### Introductory words:

GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS! We are welcoming all present from the OTHER WORLD very cordially. "Where two or three are assembled in my NAME there I will be right in the middle of them," these CHRISTIAN WORDS shall guide all our meetings. We will do this work in HIS NAME so that it will serve everybody. Only HE is able to send authorized TEACHERS so that we can receive the TRUTH. We ask CHRIST to bless all present here with HIS spiritual PROTECTION so that we won't be a plaything for the antagonist of GOD. We know that we have to make the greatest contribution ourselves. – It is our aim to grow through spiritual TEACHING, then to be able to distribute the TRUTH there where it can fall on fertile ground. We are asking for GUIDANCE so that our MISSION on Earth will be justified. We cannot reach this destination under our own steam, without spiritual HELP. We thank all HELPERS from the OTHER WORLD who support us in this. In this sense we are hoping for a blessed and enlightening evening.

Welcoming all present and the beginning of the questioning.

TAI SHIIN : GREETINGS IN THE NAME OF GOD AND PEACE ACROSS ALL FRONTIERS!

This is TAI SHIIN speaking. I welcome you very cordially dear brothers and sisters from the stars. I thank you for the opportunity to answer your questions here and I would like to encourage you to progress in your own way. I would like to extend a very special greeting on behalf of everybody, especially to you as my brother.<sup>1</sup>

We have observed you for a long time and we have come to the conclusion that this circle is qualified to act as a point of approach, respectively a point of contact. If you continue to cooperate assiduously we will be able to intensify our contacts. This could become important for the future, *not just* for you! -

- *As from now, it will be possible for you to communicate with us, the SANTINER, through your mediums. - We are pleased!*

You had the opportunity to deal with this type of COMMUNICATION in the past. Even if the old circles no longer exist, it has always been *your aim* not to lose this CONTACT again. He, who soundly believes in something, will have his wishes granted! It isn't always easy to find mediums in order to allow these important messages for planet Earth to flow though. A lot is transmitted and a lot of what is transmitted in the name of the SANTINER is false. This is why we are pleased to be able to answer your questions here.

Question : We welcome you very cordially and we are surprised and very pleased about this first visit from you. Will your personal visit remain the exception?

TAI SHIIN : If it is your wish, I will be present here more often in the future. I would like to inform you to begin with that the ENERGY FIELDS around this planet are beginning to become active by emanating their VIBRATIONS. These ENERGY FIELDS are the result of your actions here on your planet. Our fleet, under ASHTAR SHERAN'S LEADERSHIP, has the divine ASSIGNMENT to bring these ENERGIES back into a *neutral* state. We endeavour to maintain the equilibrium of this planet.

Question : Can a sensitive person develop illnesses more often than others if it feels these ENERGIES?

TAI SHIIN : Sensitive souls have a *more pronounced* ethereality and can certainly perceive the Earth's VIBRATIONS. But these are *not* the reasons why body and soul fall ill.

Question : Where did you come from this evening?

---

<sup>1</sup> There is a spiritual connection between the above mentioned person and the SANTINER from a past live.

TAI SHIIN : I have come from the fleet assembled around ASHTAR SHERAN. The mother-ship is presently located at the North Pole. We have our bases all around planet Earth.

Question : Are there also bases throughout the solar system?

TAI SHIIN : Extended throughout the spheres situated around the Earth.

Question : How does this communication here come about?

TAI SHIIN : We are able to bring our body, spirit and soul with us as one unit. I am present here in my *astral body*. The physical body - as you call it - is partially materialised.

Question : According to what criteria do you select your terrestrial contact persons?

TAI SHIIN : We are informed by SPIRIT ENTITIES who establish contact with the respective terrestrial soul.

Question : What prerequisites would have to be fulfilled for a *physical* contact?

TAI SHIIN : The belief that something exists *beyond* this planet Earth, faith in the CREATOR and in what HE is capable of through HIS FREQUENCIES of LIGHT.

Objection : I do believe that we fulfil this, but *physical* contact has eluded us up to now in spite of it.

TAI SHIIN : Your journey is a *different* one, stay with it and you will go your own way. Your assignment here on your home planet is *different from* what the souls in direct contact with us are to effect.

