALS WITH GUIDING MANKIND AND WHEN APPLIED IN A RESPONSIBLE WAY, THIS GUIDANCE IS ALSO SACRED.

THE PROPHETS SAID: “ALAS, GOD OUR LORD IS SPEAKING.” THEY HEARD THE VOICE OF AN ANGEL WHO COMMUNICATED GOD’S WORDS TO THEM; IT HAS REMAINED THE SAME TO THIS VERY DAY. BUT AS IN THE PAST, PEOPLE ARE OFFEND BY THE WORD GOD OR BY GOD’S VOICE, NO MATTER WHETHER THEY ARE DEALING WITH ANGELS OR MESSENGERS OF LIGHT IN GOD’S SERVICE TO BRING HELP TO THE PEOPLE ON EARTH. WHAT IS OF SINGULAR IMPORTANCE IS **THE MERIT** OF THE RECEIVED INDOCTRINATIONS, YOU SHOULD NOT CRITICIZE THEM, BUT YOU SHOULD GIVE THEM SERIOUS CONSIDERATIONS.

* * * * *

THEREFORE GOD, THE LORD SPEAKS:

I HAVE GIVEN YOU A SOUL; ENNOBLE IT AND MAKE IT PURE AND BRILLIANTLY BEAUTIFUL, IT WAS ONCE TRUE IN ORDER TO BE NEAR ME. - I HAVE GIVEN YOU A BODY FORMED FROM ALL THE MATERIALS FOUND ON EARTH; IT IS THE SOUL’S EQUAL AND IT IS THE SOUL’S MOST TRUSTED FRIEND AND HELPER; TREAT IT THOUGHTFULLY AND REVERE THE LIFE AND THE SPIRIT THAT DWELLS WITHIN IT!

I DID NOT LEAVE YOU ON YOUR OWN, BUT HAVE SURROUNDED YOU WITH A COMPLETE HUMANITY, MADE UP OF MANY RACES, VARIATIONS AND TALENTS. ALL OF THEM ARE YOUR FRIENDS UNLESS YOU MAKE THEM YOUR ENEMIES. OR DOES EVERY HUMAN BEING HERE ON EARTH WANT TO BE ON THEIR OWN? DO YOU NOT NEED THE HELP OF OTHERS?

I ALSO PLACED SPIRITUAL HELPERS AT YOUR SIDE AND THEY ARE SO THOUGHTFUL AND UNOBTRUSIVE THAT YOU HARDLY PERCEIVE THEM. THEY HAVE BEEN TRAINED AND THEY ONLY ADMONISH YOU WHEN YOU MAKE MISTAKES, RESPECTIVELY, WHEN YOU’RE ABOUT TO MAKE A MISTAKE. - I HAVE CREATED A WORLD FOR YOU THAT YOU CAN CONFIGURE ACCORDING TO YOUR FREE WILL, BUT PLEASE LOOK AFTER IT AND PLEASE DO NOT ABUSE THIS BEAUTIFUL HOME YOU RESIDE IN DURING YOUR EARTHLY SOJOURN.

I HAVE CREATED ENTITIES TO POPULATE THE LAND. I HAVE CREATED ENTITIES TO POPULATE THE SKIES. I HAVE CREATED ENTITIES TO LIVE IN WATER. I HAVE CREATED ENTITIES THAT CRAWL AROUND INSIDE THE SOIL. - THE HUMAN BEINGS THAT LIVE ON THIS EARTH HAVE ENDEAVOURED TO EMULATE ALL OF THESE ENTITIES.

I NOW ASK YOU THE QUESTION THAT THE MIND I GAVE YOU CAN ANSWER: WHY DO YOU DOUBT THE FACT THAT I HAVE CREATED A SPHERE WHERE ENTITIES LIVE THAT HAVE NOTHING IN COMMON WITH YOUR **ORGANIC** SENSES?

