Protocol extracts from the *Menetekel* brochures of 1956 - 1975

Theme : **JESUS CHRIST**

**Addenda** from the *Menetekel* 1956 – 1975

Questioner : Psychic Peace Circle, Berlin (Medialer Friedenskreis, Berlin)  
 Mediums : Uwe Speer (17) and Monika-Manuela Speer (15)  
 MESSENGERS of LIGHT : ELIAS, ARGUN, AREDOS

The Medialen Friedenskreis Berlin, a Christian/Spiritual community, psychically received the texts to this theme between the years of 1956 to 1975. These transmissions are a part of the *Menetekel*, a collection of 4,500 A4 pages of freshly catalogued protocols, amassed over 20 years. All of these mediumistic messages were left in their original form, even if similar questions were repeated. The work of the two mediums began when they were 15 and respectively 17 years old. The total production of the MFK-Berlin (Medialer Friedenskreis Berlin), the *Menetekel* and the 21 transmissions from the space-brothers are considered the absolute pinnacle of psycho-scientific research. Other spiritual circles have often tried to copy the work of the MFK, but its quality was never achieved. The reproduction and distribution of these rearranged messages and protocols is *explicitly encouraged* and is not covered by any copyright.

## Preface

CHRIST gave people the certainty of their survival after death.

This phenomenon does not just correlate in respect to CHRIST.

It unexceptionally correlates to *all* human beings.

The *Psychic Peace Circle, Berlin* received this assurance during one of its séances.

Bad Salzuflen, June 2009

*Years 1956 – 1958 (incomplete)*

**In regards to Christmas** (Author: H. V. Speer, 1956)

*“GOD loved the world so much that HE give his only son so that all that believe in him are not lost, but have eternal life.”*

The LORD’S angels proclaimed the arrival of the SAVIOUR.

The LORD’S angel still proclaim glad tidings *these days*. They proclaim a *New Age* and the salvation of terrestrial mankind from its faithlessness, which only brought us wars and misfortunes up to now.

The glory of the LORD still lights the way for us *these days*, even though the battle between good and evil is in full swing. GOD cleansed the heavens and the same GOD will cleanse the Earth, this is why CHRIST lived on Earth before us. He was the first LIGHT in the terrestrial cleansing process. He will certainly complete the task he started in GOD’S name.

Christmas is the festival of divine LOVE. PRESENTS are also given in the hereafter during those days, above everything else, RAYS of LIGHTS are sent to the unfortunate living in DARKNESS. But the DELIVERED also participate in giving one another heavenly GIFTS:

- *The GUARDIAN ANGELS for instance receive their PAY at Christmas, because CHRIST shows himself in his LIGHT that shines so powerful and bright that only refined souls can bear to look at it.*
- *The nominations of GUARDIAN ANGELS, MESSENGERS of LIGHT, BEARERS of LIGHT and the LORD’S ANGELS take place at Christmas.*

We spiritualists, who know more about the truth than most of our fellow men, should also *participate* in the blessings of the divine LOVE.

- *We can easily present our departed relatives and also other soul in the WORLD of the SPIRIT with gifts by offering them our LOVE. We can do so through our genuine intercessions and prayers. Even the tiniest prayer can connote hope and joy.*
- *But mighty and powerful are prayers these days that are send into the divine universe by groups or communities.*

The *Psychic Peace Circle, Berlin*, who is also involved in the common cause of Christian salvation, wishes all friends and seekers in this world and in the world of the hereafter a happy and healthy Christmas and GOD’S peace. – Amen.

\* \* \* \* \*

Our otherworldly GUIDANCE continuously emphasises that they are bound by the truth and that they prefer to remain silent to using excuses or white lies.

- *All of us, and especially us spiritualists who are aware of the truth, should also abide by this truth. GOD cannot use liars and those with secretive manners!*

How often have we tried to lead other human beings to the LIGHT, to tell them about our insights and our knowledge? But we unfortunately live on a spiritually dark planet and mainly encounter doubters that *believe* to know the truth, namely the truth of a bitter death and a wasted life, one without sense or grace. These people do *not* want to discuss GOD or spiritualism with us, they simply say: “*You are crazy!*”

We then get to a point where we *fail*, because we confess to ourselves that we do *not* like to be regarded as crazy, least of all when dealing with a friend or an acquaintance. We *prefer to remain silent*, because it seems senseless to continue a conversation about the facts of the supernatural.

In one sentence: *We lack the courage to tell the truth!*

We support faithlessness and promote EVIL through such an attitude, because doubt triumphs over our retreat and feels justified. Even though we cannot convince a hardboiled doubter all that easily, we should not give him *even more* courage to blaspheme by feeling embarrassed.

The prophets of antiquity were a shining example of telling the faithless the truth *under any circumstances* and they were even prepared to be stoned.

- *We should not squabble with one another, because this does not make a good impression. We do however have the moral duty and the absolute divine assignment to disclose an acknowledged truth, one we received through divine grace, to other people.*

Therefore dear friends of the spirit, do not heedlessly throw spiritual scripts aside, even if you are already in the know by having read everything.

- *Pass every message on and at the same time pray for those around you so that they may be graced with a better understanding.*

Please fulfil this request or send this information, the *Menetekel*, to those that seek the truth or research the spirit, ergo to another one of GOD’S children. We require *a lot of* praying people to support the important work that we do in GOD’S vineyard, because we are always exposed to attacks from our enemies!