Question : We receive messages from other groups and mediums we are not comfortable with. Some of them state that the time is here to “take precautions” by establishing an “emergency supply” and by having a “non-electrical source of warmth and water” at the ready. The fact that the “terrestrial upheavals assume greater magnitudes” is being verified more and more. They further state: But nobody has to be afraid, because fear represents a petition of mistrust in GOD.” - Can you confirm that one ought to establish a cache of emergency supplies and if this is the case, how long for?

TAI SHIIN : These are considerable contradictions to begin with: On the one hand you are supposed to react to the Earth’s changes *without fear* and trepidations and on the other hand you receive messages that tell you to make provisions so you *don’t go hungry*.

- Be assured that when such an Earth change takes place it will take place at a time when you *no longer need* such necessities!

We, as PROTECTORS of this Earth have the DIVINE ASSIGNMENT *to stand by you* during that time and to help you to survive this FREQUENCY of VIBRATION. Of what

use are stockpiles of provisions and energy to you, when your consciousness has not yet reached the threshold?

Question : Are the increases in natural catastrophes a reaction by the Earth's elements against the things mankind gets up to?

(T. B: That's correct.)

TAI SHIIN : The Earth's elements fend against what mankind does to GOD. All the elements and fragments here on Earth contain GOD'S SUBSTANCE. Through this "DESTRUCTION of GOD'S SUBSTANCE" you cause OPPOSING OSCILLATIONS and they are instrumental in encouraging the Earth's elements to fight back. Decisive are the energetic tremors *inside* your planet! You cause the Earth to lose balance of its own axis. The displacement of the axis brings with it a dislocation of *all* GRADES of VIBRATIONS on this planet, with the result that volcanic eruptions and natural catastrophes are evoked.

Question : Two weeks after an Indian nuclear test, Pakistan made good its threats and answered with five of their own nuclear explosions. Television showed how due to the heat created by the explosion, a mountaintop began to develop inside the earth. Large sections of the populations reacted with pride and jubilation to the successful tests. What were they thinking of?

TAI SHIIN : As these people have been dominated for centuries by others, they now feel that they have a powerful instrument in their hands that will help them to dominate Earth's elements. These tests...

(T. B: A sin.)

...aggravate the currents...

(T. B: Cold light.)

..of the rivers. What is meant here are *Earth's meridians*, which maintain life on this planet?

Question : The MESSENGER of LIGHT AMENDON wrote that it was not necessarily a given that we would even experience the upcoming changes on Earth. How are we to interpret this?

TAI SHIIN : Everything takes its time - and time is one factor that is *very difficult* to understand. There are many mental, positive streams that support this planet. *Nobody* can make an exact prediction in regards to time. This planet is presently subjected to a difficult test. Many eminent ENTITIES are incarnated here and ready to become active here. Many spirit FRIENDS congregate near this planet in order to protect it.

- *We cannot influence human actions and human thoughts! We can only support the faith and thought processes of those souls who are prepared to fight for this planet.*

Question : Time seems to fly. The days seemed to be as if compressed. Why is this so?

TAI SHIIN : Time becomes more intense, because you allow yourself to be controlled by time. There are only very few people that stop and take five minutes a day to smell a flower or to give thanks for the day. You are so entangled in your work, in your day to day human existence, that you *do not live the true meaning* of life itself.

Question : The bible mentions that time will be shortened at the end of times. Has this something to do with this?

(T. B: Not in these cases.)

TAI SHIIN : No. The end of times is the beginning of a new creation. The way you experience time is *your own doing*. The end of times is *initiated by nature and by ENTITIES* that accompany this planet.

Objection : Even children wonder about the way time seems to fly.

TAI SHIIN : This has a *different* quality. Children perceive the things that happen around them more *consciously*. They live their life partially anchored to a different sphere a lot of times. Time has not the same meaning as what *you* consider time to be.

Question : The Earth's evacuation is a controversial issue. Many spiritual messages maintain that the evacuation is a "misunderstanding". Confusion reigns supreme. What can you tell us about it?

TAI SHIIN : What is true is that ASHTAR SHERAN, the commander of the Starfleet, has the assignment *to accompany* this planet. The evacuation will only come into effect if the divine PLAN is *not put into practice* by the people on Earth.

Question : The way things stand at the moment the PLAN is probably not put into action. Mankind continues to slide towards complete materialism. Do you see it like this also?