YOU ARE COMPLETELY AT LIBERTY TO EXPLORE THE SPHERE I HAVE CREATED FOR YOU TO LIVE IN, THE WAY YOU WANT TO EXPLORE THE EARTH, THE WATER, THE AIR AND ALSO SPACE, ONCE YOU HAVE NO LONGER A PHYSICAL ORGANISM AT YOUR DISPOSAL,

* * * * *

EVEN IF YOU WOULD WANTONLY DESTROY YOUR EARTHLY SPHERE, NOTHING WOULD CHANGE IN YOUR EXISTENCE. THIS LIFE REPRESENTS A CONSCIOUS ENERGY THAT WILL ALWAYS REMIND YOU OF ALL THE THINGS YOU HAVE EVER COMPREHENDED, CONTEMPLATED OR SPOKEN. I ALONE CAN ERASE THIS MEMORY, BUT I DO NOT DO SO, BECAUSE IT IS THE EVANGEL OF YOUR OWN JUSTIFICATION. ONLY A PLEA OF JUSTIFICATION ON BEHALF OF YOUR OWN CONSCIENCE CAN IMPRESS ME, BUT NEVER THE EXCUSE THAT YOU DID NOT KNOW ABOUT THE SPHERE THAT EXISTS BEYOND MY EARTHLY CREATION. THE DOORS OF SELF-EDUCATION ARE NOT ONLY OPEN TO THE ILLITERATE, BUT ALSO TO THE LAUREATES OF THE SCIENCES. BUT AN UNSUBSTANTIATED DOUBT STOPS YOU FROM TAKING THIS OPPORTUNITY.

* * * * *

THERE ARE A NUMBER OF PEOPLE WHO TRUST ME. IN ALL DIFFICULT SITUATIONS BY SIMPLY SAYING: "I COMPLETELY TRUST IN GOD." BUT JUST HOW DOES THE REALITY LOOK IN REGARDS TO THIS TRUST, THE WAY I SEE IT?

- FIRST AND FOREMOST YOU SHOULD DEPEND ON YOURSELF WHENEVER YOU CAN.
- SECONDLY, YOU SHOULD HELP ONE ANOTHER, IF YOU CAN'T MANAGE.
- THIRDLY, YOU SHOULD SELECT THE RIGHT LEADER FOR YOUR TOWN OR FOR YOUR COUNTRY AND THEY SHOULD ALSO HELP YOU.
- FOURTHLY, YOU SHOULD NOT COMPLETELY RELY ON ME, BUT MOSTLY ON YOUR HELPERS, BECAUSE YOU ALSO HAVE TO CONTRIBUTE SOMETHING.

BUT WHAT MEANING HAVE YOUR WORDS? I NOT ONLY UNDERSTAND THE MEANING OF YOUR WORDS, BUT ALSO THE MEANING BEHIND THEM. IN MOST CASES YOU ARE OF THE OPINION THAT I AM SO OMNISCIENT THAT I THROW YOUR ENEMIES AT YOUR FEET. BUT YOU ENEMIES ARE ALSO MY CHILDREN! IN YOUR EYES, I AM SUPPOSED TO MAKE THE POOR RICH AND THE RICH POOR. I AM SUPPOSED TO TOPPLE THE DESPOTIC IN ORDER TO PLACE THE WEAK ON THE THRONE. I AM SUPPOSED TO AIM THE CANNONS AGAINST THE ENEMY - SO THAT I CAN LEAD YOU VICTORIOUSLY INTO

PROSPEROUS NATIONS. THE THINGS, THOSE WHO SAY: “I COMPLETELY TRUST IN GOD”, EXPECT ME TO DO WOULD TAKE ME FOREVER TO NUMERATE.

TO PUT IT QUITE BLUNTLY: I DO NOT LIFT ONE FINGER EITHER TO HELP YOU, TO PUNISH YOU OR TO DESTROY YOU. I HAVE CREATED THE WHOLE UNIVERSE AND ALL LIFE IN IT. EVIL CREATION WAS NOT PART OF MY PLAN, BUT I EXPECTED MY POWERS TO BE ABUSED. I MANAGED TO REGULATE EVERYTHING SO THAT APART FROM THE INJUSTICE YOU BRING UPON YOURSELF, NO OTHER INJUSTICE CAN TAKE PLACE. YOU WILL ALWAYS HAVE YOUR SPIRITUAL HELPERS AT YOUR SIDE.