## Questions and answers

Question : How was JESUS CHRIST procreated?

ARGUN : He was procreated the way *all human beings* are procreated, the difference being that GOD commanded his SON to select his parents, they had to be devout. This was also a great test for his parents. But the mother of JESUS was as pure as the Church proclaims her to be in spite of this. It is said – and this is a mistake in the Bible: “*The Holy Spirit*” had something to do with it.

- *Every spirit is holy if he subjects himself to GOD and if he allows his LOVE for the LORD to shine throughout the universe.*

Question : You said that “the mother of JESUS was as pure as the Church proclaims her to be”.

Could you tell us something about chastity, ergo about the saying “you should live a chaste and modest life”? This has nearly turned into a global problem these days.

ARGUN : This was saying that:

- *You may live a free life according to the divine LAWS, but you may not deviate from the path by conjuring up EVIL when you trespass against morals, good manners, decency and respect for those around you.*

Question : The Holy Scriptures say that JESUS CHRIST is the FATHER’S own son. You told us that other planets *also* had saviours. What are we to make of this?

ARGUN : If GOD had told the prophets at that time that: “GOD has lots of sons, but only *one* on Earth and *lots more* on *other* planets, they would not have comprehended this, because what could they possibly have imagined this to mean? They had no idea about what stars were made from. Whether they had planets with vegetation on them? Whether they were dealing with a sister-planet, one that was also inhabited by people like here on Earth? They would not have comprehended any of this at that time.

\* \* \* \* \*

Question : The journal “*Occult voice*” published the message: “I can tell you that I carry all of you within me, from eternity to eternity”. Can you please clarify this?

ARGUN : My dear friend, this refers to ETERNAL LOVE, we carry it within us throughout all eternity.

Question : We would like you to hear from you something about the *forgiving of sins* through JESUS CHRIST. Can you tell us something about this?

ARGUN : Every human being basically knows deep down – and may he or she be ever so asinine - that JESUS CHRIST did *not* mean that all sins, ergo past, present and future sin, will be forgiven through his death right from the start.

- *He did forgive sins, namely those that were committed then and this was accompanied by instructions. People are supposed to follow these in order to not commit any more sins.*

Do people believe that they require a *new* SAVIOUR, one that will once again suffer on *their behalf* in order to then die for them so that his death will again connote the forgiveness their sins? – There are plenty of people around that believe this.

CHRIST will return one day, when mankind has been cleansed of all its sins. Hundreds of years will pass before this happens – but *not* millennia. There is a consolation, GOD has ALLIES and they will make provisions for the great cleansing from guilt of mankind.

Question : Are we dealing with Ufonauts here?

ARGUN : Yes, Ufonauts indeed.

\* \* \* \* \*

Question : Can all pious people experience the presence of the spiritual CHRIST or does this phenomenon require a certain level of maturity?

ARGUN : *Every human being has this opportunity. CHRIST does however select the ones he wants to appear to himself. He also enters the darkest SPHERES, because he knows no fears. Nobody can touch him, not even Lucifer.*

CHRIST has saved many poor souls, that is to say, a previously obdurate soul *suddenly* sees CHRIST and looking *at itself* received the shock of its life, because CHRIST is so bright and radiant, whilst the parsimonious, obdurate soul is so *dim* and *dark*. This soul then feels the ardent desire to follow CHRIST immediately. HIS radiant LIGHT draws the soul from the darkness.

Question : Do these deceased souls sense something when their relatives *meditate*?

ARGUN : If you mean *praying*, *absolutely!* Prayers rate *higher* than meditation. It is best to undertake meditation in the following manner. This type of meditation strengthens one's health and it promotes healthy thought processes:

- *To sit quietly in a chair. Not lying down!*
- *To fold one's hands and to position them over one's main nervous system, ergo over one's stomach (Plexus Solaris).*
- *To breathe quietly and unrestrained.*
- *To pray – and to entertain positive contemplations about GOD.*

Question : There are lots of books that recommend various methods. Which one is the right one?

ARGUN : A lot of people had success with some of these methods. The breathing part is very healthy for the body. One can take *small* breaths, they shouldn't put a direct stress on the body. A lack of oxygen makes you tired and this creates better meditations. *Visions* can arise and *clairaudience* and *clairvoyance* can also be part of the experience. But taking your body into consideration, *we advise you against this.*

- *Breathe calmly, slowly and relatively deep, but without effort.*
- *The room must be darkened and candlelight is important.*
- *Good music and a fine, nice scent in the air have a promoting effect.*

These are the best prerequisites for a good meditation. Harmonious music provides the best support.

One can also explore *new* avenues, but one has to be *very careful* because some of these exercises can lead to *black magic*.

- *Frankincense is advantageous.*
- *The scent of flowers also.*
- *Rose water is advantageous.*

But please be very careful with using *perfumes*, because these scents can easily lead in an erotic direction and this is dangerous. Eroticism is generally dangerous anyway. You should, if it is possible, prefer *natural*, good and pleasant scents. It is certainly a question of expense. The good products are better than cheap ones.

\* \* \* \* \*

Question : CHRIST said: “*Go forth and teach all nations.*” So why are so many missionaries murdered?