TAI SHIIN : There are a lot of people who have started their journey to GOD. Do not underestimate these thoughts and these souls! - Especially during the last century, *many* have undertaken the journey to find out what their life is *all about*. There are of course a lot of negative things, things that have a destructive effect on this Earth. But there is an opposite polarity and to allow this opposite polarity *to grow and to mature* is now a task for us all.

Question : One thing that stands out in these reports is that the *physical* evacuation is *put on a level with* a spiritual ascent. Does the opportunity of a physical evacuation exempt man from their own responsibility in regards to their mental and spiritual development?

- TAI SHIIN : The mental and spiritual development is *not* abolished. In order for you to remain viable, a transformation of matter takes place. Every human soul has the obligation to start *their own* cleansing process, through your thoughts and through your actions in regards to yourself and others. It is up to every individual to recognise and to apply the divine LAWS. *Only in case of an emergency* may we and can we grant you help!
- Question : We are still convinced that more visible activities on your part will enhance the credibility of our work circle. Our words receive little credence without your support. How do you see this problem?
- TAI SHIIN : It is as if one wants to make a blind man see. What use are sightings to you when they are dismissed (in spite of it) with comments that we *do not exist* and that these are some *other* objects. What you convey to others with conviction and with your credibility *has more* substance and conceivability than one of our spectacles in the sky.
- Participant : The majority of UFO reports, especially on television, are negative. Scientists insist that there is no evidence that UFOS exist.
- TAI SHIIN : They have to react like that. How can they explain *our existence* with *their* awareness? As far as they are concerned, we do not exist.
- Objection : It would take the wind out of many a sail if UFOS were to appear over the universities and research laboratories of this world.
- Participant : Maybe panic would ensue!
- TAI SHIIN : There will be *no* panic, but the AIM of the divine CREATOR would *not be met*. You might as well say that GOD ought to appear here or JESUS CHRIST. People only believe what they *want* to believe. We are not prepared to carry out such performances. If we do make ourselves visible, it has some particular *significance* for a particular human soul. We do not lower ourselves in order to interfere with the divine PLAN.
- Objection : But encounters and even abductions are supposed to take place.
- TAI SHIIN : Be assured that these abductions *are not initiated by us*, as a group of SANTINER. These are entities from different spheres.
- (T. B: Be careful!)
- Participant : These entities show themselves *more* often than you do!
- TAI SHIIN : We too have shown ourselves in Russia and the USA. We wanted to provide both powers with evidence of our existence. But what changes has this made in regards to man's real behaviour? -
- Question : We can therefore assume that when sightings take place *at this point in time*, we are not dealing with the SANTINER?

TAI SHIIN : These are *other* entities and they are here for study purposes.

Question : Why so frequent of late? One always talked about the SANTINER in the past. But one almost always reads reports about the “little greys” these days. One could form the opinion that the SANTINER are extinct.

TAI SHIIN : No, we are not extinct. - But your VIBRATIONS, the planet’s VIBRATIONS arrive at their destiny!

- *Every single one of you sends VIBRATIONS with their consciousness and they reach the vast ETHER of the universe. And there are also GOD’S CREATIONS who go on an exploration in order to reach their own goal.*

Objection : We have enough problems here on Earth; we don’t need negative extraterrestrials into the bargain!

TAI SHIIN : Be assured, they have landed here *to a very minor extent*. Our assignment is *to filter* the VIBRATIONS you emit. - It is difficult to explain.

Question : Positive VIBRATIONS can pass through the filter, whilst everything else is retained, respectively TRANSFORMED?

TAI SHIIN : This is roughly how you can envisage this. We are *not exactly* able to filter *everything*, because the Earth, *injured* Earth, also emits VIBRATIONS.

(T. B: Great masses of it.)

Question : It was said that the “greys” are materialisations of GOD’S antagonist. Is this correct?

TAI SHIIN : We are dealing with fictions of souls that are *not* aligned with GOD. These are materialisations out of “nothing” and they are reflections of your thought processes here on Earth. They are attracted by your VIBRATIONS.

Question : How is it possible that even children had these encounters and were allegedly also abducted? Do children not enjoy special PROTECTION?

(T. B: Correct!)

TAI SHIIN : The souls of children are easily influenced and curious. Children’s souls can also originate from negative domains. Lucifer can also send children here. Lucifer also learns in order to expand his might.

Objection : I thought that the KARMIC COUNCIL exercised a controlling function in this regards.

TAI SHIIN : The soul flows into the body at birth. Lucifer can *supplant* souls!