* * * * *

PRAYERS ON THIS EARTH ARE ON THE INCREASE. YOU BECOME EVER MORE AWARE OF THE SITUATION YOU'RE IN. THERE ARE CHILDREN IN THIS WORLD WHO MOCKED ME - AND NOW THEY PRAY! MANY OF YOU ASK ME FOR IMMEDIATE HELP. MANY ASK ME FOR A GLOBAL CATASTROPHE. YOUR PRAYERS VARY IN WHAT THEY DEMAND I FULFIL. - BUT NO MATTER HOW OFTEN YOU PRAY, IT DOES NOT SOUND RIGHT NOR DO YOU CHOOSE THE RIGHT WORDS OR MUSTER THE RIGHT TRUST IN ME.

A HUMAN RACE PRAYS, BECAUSE IT HAS BROUGHT ITSELF TO THE BRINK OF DISASTER AND IS NOW LOOKING INTO A BOTTOMLESS, HOPELESS ABYSS. YOU NOW EXPECT EXTRA-TERRESTRIAL HELP, BECAUSE YOU HAVE LOST YOUR TRUST IN HELP FROM ANY OTHER SOURCE. BUT I ASK YOU: “WHERE IS THE TRUST IN ME AND IN MY HELP?”

IN RESPONSE TO YOUR THOUGHTS I ANSWER: “THIS TRUST IS MISSING!” HOPE IS NOT EXACTLY TRUST BY A LONG SHOT. I FEEL POWERLESS WITHIN MY OWN ORDER AND LAWS. I CANNOT HELP YOU UNLESS YOU PUT **ALL THE TRUST** I SO URGENTLY NEED TO HELP YOU, IN ME.

YOUR TRUST, YOUR PRAYERS, YOUR LOVE AND YOUR HOPES COMBINED CAN REPRESENT AN ACCUMULATIVE SPIRITUAL ENERGY THAT RAISES UP TO ME. THIS WONDERFUL HUMAN SPIRITUAL ENERGY OF LOVE AND COMPLETE TRUST IS AN ENORMOUS ENERGY AND I COULD USE IT TO DO SOMETHING FOR YOU. PROVIDE ME WITH THIS IMPORTANT ENERGY THROUGH YOUR MENTAL ATTITUDE, THROUGH YOUR POSITIVE THOUGHTS AND THROUGH YOUR SINCERE PRAYERS, I WILL THEN DO EVERYTHING I CAN TO HELP YOU!

MY CHILDREN ON EARTH WOULD LIKE TO REIGN THE WORLD. WHAT DOES “REIGN” ACTUALLY MEAN? IT MEANS AS MUCH AS: “EVERYTHING IS SUPPOSED TO CONFORM

TO ONE'S WILL." - WELL, I DO NOT REIGN THE WAY YOU DO, BECAUSE I HAVE NEVER ENTERTAINED THE THOUGHT THAT I ALONE WOULD LIKE TO HAVE TO DECIDED OVER RIGHT AND WRONG AND OVER PROGRESS. I HAVE ALWAYS LISTENED TO THE ADVICE OF MY ADVISORS WHEN IT COMES TO RESPONSIBILITY AND PROGRESS. I WOULD HAVE DEARLY LIKED TO HAVE EXPERIENCED A SITUATION WHERE MY CHILDREN ON EARTH WOULD HAVE BEEN PART OF THIS TEAM OF ADVISORS. BUT THEIR DEVELOPMENT HAS UNFORTUNATELY TAKEN A DIFFERENT DIRECTION.

DO NOT BELIEVE FOR A MOMENT THAT YOU CAN PUT ALL THE BLAME ON THE FALLEN ANGEL. MY SENSE OF JUSTICE IS CERTAINLY CAPABLE TO DISTINGUISH IN WHICH CASES YOU HAVE BEEN THE EVIL ADVISORS OF THAT DEPLORABLE ANGEL OF DARKNESS.