ARGUN : My child, why? – *They are protected, but their physical bodies are not.*

## The importance of CHRIST in spiritualism

Even in this age of science and technology, *spiritualism* is not sufficiently known. We receive information about life after death from those that have already tread the path to the WORLD ABOVE. Supernatural connections are easier to establish than one assumes. All of these contacts are erroneously called “*spiritism*” across the board. *Spiritism* and *spiritualism* are however two *different* concepts!

*Spiritism* represents a connection with the OTHER WORLD that explores and utilises *all* possibilities. This connection does however *not* exclude contact with the *lower* SPHERES. Unrefined spirit beings can cause considerable derisiveness when their messages are gullibly accepted. The hereafter *cannot* be equated with “heaven”. Spirit beings also have a certain amount of freedom and independence.

*Spiritualism* is the kind of research into the hereafter that likes to *avoid* any types of hoaxes and blasphemies if at all possible. Translated, the word spiritualism actually means: *Refinement of the soul*. One can see spiritualism as an *experimental religion*; therein consists the great difference to the Christian Churches, they only deal with and interpret *traditional* scriptures and revelations. Their religion demands belief in traditional accounts and revelations *without offering visible evidence*. *Spiritualism* is *not* content with the belief in these revelations, it looks at their development and *through experiments, verifies* the facts behind all spiritual INFLUENCES and MIRACLES.

The WORD of GOD is a fountain of the truth, one the prophets of antiquity already scooped from. This FOUNTAIN of divine spiritual energy and intelligence has *not* dried up. It will flow *forever*. Christian Spiritualism is still scooping all its doctrines from the *self-same* FOUNTAIN even now. There is certainly some spiritistic FILTH amongst it, but this is where the great assignment of the

Christian Spiritualism is to be found, namely to remove all filth with the help of the mind and with good will.

CHRIST used the *same* FOUNTAIN of revelation and he taught his disciples how they could best scoop knowledge from this FOUNTAIN of TRUTH.

- *CHRIST was the founder of the first Christian-Spiritual circle.*

When CHRIST left the Earth, the psychic development clearly showed itself on the day of the *Outpouring of the Holy Spirit*. The disciples of the CHRIST-CIRCLE publicly displayed their eminent abilities as foreign language *trance mediums*.

- *The Christian Revelation Spiritualism is these days still guided by the archetype. Such circles trustingly place themselves under the protectorate of the great master JESUS CHRIST.*

Christian confessional Churches do indeed *turn up their noses* at this, but this kind of behaviourism has naturally its human reasons. *Spiritualism* does *not* infringe upon the freedom, the self-responsibility and the individual decision making ability of terrestrial human beings and it *doesn't* make empty salvation promises either. The salvation, according to the formulated spiritualistic doctrines, *only* takes place through the refined *change of the soul's character*.

The Churches on the other hand demand complete *subjugation* from people. They promise *beatitude, eternal sleep or damnation*. If the Churches would utilise the divine fountain of truth with the help of trained psychics, they would be reprimanded over and over again by GOD'S spiritual REALM, respectively by the CHRIST-SPHERE and – already sensing this - this is a risk they are not willing to take.

## Questions and answers

*September 1958*

Question : Dear ARGUN, is it true that CHRIST appeared in Mexico after his resurrection? Thousands of Jews were supposed to have immigrated to there and he is supposed to have appeared to them. Is this correct? The Mormons also assert the same.

ARGUN : This was another HIGHER SPIRIT. One immediately thinks that one is dealing with CHRIST when a *similar* ASTRAL FORM is seen.

*November 1958*

Question : Was CHRIST the direct procreation of GOD, meaning, did Joseph play no part in it?

ARGUN : Joseph really didn't play a part in this case. It was a divine development, one could call it a mutation.

- *The conception was supernaturally materialised.*

This gives CHRIST the actual claim to be called GOD'S SON. He is therefore the direct

BEARER of GENES of the divine character.

*Volume 1959*

Question : One talks about GOD’S almightiness. –Does CHRIST have *no* power over his Church?

AREDOS : CHRIST does have *full* power over his Church – but the *application* of this power would *not* be in complete harmony with GOD’S PLAN. This is why GOD and not CHRIST has the *last* word.

- *GOD does not coerce any human soul to accept the true faith, he reigns with infinite LOVE instead.*

*May 1959*

Question : CHRIST’S *shroud* that is stored in Turin was shown on television yesterday. Is CHRIST’S sweat-cloth genuine?

ARGUN : That’s the way it is on this Earth, namely that people are full of doubts, scepticism and mistrust. The truth and justice require a lot of time to break through and they often forfeit so much of their energy that one finds them difficult to believe.

- *The Shroud of Turin is genuine!*

*July 1959*

Question : Various friends hold the opinion that seeing the Cross awakens memories of the stake. They think that it is not a pleasant symbol. How do you assess this?

ARGUN : IT is *absolutely sacred* and untouchable in our REALM.

- *The Cross is sacred to the highest degree!*

### **Death and resurrection** (Author: H. V. Speer)

CHRIST was GOD’S plenipotentiary.

- *CHRIST is the trustee of the solar system’s planet Earth these days. The whole terrestrial mankind has been placed in his trust, the living as well as the otherworldly who once lived on Earth.*

*Church dogmas* guide people towards *false* hopes and disappointments.

- *Souls do not rest, they do not sleep and they are also not devoid of memories and consciousness.*
- *There isn’t a single soul that has to wait for the “Judgment Day”.*

CHRIST died the death of a martyr. He died the way every terrestrial human being that is tortured to death dies. But CHRIST resurrected on the third day and he showed himself in the here and now,

even though he had already crossed the threshold of his terrestrial life.