Objection : It was mentioned that a *miscarriage* eventuates in such cases.

TAI SHIIN : Lucifer does sometimes gain control (in spite of this)!

Question : Who leads the grey entities?

TAI SHIIN : These negative souls are lead by GOD'S counterpart. It represents a portion that split away from GOD. You call him "Lucifer" or "devil". It represents the dark side and it undertook its journey eons ago in order to reach GOD'S souls.

Question : According to what criteria do the "little greys" select the people they make contact with and abduct?

TAI SHIIN : These entities look for souls of EQUAL VIBRATIONS. They interfere with souls who emit the same, low IMPULSES of VIBRATIONS.

Question : According to rumours, certain American government authorities are supposed to have made a pact with extraterrestrials: Sanctioning experiments on people with extraterrestrial technology. Is this correct?

TAI SHIIN : We have to *negate* this. The CREATOR would never allow that we experimentally manipulate a human soul without its consent.

Question : Does this also apply to the "greys", which most probably have to offer quite a lot in regards to technology?

TAI SHIIN : These souls have turned towards the *dark* sphere. They have exited the divine PLAN and they no longer act in a divine SENSE. But we *negate* that there is a pact.

Question : Is it true that the strictly secured Area 51 within the US test area at Groom Lake in the State of Nevada is utilised for extraterrestrial contacts?

TAI SHIIN : We can tell you that one is working on an experimental spaceship in this area. But this spaceship is *not* one of the fleet I'm involved with. It is not one of ASHTAR SHERAN'S ships.

Question : Do they work with extraterrestrial technology there?

TAI SHIIN : I can *confirm* this. - We are dealing with *another* civilisation here and it has tried to make contact with you in a divine SENSE.

Question : What happened to the occupants of the spaceship?

TAI SHIIN : Their souls have departed. They have left their bodies here on Earth.

Question : Is it true that extraterrestrials are kept imprisoned?

TAI SHIIN : We also *negate this*. Their life-expectancy was of short duration, because the FREQUENCIES and the VIBRATIONS were *very different*.

Question : Could *you* live on Earth?

TAI SHIIN : I could only exist for a *limited* period of time. I would have to try *to downsize* my whole ENERGY FIELD. Assimilation can only be guaranteed for a short period of time.

Question : Is it true that extraterrestrial beings execute takeoffs and landings under the cover of darkness at the test area called Area 51?

TAI SHIIN : *Our* side will *not* execute landings in this area. But beings from the home planet of the spaceship might try to make contact with you, as a society.

Question : What were those lights that were filmed in the skies of Area 51 all about? I have seen the video.

TAI SHIIN : These are *genuine* recordings. We are dealing with section of a fleet here that is *not* part of ASHTAR SHERAN'S staff. These entities have *positive* intensions and the ASSIGNMENT to establish contact with the souls that perform experiments on this flying object in order to effect one further positive step into the future.

(T. B: Once again not utilised.)

The scientists that work there *are aware* of the existence of extraterrestrial energies. The next step is *to change the fears, superstition* and the *false concepts* there people suffer from. This is the ASSIGNMENT of these entities.

Question : Was one able to start the crashed spaceship?

TAI SHIIN : They have not yet discovered the "ignition key". This spaceship has not moved an inch under its own steam.

Question : Another question: How great is the likelihood that large celestial objects strike the Earth in the next few years? This happened on Jupiter not so long ago; it is definitely not an impossibility.

TAI SHIIN : This is certainly not impossible, that is correct. But we couldn't make a prediction. *There is presently no danger in this regards*.

Question : How do the SANTINER deal with physical death? How do you inter the physical bodies of your departed relatives?

TAI SHIIN : Our bodies are *dematerialised* and dissolve.