YOU FIND IT EXTREMELY DIFFICULT TO DO ME A FAVOUR, BUT YOU FIND IT MERE CHILD'S PLAY TO SUPPORT THE ANTAGONIST. YOU WOULD DEARLY LIKE TO ACHIEVE SOMETHING SPLENDIFEROUS. WHY DON'T YOU INVESTIGATE THE LAWS OF UNIVERSAL LOVE? YOU CAN NOT IMAGINE HOW BRILLIANT THE RESULTS WOULD BE.

I CONTINUE TO HEAR ABOUT WHAT I WOULD HAVE TO DO TO BRING ABOUT A CHANGE HERE ON PLANET EARTH. I SEEMED TO BE FUMBLER, ONE WHO DOESN'T KNOW WHAT IS GOOD FOR YOU. ALL THE PROPOSALS THAT ORIGINATE FROM SOME OF YOU DEAL WITH THE GREAT REVENGE. THE END OF THE WORLD AND WORLD CATASTROPHES OF UNIMAGINABLE FEROCITY ARE PROPHESED. IT WOULD CERTAINLY BE TIME TO CHASTISE YOU. BUT AM I TO MAKE A WEAK, MISGUIDED, ENSLAVED AND ETERNALLY UNHAPPY HUMAN RACE EVEN MORE UNHAPPY?

I DIRECT ALL OF MY ANGER AT THOSE THAT PROPHESEY SUCH MISERY IN MY NAME. MY ANSWER IS: **LOVE**. MY ACTIONS ARE: **JUSTICE**. MY JUDGMENT IS: **REGRET**. - I TURN AWAY FROM THE EVIL TONGUES THAT ABUSE AND BETRAY MY LOVE. THIS IS WHY I SAY TO YOU THROUGH MY MESSENGERS: WHATEVER IS GOING TO TAKE PLACE WILL ALWAYS BE OF YOUR OWN DOING AND A RESPONSE TO IGNORING MY LAWS, WHICH HOLD THE WHOLE UNIVERSE TOGETHER.

YOUR DESTRUCTION IS NOT MY WILL AND I WILL ENDEAVOUR TO PUT A BAND-AID ON ALL OF YOUR WOUNDS. BUT I WILL HAVE TO CHASTISE YOU ALSO AND THIS BASED ON REASONS OF ORDER AND JUSTICE. BUT I WILL NOT PUNISH YOU WITH A CATASTROPHE, SOMETHING YOU HAVE CONJURED UP ALREADY. I WILL PUNISH YOU WITH CLEMENCY AND LOVE, EVEN THOUGH I AM AWARE THAT THESE INDOCTRINATIONS WILL NOT BE PLEASANT.

NOT ONE OF MY CHILDREN IS LOST, BUT I AM AGGRIEVED THAT THERE ARE SO MANY AMONGST THEM THAT HAVE TO TRAVEL ON A JOURNEY OF WOE, BECAUSE THEY DO NOT WANT TO BELIEVE IN MY GREAT CREATION.

* * * * *

YOU COMMUNICATE WITH ONE ANOTHER THROUGH LANGUAGE, BUT YOU DO NOT UNDERSTAND ONE ANOTHER CORRECTLY. YOU HAVE SO MANY LANGUAGES AND MANY, MANY DIALECTS. YOU ALSO HAVE A LANGUAGE OF PRIMITIVES AND THE LANGUAGE OF SCHOLARS, THE LANGUAGE OF THE STAGE AND THE LANGUAGE OF POETS AND JOURNALISTS, THE LANGUAGE OF TRUTH AND LIES, PROPHETS AND VISIONARIES.

I ALSO HAVE A LANGUAGE: THE LANGUAGE OF THE HEART - OF LOVE. I USE TERMS OF LOVE, PATIENCE, JUSTICE AND MERCY. WHEN I SPEAK IN MY LANGUAGE I USE MY TERMINOLOGY AND HE, WHO HEARS MY VOICE, CANNOT UNDERSTAND IT, BECAUSE HE CANNOT TRANSLATE MY TERMINOLOGY INTO HIS MOTHER TONGUE, BECAUSE EVERY HUMAN BEING IS HIS OR HER OWN TRANSLATOR. BUT WOE IF THE MOTHER TONGUE PREFERS TO USE NEGATIVE WORDS ONLY, WHEN THE LANGUAGE HAS BEEN NEGLECTED OR IF IT HAS BEEN CONTAMINATED BY NEGATIVE THOUGHTS AND THE PURE PLEASURE ON SOMETHING DEBASED.