- *CHRIST thereby verified to mankind here on Earth that there is no absolute death.*
- *All human beings throughout the universe are immortal. Because GOD is immortal too!*
- *All souls are awakened to full consciousness immediately after they leave their physical existence; but only a few can show themselves or converse with the here and now.*
- *CHRIST died because of the intolerance of the priests. He said to the fellow on the cross next to him: "Truly I say unto you, you will be with me in paradise today." CHRIST was talking about an otherworldly SPHERE.*

Those that enter GOD'S REALM should *leave* their hatred and their discontentment here on this Earth.

Those that adhere to terrestrial things will be *held back* by them.

*Easter, the Festival of the Resurrection* is of the greatest denotation. Easter is also celebrated with great devotion in the realm of the spirit. GOD effects miracles especially *at this time*. All friends of spirit and peace ought to sincerely contemplate the great mystery of death and its associated resurrection at Easter. *Such* a meditation possesses GOD'S *enormous* ENERGY.

\* \* \* \* \*

## Questions and answers

*December 1959*

Question : Did JESUS CHRIST redeem all of mankind by dying on the Cross?

AREDOS : CHRIST *justifiably* deserves the name of SAVIOUR. But his death has *nothing to do* with this.

- *CHRIST did not redeem mankind through his death, but through the correction of the falsified words in the Holy Scriptures.*
- *CHRIST redeemed captive souls in the SPHERES of DARKNESS.*
- *CHRIST organised the WORLD of the SPIRIT that is at the disposal of all terrestrial human beings.*
- *CHRIST placed one or more GUARDIAN ANGELS at the side of each human being.*
- *CHRIST redeemed through his advocacy.*
- *CHRIST redeemed through his unwearying help.*

Question : Was CHRIST'S death preordained, something GOD allowed to happen?

AREDOS : *No*. The MESSIAH'S death was *not* preordained. His incarnation was a great risk. His assignment on Earth was predetermined. CHRIST did however see his future quite early.

Question : Did CHRIST fulfil his assignment through his death?

ARGUN : His death was *not* part of his assignment. He faithfully fulfilled his assignment; but his death was a *non-predetermined murder!* CHRIST fulfilled GOD'S proxy here on Earth. He was and still is in charge of the welfare of terrestrial mankind on behalf of GOD. He represents *the guidepost* to HIGHER LEVELS of EXISTENCE. CHRIST does however *not* have any creation-assignments to fulfil. GOD reserves this task for himself. Lucifer did however also have creative powers and he *abused* them.

*January 1960*

Question : GOD is therefore a visible PERSON *after all!* But you once told us that JESUS never saw GOD, only his glory. How does this concur?

ARGUN : CHRIST never saw the LORD here on Earth, that is to say, during his incarnation, but he saw a lot of ANGELS instead. Besides, as he grew older, he became increasingly more aware *where he came from* and the reason *why* he lived in a physical body. The SANTINER thoroughly enlightened him about this. CHRIST only saw his FATHER after his return to the realm of the spirit.

*February 1960*

Our spirit teacher and guide ARGUN is asking us to acknowledge the following:

- JESUS CHRIST is *not* a SANTINER, even though the SANTINER (Ufonauts) are at his disposal.
- CHRIST lived his *first* incarnation on this planet in Bethlehem. He was a human being (JESUS) made of flesh and blood at that time. A further reincarnation is absolutely possible, but other EMINENT SOULS and SAVIOURS of MANKIND can also be incarnated on this Earth.

### **This is what AREDOS tells us**

*April 1960*

Imagine that you have committed a crime and that you now have to go to court. You, the accused, are naturally stressed and you would like to be acquitted. The greater the crime, the greater the fear of the punishment. Mankind created a judicial system in order that order reigns and that crimes and misdemeanours do not gain the upper hand. It would however be wonderful for sinner to have courts of law that judge them mildly, so that they would always escape unpunished.

Now pay attention to the fact that you have a strange juristic attitude in regards to right and wrong when it comes to the sins of *all of* mankind and in regards to GOD'S JUSTICE.

All of mankind is not free from any kind of guilt. These trespasses against GOODNESS, against LOVE are *known* to you, because everyone knows *very accurately* what's allowed and what's forbidden. It would however be too terrible if every human being would be placed in front of a HIGHER COURT after their demise, ergo after their disembodiment, a COURT that indeed judges mildly, but that is *absolutely just* in spite of this. The COURT may be ever so tolerant, you can however not escape it just the same. You can *neither fool nor lie* to this COURT, nor use *weak excuses* or *buy* your release. You will say that these prospects are not really rosy for somebody who is guilty of having committed a sin.

This is where GOD comes to our aid: HE, the FATHER, sends us a SAVIOUR. It was never been and it certainly isn't a case now where CHRIST simply acquits us. This would be a bad judge and an untrustworthy COURT of LAW. But CHRIST taught us *to distinguish* between right and wrong and warned *all of us* about this HIGHEST COURT of LAW. But most people, those that feel more comfortable wallowing in sin than living a righteous life, feel neither redeemed nor improved through this. Only the Fathers of the Church, their sidekicks and all too asinine sheep (followers) believe in the dogmas of an *inactive* and *merciful* JUDGE who *cries* over every sinner, but who does not have the courage to condemn and besides, eventually recompenses evil out of pure grace.