- Question : A very hygienic solution. - How do those left behind deal with the fact that their beloved relative is no longer there?
- TAI SHIIN : Such thoughts no longer predominate, because every individual *is aware* that a HOME COMING is on the cards. We have the opportunity to entertain *telepathic* contact with one another.
- Question : Accordingly nothing actually changes apart from the fact that one no longer sees the departed soul?
- TAI SHIIN : That's how it is. - But with a certain level of awareness, seeing them is *also possible*.
- Participant : Accordingly the fear of dying does not exist in your world. This is exactly what is lacking here on Earth!
- TAI SHIIN : We don't have this anymore. - Your STAIRS have not yet been climbed.
- Question : Where does the fear of dying stem from here with us?
- TAI SHIIN : *It is a mental attitude*. - Most people are guided by the fact that they live a certain number of years and that this is then *the end of it*. This hopelessness forces many souls to *hold onto* material things, so as not *to lose* anything and out of fear of *having missed out* on something. Live in peace and LOVE with one another. This *accomplishes more* than the acquisition of material goods.
- Question : Once you have solved "problem Earth", where does your next evolutionary step lead you?
- TAI SHIIN : To GOD! - We will no longer need a physical body; we will only exist of VIBRATIONS.
- Question : Are you still active as ASHTAR SHERAN'S "assistant"?
- TAI SHIIN : If you want to call it that, yes.
- Question : How is your family, LOA and ESDUR?
- TAI SHIIN : We entertain constant contact with each another. They have *other* commitments and taken on other assignments.
- Question : Family life must surely take a back seat with you, the SANTINER, if one takes the service you render planet Earth into consideration?
- TAI SHIIN : Family - not quite like you know it. With us family means a RELATIONSHIP between SOULS, an amalgamation of ENERGY SOURCES floating in harmony.

Question : Will you be the future TEACHERS for the people on Earth?

TAI SHIIN : We are *already* TEACHERS on this planet and we will continue to carry out this ASSIGNMENT.

Question : We have noticed just recently that Hermann Ilg's messages have concentrated on NATURE SPIRITS and his departed friends. Why is this so?

TAI SHIIN : He has chosen a different - you call it - CONNECTION. Information from nature spirits and his closeness to nature find expression here. These messages are *still to be rated very highly*.

Question : What can you tell us about the following alleged SANTINER TRANSMISSION published in the journal "UFO-Nachrichten" (UFO-News)? Amongst other things it states that:

“...a new state of being will be revealed to you, a state you don't even dare dream about. And we, the SANTINER, will be the ones that will continue to accompany you and familiarise you with the new. You will discover a lot of captivating things and develop unbelievable abilities - a huge gain that results from the game that is about to come to an end. We are ready to accommodate you in our innumerable ships. Therefore be without fear and full of confidence for what's to come...”

(T. B: Good spirit.)

TAI SHIIN : I would like to say to this that these are utterances that cannot be written down within a time lapse frame. Correct is - ASHTAR SHERAN has advice you on this already- that his assignment here consists in *guiding* this Earth. Whatever might happen! You are the ones with the free will to make sure that it will be in *the right direction*. Our influence stops there!

Question : Are you not also of the opinion that all of humanity here on Earth ought to find out *more* about your presence here; so that this doesn't remain limited to certain government departments?

TAI SHIIN : The time will come! Individual *bases* and *points of exchange* have to be created first. - You tend to set more trust in scientists, doctors or other eminent personalities. You quite often do *not recognise* the TRUTH, even if it's right in front of your nose. You need LOUDSPEAKERS to announce the TRUTH to you!

Question : Worldwide, many people are supposed to disappear under mysterious circumstances. Not all of these cases find an earthly explanation. What can you tell us about this?

TAI SHIIN : Some of these souls are attracted by the dark forces and by the entities you have just mentioned, which draw these souls towards them.

- *We can say and we can verify here that people do disappear in this way from planet Earth.*

Participant : One of the communications we received states that “since 1995, about seven million people have been physically evacuated from danger zones by the STAR BROTHERS and SISTERS who work with CHRIST.” - We find it difficult to believe this.

TAI SHIIN : We can *confirm* this from our side! This evacuation was essential in order to allow these souls to proceed on their chosen path. They have *not yet* reached their goal here.

(T. B: It is planned... (?) ...in the next life.)

Question : Are the predictions in regards to the announced catastrophes and that precautions for them should be made, true?

TAI SHIIN : We, the representatives of the star-fleet would like to say that:

- *First of all, a time factor cannot be given.*
- *We endeavour to secure the ENERGY POLES of this Earth.*
- *You, as human beings, have a chance to reach your goals here.*
- *A higher LEVEL of CONSCIOUSNESS ought to be achieved by as many human souls as possible.*
- *Messages from all mediums here on Earth cannot be given one hundred percent credence.*

This might apply to some of the countries here on Earth, but we *cannot* allow this to stand as something *right across the board*.

Question : At least you have verified that seven million people have already been evacuated. *Whereto* were these people evacuated to?