HE, WHO HEARS MY VOICE UNDER THESE CIRCUMSTANCES AND EVEN IF HE IS THE GREATEST PROPHET, WILL NOT BE ABLE TO TRANSLATE MY WORDS AND MY TERMINOLOGY. HE WILL TRANSLATE THE TERM "CHASTISE" INTO CATASTROPHE AND THE WORD "LOVE" INTO SENSUAL DESIRE. HE WILL HARDLY BE ABLE TO UNDERSTAND AND PROPERLY REPLACE ONE TERM AND HE WILL DRAG MY ACTUAL WORDS THROUGH THE MUD OR PRESENT ME AS AN AVENGER IN STEAD OF THE UPHOLDER OF JUSTICE.⁹ - I TALK TO MANY PEOPLE, BUT NOT ALL OF THEM CAN TRANSLATE MY WORDS CORRECTLY, BECAUSE THEY HAVE NEVER PROPERLY LEARNED TO DO SO. I ALSO TALK TO STATESMEN, BUT THEY DO NOT UNDERSTAND MY WORDS, BECAUSE THEY NEVER LEARNED THE LANGUAGE OF LOVE, BUT THEY CERTAINLY UNDERSTAND EVERY TERM THAT DISOWNS ME.

EVERY YEAR THE FESTIVAL OF LOVE IS CELEBRATED (CHRISTMAS). IT IS CELEBRATED WITH OR WITHOUT LOVE, WITH OR WITHOUT FAITH. BUT THE SYMBOL OF LOVE REMAINS THE GIVING OF GIFTS, WHICH SHOULD ACTUALLY COME FROM THE HEART. I ALSO HAVE TO GIVE MY CHILDREN A GIFT THAT COMES FROM THE HEART, ESPECIALLY TO THOSE WHO CELEBRATE THE FESTIVAL OF LOVE WITHOUT LOVE OR WITHOUT FAITH OR EVEN REJECT IT ALTOGETHER. MANY PEOPLE - I MEAN MY CHILDREN - ARE OF THE OPINION THAT THE WHOLE UNIVERSE WITH ALL ITS LIFE FORMS DEVELOPED AND ARRANGED ITSELF OF ITS OWN ACCORD. TO SIMPLIFY THINGS A LITTLE THEY CALL THIS INEVITABLE DEVELOPMENT "NATURE AT WORK."

MAN, WITH ALL HIS ABILITIES AND HIS INTELLIGENT SKILLS, REPRESENTS THE HIGHEST DEVELOPMENT WITHIN NATURE. BUT NOTHING COMES INTO PERFECT

⁹ The interpretation of the bible verifies this very clearly.

BEING AT THE BLINK OF AN EYE. IN ORDER TO EXIST, THE UNIVERSE ALSO NEEDS A BEGINNING. NATURE ALSO HAD TO HAVE A BEGINNING EONS OF TIMES AGO. BUT IF NATURE DEVELOPS ALL BY ITSELF IN A NATURAL WAY - THE WAY YOU IMAGINE IT - IT MUST INITIALLY HAVE STARTED WITH CREATION; MAN WAS NOT ITS FIRST DEVELOPMENT, BUT THE FATHER AND CREATOR - NAMELY I DEVELOPED FIRST.

I AM "NATURE'S" FIRST CREATION; I AM THE FATHER, THE ANGEL. AN INCONCEIVABLE NUMBER OF PEOPLE ARE THE SPIRIT'S SOUL-CHILDREN. WHY DO YOU DENY YOUR OWN SPIRITUAL PATERNITY? NATURE CERTAINLY CALLED YOU INTO BEING WITHIN ITS OWN DEVELOPMENT, BUT I AM YOUR PREDECESSOR, THE NATURE'S SUPERLATIVE MATRIX, THE MATRIX OF YOUR OWN EXISTENCE. WHAT IS YOUR OBJECTION, THE FACT THAT THE LAWS OF NATURE CREATED ME FIRST? BUT WHAT IS NATURE? IT IS AND ALWAYS HAS BEEN MY ENORMOUS ENERGY, WHICH CONTINUOUSLY FORMED AND THIS WITH AN EVER INCREASING INTELLIGENCE.