But then there are the powerful on this Earth, politicians, industrial magnates and lots businessmen of supersized magnitude. All of these big income earners and great sinners *never feel quite comfortable* when they think of the admonitions of the SAVIOUR. They feel that every COURT of LAW is something uncomfortable, particularly if the punishment is supposed to reach all the way to the hereafter. They therefore came up with a grandiose scheme that removed all of these types of worries from their conscience. They coined the phrase: "*Religion is the opium of the people!*" – The reality is that they themselves do require an opiate *to replace* a *truthful* RELIGION that has such dire expectations for sinners. Nothing is easier than this. The otherworldly COURT of LAW is simply abolished and the JUDGE branded a "*figment of imagination*".

The *non-existence* of GOD must be proclaimed as a *religion* in order to give the whole affair validity. This pseudo-religion *turned into* the opium for the masses, *into the opium* for a few leaders. A self-made sedative with a completely false name, because the *true* RELIGION is absolutely no opiate, no poisonous sedative in this case, but a question of conscience.

- *This is why one falsely accused CHRIST of being a general saviour of mankind, because a redeemer, an acquitted soul, does not need to be called to front a COURT of LAW in the hereafter.*
- *But as this theory of redemption was a little too vague for people burdened with a heavy conscience, they thought it more comfortable to declare that the TRUTH is a lie.*

All of mankind fears any otherworldly PUNISHMENT greatly and this in all instances.

- *The major confessions turned CHRIST into a scapegoat, one that has to expiate all terrestrial sins.*
- *The major philosophies make it even easier for themselves, they simply disavow the whole thing.*

The terrible death throes of atheists and the tears of those left behind show all of you the existing fear of the hereafter, the fear of GOD cannot be eliminated this way or in any other way.

- *Be true and do not deceive yourselves.*
- *Take care of your health and respect your existence.*
- *Respect GOD and do good things for all your fellow human beings.*
- *Wrestle with the spirit, but without weapons!*

## Questions and answers

*May 1960*

Question : Can one call CHRIST'S death a divine foreordination?

AREDOS : The death of the SON of GOD was a fate prepared *by human hands*. Jewish priests saw that their whole divine services were threatened. They acted accordingly. They felt a little uneasy after and they cleared their conscience by *adapting* the *Talmud* to suit their needs. They duped themselves.

*June 1960*

Question : A friend of spirit from Switzerland gives an account about a woman called B. R. that was supposed to have received a great revelation from the saviour. Can you tell us something about this?

ARGUN : Certainly, One cannot reject all of it, but the saviour was *not* responsible for this. One has to remember this!

- *The SON of the LORD treads a more important path, one of interplanetary importance, because he prepares the path for the SANTINER.*

*December 1960*

Objection : CHRIST is supposed to have said: "Love thy enemies." Experience however tells us that it is *not appropriate* to love one's enemies.

AREDOS : This passage has been *falsely reproduced*. CHRIST said: "*You should not hate your enemies.*" – You should not do anything positive for your enemies, but you should not harm them either. You should however help them when they are in distress.

*September 1961*

Question : A number of people still hold the opinion that CHRIST was *GOD personified on Earth*. Is this opinion justified in any way?

ARGUN : *Next* to GOD, CHRIST enjoys the highest esteem in the realm of the spirit. His eminent refinement makes him the SON of GOD. His death was *not* intended. Because of people's free will, it happened *prematurely*.

- GOD is invincible in every respect and he can therefore not be killed by human hands, as was the case with CHRIST.

To blame the personal GOD for something like this, because of one's lack of trust in his POWERS, is *blasphemy*. CHRIST was GOD'S *plenipotentiary*.

*June 1962*

Question : We have a certain vision of what *CHRIST* and *Mary* looked like. Can we regard this representation as a valid beauty ideal?

ARGUN : The beauty ideal is relative. What is true is that *both* represent a valid ideal of *purity*. Their spirit is *pure* and this is why they belong in the LIGHT.

- *It is however wrong to adore them like idols!*
- *It is also wrong to call Mary the "Mother of GOD"! She undoubtedly occupies a special place, but it is wrong to elevate her above GOD by calling her "Mother of GOD".*

*Mary* is one of GOD'S *servants*, but *not* the "Mother of GOD". The cult surrounding her makes one forget her true assignments.

Question : What are *Mary's* real tasks?

ARGUN : Above everything else, she takes charge of inspiration in all urgent cases of introducing a new life. The thought processes of human beings are unfortunately *too illogical* to correctly recognise the boundaries of what is actually possible.

Question : Dear ARGUN, one talks about an "Immaculate Conception" in regards to *Mary*. How can we make sense of this?

ARGUN : What is primarily believed in are dogmas and theories.

- *Immaculate Conception means: Untouched by the negative. This was the prerequisite for the incarnation of the SON of GOD.*

Question : Did CHRIST'S incarnation and birth happen according to the general laws of procreation?

ARGUN : These are GOD'S LAWS and they are *irrevocable*. There are no exceptions here. These LAWS are the determinant factors for the existence and all of fauna and flora. People however try to *negatively influence* these LAWS, by believing that the sciences will be able one day to trump GOD. Even if the sciences record successes in this field, they will never be able to create a viable, healthy human being in a retort. *These* successes can only apply to growth and to physical matter, but the physical body will remain *soulless* in such cases.