TAI SHIIN : The evacuation and the ensuing change-over to a different *physical* arena of these souls developed due to the severity of their situation and to give us the opportunity to act in a positive way for you're here on Earth. These souls find themselves in a state of sleep. This is *not a physical death!* They have not left this Earth solely in the spirit, but as a physical and mental-spiritual unit. They are situated within an intermediate phase between two worlds.

Objection : But *they are dead* as far as their friends and relatives are concerned.

TAI SHIIN : We are dealing with the definition of two *different* perceptions here. “Death” to you means that one has ceased to exist.

- *I hereby tell you that these souls live in a different environment and this with their corporal, physical envelope. It is difficult to explain, their life's characteristics are different, that's all.*

These souls are *not* in the spiritual realm. They are presently in a state of sleep and they do not remember what has happened. These souls have been wrenched out of their respective situations due to natural catastrophes. This was *not* foreseen within the divine PLAN. These souls will return to this planet.

Question : It had come up for discussion in the past that we ought to deal with free energy with Nikola Tesla and yourself. Is there still any sense in that?

TAI SHIIN : *There is still sense in this*, but it will take some time (still) because the ENERGY and your LIGHT FREQUENCY are presently insufficient to do this.

Objection : We cannot carry out any costly test series nor laboratory tests, because we lack the necessary equipment.

TAI SHIIN : This is not really what was asked for. Nikola Tesla's soul will give you directives in this regards. But the time is not ripe for this.

Question : Is there an opportunity to verify the presence of spirit entities through *technological means*?

TAI SHIIN : Your present day science is presently unable to carry this out. These VIBRATIONS are so enormous that your measuring instruments are not suitable at all. - This is one of the ASSIGNMENTS carried out by those spaceships in the USA. Further developments or impulses will come from this station (Area 51).

Question : Telepathy represents the universal method of communication throughout the universe. What would I have to do to optimise my inherent aptitude in order to make contact with you?

TAI SHIIN : *Ask* that this line of communication is expanded and upgraded and it will happen.

Question : I presently hear a concrete whistling sound and it now slowly disappears. What was that?

TAI SHIIN : This acoustic stimulation is based on ENERGY FREQUENCIES sent from my side.

Participant : I have been hearing this FREQUENCY for quite some time and one of my friends hear it also. We telephoned one another at time to find out whether we receive this frequency *simultaneously*. But this whistling sound has not appeared as frequently for a while now. Why?

TAI SHIIN : What happened is that our connection was interrupted, because *another* assignment asked for your attention (Automatic writing). If you have the desire to make contact with me, your BROTHER from the STARS, your plea will not fall on deaf ears.

Question : Do not things happen that are supposed to happen anyway? - Telepathy might begin to function when it is required.

TAI SHIIN : You, as a divine being with, *must express the wish* with your freedom of choice. - We do not have the right to be in command of your body and your SOURCES of ENERGY.

Participant : In this case I hereby officially express this desire! - Everything that serves the common good is included in my wish. I am not interested in personal advantages, they wouldn't be a good thing anyway.

(T. B: Exactly.)

TAI SHIIN : I will pay you *more* attention.

Question : Why was telepathy not created a UNIVERSAL MEANS of COMMUNICATION *for all* creatures, no matter what level of development? Many misunderstandings would then never arise in the first place.

TAI SHIIN : But it would mean that your progress within the various levels of the spirit, in fact within the divine SPIRIT and your CHRIST CONSCIOUSNESS, *could not grow*.

- *This telepathic exchange of thoughts, of pure thoughts in fact, can only be send and received once the CHRIST CONSCIOUSNESS has progressed.*

In the name of the fleet and in the name of my LEADER ASHTAR SHERAN, I would like to cordially thank you for the opportunity to answer your questions here and for the opportunity to be a guest amongst you. I am happy that I was able to visit you here with a number of SANTINER. We, the SANTINER, wish you for your ASSIGNMENT here on your planet and for the future a lot of courage and a lot of trust *in yourselves*. There are bound to be more supplements and more requests. A lot of things that encourage contemplation. This is the goal of our appearance here. We continue to wish you all the best for the work you do. In the name of all involved here I thank you and say good-bye in a divine SENSE. Look up to the sky, we will be there!

TAI SHIIN.

Participant : We also thank you affectionately for your visit. It was a pleasure to cooperate with you. Please convey our greetings to ASHTAR SHERAN.