* * * * *

I WOULD LIKE TO EXPERIENCE A SITUATION WHERE YOU ON EARTH COMPREHEND MY PERSONALITY THROUGH A COMPLETELY NATURAL AND EFFORTLESS THOUGHT PROCESS. THE WAY YOU HAVE ADORED AND REVERED ME IN THE PAST DOES NOT COMPLY WITH MY WILL AND IT NEITHER BEFITS YOU NOR ME. I ABHOR SENSELESS LITANY AND YOUR LAMENTATIONS ABOUT YOUR GUILT. I ALSO DO NOT ASK OF YOU TO ROMANTICISE MY GLORIOUSNESS AND GRACIOUSNESS. I ONLY DO WHAT MY KNOWLEDGE AND MY EXPERIENCE TELLS ME IS RIGHT.

ALL YOUR MANY INDIGNITIES DO NOT HURT ME, BUT THE INDIGNITIES YOU INFLICT ON THOSE THAT SIN IN IGNORANCE HURT ME. THE WAY YOU PRESENT ME DOES NOT COMPLY WITH THE ORDER OF THINGS NOR THE FACTS. TRY TO CONCENTRATE MORE ON THE SPIRITUAL REALMS AND LESS ON MY PERSONALITY.

* * * * *

THE SPIRITUAL REALM IS PART OF THE INTELLIGENT WORLD. MY LAWS DO NOT WORK IN A WAY THAT THE SPIRITUAL REALM IS COMPLETELY EXCLUDED FROM THE PHYSICAL WORLD. YOU HAVE THE OPPORTUNITY TO CONFIRM FOR YOURSELVES AT ANY TIME THAT A SPIRITUAL EXISTENCE IS A REALITY. THE BIGGER YOUR KNOWLEDGE WITHIN THE NATURAL SCIENCES GROWS, THE MORE I BECOME AWARE THAT YOU CANNOT GRASP THE COMMONPLACE ACTIVITY OF THE SPIRITUAL ANYMORE.

I HAVE TO CONFESS THAT A "PRIMITIVE " COLOURED PERSON FROM THE SPIRITUAL REALM UNDERSTANDS MORE THAT A WHITE PUNDIT. KNOWLEDGE IS SUPPOSED TO

BRIGHTEN THINGS UP AND NOT MAKE THINGS DARKER. IT HAS NEVER BEEN MY INTENTIONS THAT THE SPIRITUAL REALM SHOULD BE A MISTERY TO YOU. ACT ACCORDING TO THE REVELATIONS THE SPIRITUAL REALM TRANSMITS TO YOU.

* * * * *

IT IS WRITTEN THAT I HAD CREATED MAN IN MY IMAGE. THERE IS NOTHING IN MY IMAGE THROUGHOUT THE UNIVERSE I HAVE CREATED. BUT THERE ARE A NUMBER OF GREAT SPIRITS THAT ARE A BIT LIKE ME IN REGARDS TO THEIR THOUGHTS AND ACTIONS. THE ASSUMPTION THAT MAN IS IN MY IMAGE LEADS TO THE FALSE CONCLUSION THAT I WOULD HAVE TO BE LIKE A HUMAN BEING. FOR AS LONG AS MAN TRIES TO FIND THE SLIGHTEST SIMILARITY WITH ME, HE WILL NOT BE ABLE TO FATHOM MY EXISTENCE. EVEN MY SENSES ARE DIFFERENT FROM YOURS. I CAN CERTAINLY THINK, SEE, SPEAK AND HEAR, BUT THIS TO AN EXTENT THAT IS UNIMAGINABLE TO YOU, BEYOND COMPARISON. ONLY A PRIEST ON EARTH COULD HAVE THE ARROGANT IDEA AND SAY THAT I HAVE CREATED MAN IN MY IMAGE. THIS COMPARISON WITH ME IS LUNACY. I DID NOT GIVE THIS PRIEST THE AUTHORITY. JUST LIKE EVERYBODY ELSE, HE DID SO OF HIS OWN ACCORD.