GOD'S LAW is concerned with the IMMORTALITY of the SOUL and no human being and no science can change anything there. Everything that exists here on Earth must *subsume* and *adapt*, people however balk at this, because they are dealing with unwritten LAWS and COMMANDMENTS.

- *We are dealing with the divine materialisation of semen in respect to CHRIST'S incarnation, but it had to proceed according to the legalities of nature.*

July 1962

Question : Do *all* soul have a dual-soul that compliments their own soul?

ARGUN : This depends on the spiritual development, whether one yearns for one, or whether one can develop in that direction.

Question : Did CHRIST have such a dual-soul?

ARGUN : *No*. He has his BROTHERS from the same SPHERE.

- *Human beings will always find their dual-soul in the same SPHERE. You will however not call it dual-soul, but one of your best friends. All friends in the hereafter are duals and like in the here and now, the gender plays a role.*

September 1962

Question : A certain faction doubts whether CHRIST was crucified. His death was supposed to have occurred at the stake. What can you tell us about this?

ARGUN : We should not be dealing with this question. The answer will not help you progress.

December 1962

Question : Did *Mary*, the mother of CHRIST have a hand at *Fatima*?

ARGUN : Yes, the mother of CHRIST did cooperate with the SANTINER.

Question : The *Star of Bethlehem* is often depicted as a comet with a long tail. Did the Star of Bethlehem have some similarity to a comet?

AREDOS : *The Star of Bethlehem was an extraterrestrial spaceship of the SANTINER. These flying objects often trail long fiery tails behind them. They could easily be confused with a comet. They are often also similar to a meteorite. A meteor does however not fly upwards. The Star of Bethlehem, respectively the UFO, stood still for a very long time.*

January 1963

Question : Is JESUS CHRIST a SANTINER?

ARGUN : We are not authorised to answer all your questions. There are certain limits set for such

questions. CHRIST is a BEARER of LIGHT in the darkness. He saves the things you virtually imprison. CHRIST is however in intimate contact with the SANTINER.

*July 1964*

Question : We *continually* receive enquiries about whether CHRIST was not an incarnation of GOD after all. Can you tell us something about this again?

AREDOS : The Bible gives a very clear answer to this by stating that CHRIST always only talked about *the FATHER who sent him to this world*. – CHRIST spoke the following words even whilst on the Cross: “*Father forgive them for they do not know what they do!*” If we were dealing with a self-incarnation of GOD, he would not have appealed to another LORD (FATHER), besides, he could have forgiven them their sins himself.

Question : There are well-known mediums that received some very eminent inspirations and dictations. One of these well-known *verbal inspirations* states that one should regard GOD and CHRIST as *one* person. This publication lead to confusions. How can one interpret this correctly?

AREDOS : *Verbalisation inspirations* vary in many cases. It depends on the *soul* and the *brain* of the medium.

- *With clairaudience, the medium must in most instances translate the telepathically received concepts into its native language first. A lot of mistakes do however creep into this process, because it isn't always possible to find the suitable word for the received concepts.*

As CHRIST occupies a very eminent position next to GOD – from a religious point of view – the verbal medium can certainly be confused by this. The medium is then no longer able to differentiate between GOD and CHRIST, ergo separate them accordingly. These mistakes are *human* and they *cannot* be classified as a crass mistake made by the medium.

- *This is why the fully-automatic, that is to say, the unconscious psychic writing process is more reliable in this respect, even though it is a more intricate process.*

Question : Can mistakes like confusing GOD with CHRIST have very dire consequences for our development?

AREDOS : To a *lesser degree* in this case, because *it depends on the indoctrination* and it exhibits no difference whatsoever between GOD and CHRIST.

- *It is however a blasphemy to assume that GOD lived a human incarnation.*

Question : Why is it a blasphemy?

AREDOS : Consider how infinitely large creation is. Billions of galaxies exist therein – and they contain inconceivable life. GOD is responsible *for all of it*. Now GOD is supposed leave his majestic post within the universe to wander about on this minute world as a day

labourer and carpenter to then be executed as a criminal? – Where is the logic in this?

- *Just accept the fact that CHRIST is an authorised advocate for every terrestrial human being.*

Nobody can comprehend GOD, even if HE were to wander on Earth like a human being. CHRIST did indeed say: “*Those that see me, see the FATHER.*” But he certainly didn’t mean that he himself was the FATHER. He rather meant that he and the FATHER were of *one* mind. – We continue to be surprised about your *senseless* interpretations of biblical events. We therefore endeavour very hard to correct all those misinterpretations. We unfortunately fail all too often when confronted by a *religious fanaticism* that assesses things completely *biased*.

Question : One Church dogma states that CHRIST took on the sins of mankind through his blood. What do you say to that?

AREDOS : Indeed, mankind sinned against CHRIST, that is to say, mankind committed a terrible bloody deed on him.

- *He did not have the power to forgive this sin. This is why he called upon GOD to forgive them this sin, because he was aware that this murder was mainly made possible through ignorance.*

CHRIST was not resentful. He didn’t want this bloody deed revenged. This however doesn’t mean that mankind has now a charter for every sin ever committed, because CHRIST was declared its scapegoat.

- *All human beings have to work on themselves, they will otherwise end up in the lower SPHERES.*

The justice that applies in the realm of the spirit is *unimaginable* for terrestrial human beings. No priest has the power nor the authority to interfere with this justice.

- *Just like any other human being, a priest can only ask the DIVINE ORGANISATION to help sinners.*

A forgiven sin would achieve the opposite effect with most people. If it would be that easy to get away with things, these people would see *no reason* to change. Whilst still on Earth, CHRIST very emphatically said that “*Every debt must be paid in full*” – and this is something the Churches should take notice of.

Question : How would you interpret CHRIST’S words when he said: “*Love thy neighbour*”?

SILBERBIRKE: Live a life of service:

- *Forget your own importance.*

- *Try to help wherever you can.*
- *Support the fallen.*
- *Evict all injustice.*
- *And verify through your own existence that you are worthy of your divine INHERITANCE.*

August 1965

Question : The various religions still have their different opinions about the MESSIAH. Was CHRIST really GOD'S begotten son?

ARGUN : *Yes.* – CHRIST was born into the flesh, he was incarnated, but he was *born into* life and *not* commonly born. This translation is *wrong*.

- *CHRIST is GOD'S plenipotentiary and he can therefore be called "SON" of GOD. Yes, he is one of the LORD'S SONS. He is one of the KINGS, but not the EMPEROR.*

The universe with all its viable planets is of an incredible vastness. *Divine order* doesn't reign everywhere. This is why the LORD sent a SON to *numerous* planets, ergo as his PLENIPOTENTIARY.

- *CHRIST is responsible for the here and now and the hereafter of the terrestrial sphere. He represent your GOD on Earth. He is also your judge and also your advocate. He is ETERNAL LOVE personified.*

But do not confuse CHRIST with the CREATOR, something a lot of people do! He is *not the only* REPRESENTATIVE and JUDGE in GOD'S universe! – Is this clear?

February 1966

Question : There is a passage in the bible where CHRIST is supposed to have said that a destroyed temple could be rebuild within three days. What are we to make of these words?

ELIAS : This passage also contains a *symbolic*. Three days are however a short time. But mankind can certainly gain a great insight that can overturn everything known so far within three days. Something can be discovered that can trigger a completely new way of looking at things.

Question : Did the SANTINER play a certain role when JESUS uttered these words?

ELIAS : Yes, that's true. The SANTINER dispose over extraordinary *magic* abilities. They can trigger great phenomena, like for instance *the parting of the Red Sea* and further phenomena.

August 1967

Question : The man from Nazareth is supposed to have said: More eminent people will come *after*

*I am gone* and they will accomplish *even greater things*. Was CHRIST not convinced of his own perfection?

ELIAS : That CHRIST uttered these words is true, but one should not *falsely interpret* his words, because doing so can reverse their whole meaning. CHRIST was actually a paradigm of humility. This humility made CHRIST place his light under a bushel. He does however deserve to be standing in the “full light”. His LOVE for his fellowmen, his LOVE for GOD, his humility and his renouncement of earthly goods separated him from all the others. Politics, theology and the sciences *lack* this humility and this is why terrestrial mankind is spiritually underdeveloped.

- *Only humility can advance you, because it clarifies your vista for higher things.*

February 1969

Question : There are mediums that claim to have contact with CHRIST. I am of the opinion that CHRIST is indeed still active, but that he does not work via a medium. Is this correct?

ELIAS : I would not put it like this:

- *It is certainly possible that CHRIST works via a medium; but I assume that he would not mention his name. He would have good reasons to remain incognito.*

I do however admit that his name is *misused* a lot. There are also INTELLIGENCES here on our side that *like to gain more attention* in this way.

- *Take more notice of the content of a message than of a well-known name attached to it.*

CHRIST was in contact with the HIGHEST spiritual SPHERE during his lifetimes on Earth.

- *He retrieved information and wrote with his finger in the sand.*

Question : You said “during his lifetimes”. Does this mean that CHRIST *repeatedly* lived on Earth?

AREDOS : CHRIST was a human being made of flesh and blood whilst on Earth. He naturally had his own pre-development like everybody else.

Question : Does the name have a specific meaning?

ELIAS : CHRIST means: *The anointed one*”. To be anointed was a very eminent accolade in those days. It isn’t however just about the name, but about the meaning attached to the name.

- *CHRIST was the most distinguished medium in the history of terrestrial mankind and an excellent archetype.*

July 1969

Question : One of our readers asserts to have spotted a curtailment of CHRIST'S standing. What do you say to this?

AREDOS : As far as I know we have always asserted that:

- *CHRIST is the trustee of this Earth. He is GOD'S PLENIPOTENTIARY for this planet and its inhabitants.*

ASHTAR SHERAN added:

- *CHRIST was and is the greatest teacher terrestrial mankind has ever had.*

His work on behalf of this mankind has *not been completed* so far; we have always emphasised this. Well, we even said that CHRIST is *more* than a SON of GOD, because he has the *absolute* proxy for HIM. - This reader must be mistaken.

January 1971

Question : CHRIST is called the "redeemer". What is he redeeming us from?

AREDOS : This redemption consist in *indoctrination*. CHRIST was already a great teacher whilst on Earth, this was his main task and he had contact with the realm of the spirit. This MISSION OF REDEMPTION has certainly not come to an end, it *still* exists and will still exist in the future.

- *The help through CHRIST consists in that we may and also can help you.*

We want to prevent you from having to enter into DARKNESS one day. You have no idea what this actually means! *This is why you should be guided by our doctrines!*

February 1972

Question : Was CHRIST transported to India in a spaceship after his resurrection?