* * * * *

THERE ARE MANY AMONGST YOU WHO CHALLENGE ME. THEY DO SO UNDER THE FALSE ASSUMPTION OF THEIR ALLEGED SIMILARITY TO GOD. **I HAVE NEVER SHOWN MYSELF TO ANY LIVING PERSON ON EARTH AND I WILL NEVER DO SO.** BUT I CREATED A CHANNEL WHERE MY MESSENGERS CAN GO BACK AND FORTH IN ORDER TO MAINTAIN THE CONNECTION BETWEEN ME AND YOU.

MUST LOVE HAVE FORM? MUST JUSTICE BE CLOTHED IN GARMENTS? MUST HARMONY BY NECESSITY HAVE ARMS AND LEGS? I DO HAVE SHAPE, BUT IT IS NOT THE SHAPE OF A HUMAN BEING. I AM PERCEPTIBLE TO EVERY HUMAN BEING, BUT NOT TO THEIR ORDINARY SENSES. ONLY THEIR SOUL'S HEART AND FEELINGS CAN GRASP ME. ALL OF YOU SENSE MY PRESENCE, BUT THAT IS NOT ENOUGH FOR YOU.

YOU CONTINUE IN YOUR ENDEAVOUR TO IMPROVE YOUR TECHNOLOGY. YOU ARE PROGRESSIVE IN THE FIELD OF RADIO WAVES, BUT NOT IN WHAT YOU USE THEM FOR. MOST OF YOU KNOW WHAT A COMMUNITY ANTENNA IS. WELL, I ALSO HAVE CREATED A COMMUNITY ANTENNA AND IT IS AT THE DISPOSAL OF EVERYBODY ON EARTH, FREE OF CHARGE. - WHY DON'T YOU MAKE USE OF IT?

THE TRANSMISSIONS COMING FROM MY REALM ARE INFINITELY MORE PRECIOUS AND MORE INTERESTING THAN ALL OF YOUR ENDEAVOURS IN THAT DIRECTION. EVERY HUMAN CHILD IS A GOOD RECEIVER. BUT UNFORTUNATELY YOU ARE ALL

INCORRECTLY CONNECTED, NOT EARTHED PROPERLY OR THE POLARITY IS WRONG OR YOU PREFER THE LISTEN TO PIRATE STATIONS WHOSE GRUESOME AND FALSIFIED SENSATIONS PLEASE YOU ENORMOUSLY.

MY SENDER USES A FREQUENCY THAT EVERY ONE OF YOU CAN RECEIVE. ALL YOU HAVE TO DO IS TO TUNE IN ON THE CORRECT WAVELENGTH AND YOU WILL BE SURPRISED. BUT IF YOU GO TO THE TROUBLE OF THINKING POSITIVE, YOU WILL ENGAGE YOUR OWN AMPLIFIER AND THE RECEPTION WILL IMPROVE DAY BY DAY.

A GREAT TECHNOLOGICALLY ADVANCED PEOPLE LIVES ON THIS EARTH. BUT HOW LITTLE DO YOU KNOW IN THE FIELD OF SPIRIT-TECHNOLOGY? YOU CALL IT MEDITATION. BUT MEDITATION DOES NOT GUARANTEE THE CORRECT RECEPTION. ONLY WHEN ALL OF YOU TOGETHER ARE CONNECTED TO THE GREAT COMMUNAL ANTENNA OF THE UNIVERSE WILL YOU ENJOY THE GREAT COMMUNAL RECEPTION COMING FROM THE UNIVERSE AND IT WILL CONVEY HARMONY AND ENDURING PEACE TO YOU.

BUT I WARN YOU ABOUT EVERY

AMATEUR AND PIRATE STATION OUT THERE IN THE UNIVERSE!

THE END