ELIAS : His development was attentively observed. The SUPER RACE that does not know war or animosity and striving for UNIVERSAL PEACE fulfils an assignment of the ALMIGHTIEST. It actually represents GOD'S MESSENGERS.

- *Christ wasn't only taken to India, but also to South America and to Mexico.*
- *The so-called teleportations the Bible reports about were almost exclusively transports on board extraterrestrial spaceships. Elias, my namesake, was transported to different countries in a spaceship.*

August 1972

Question : The extraterrestrial universal teacher ASHTAR SHERAN told us that there is no difference between *Moses* and JESUS CHRIST. Can you give us more information about this?

AREDOS : This is true!

- *The SANTINER addressed both of them with the words “My dear Son”.*
- *Both of them had a SACRED MISSION.*
- *Both were adepts and eminent teachers of the truth.*
- *Both assumed that they were guests in GOD’S PALACE.*

Question : It must be a major mistake when Church religions teach that we are dealing with one of GOD’S SONS in respect to CHRIST. Is this correct?

AREDOS : We know that it is very difficult to reform something or to scotch major mistakes. But Church religion is truly amiss here and besides, this led to animosities between Jews and Christians. The reality is completely different from what is recorded in religious scripts:

- *Moses was led to an extraterrestrial spaceship on Mount Sinai. He was a guest there and he was regaled and indoctrinated there. Moses had never before been inside such a well decorated “palace”, one so brightly lit. He believed to be with GOD – and they allowed him to believe this, because he would not have comprehended a different explanation. He received the assignment to amend his people’s religion.*

This mission failed, even if not completely.

Moses remained on board the spaceship for one month and he was also taken for a ride.

Christ was also returned in a spaceship. He also believed to have been GOD’S guest. He was also regaled and indoctrinated. He received his assignment and he became a personal friend of the Commander. There is therefore no difference between the two, not the slightest.

Question : Philosophers thought that *Moses* might have *conceived* the Commandments *himself*. This is the reason why a lot of people began to doubt. Why could this mistake not be corrected a long time ago?

AREDOS : This was not possible before, not until the evidence, namely that it is possible to travel through space with a spaceship, was available. Now, where almost all civilised people know that this is possible, people understand that the Commandments from Mount Sinai were brought down to Earth by a spaceship.

Objection : Understanding this is completely abnegated through certain scientists, because they believe that extraterrestrial spaceships *cannot* exist. The distances between inhabitable planets of other solar systems are apparently simply too great.

AREDOS : Consider: *The time for elucidations is just about to start.* Scientists have *always* been sceptical and slowed down progress in the process. It concerns speed. One unfortunately knows as little about speed than one does about gravity.

Question : The Jewish religion will unfortunately not be easily convinced about the fact of the delivery of those Commandments, because it would destroy their nimbus of being "*GOD'S chosen people*". Would this not produce some resistance?

AREDOS : The enormous process of fermentation mankind finds itself in certainly does not make people dumber. One will gradually comprehend that mankind has been *misled* for centuries.

Question : To fulfil the request from a reader we ask you one more time: Did CHRIST really die on the Cross so his blood would redeem mankind?

AREDOS : When dealing with heroes one tends to invent lots of heroic deeds. This wasn't any different with CHRIST. A lot of things were invented and conceived about him. Tape-recorders didn't exist then. So-called eyewitnesses *readily* believed in miracles, respectively magic.

- *CHRIST was crucified, something that was common practise in those days. But HE survived, because as an adept HE was in possession of enormous POWERS.*
- *The blood HE shed has absolutely no denotation for mankind.*
- *The salvation of individual human beings can only come about through many reincarnations.*

All human beings must spiritually grow, they *must* develop their own moral and ethical LAWS *within themselves*. What is of particular importance is that every human being knows *why* he or she lives on the planet.

- *The meaning of one's existence is found in the task of one's HIGHER DEVELOPMENT.*

This HIGHER DEVELOPMENT does *not* come to an end through one's physical death, respectively one's disembodiment.

- *One single life does not suffice to complete one's HIGHER DEVELOPMENT.*

One single life does not even suffice to find one's feet in today's world. Every human being must be *preprogramed* in order to comprehend this technological and scientific world.

- *The preprogramming happened during many past lives.*

But wars also made a very powerful impression on people, so powerful in fact that they are born with *negative inclinations*. You can observe this with infants. But once these people grow up, they will *more than ever* play with the lives of their fellow men.

- *Only when people correctly comprehend this will they try to change themselves. All endeavours for peace will come to nothing until then.*

You can see how incredibly *important* our spiritual work is. This mission requires money, well more than that, it requires proper finances to redeem mankind. No human blood *senselessly* spilled on battlefields will help here either!

July 1974

Question : CHRIST said: "The truth will set you free". What did he mean by that?

AREDOS : There are a lot of doctrines that are lauded as the truth. Mistakes can also *camouflage themselves* as the truth. But there can only be *one* OBJECTIVE TRUTH. *Logic must acknowledge this!* GOD is the OBJECTIVE TRUTH and this is why *only* GOD can set us free.

When people manage to *recognise* GOD *within themselves* they will have comprehended the TRUTH. Their SPIRITUAL EYES will at that instant be open to such a degree that they will *correctly* recognise their whole environment. This represents *real* freedom and it triggers an unimaginable feeling of joy.
